

Amplitudes for channel 0 of first detector

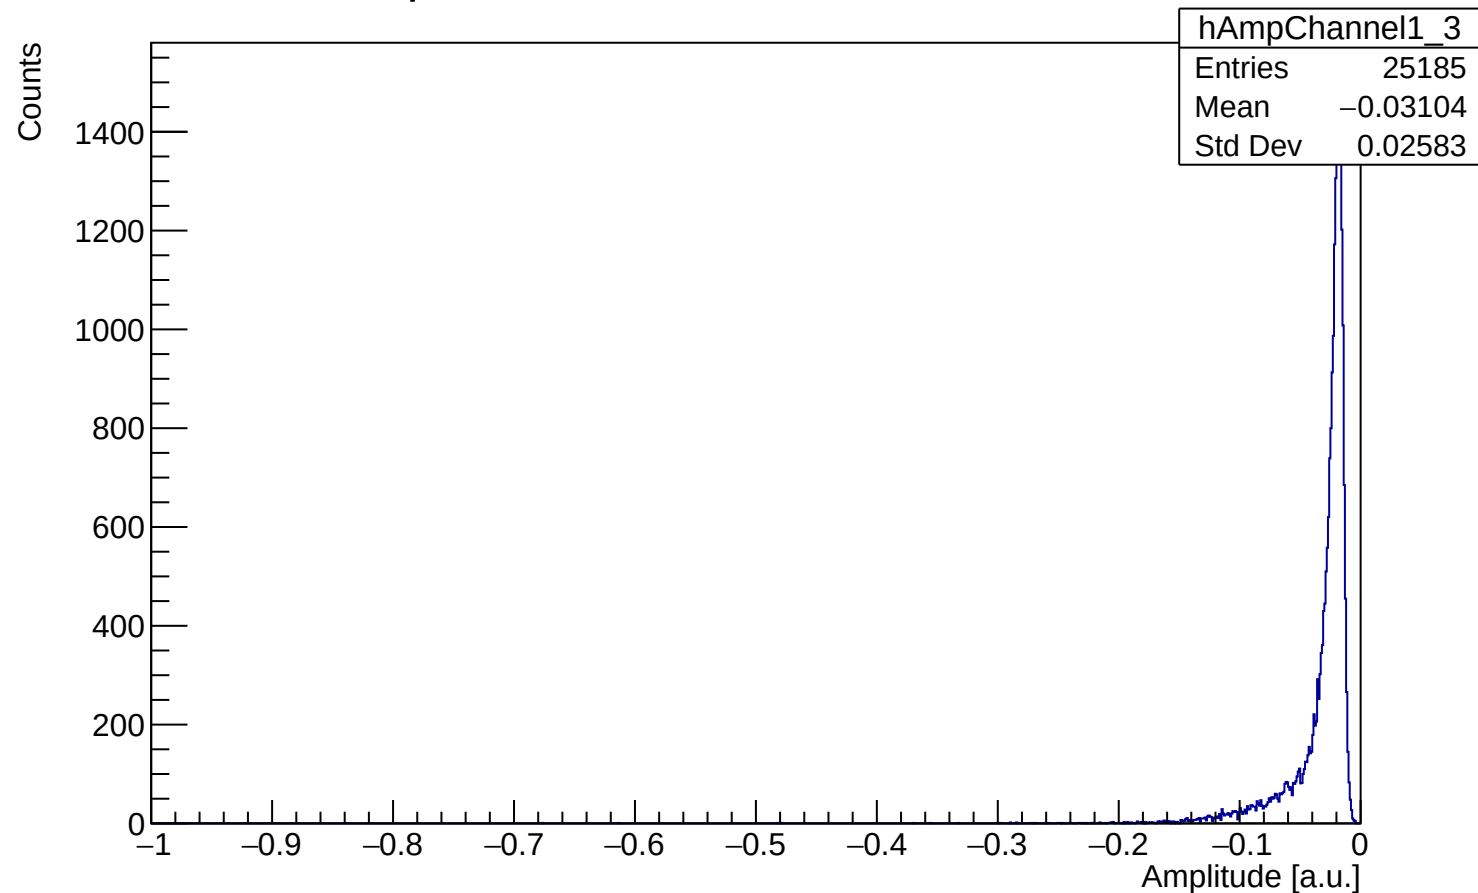

Amplitudes for channel 1 of first detector

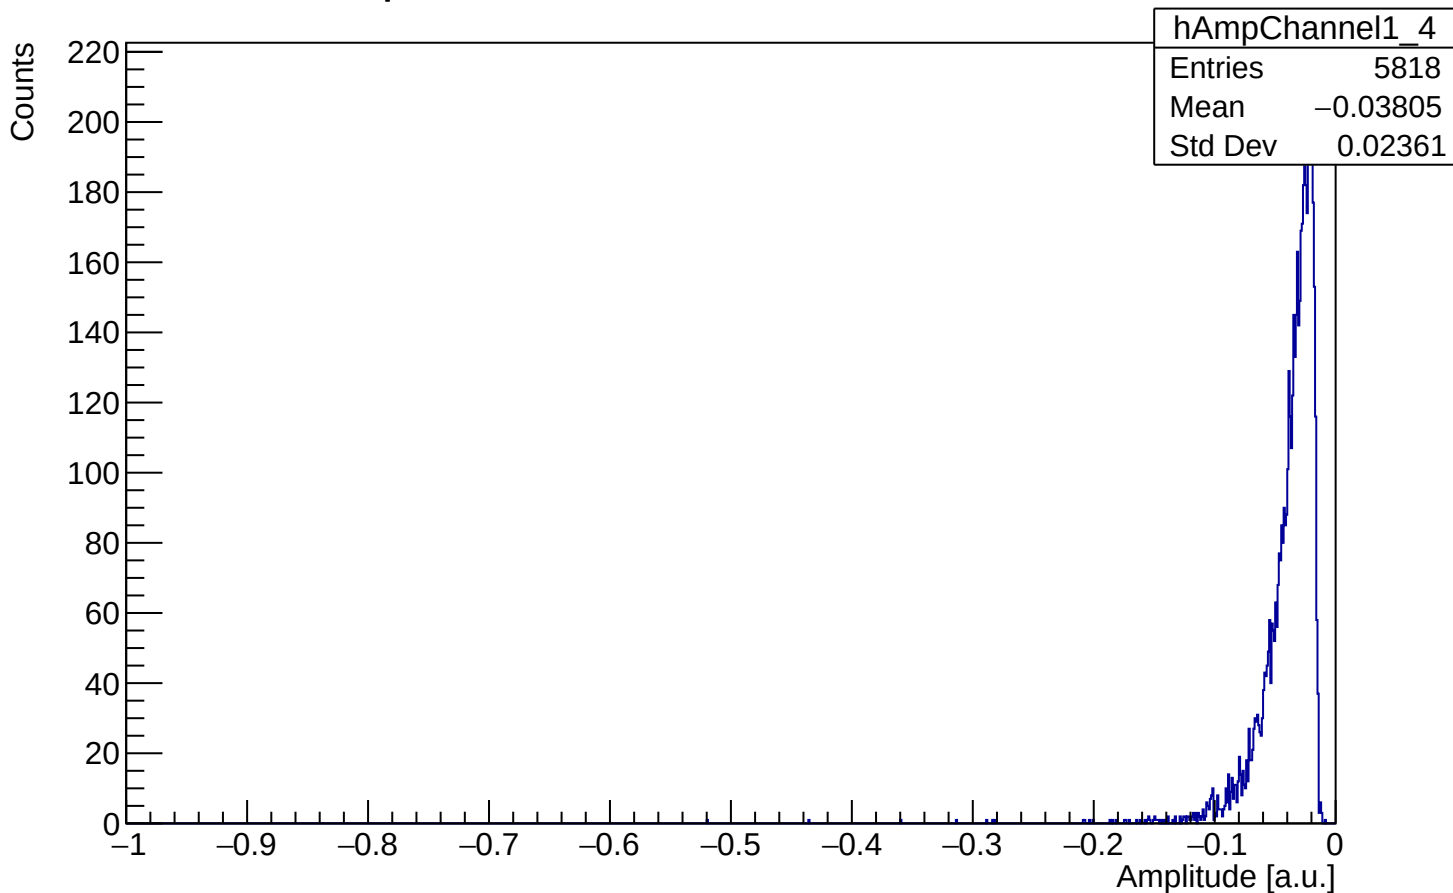

Amplitudes for channel 2 of first detector

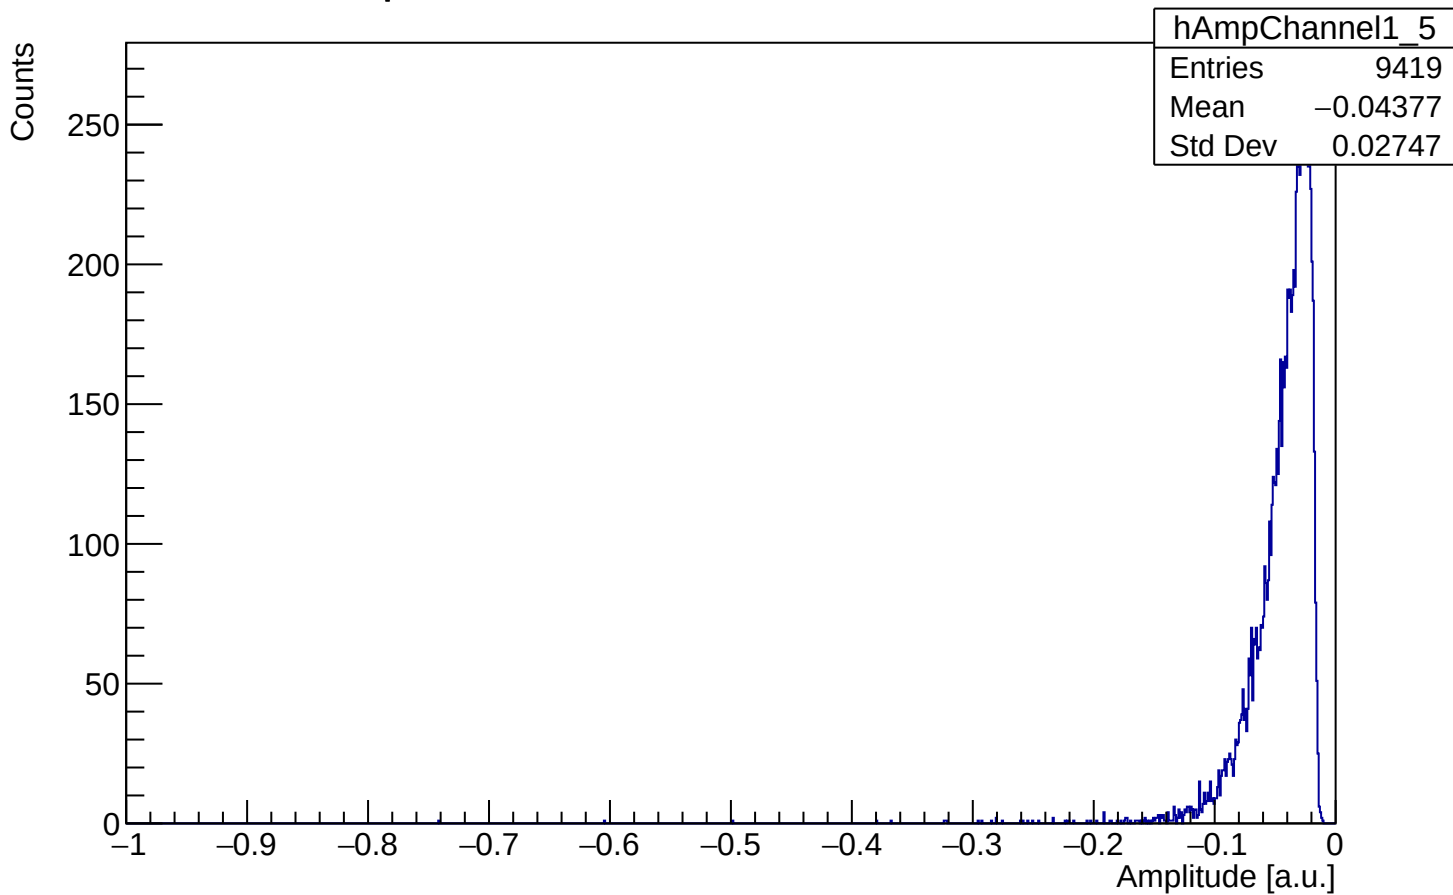

Amplitudes for channel 3 of first detector

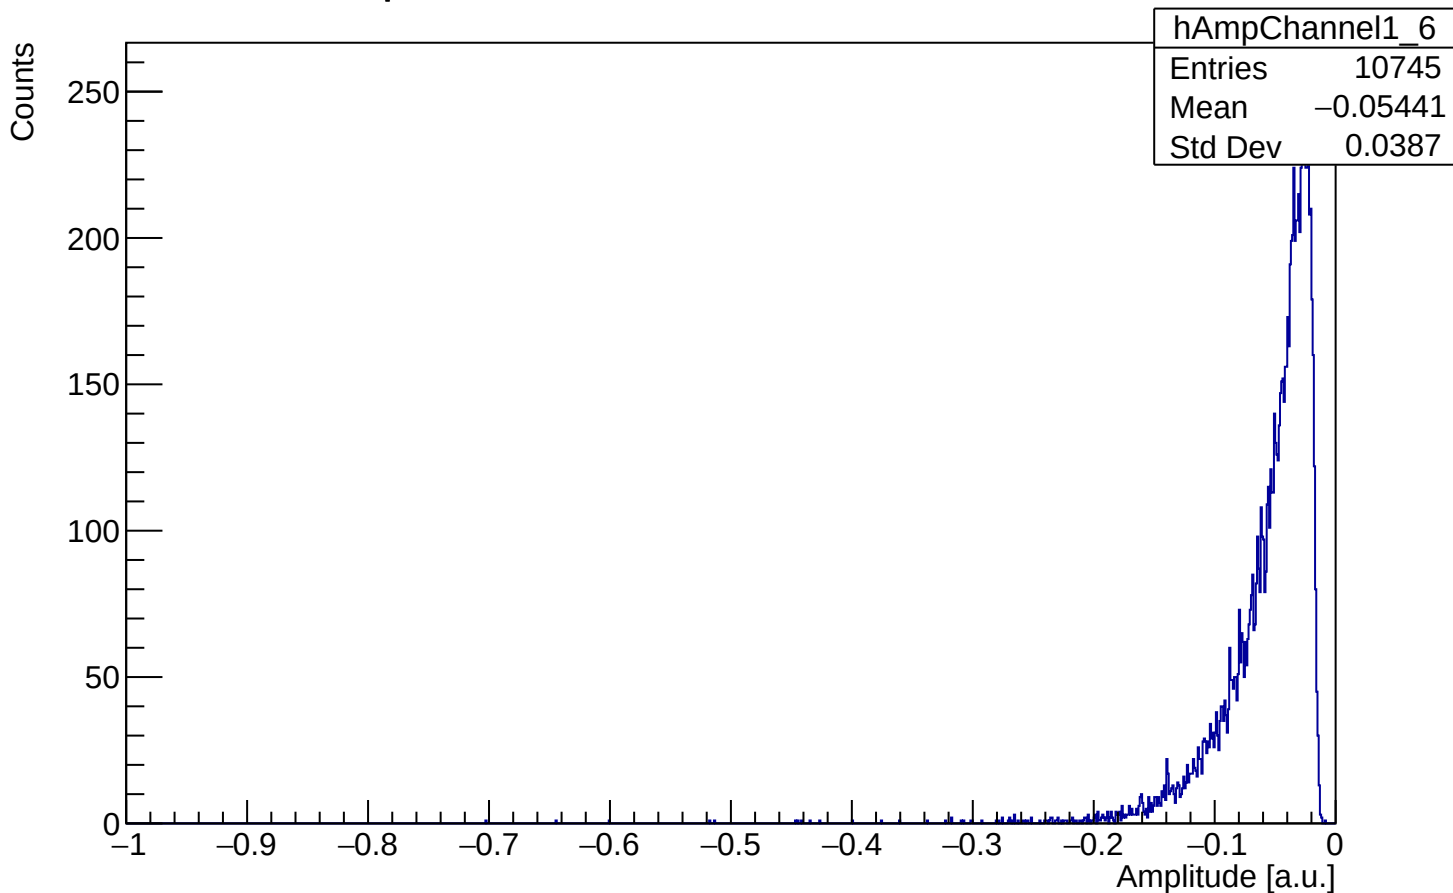

Amplitudes for channel 4 of first detector

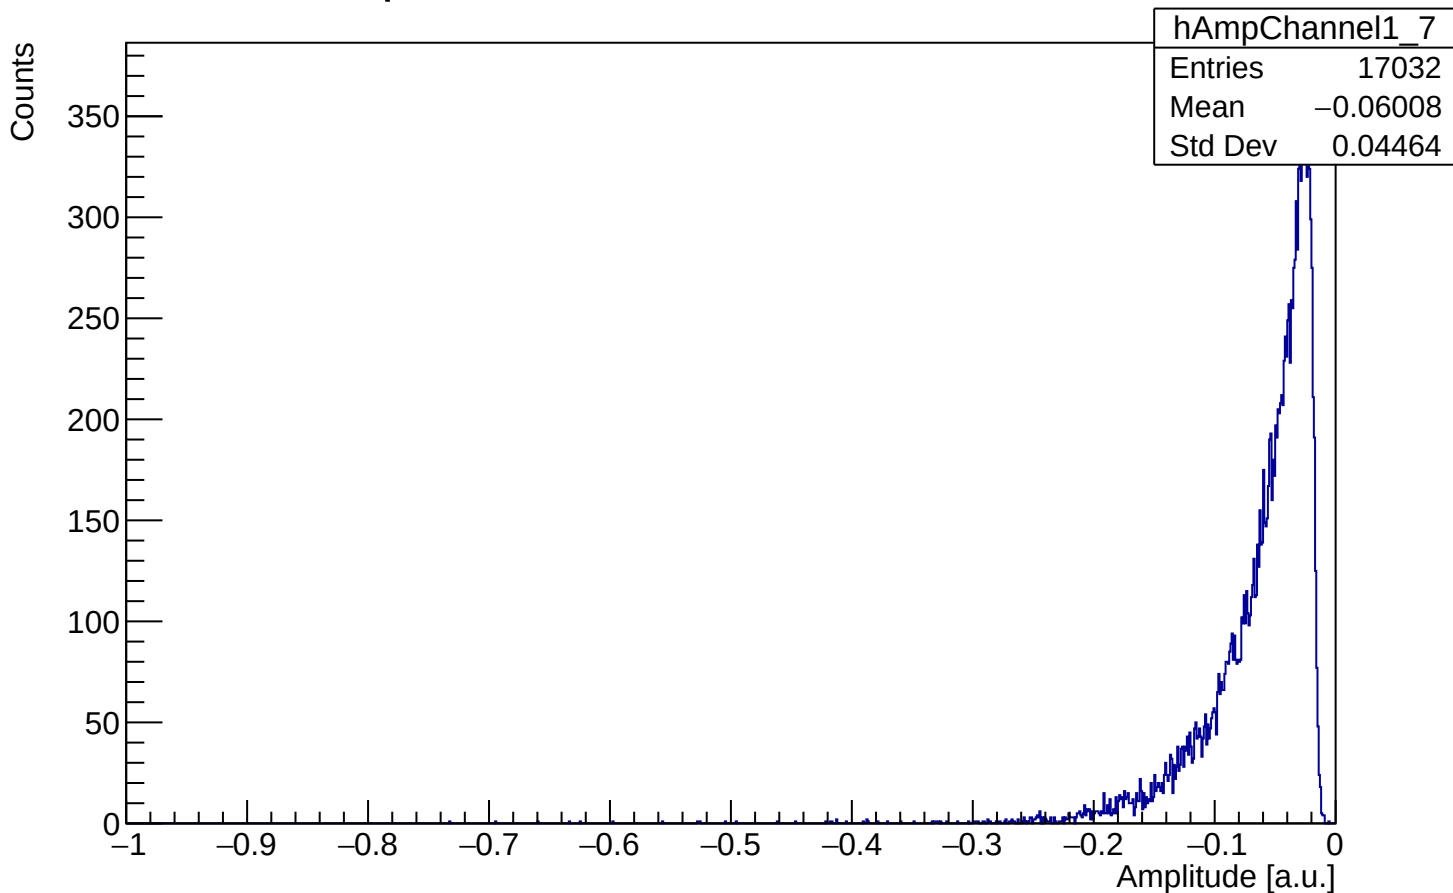

Amplitudes for channel 5 of first detector

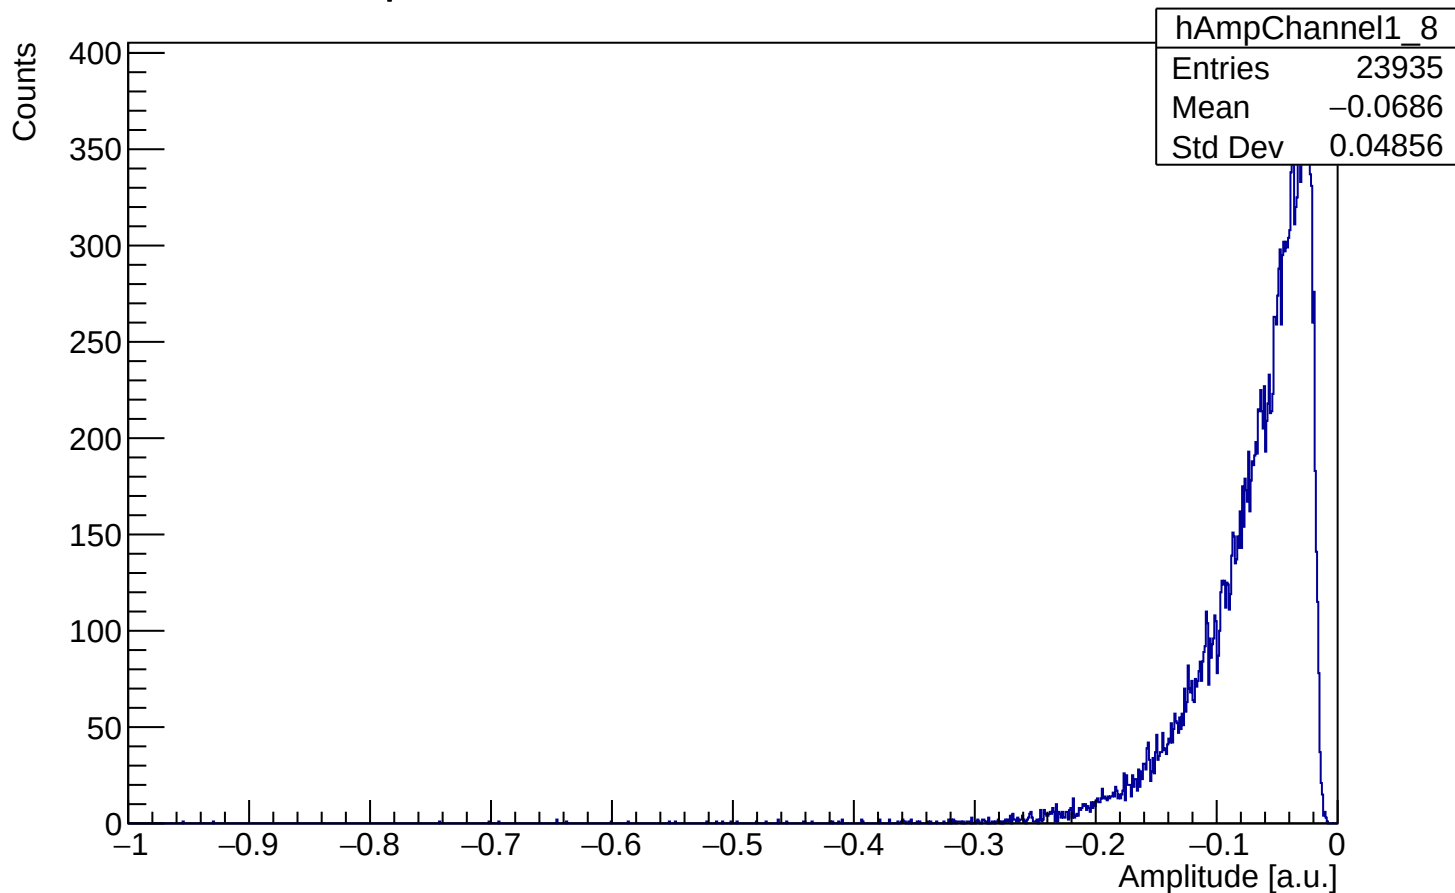

Amplitudes for channel 6 of first detector

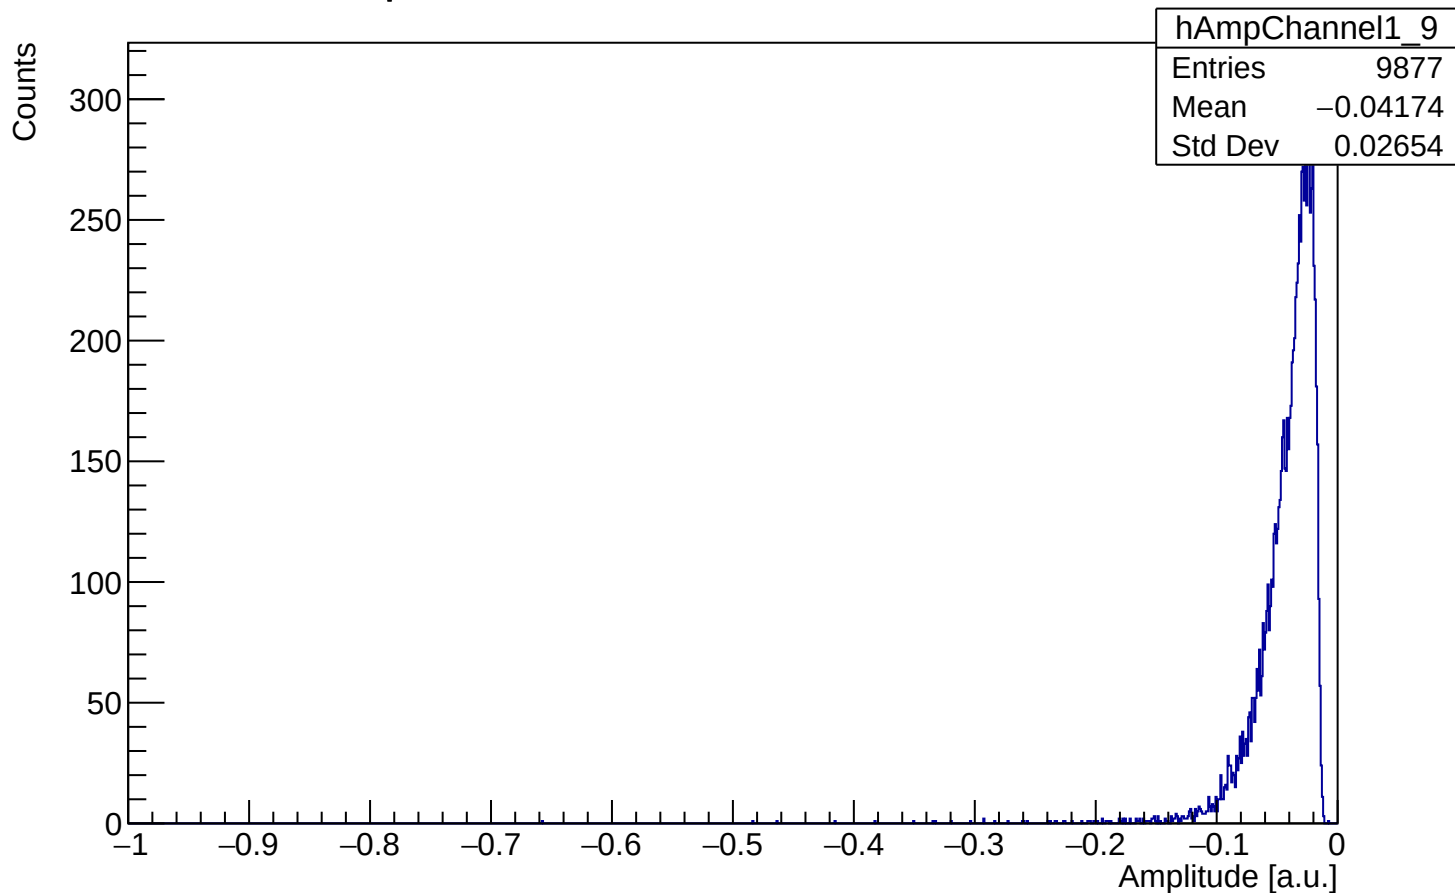

Amplitudes for channel 7 of first detector

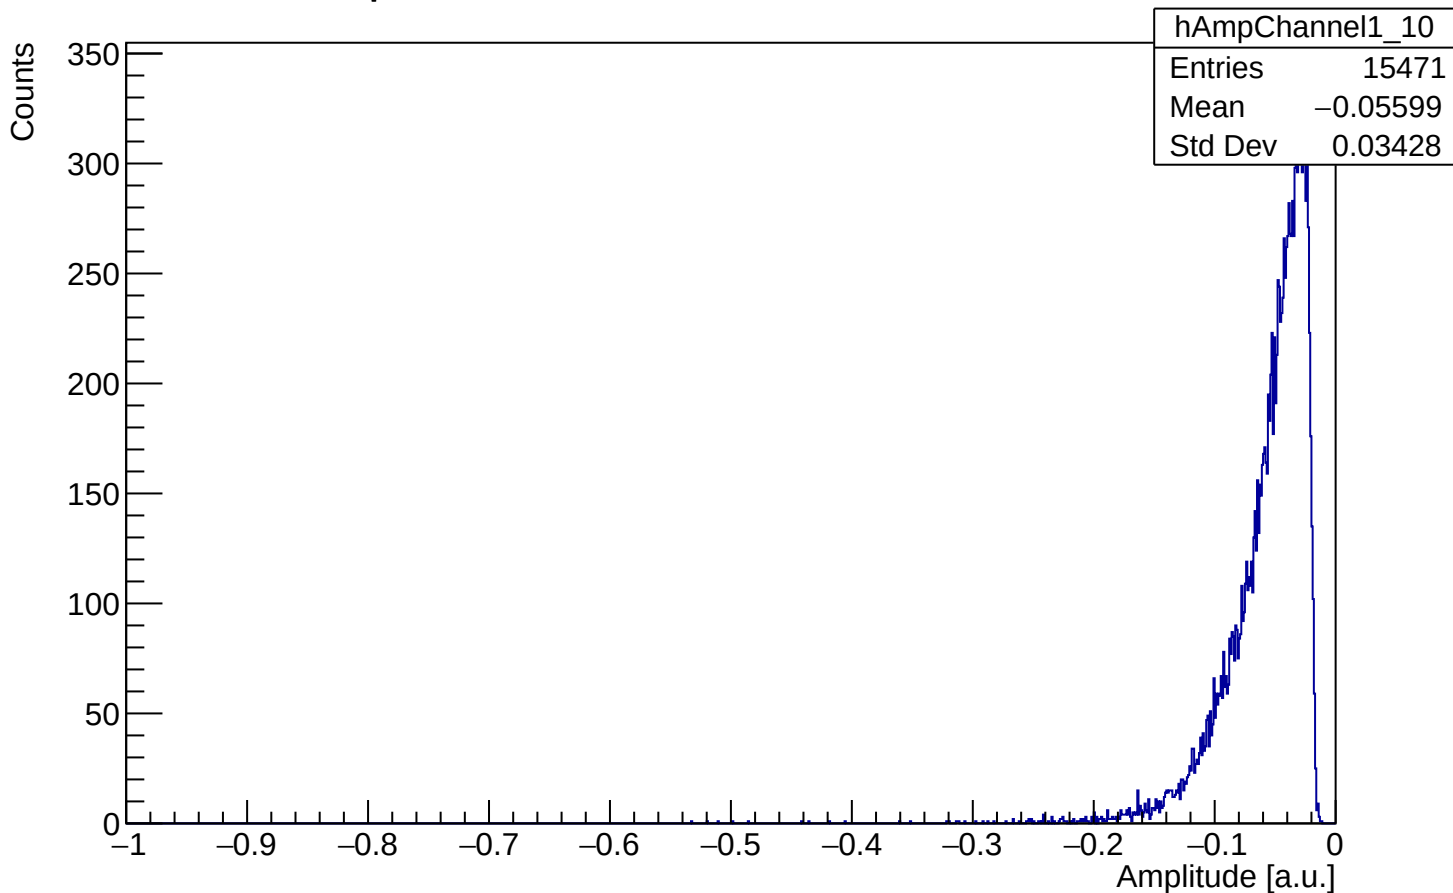

Amplitudes for channel 8 of first detector

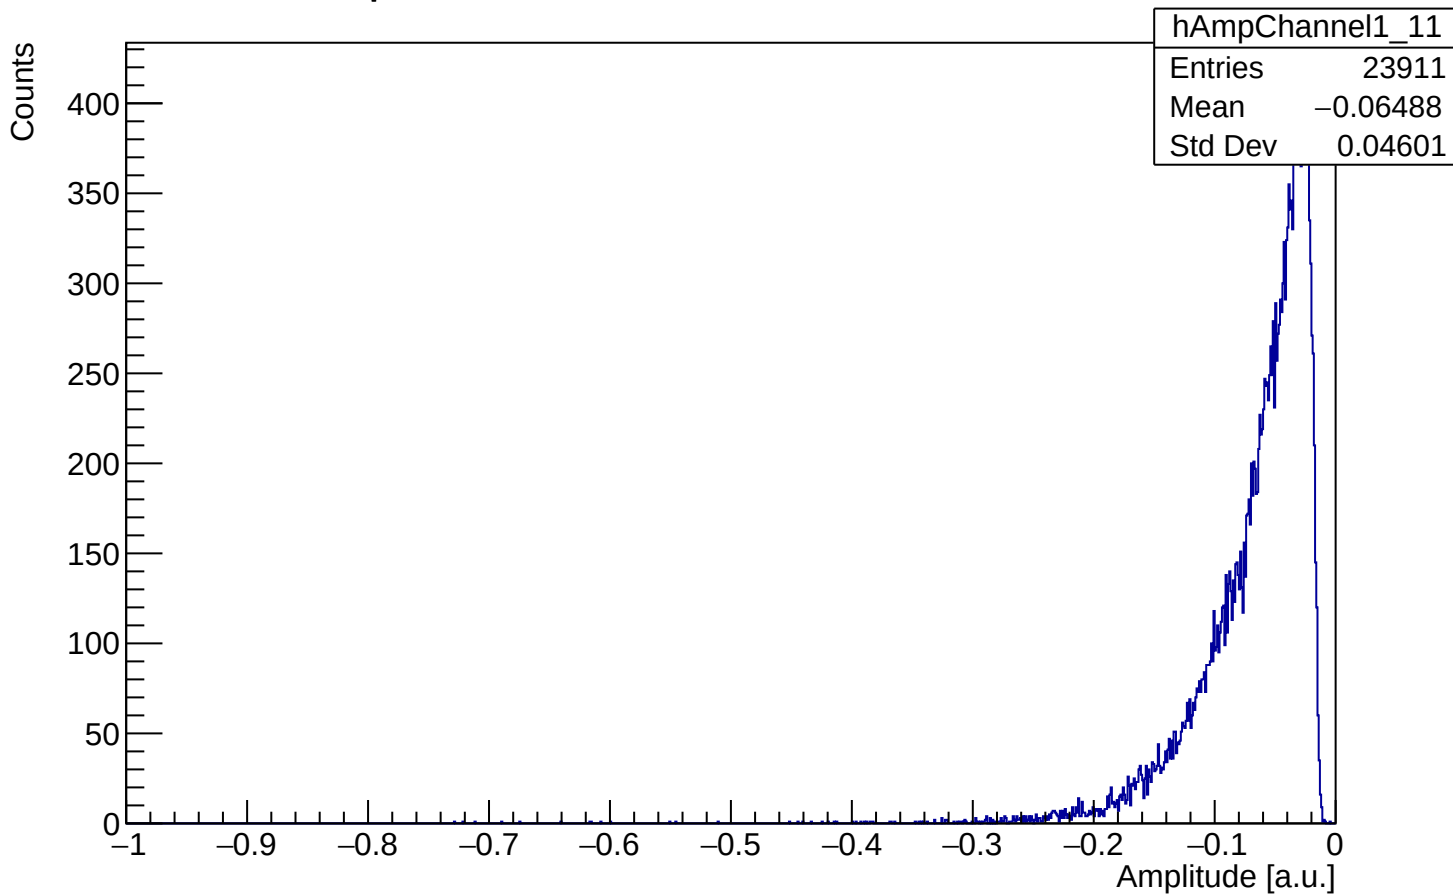

Amplitudes for channel 9 of first detector

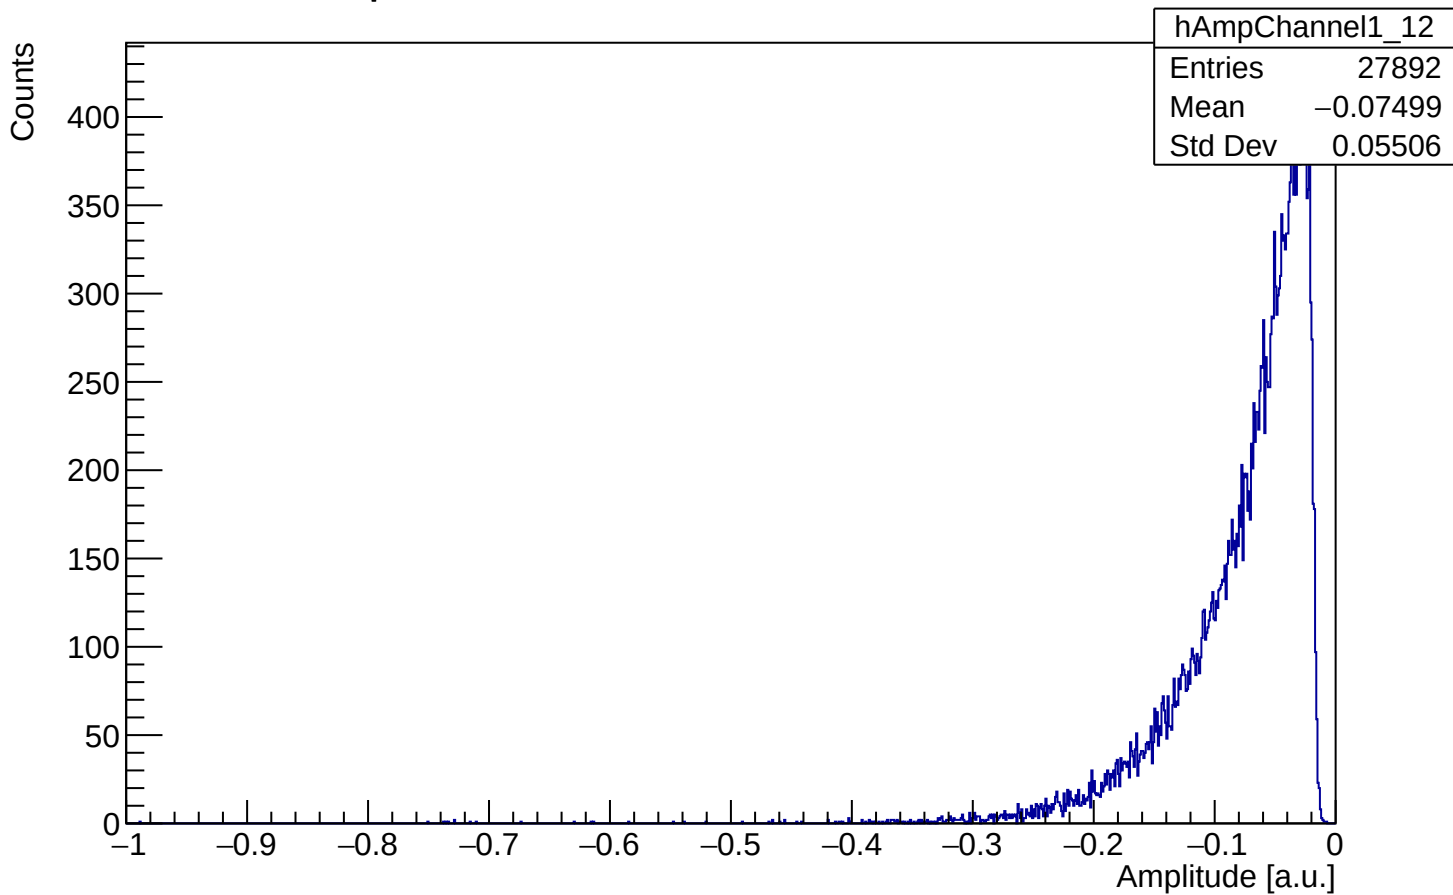

Amplitudes for channel 10 of first detector

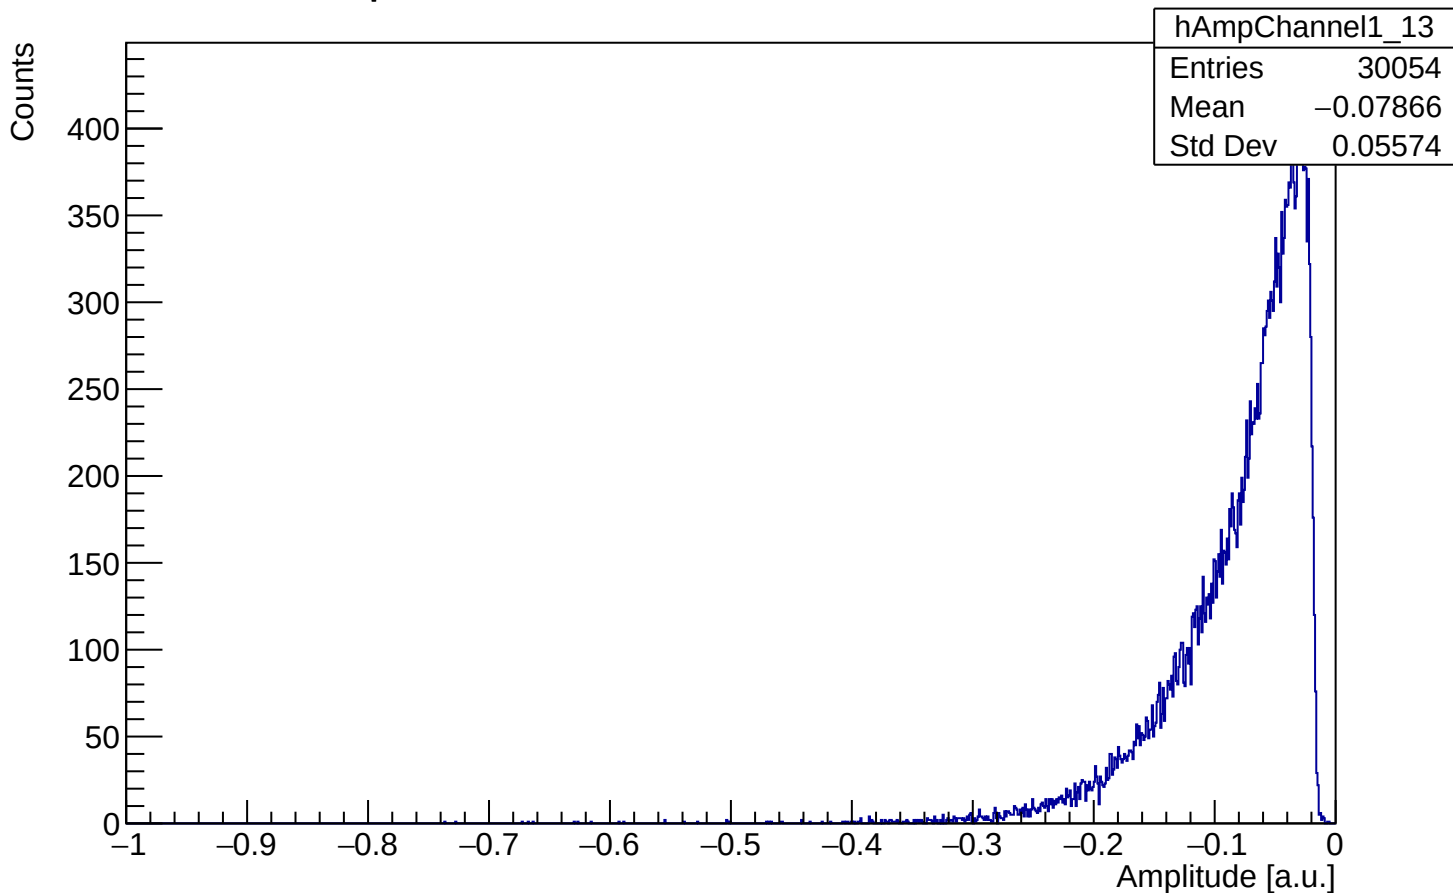

Amplitudes for channel 11 of first detector

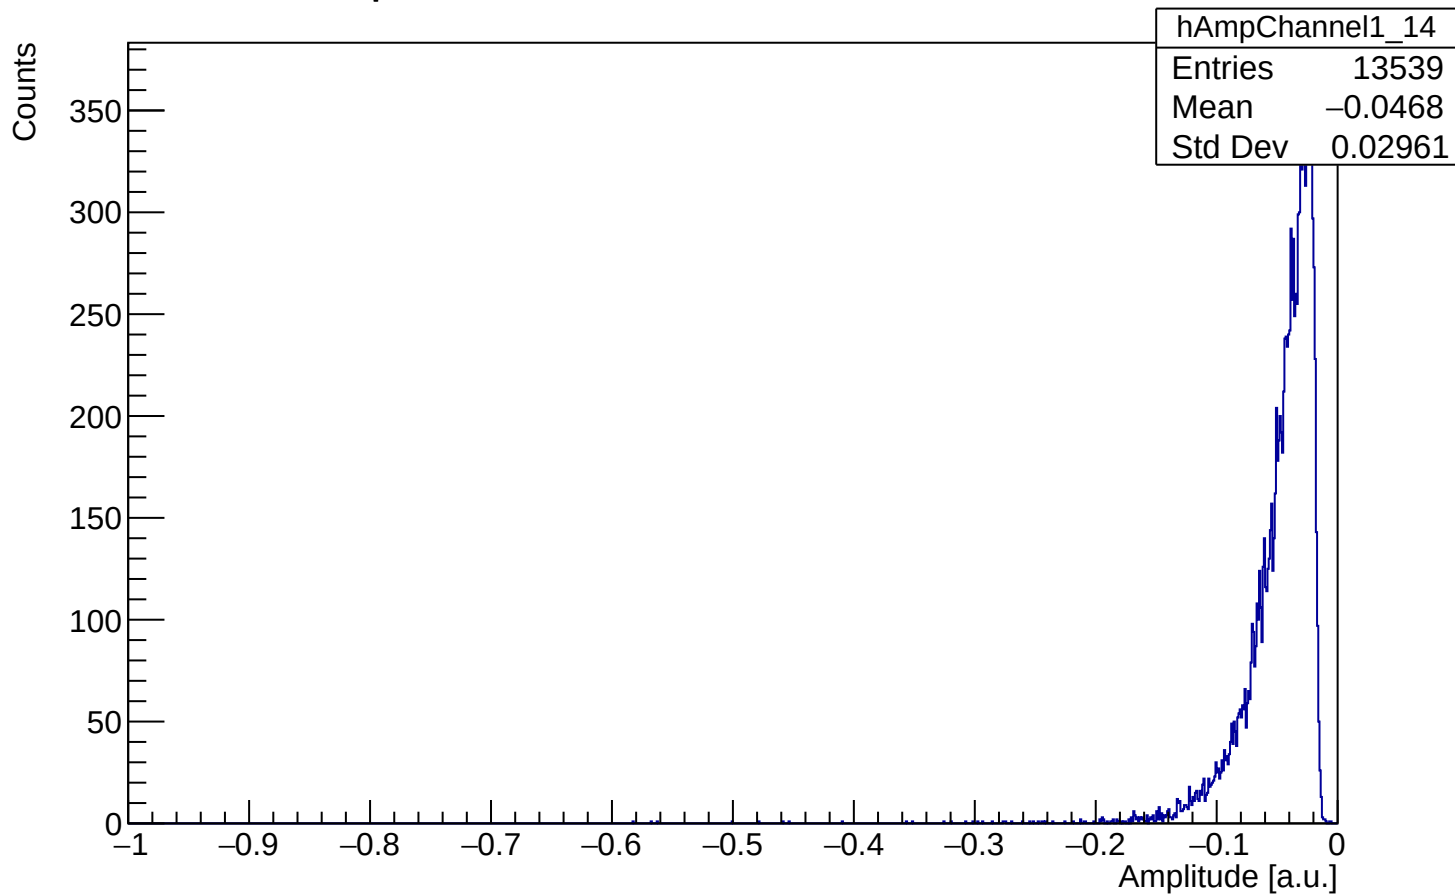

Amplitudes for channel 12 of first detector

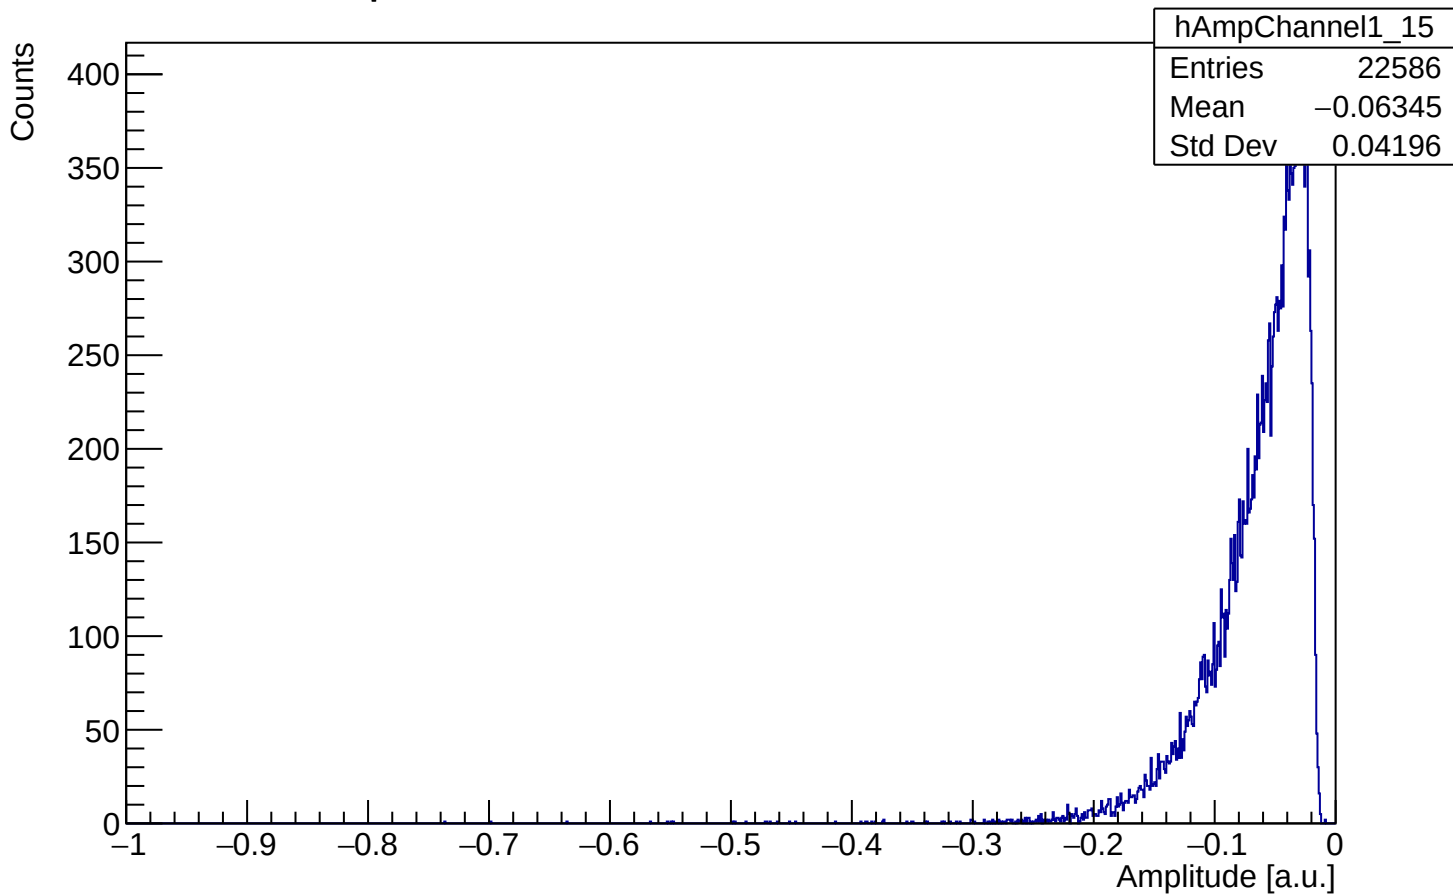

Amplitudes for channel 13 of first detector

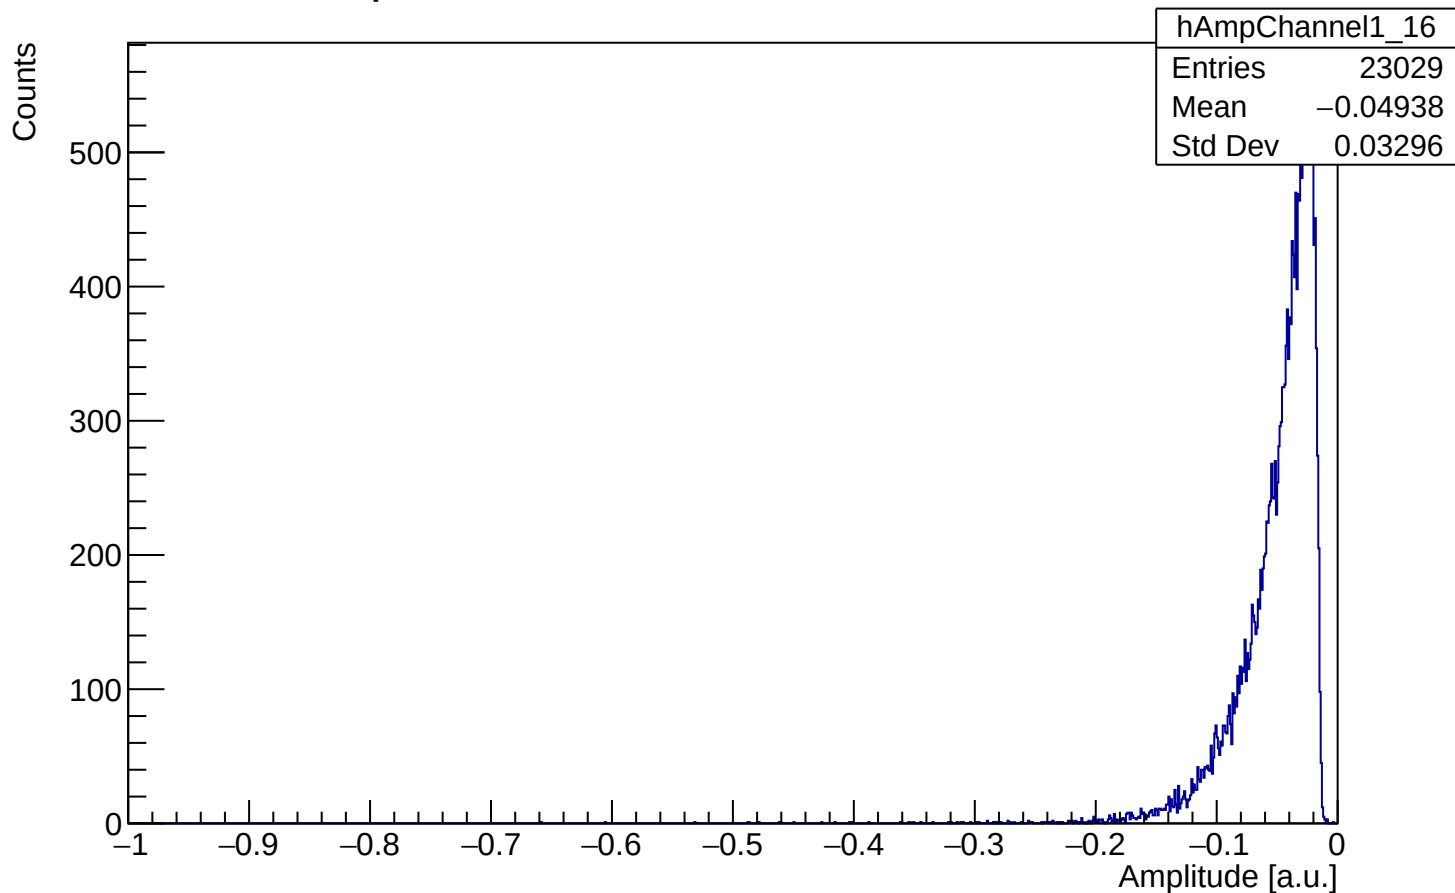

Amplitudes for channel 14 of first detector

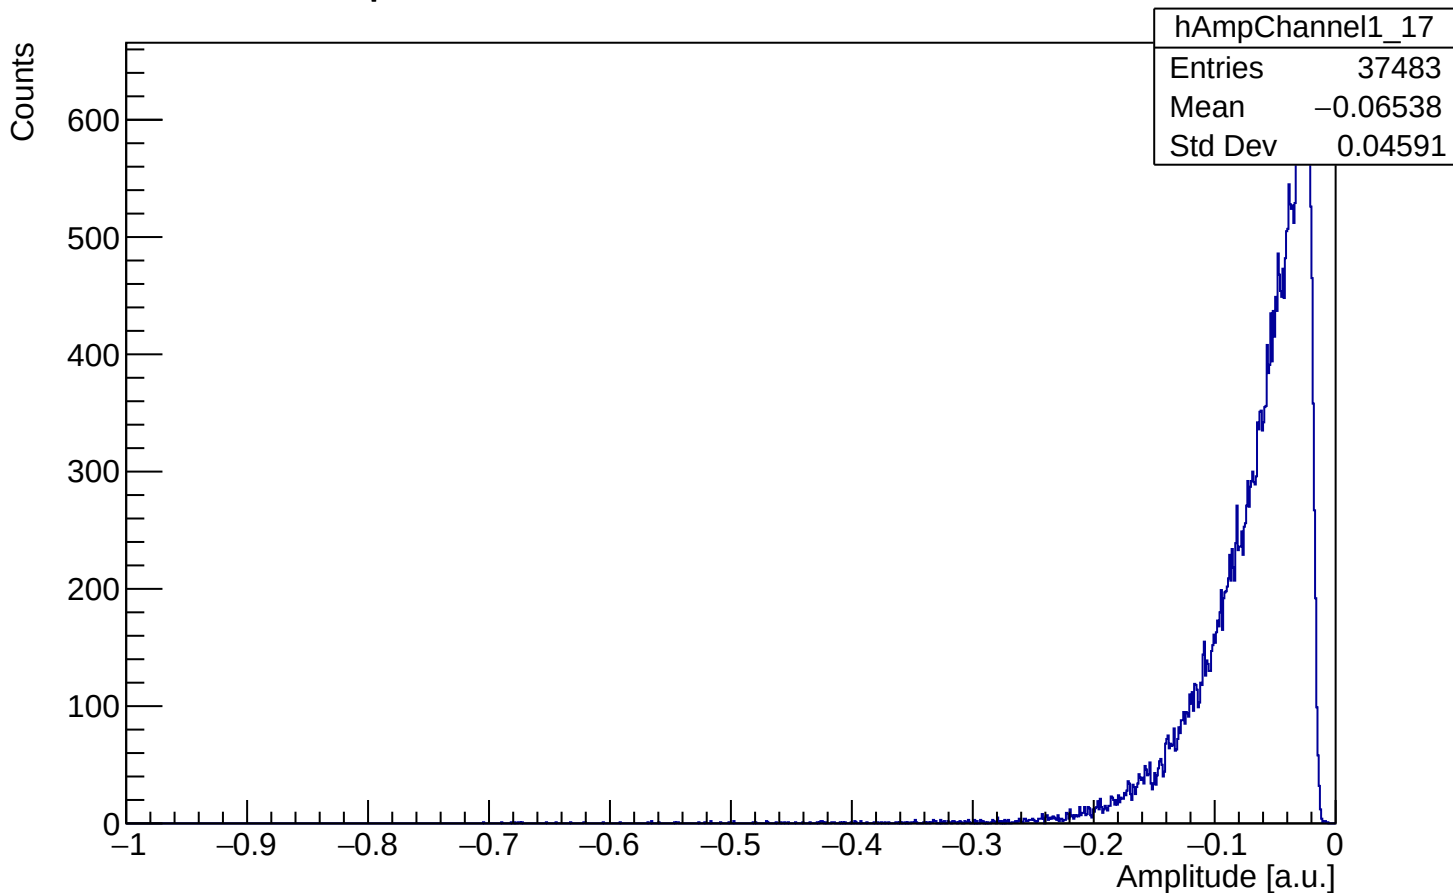

Amplitudes for channel 15 of first detector

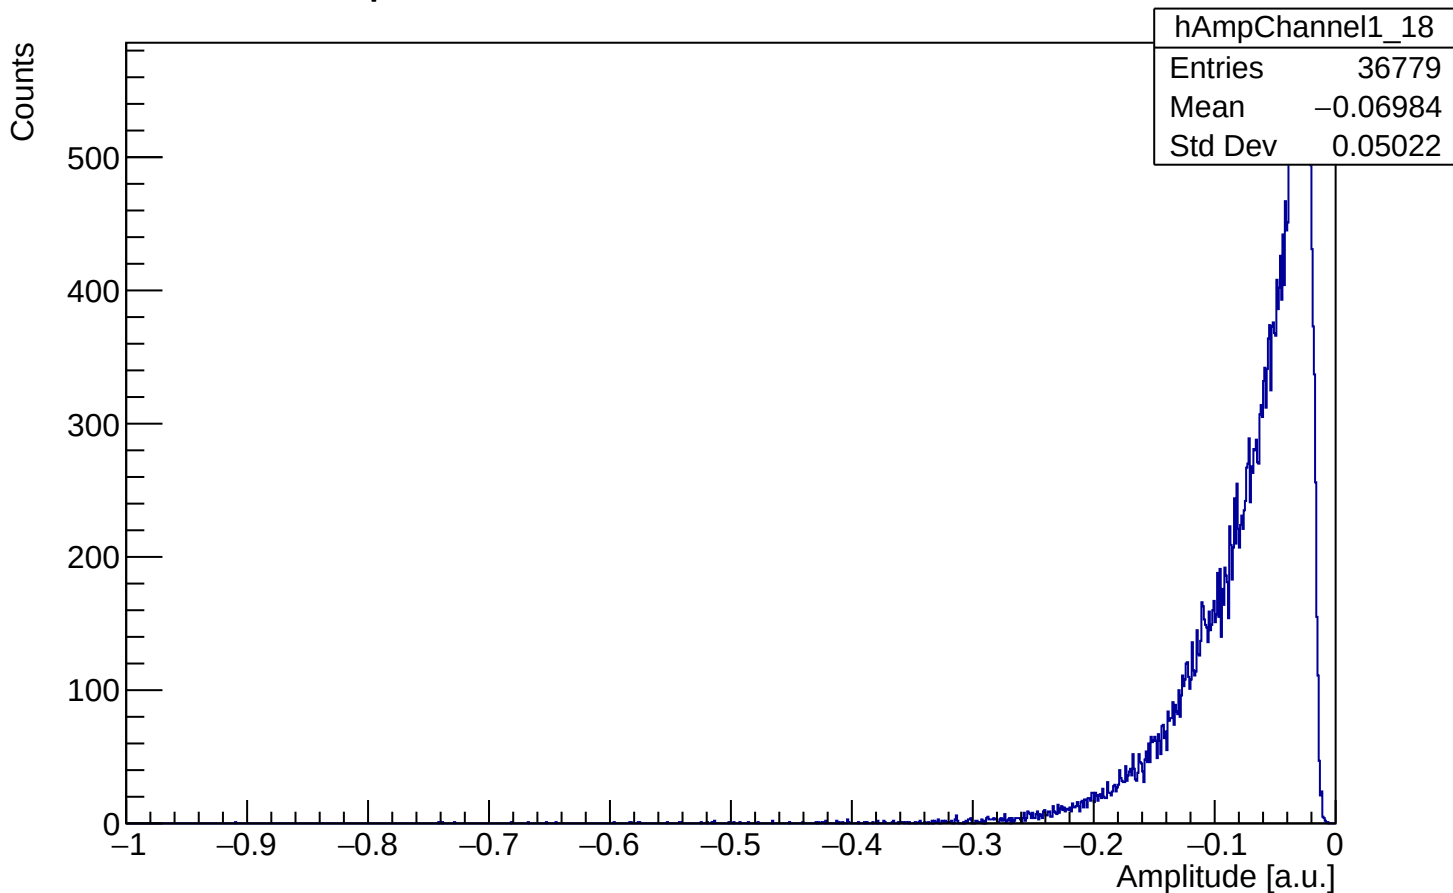

Amplitudes for channel 16 of first detector

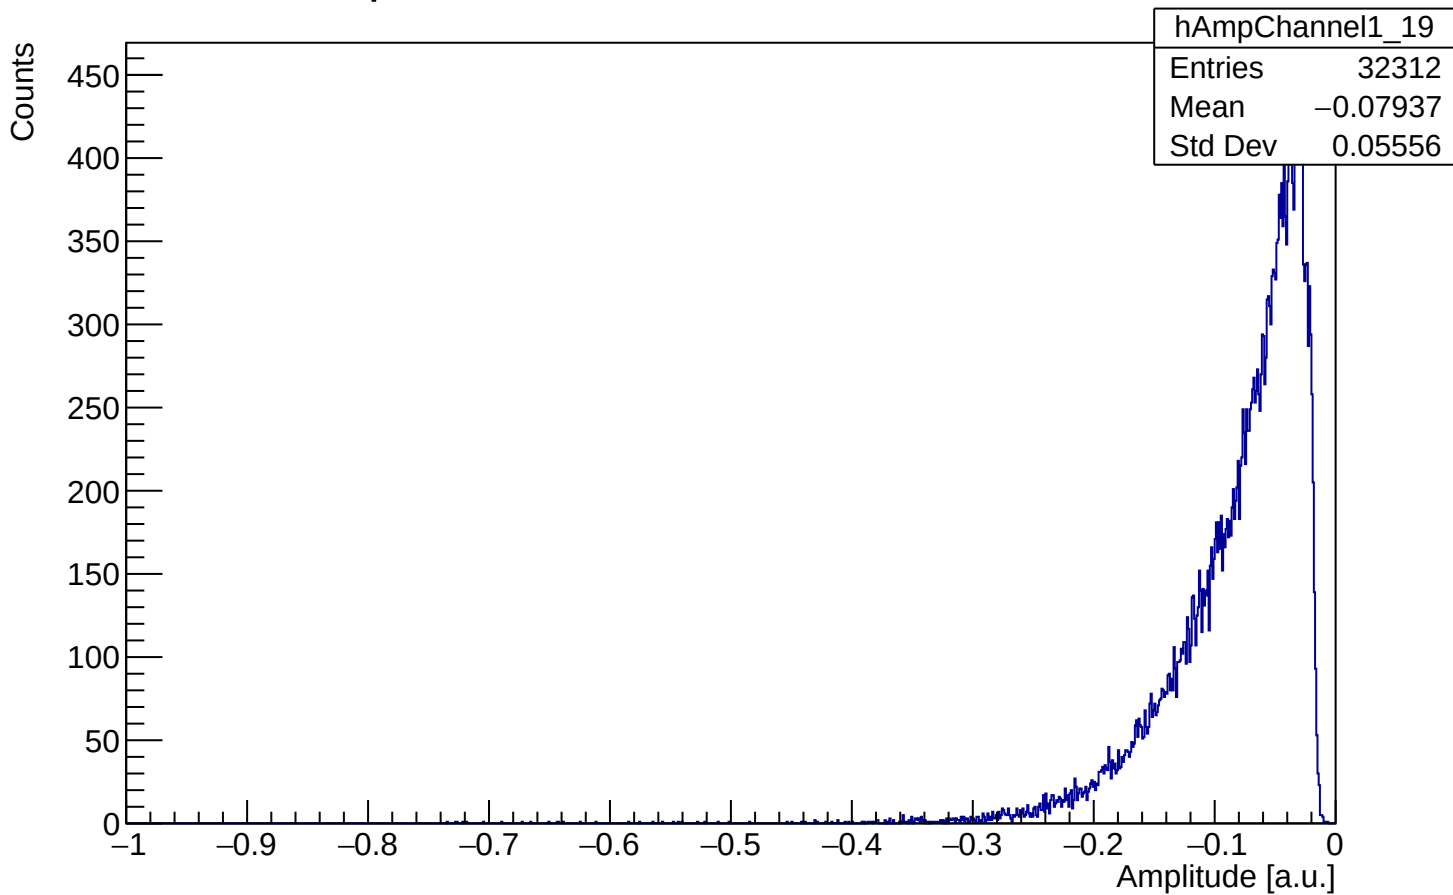

Amplitudes for channel 17 of first detector

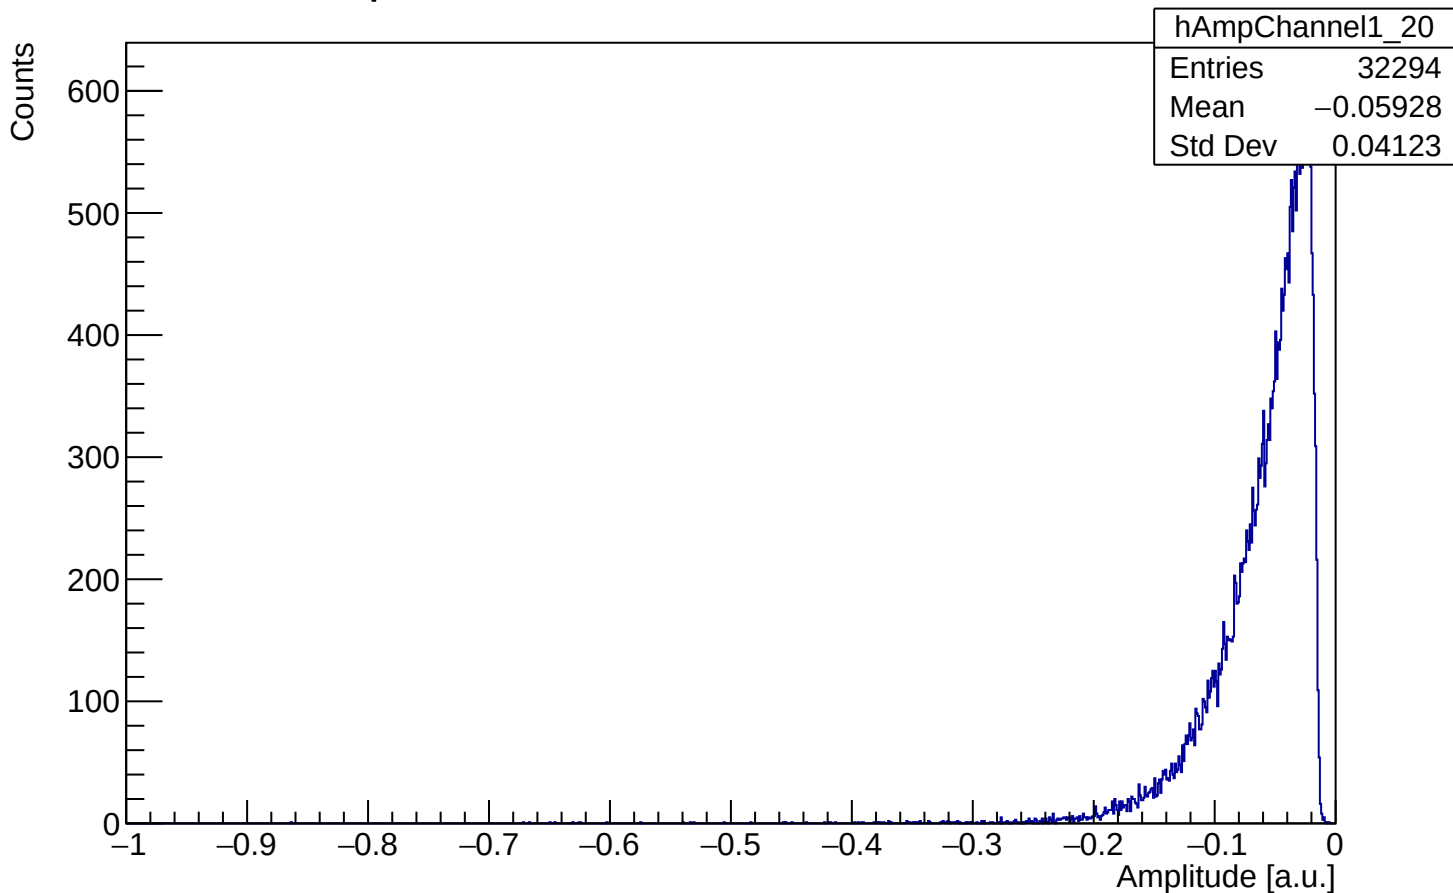

Amplitudes for channel 18 of first detector

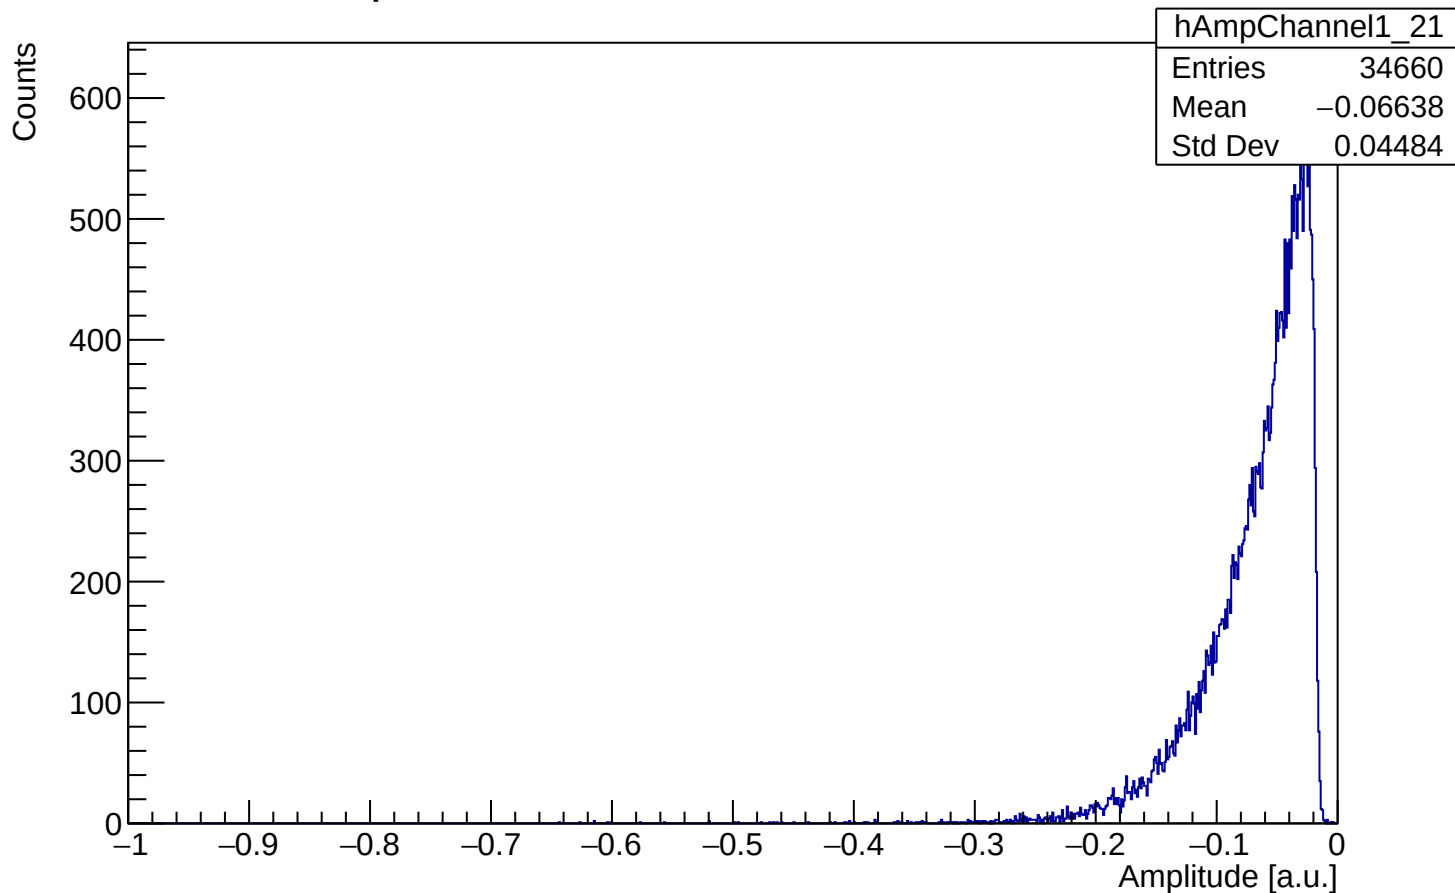

Amplitudes for channel 19 of first detector

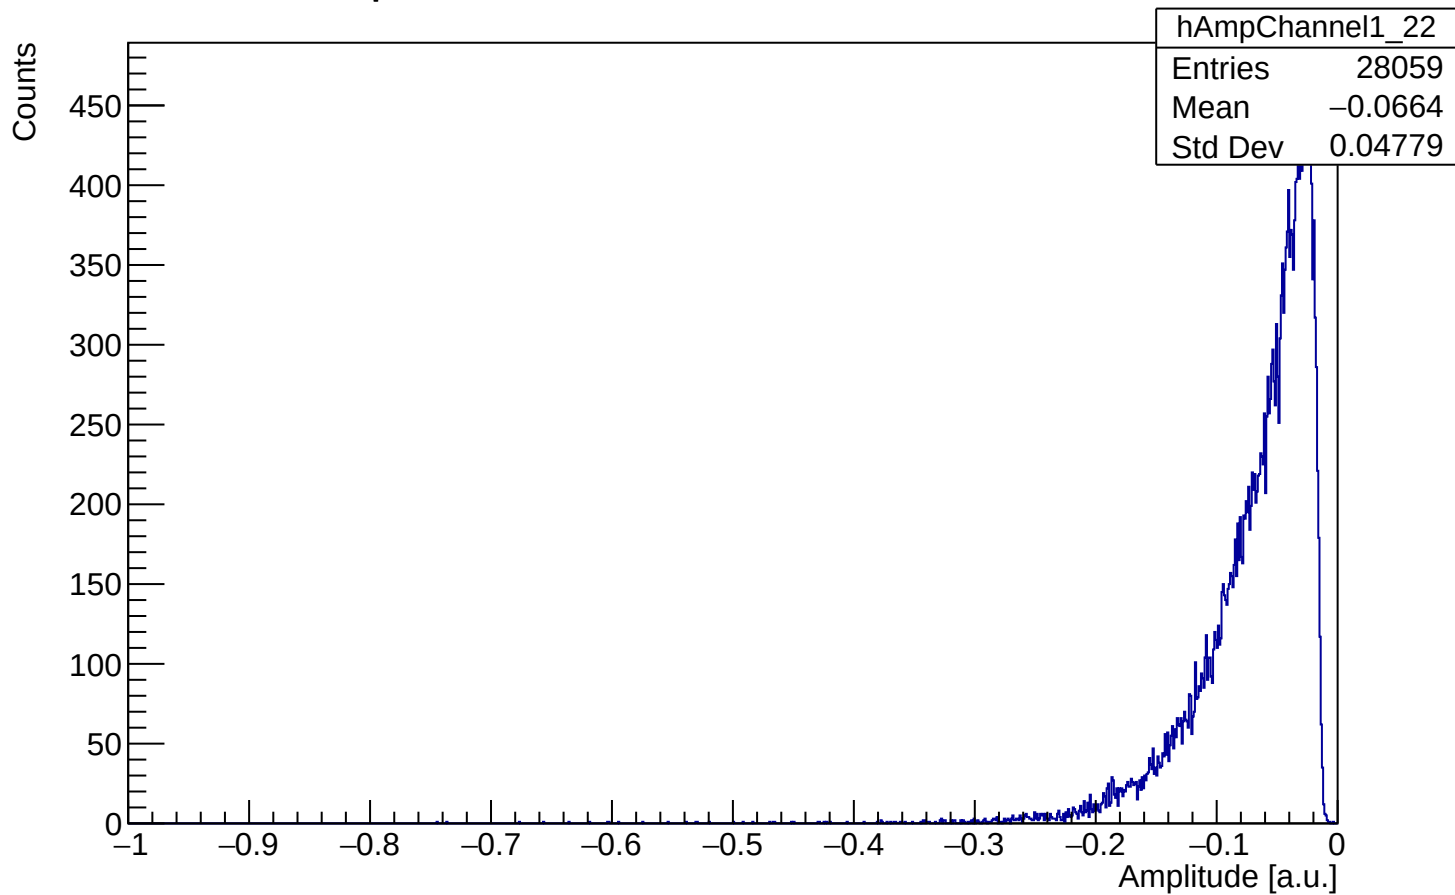

Amplitudes for channel 20 of first detector

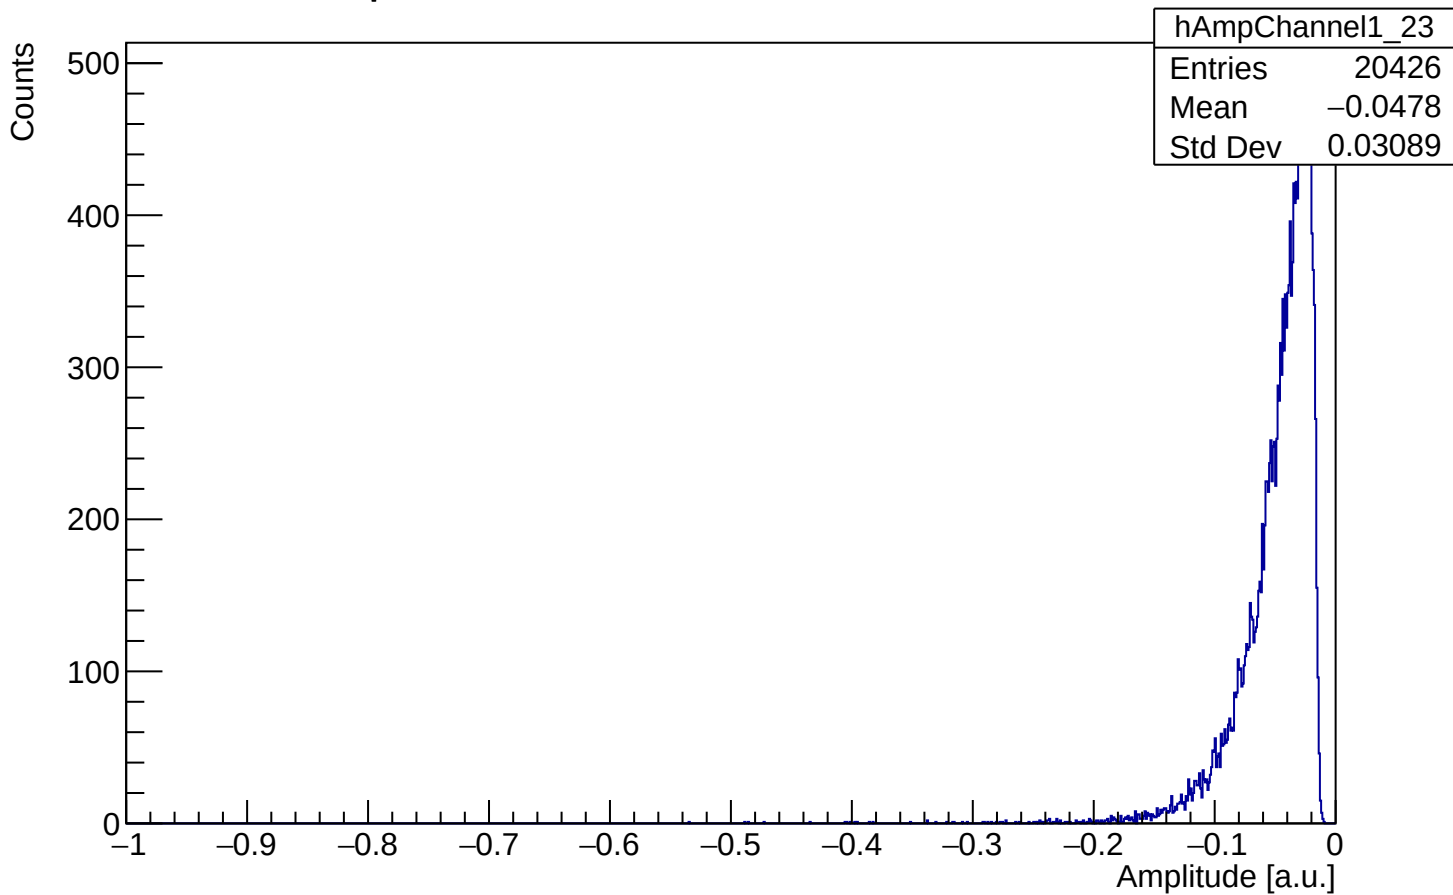

Amplitudes for channel 21 of first detector

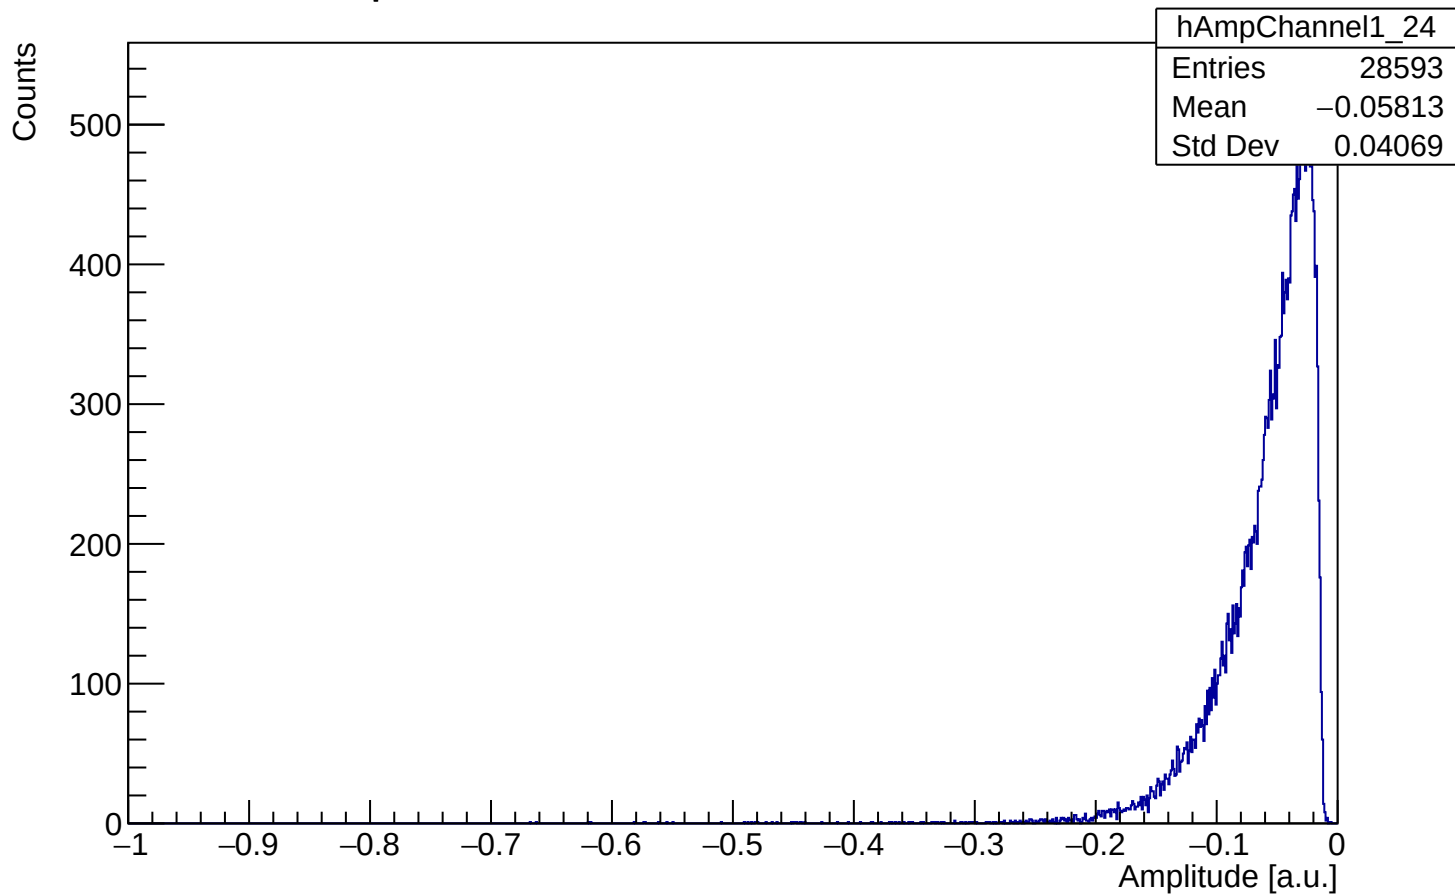

Amplitudes for channel 22 of first detector

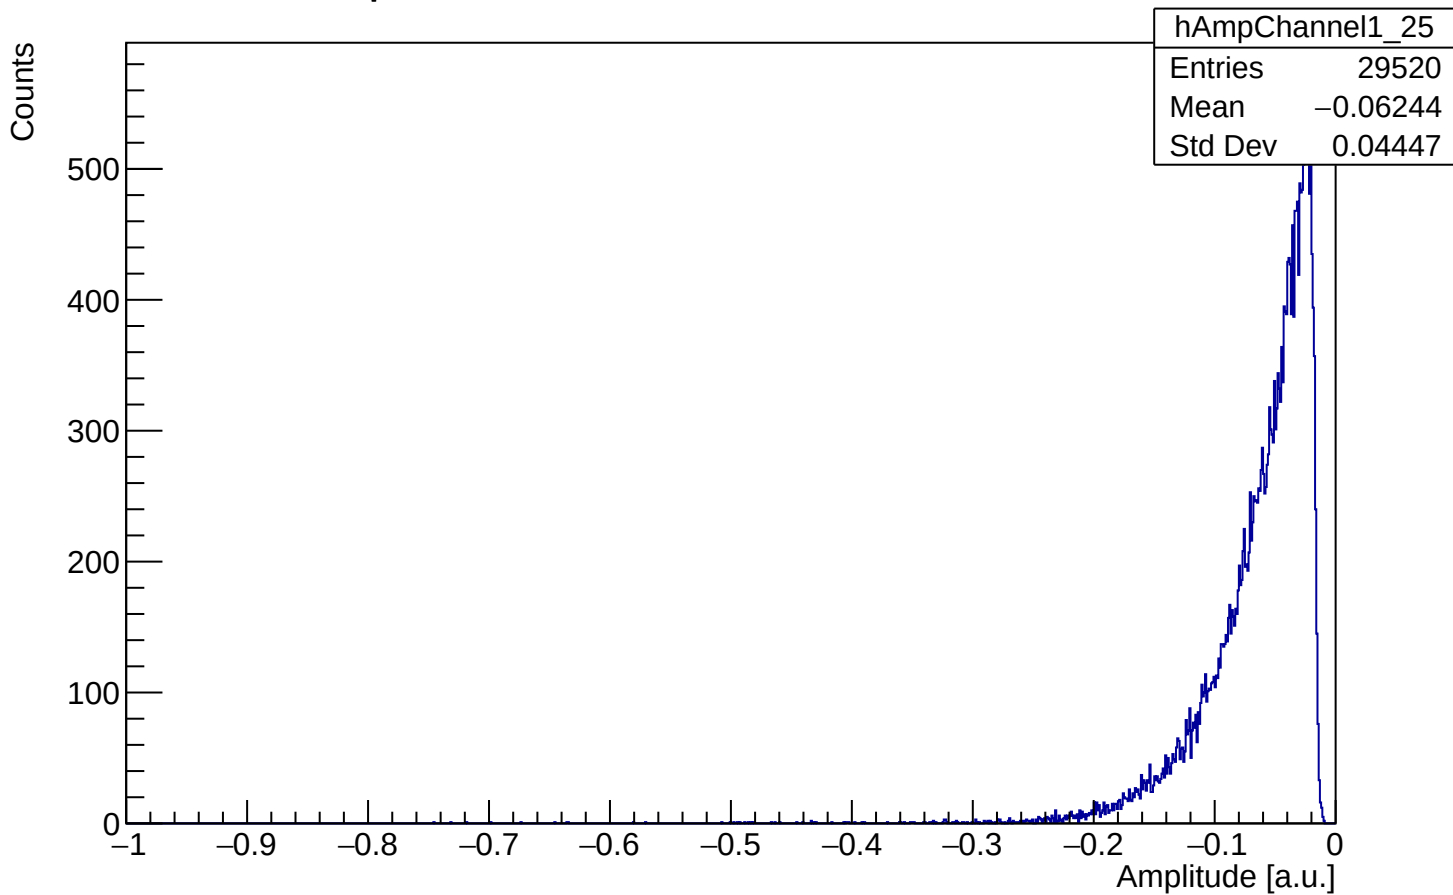

Amplitudes for channel 23 of first detector

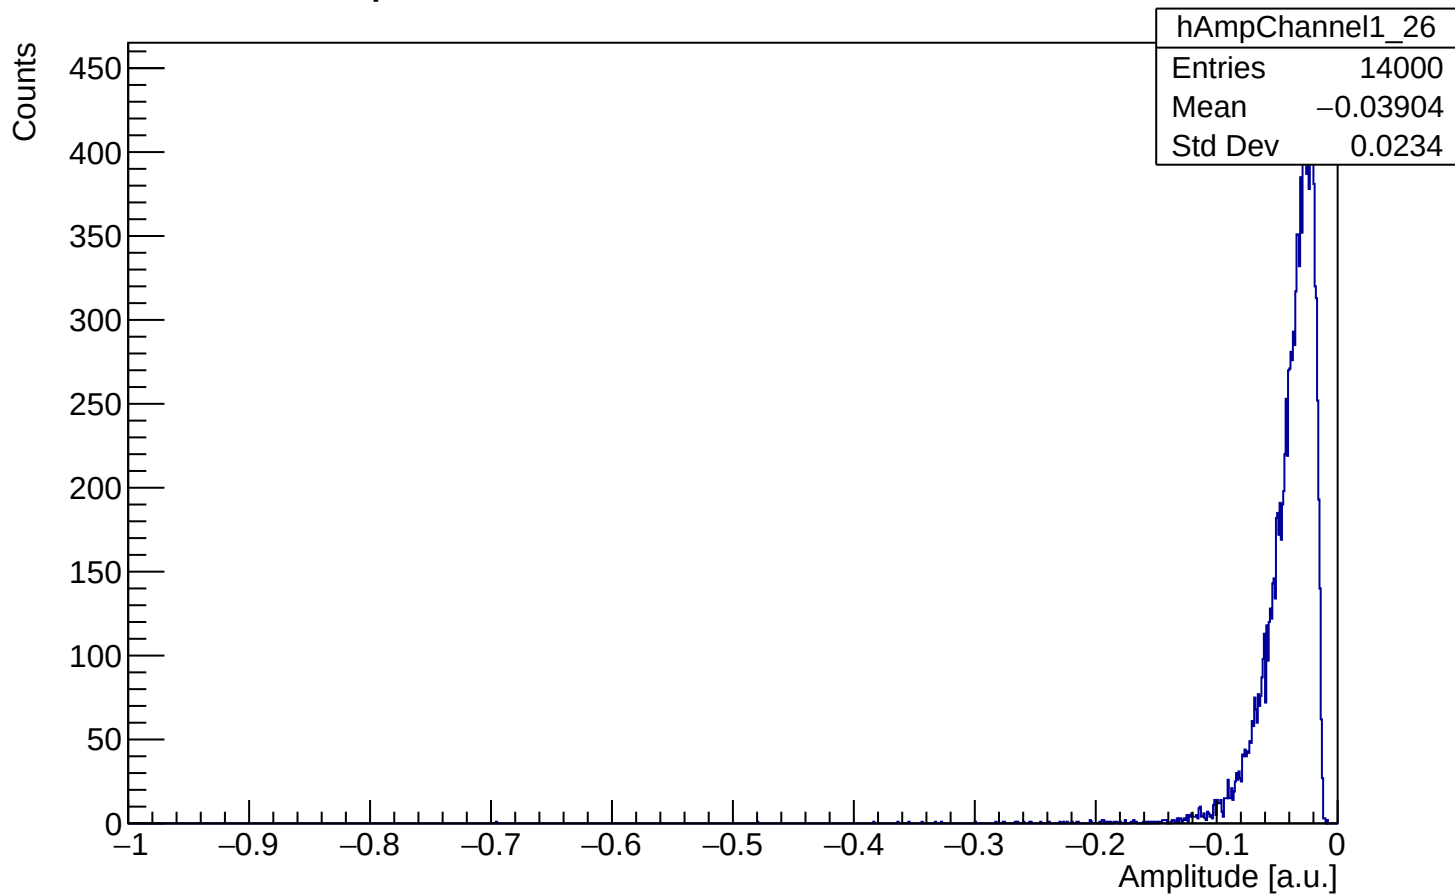

Amplitudes for channel 24 of first detector

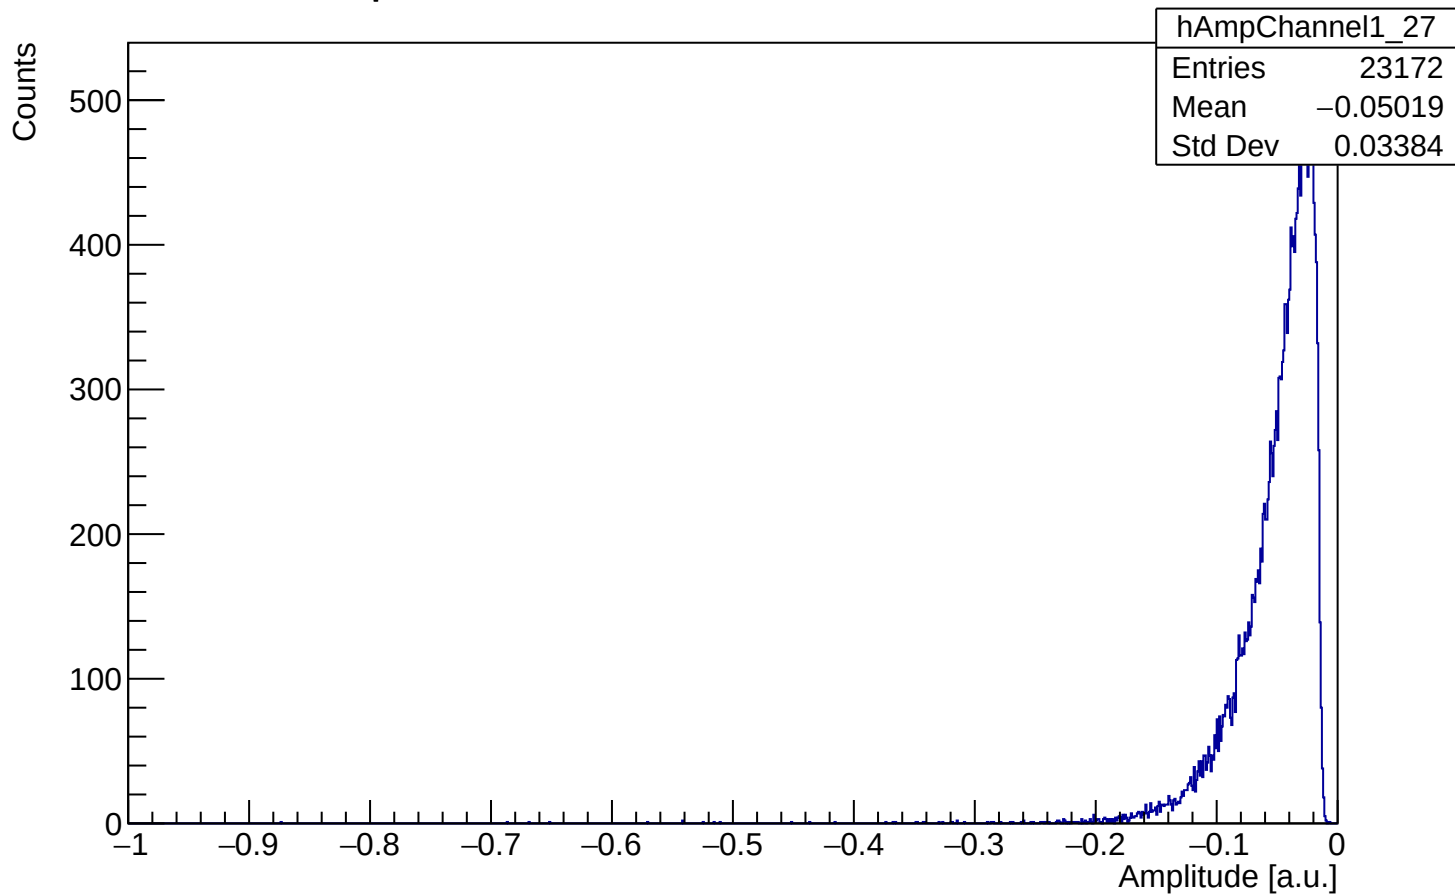

Amplitudes for channel 25 of first detector

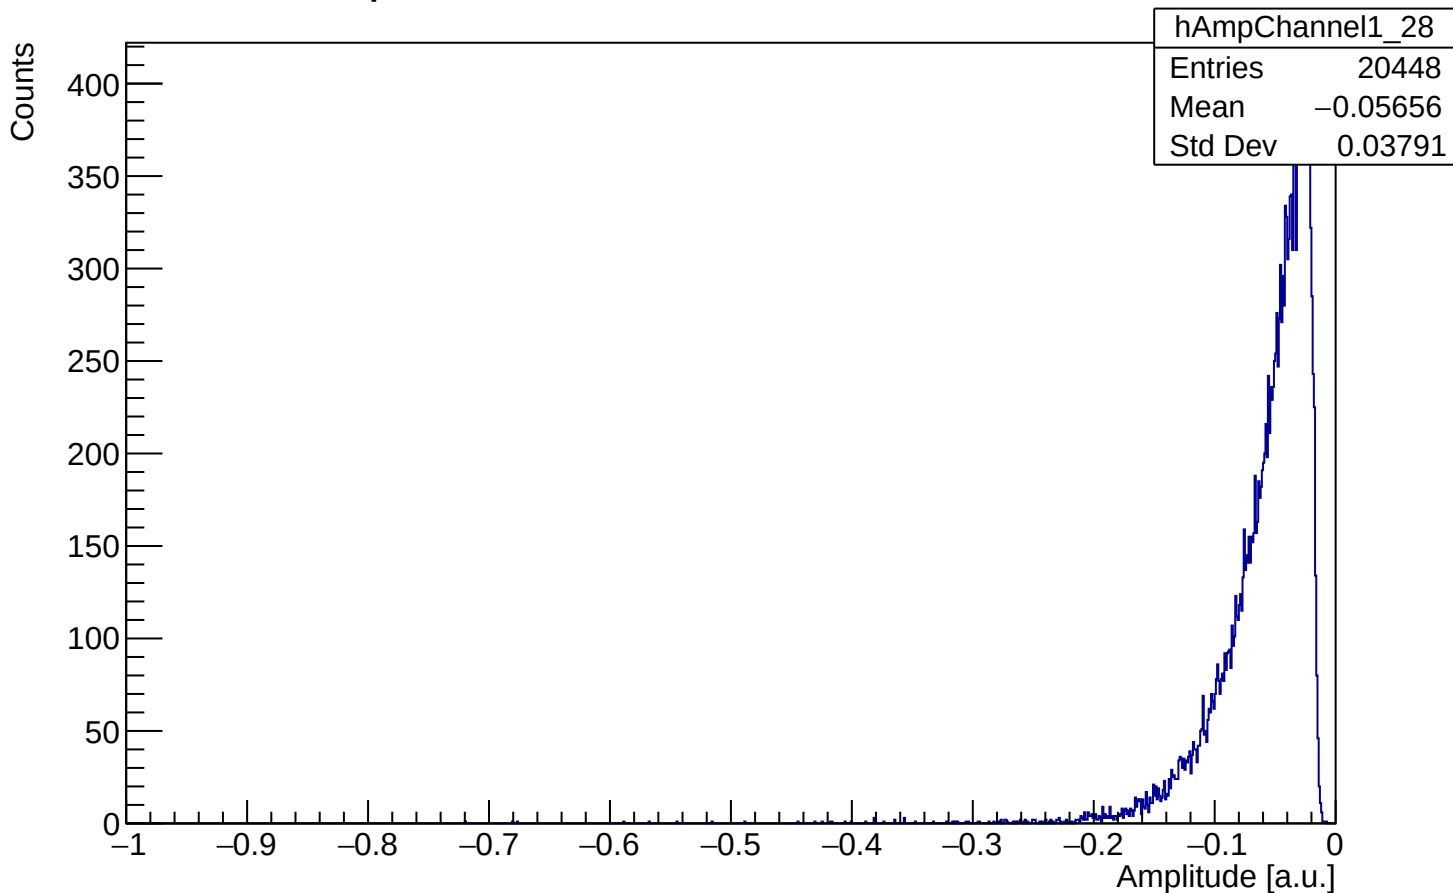

Amplitudes for channel 26 of first detector

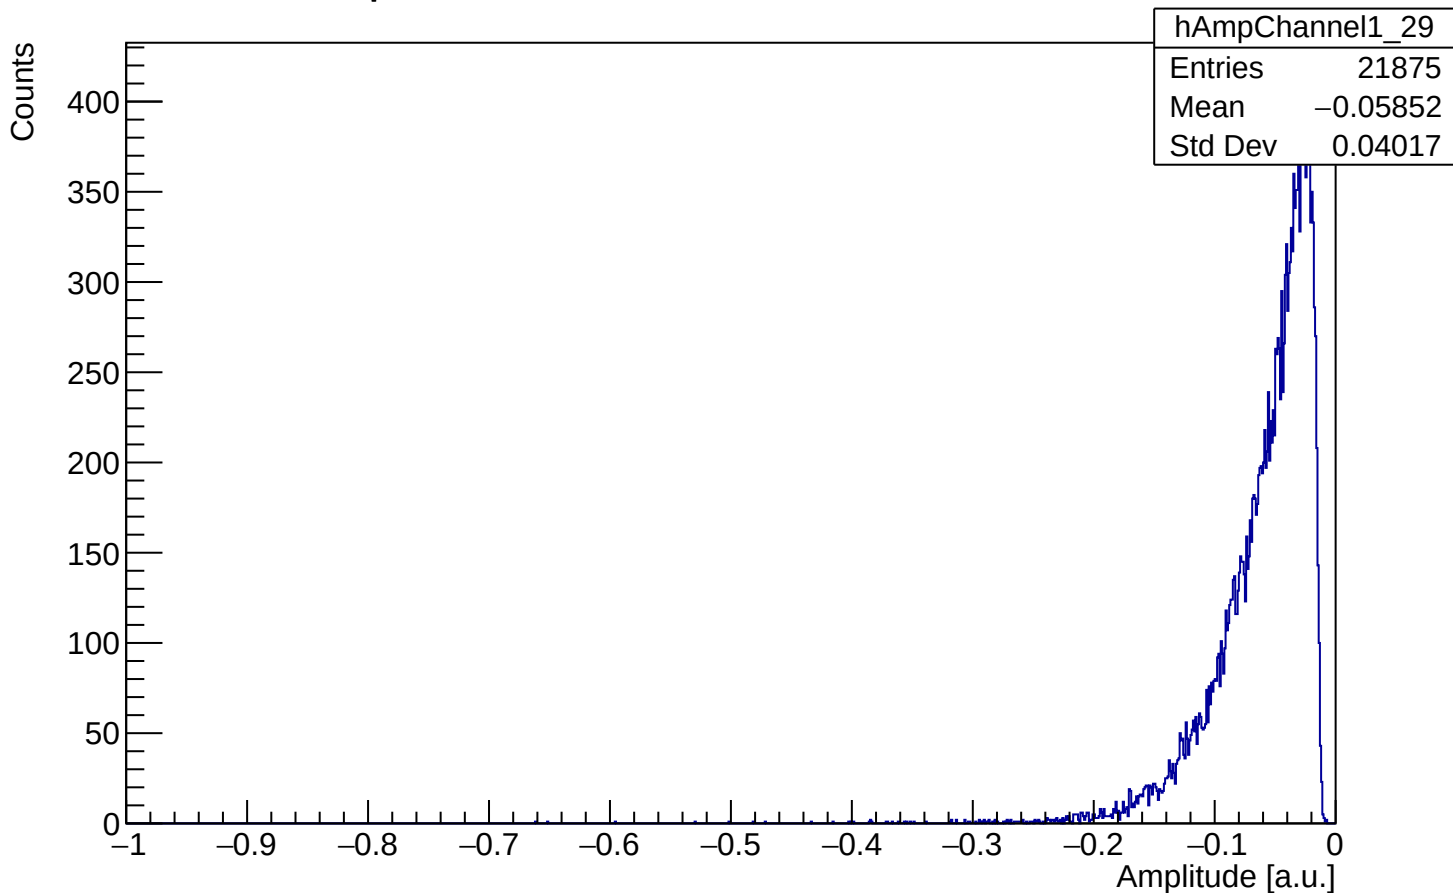

Amplitudes for channel 27 of first detector

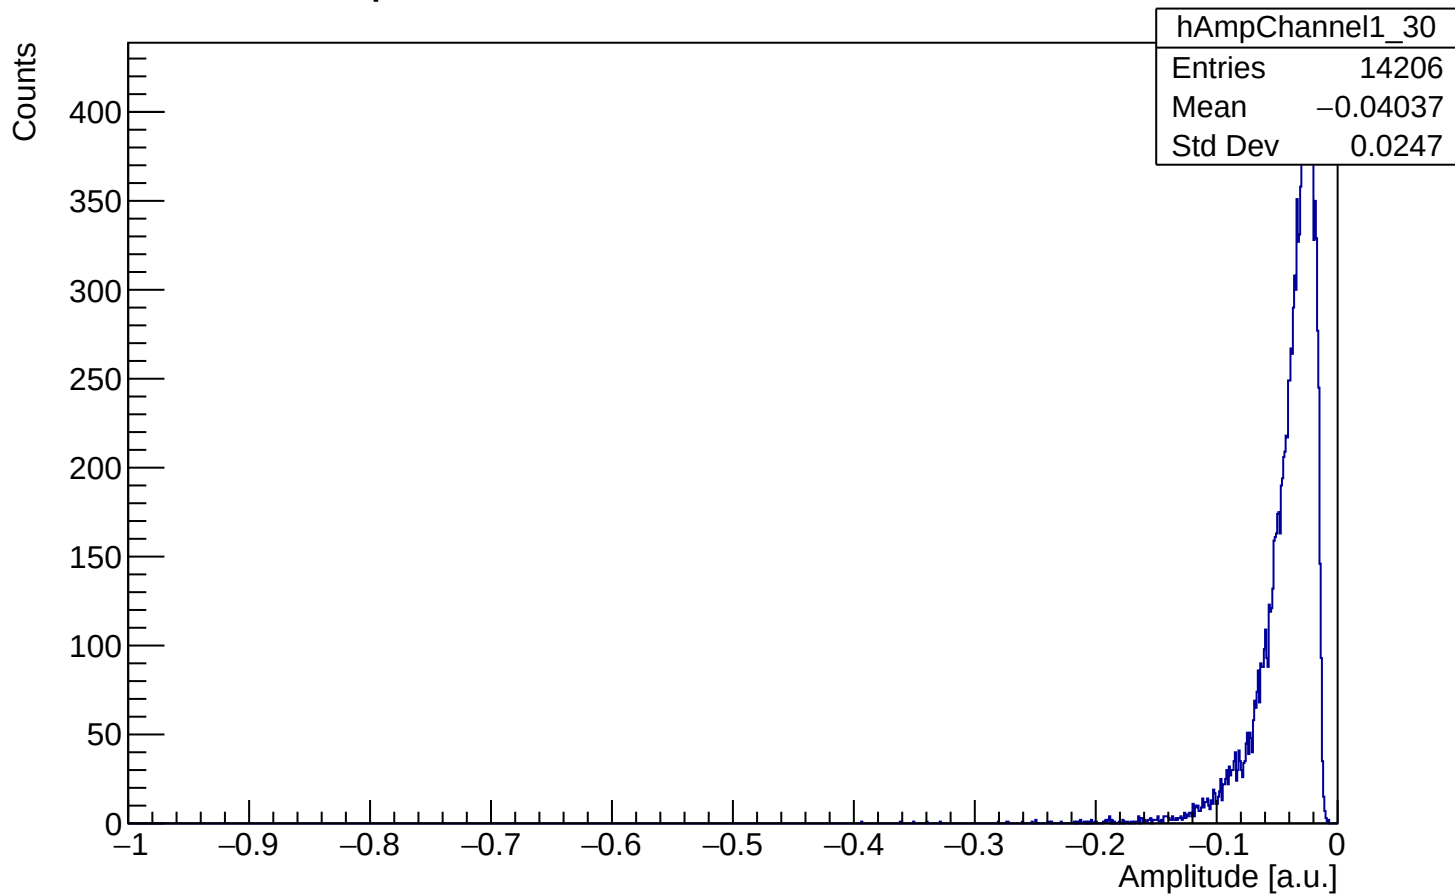

Amplitudes for channel 28 of first detector

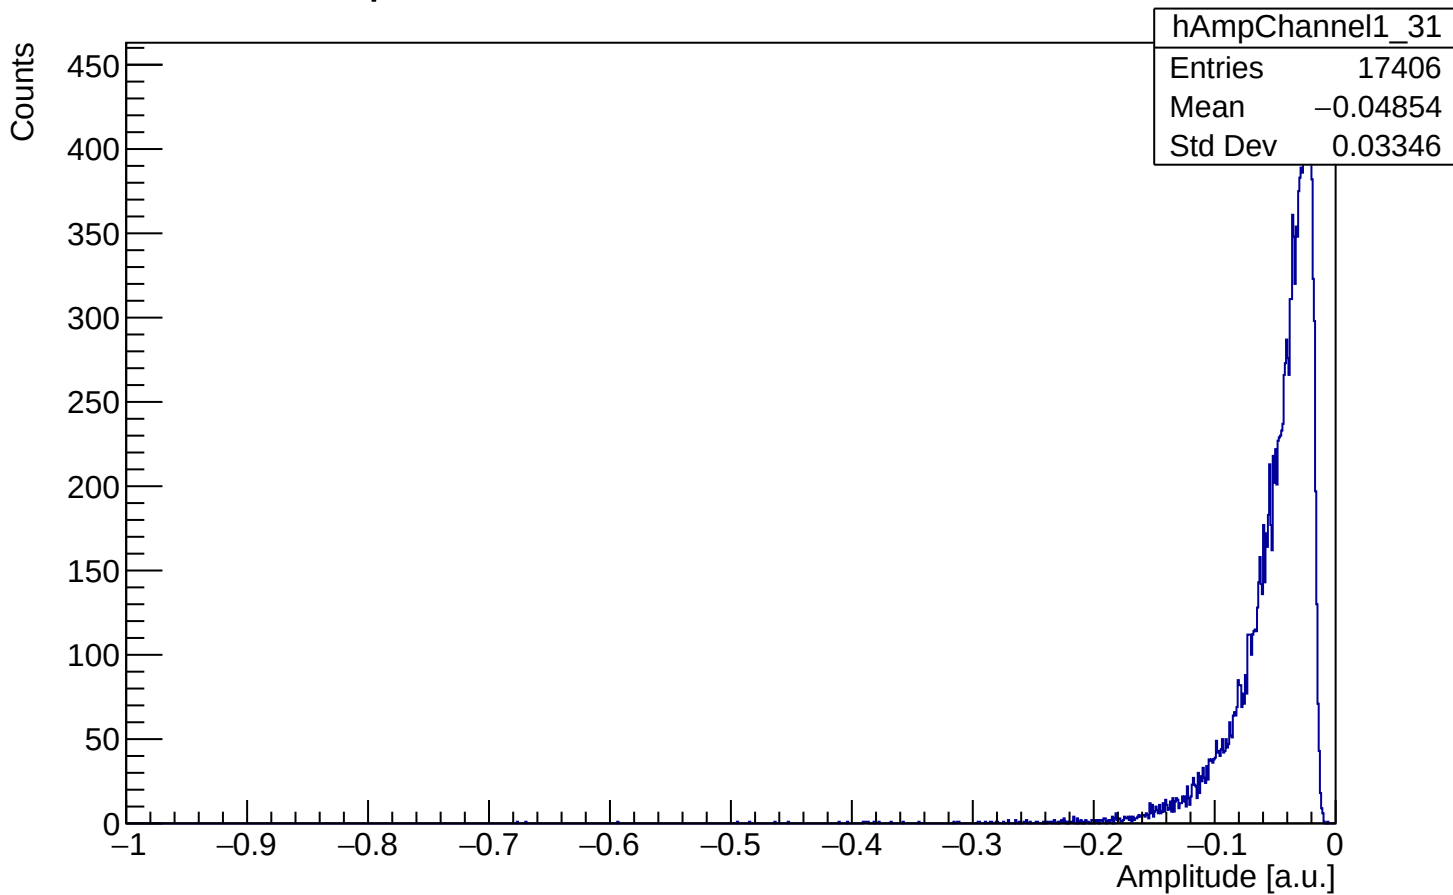

Amplitudes for channel 29 of first detector

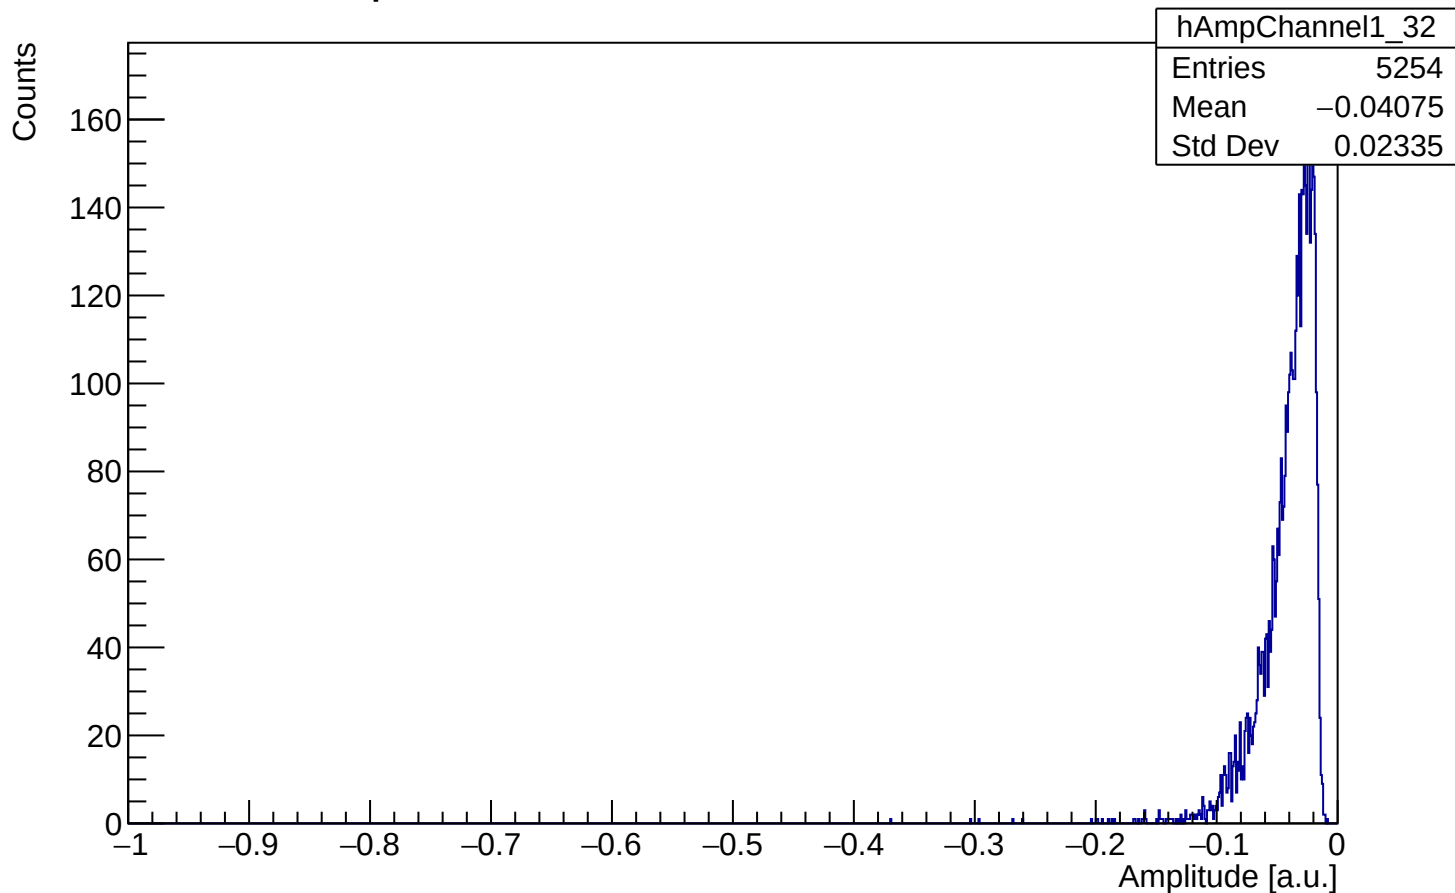

Amplitudes for channel 30 of first detector

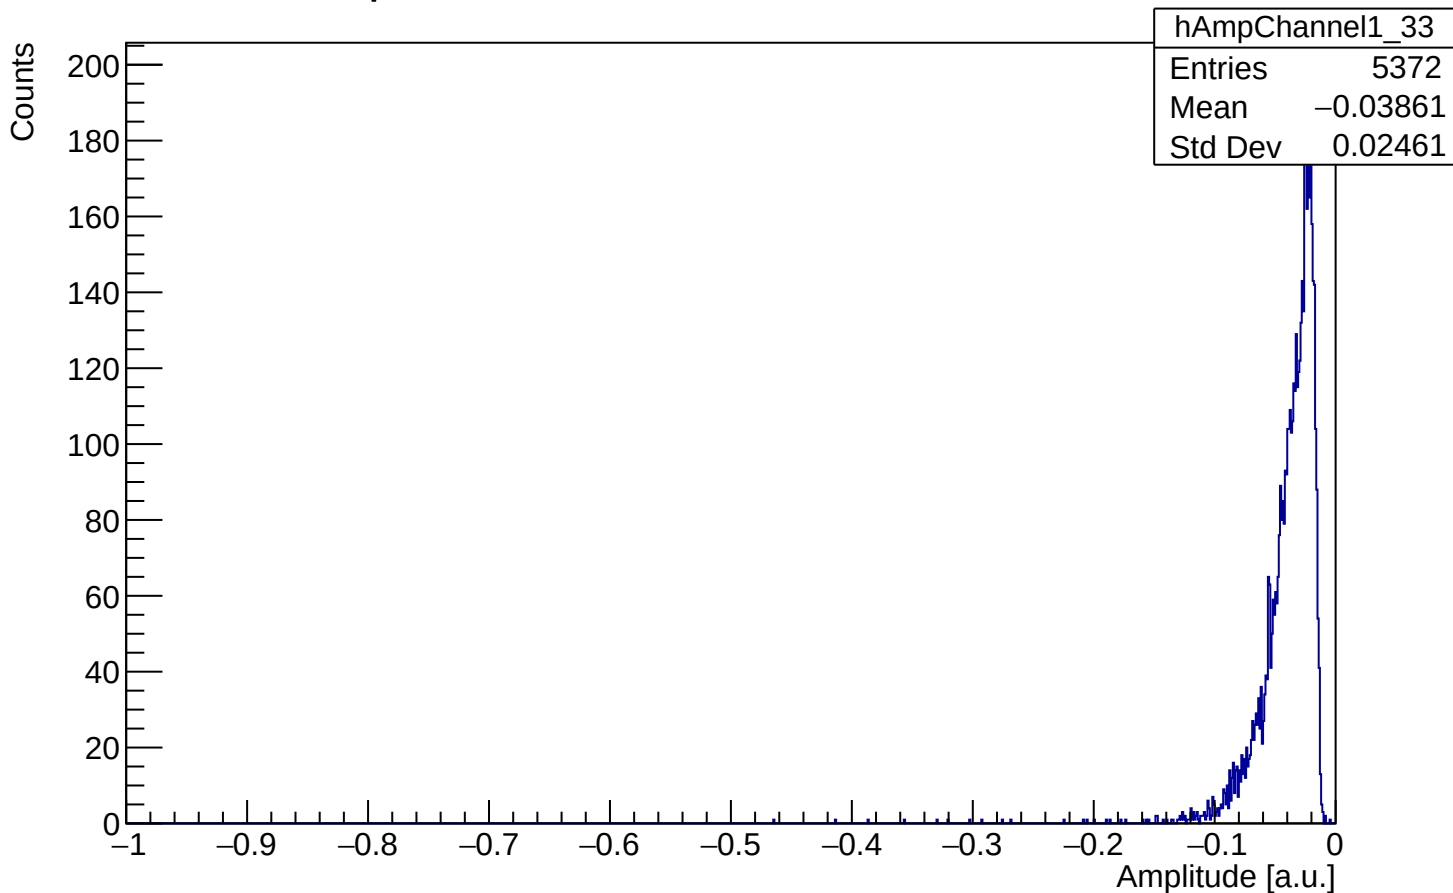

Amplitudes for channel 31 of first detector

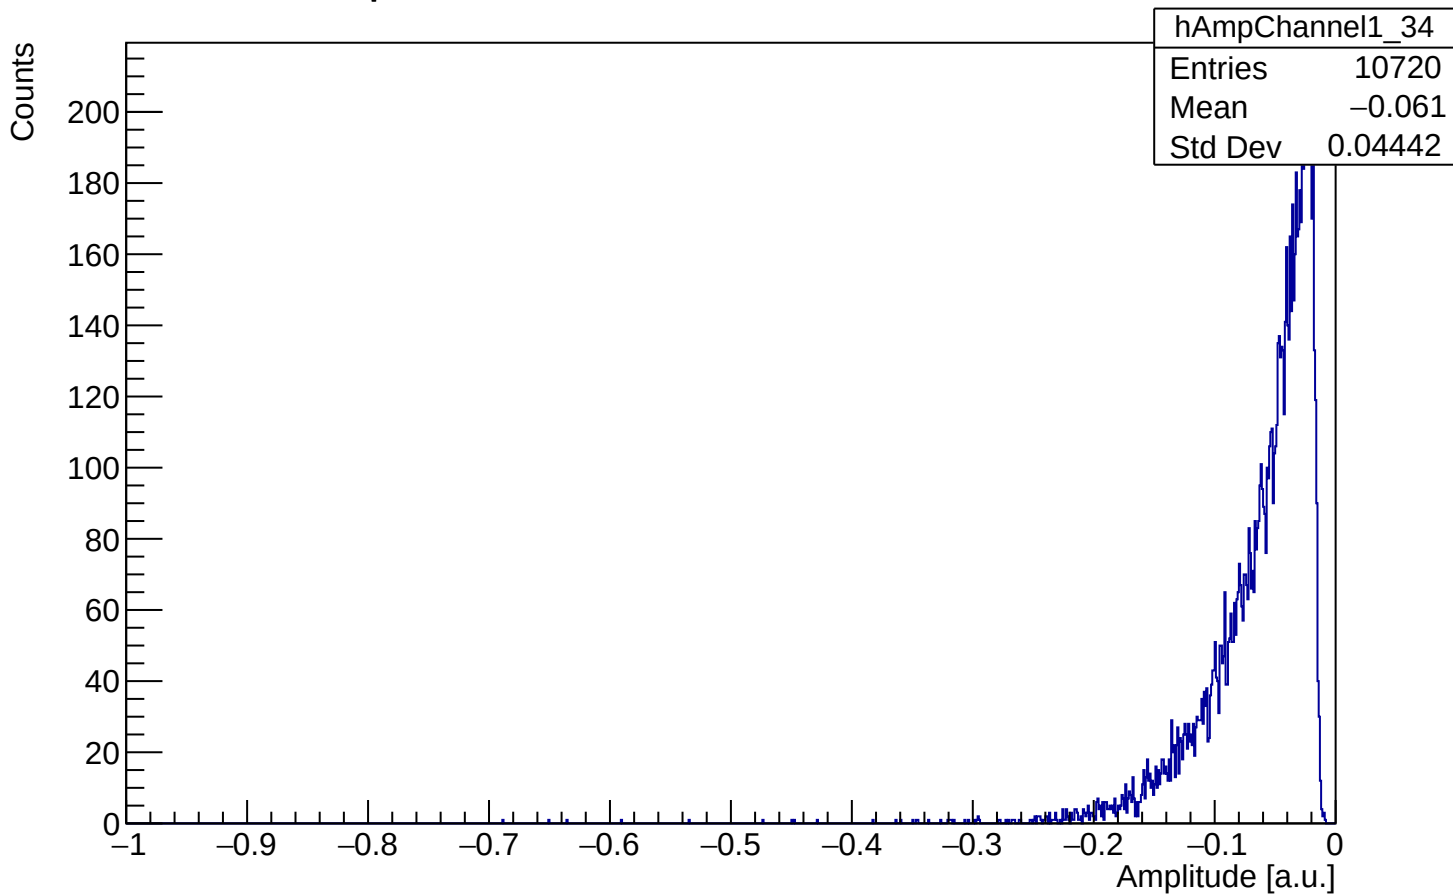

Amplitudes for channel 32 of first detector

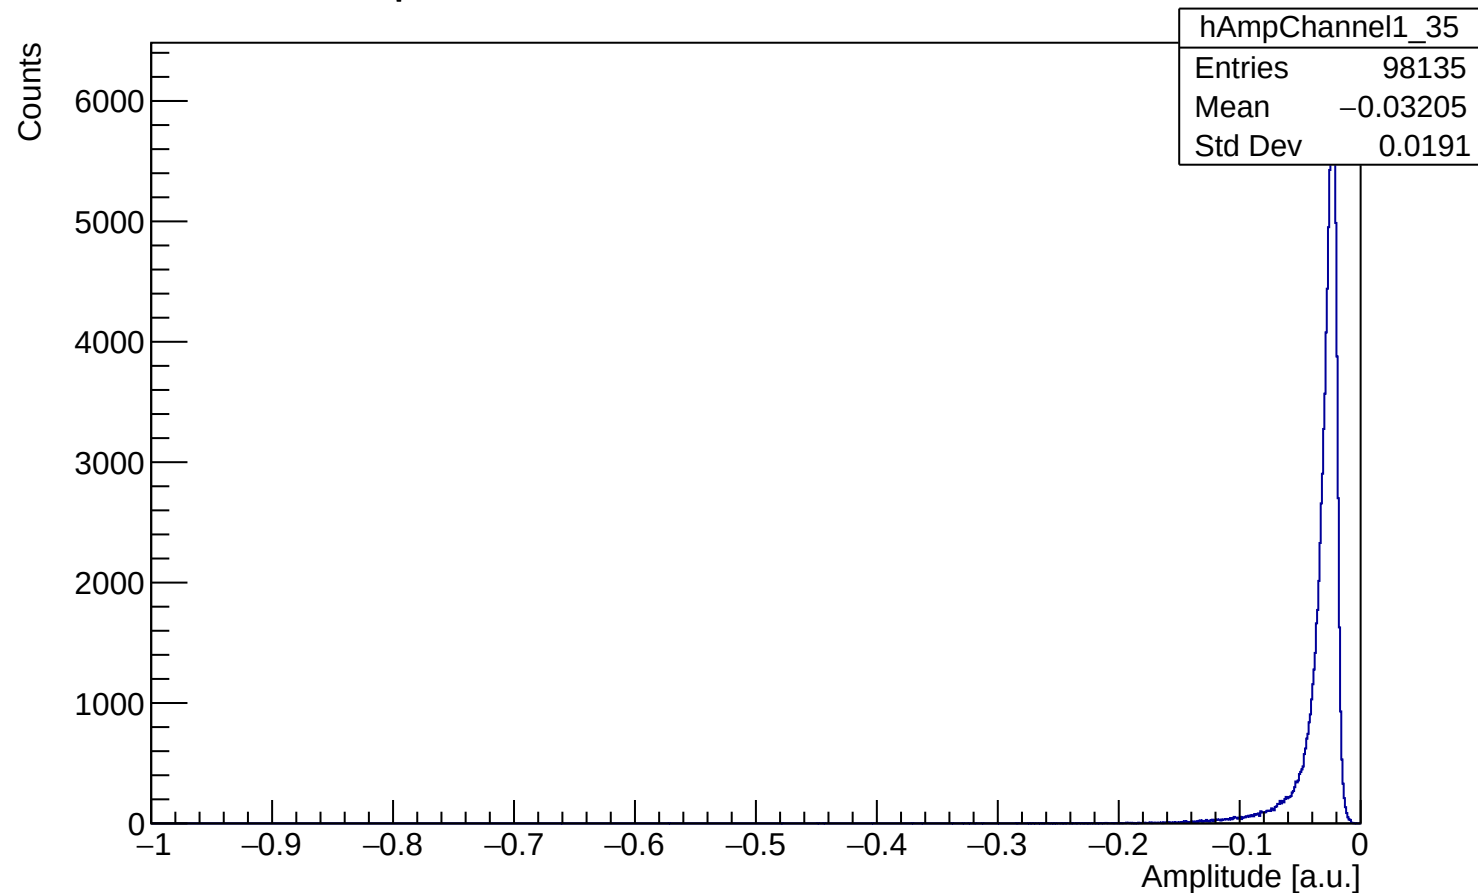

Amplitudes for channel 33 of first detector

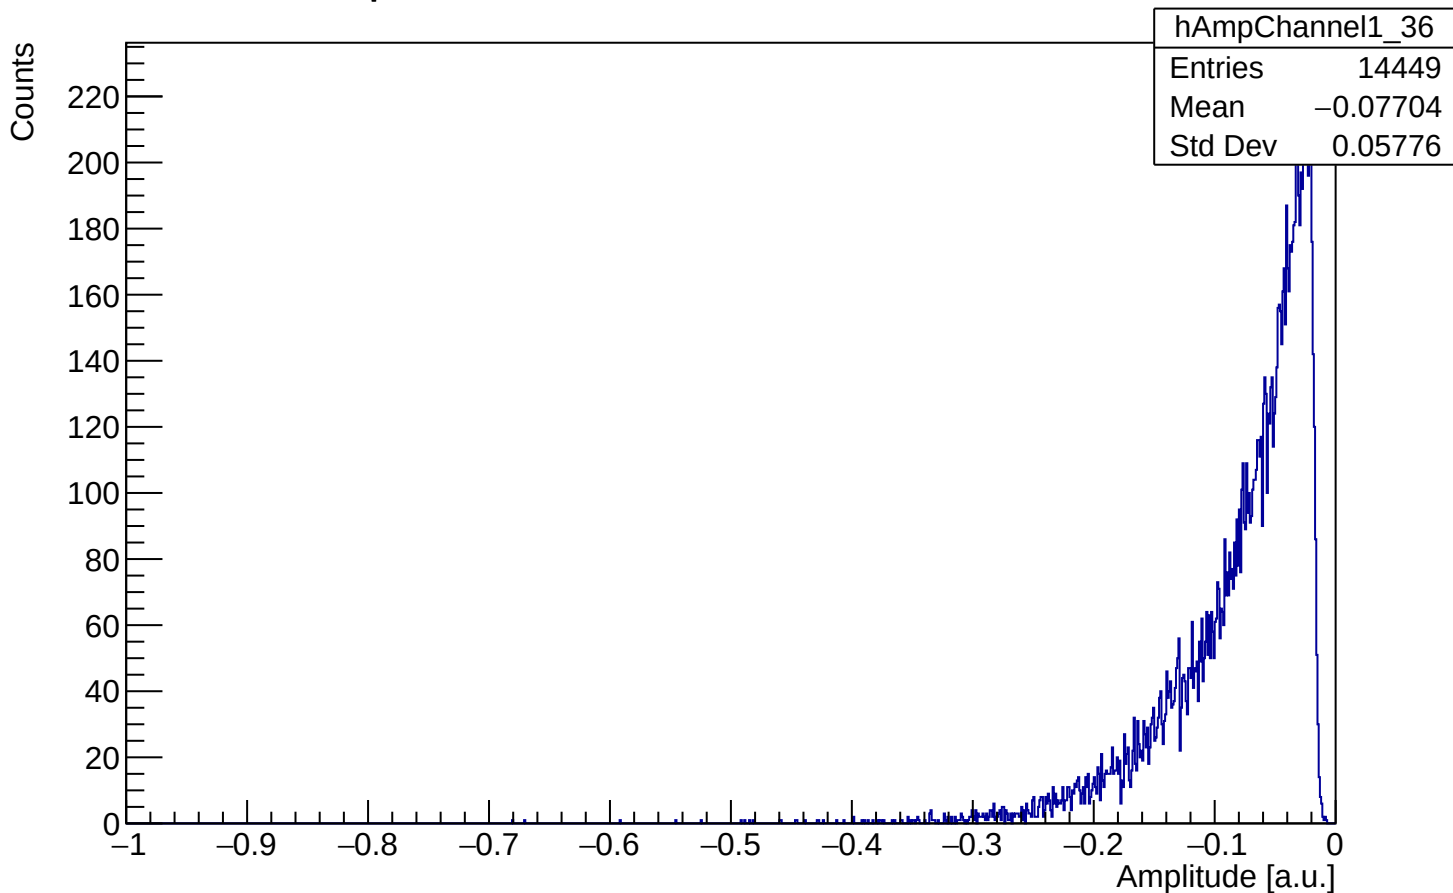

Amplitudes for channel 34 of first detector

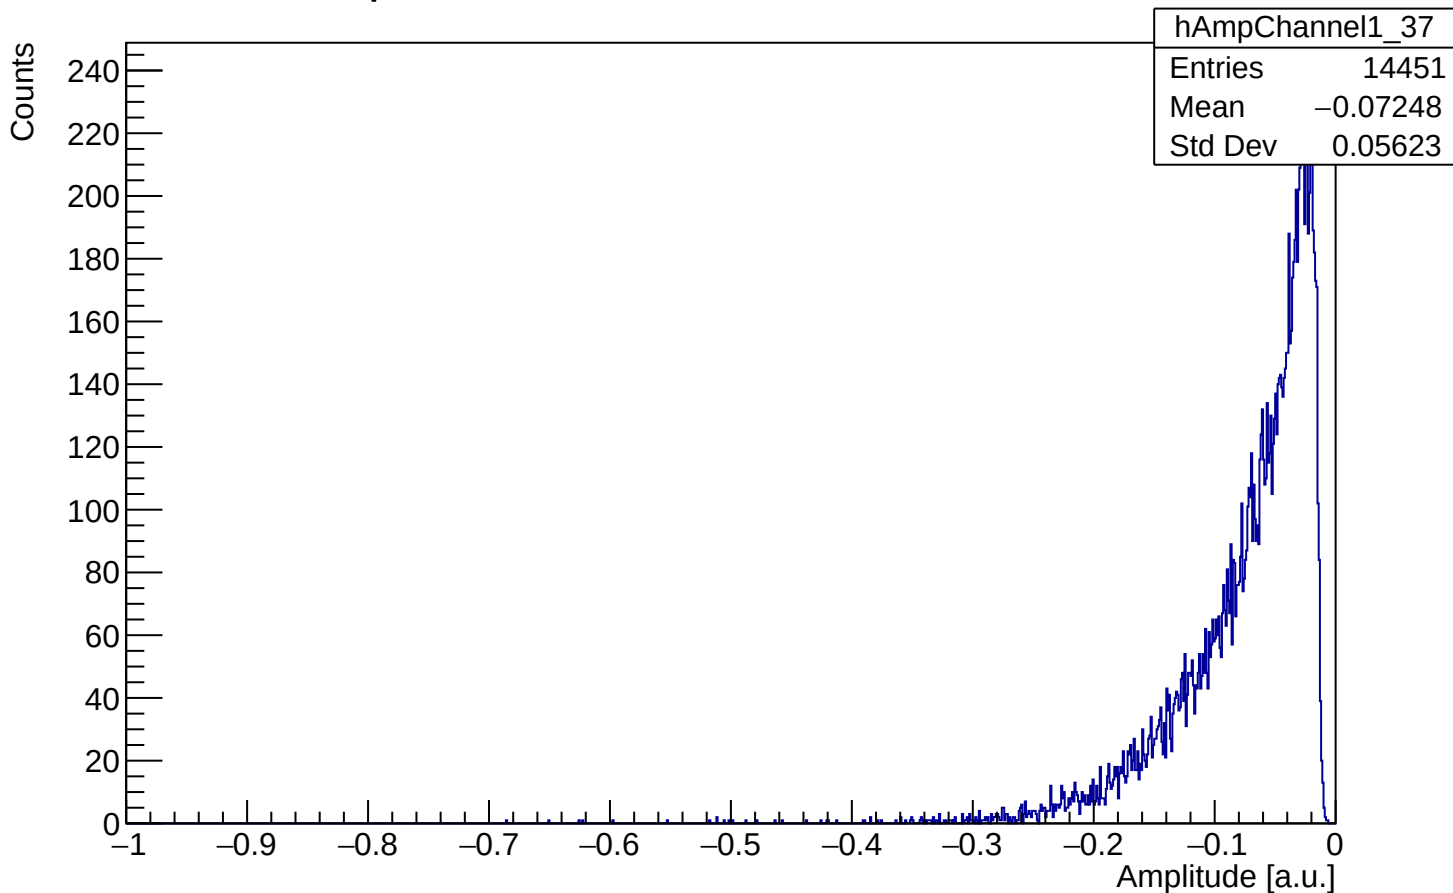

Amplitudes for channel 35 of first detector

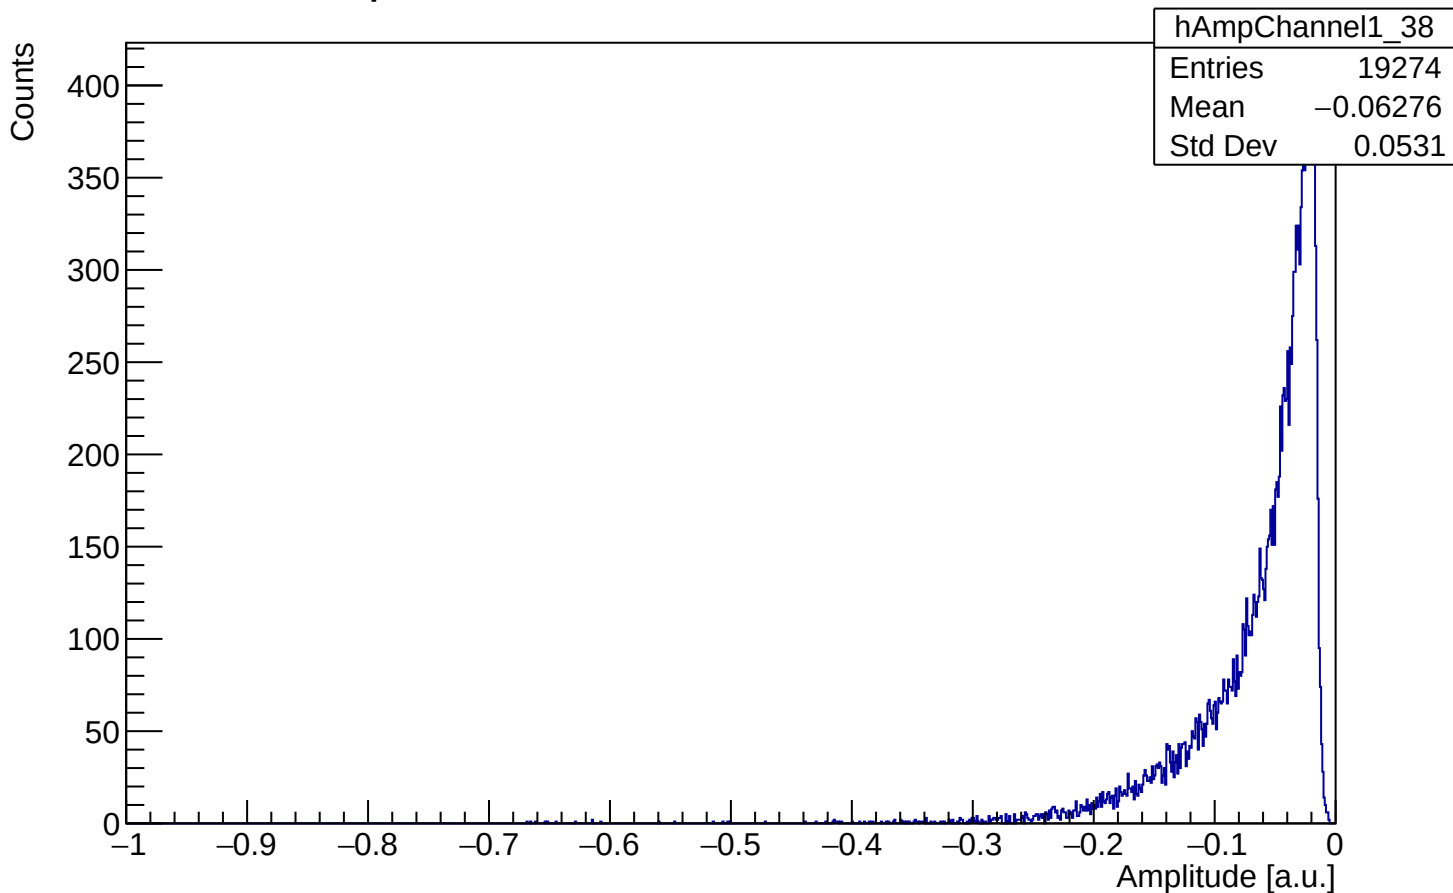

Amplitudes for channel 36 of first detector

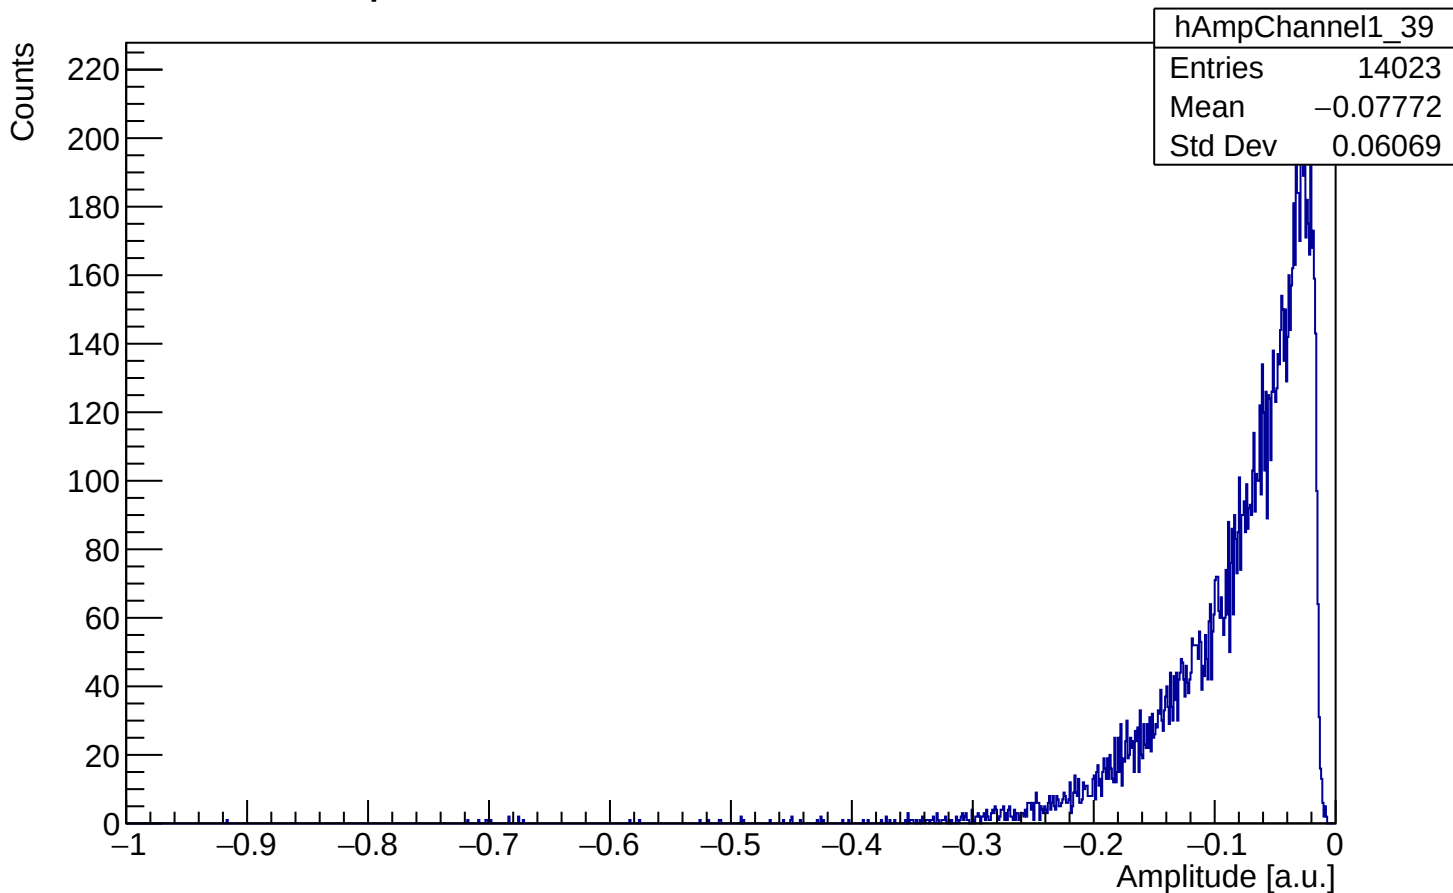

Amplitudes for channel 37 of first detector

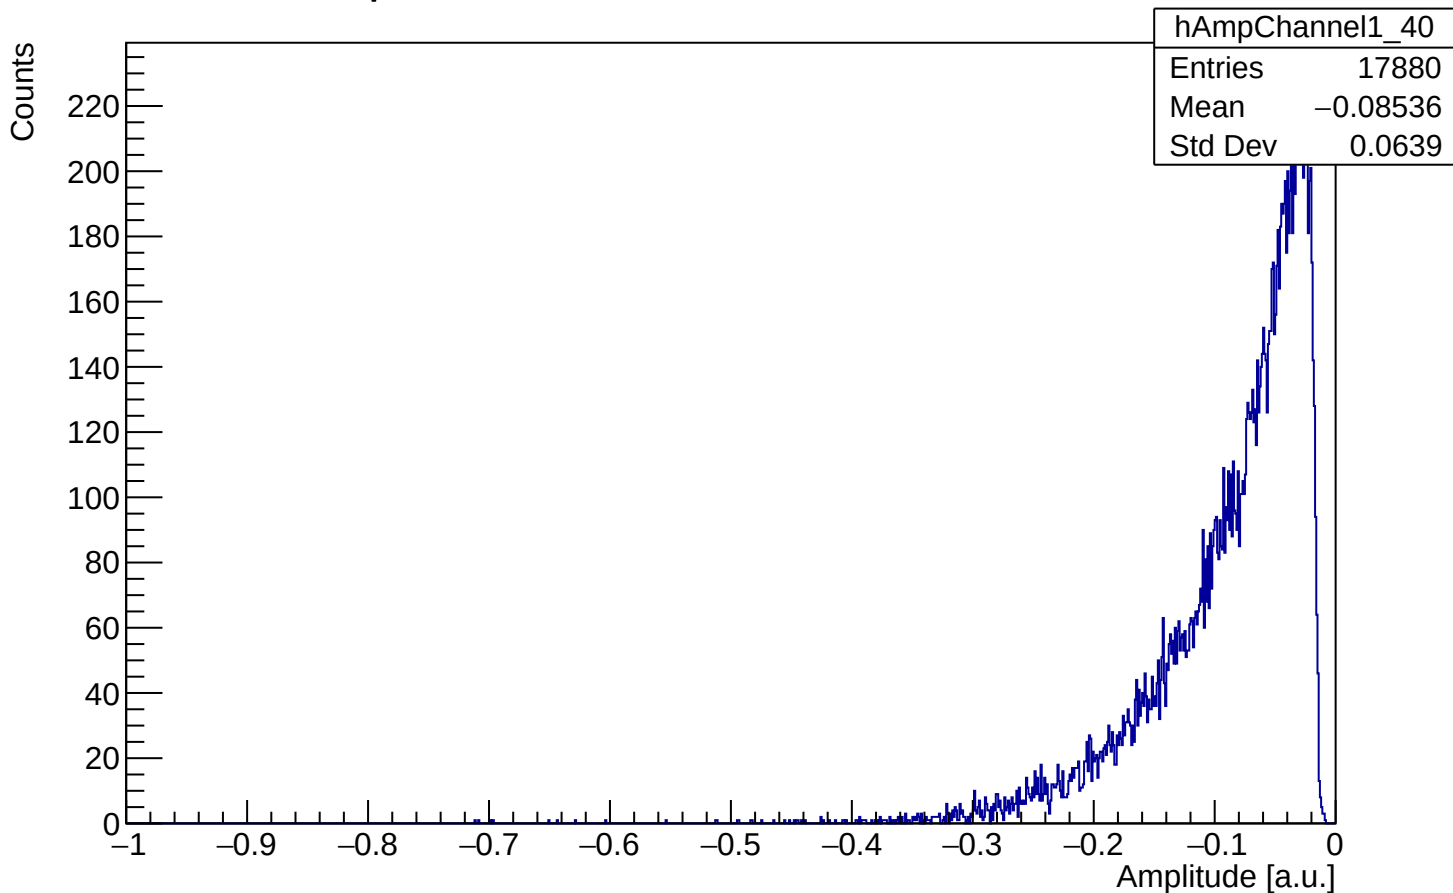

Amplitudes for channel 38 of first detector

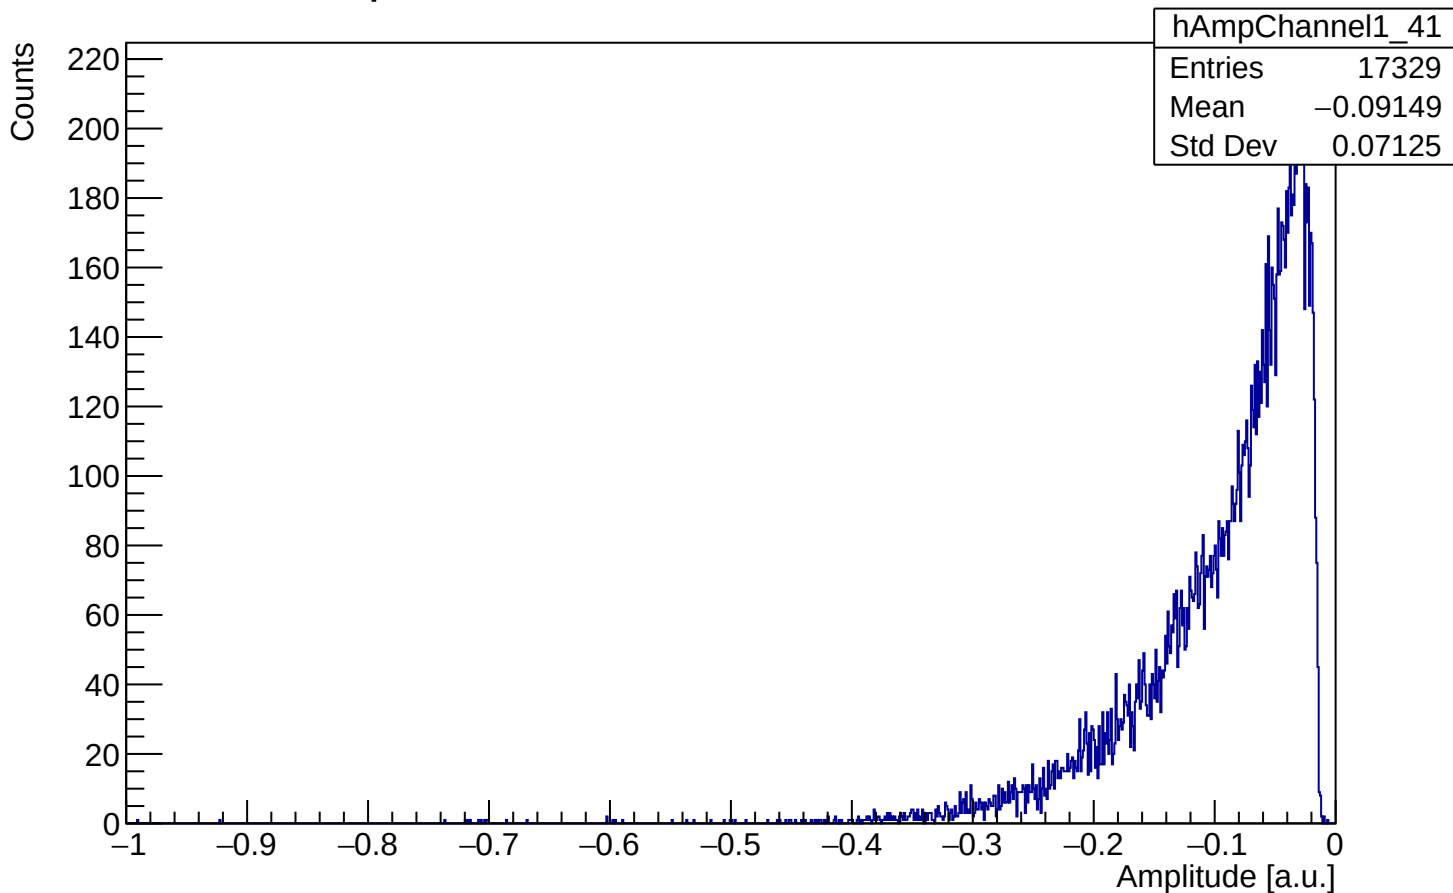

Amplitudes for channel 39 of first detector

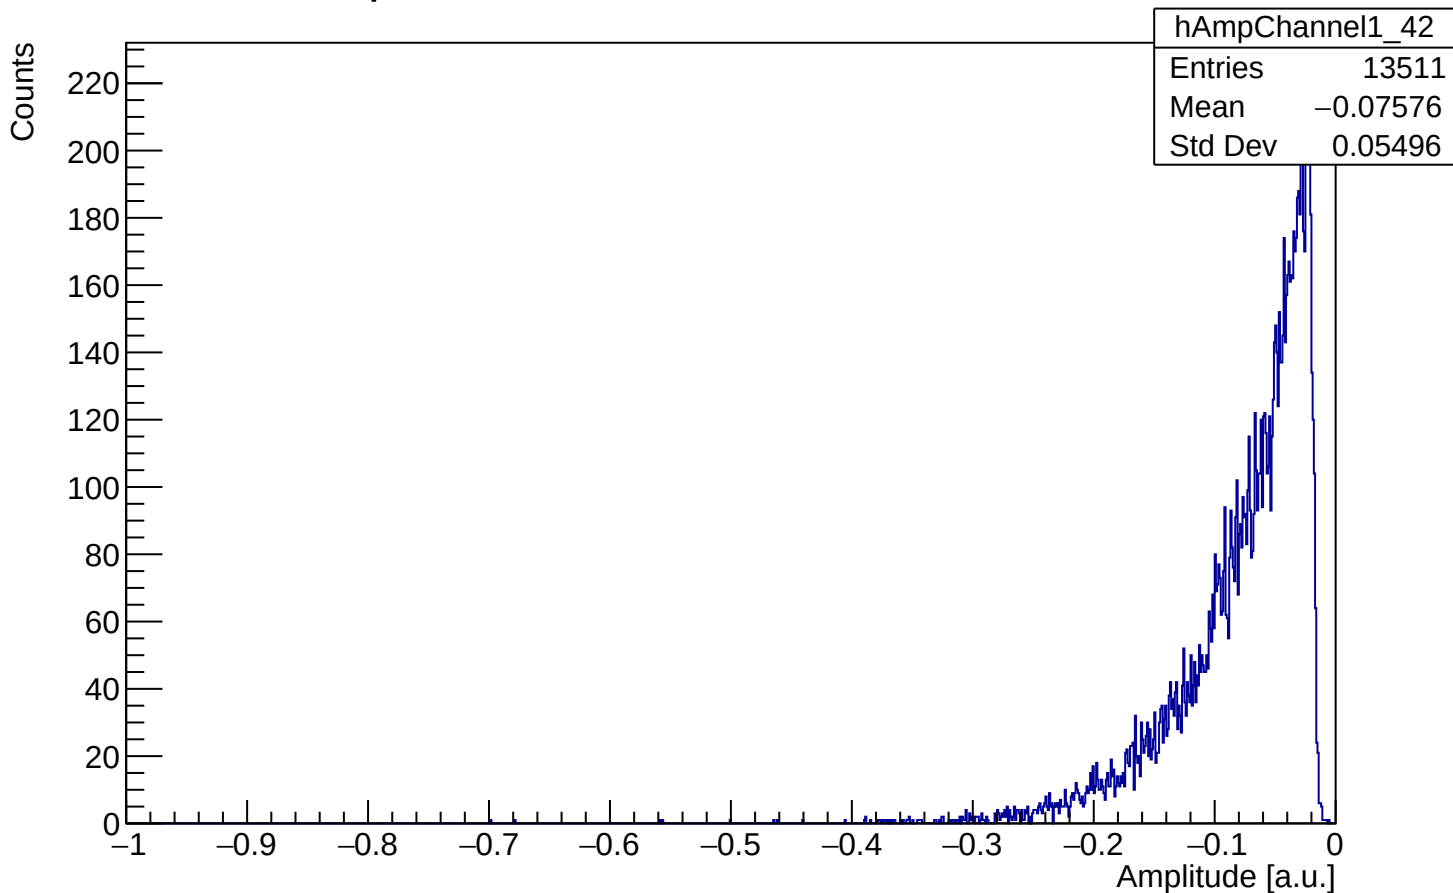

Amplitudes for channel 40 of first detector

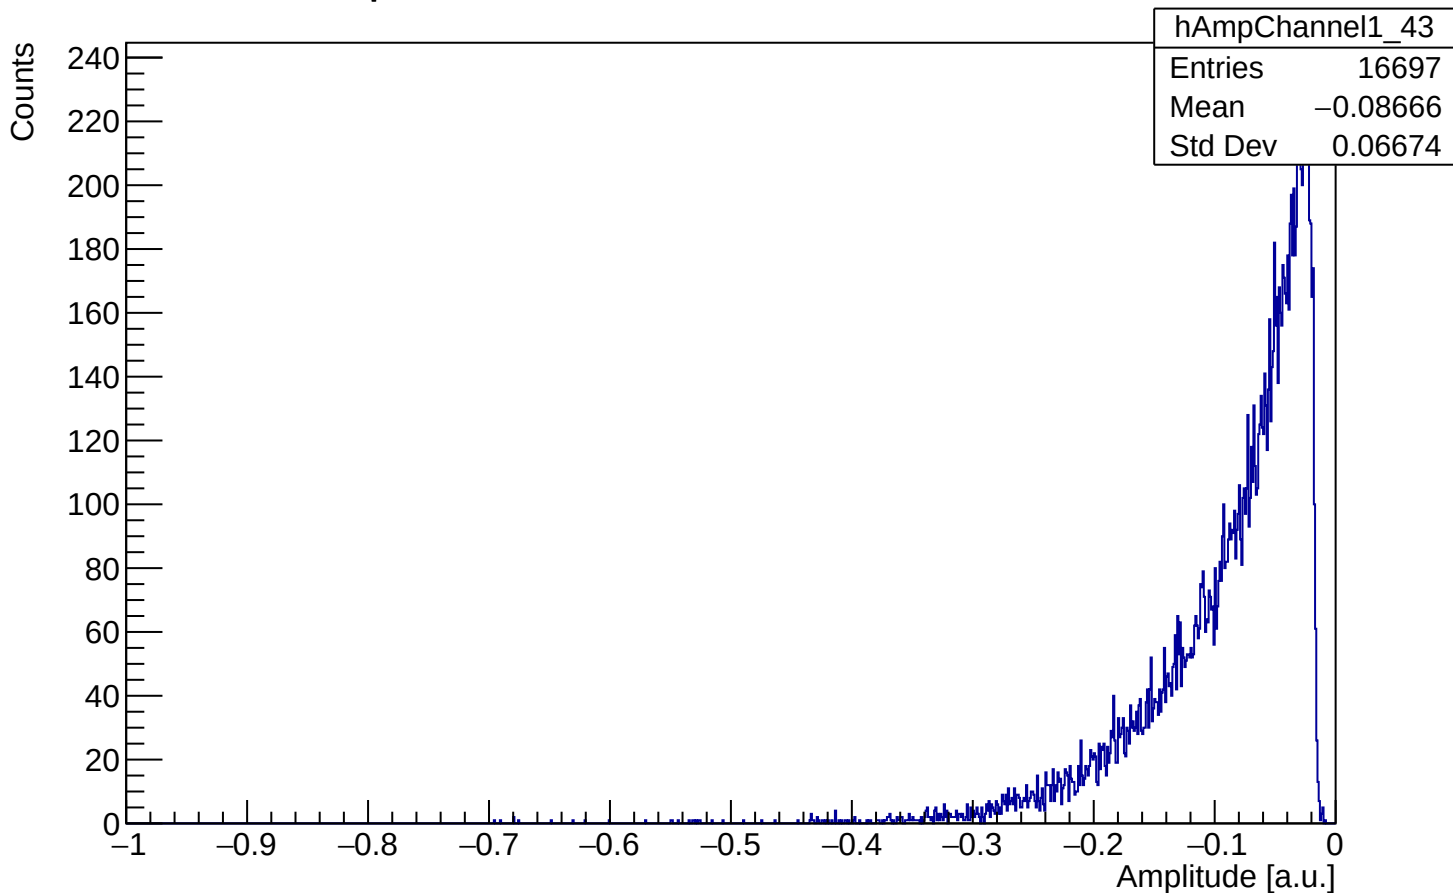

Amplitudes for channel 41 of first detector

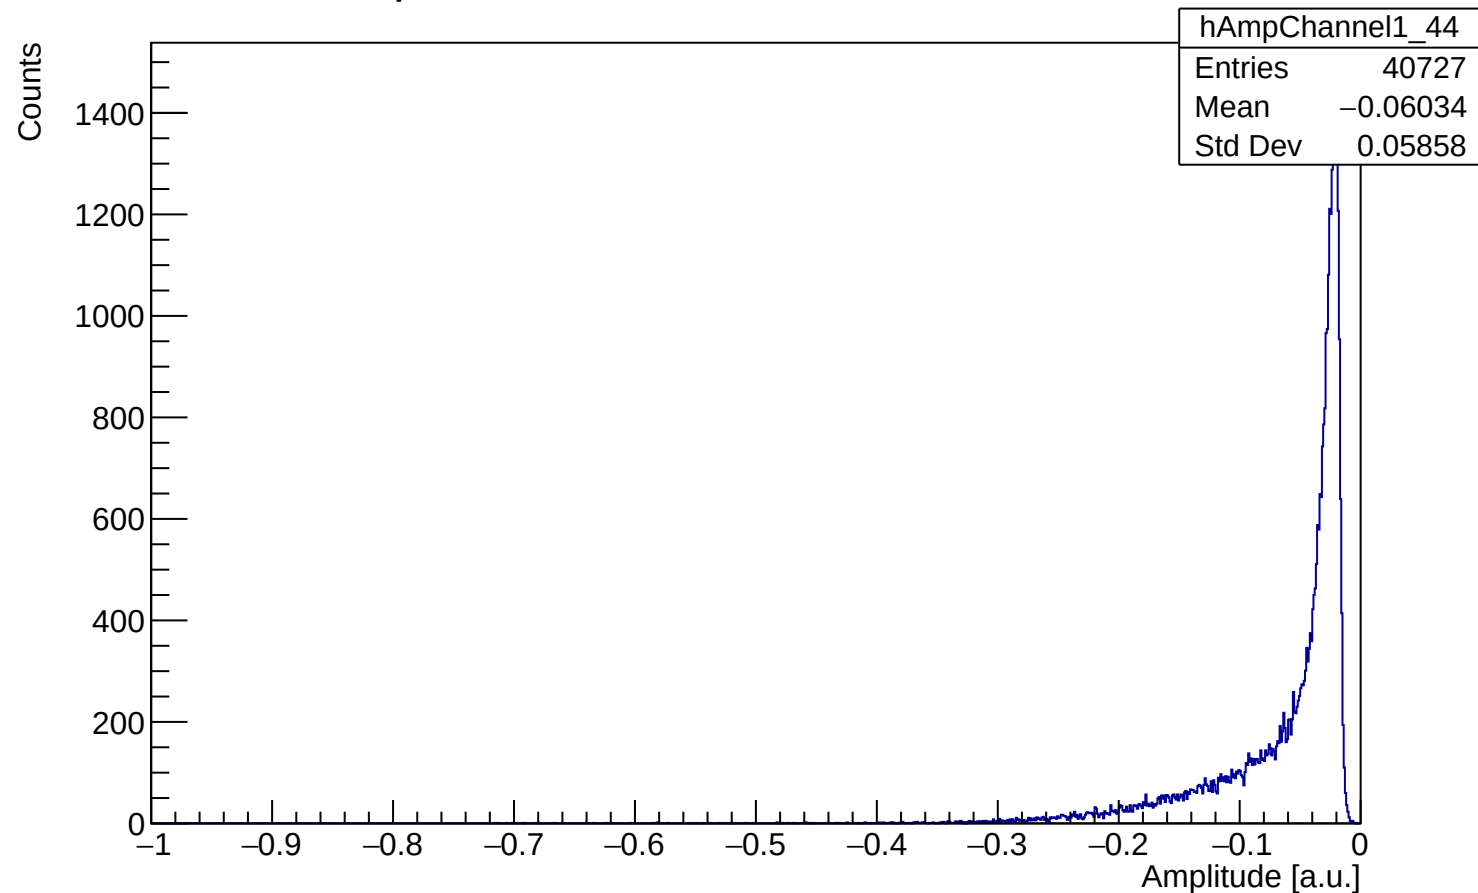

Amplitudes for channel 42 of first detector

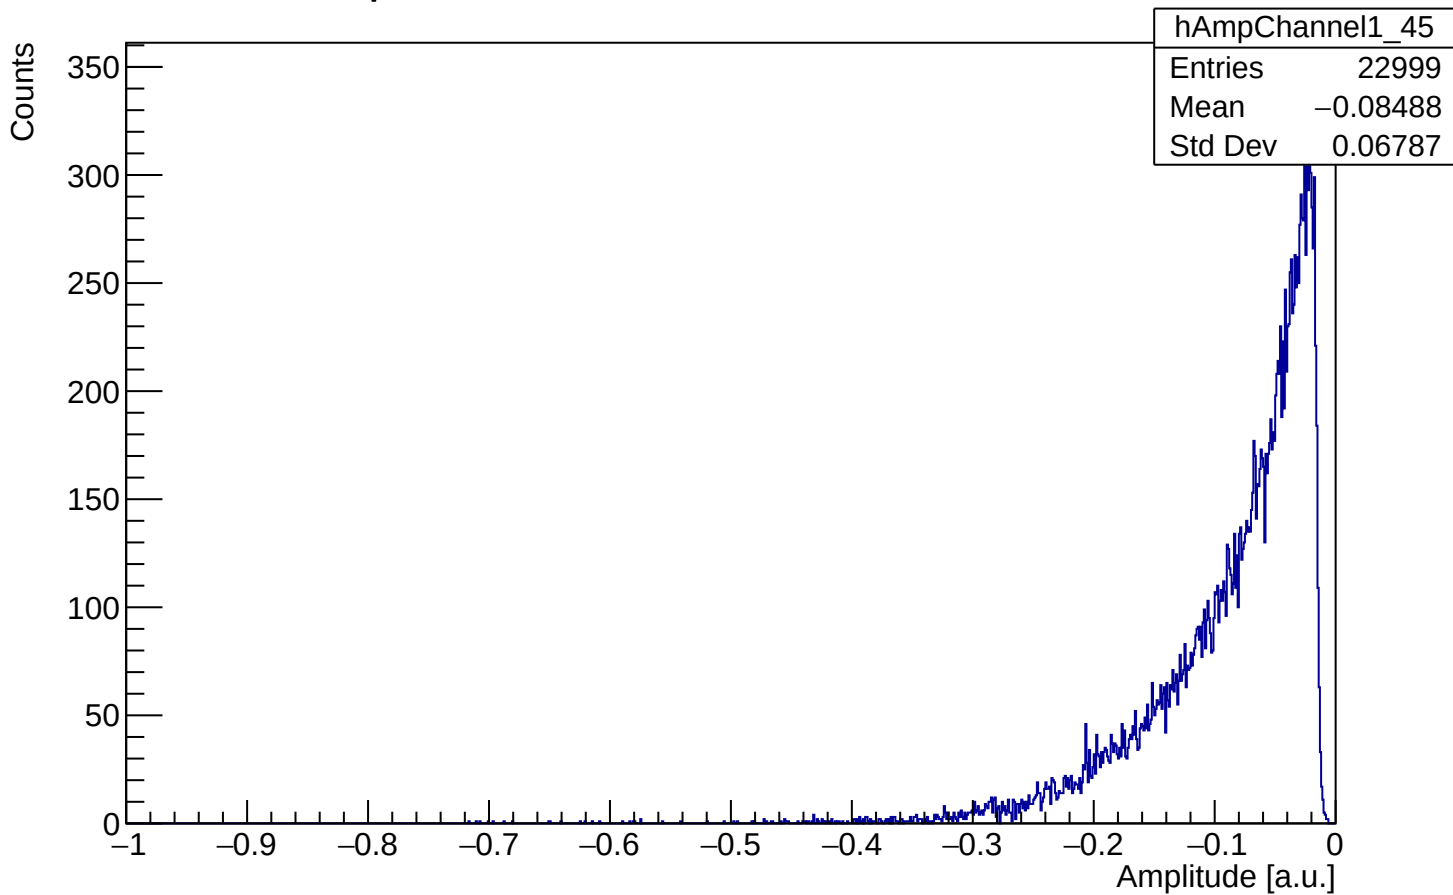

Amplitudes for channel 43 of first detector

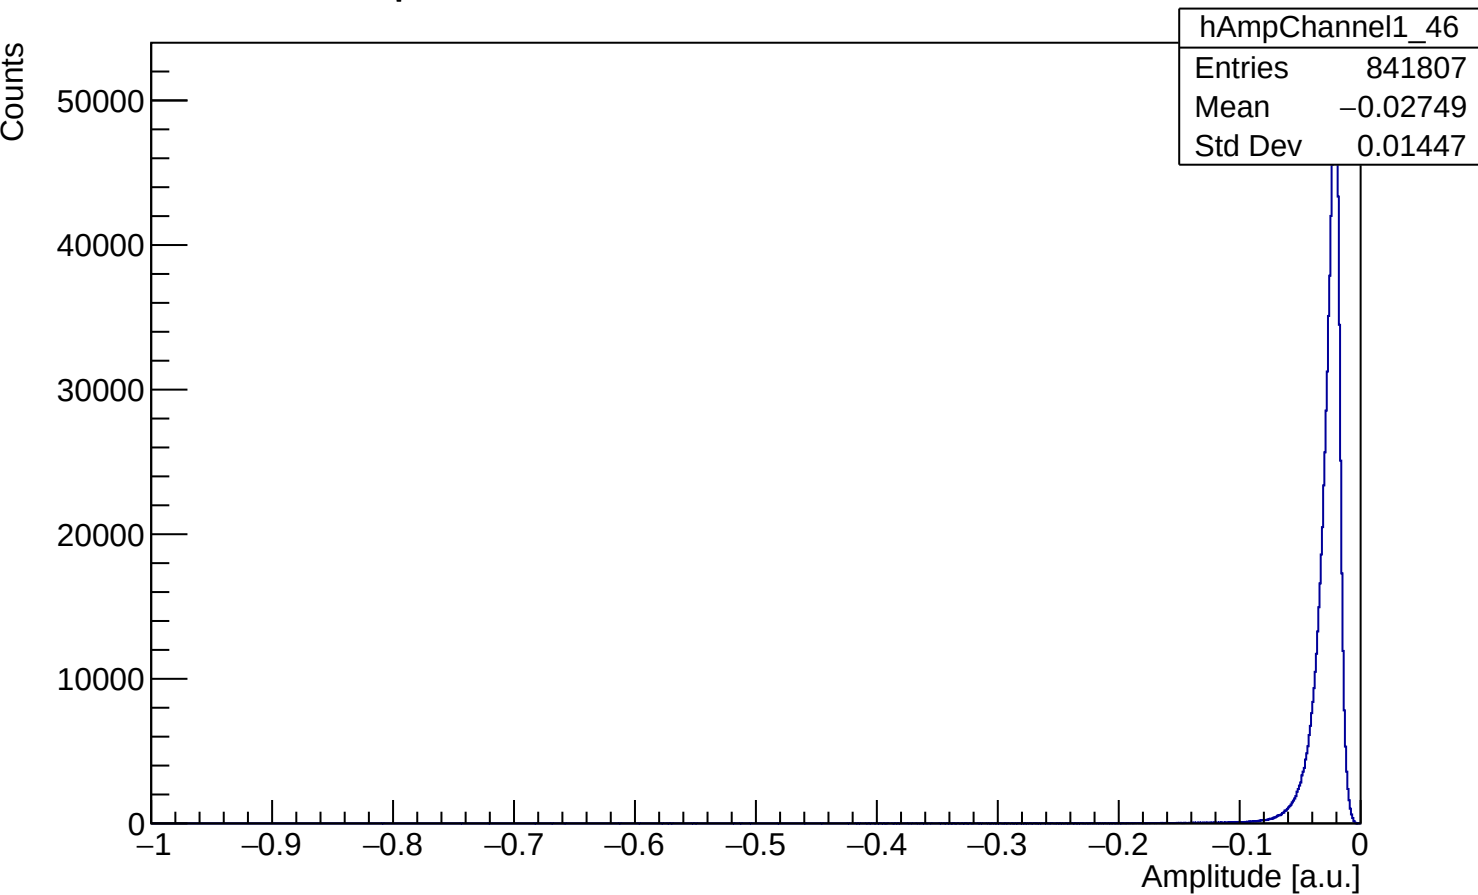

Amplitudes for channel 44 of first detector

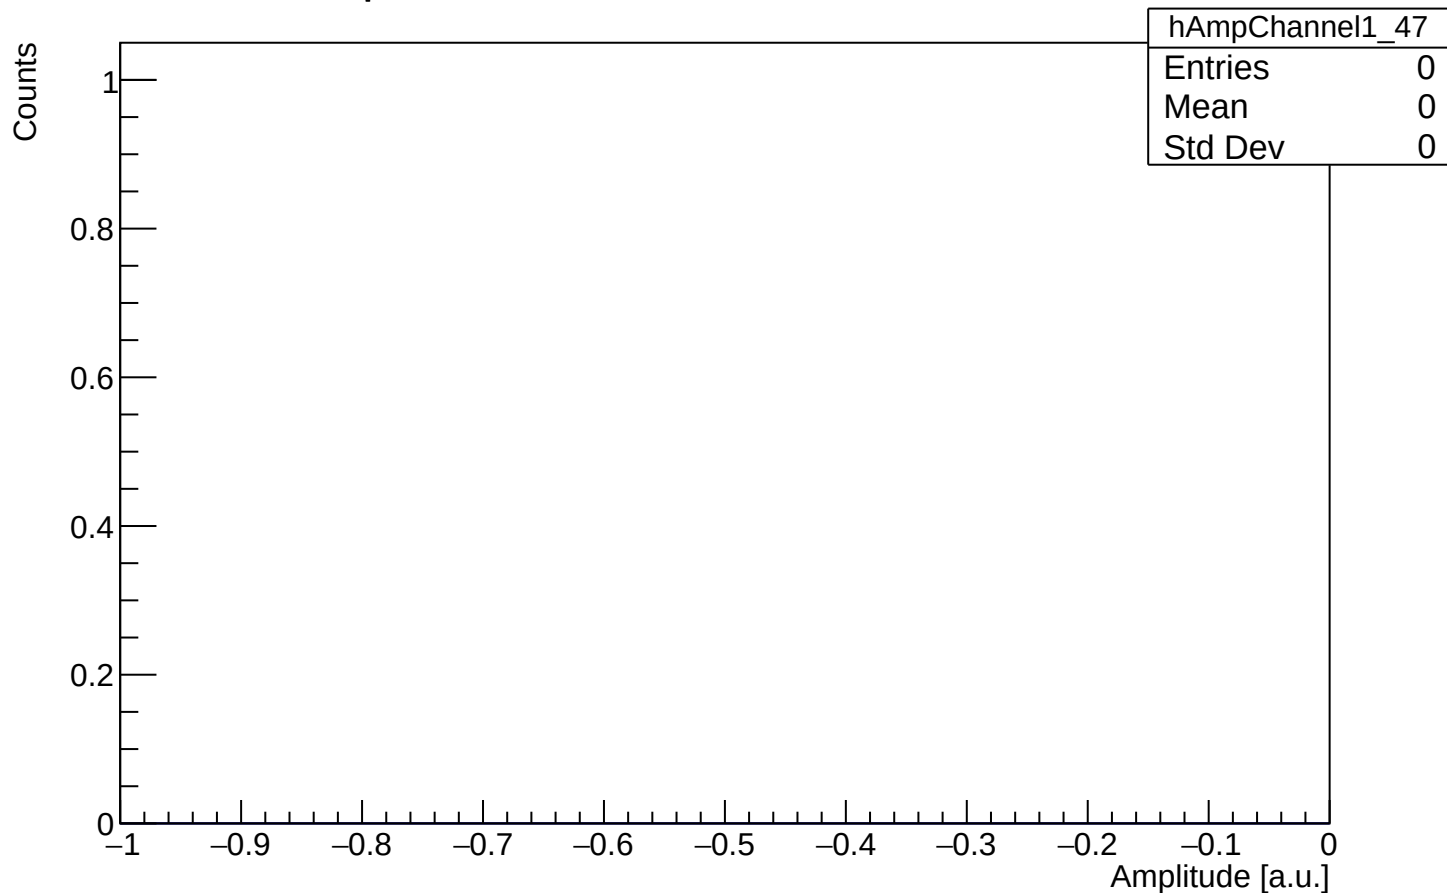

Amplitudes for channel 45 of first detector

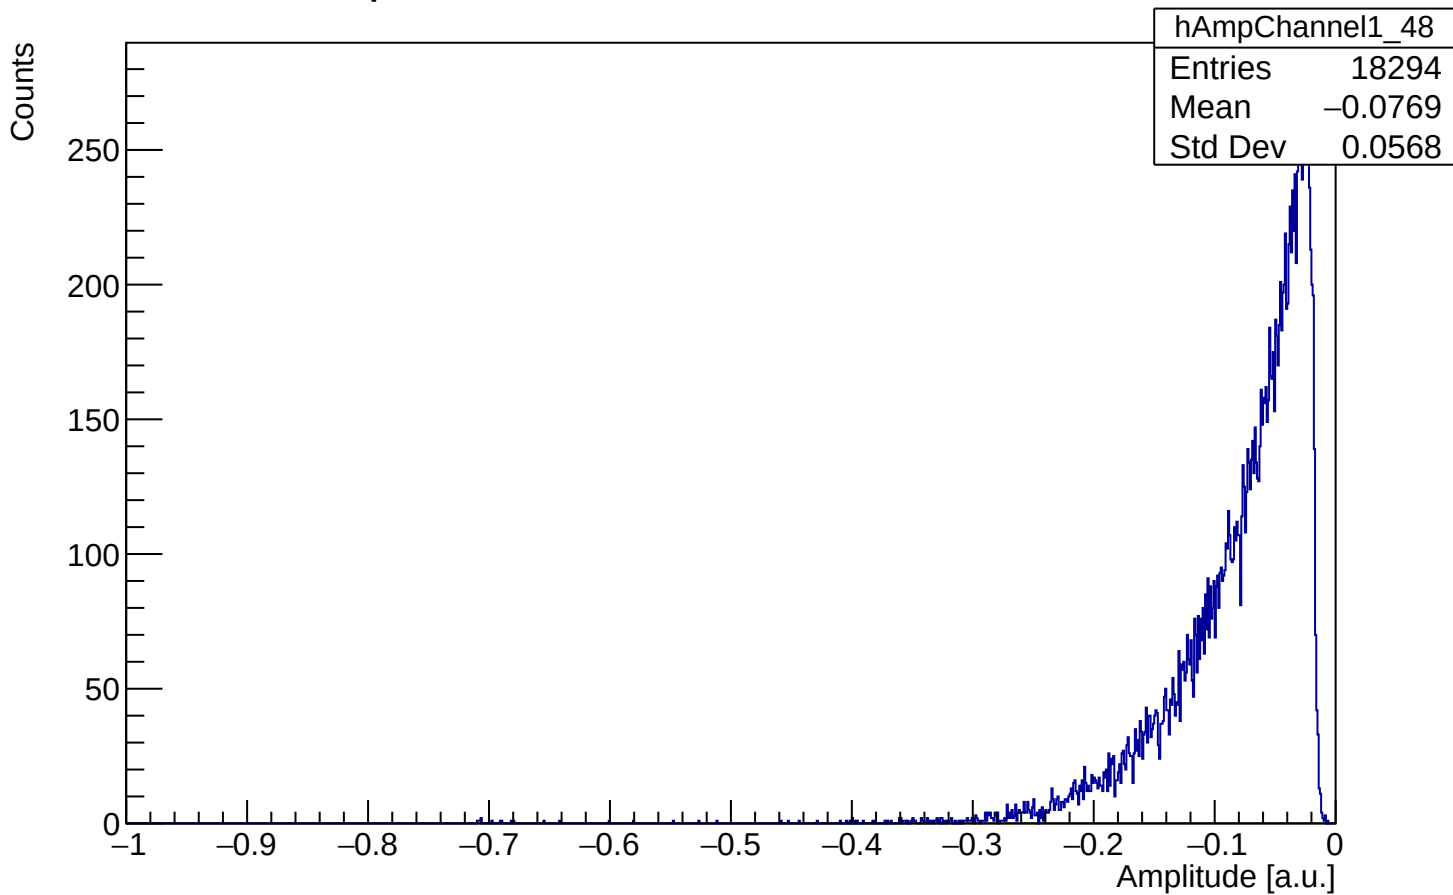

Amplitudes for channel 46 of first detector

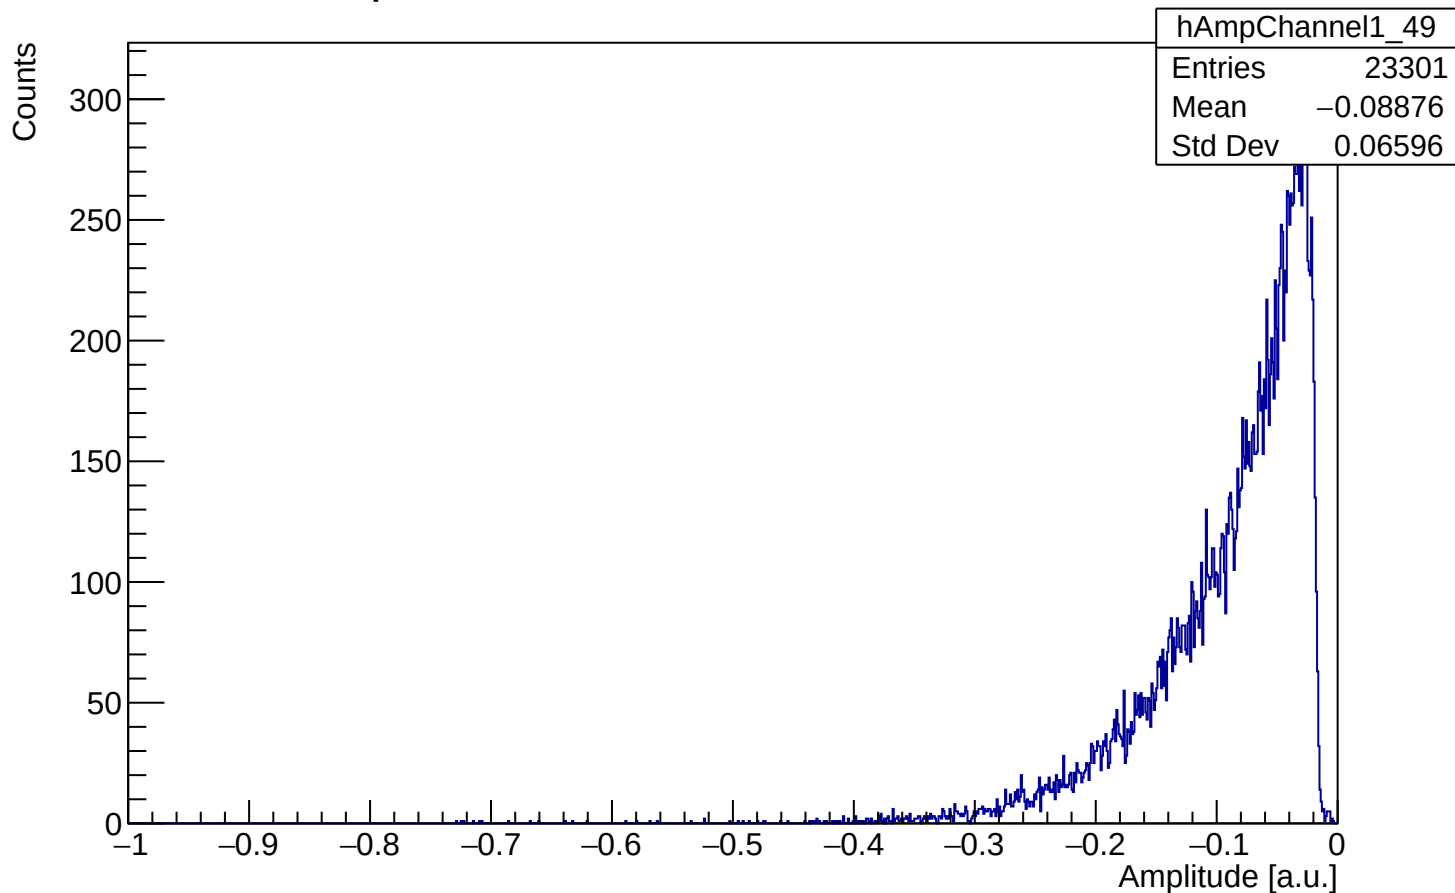

Amplitudes for channel 47 of first detector

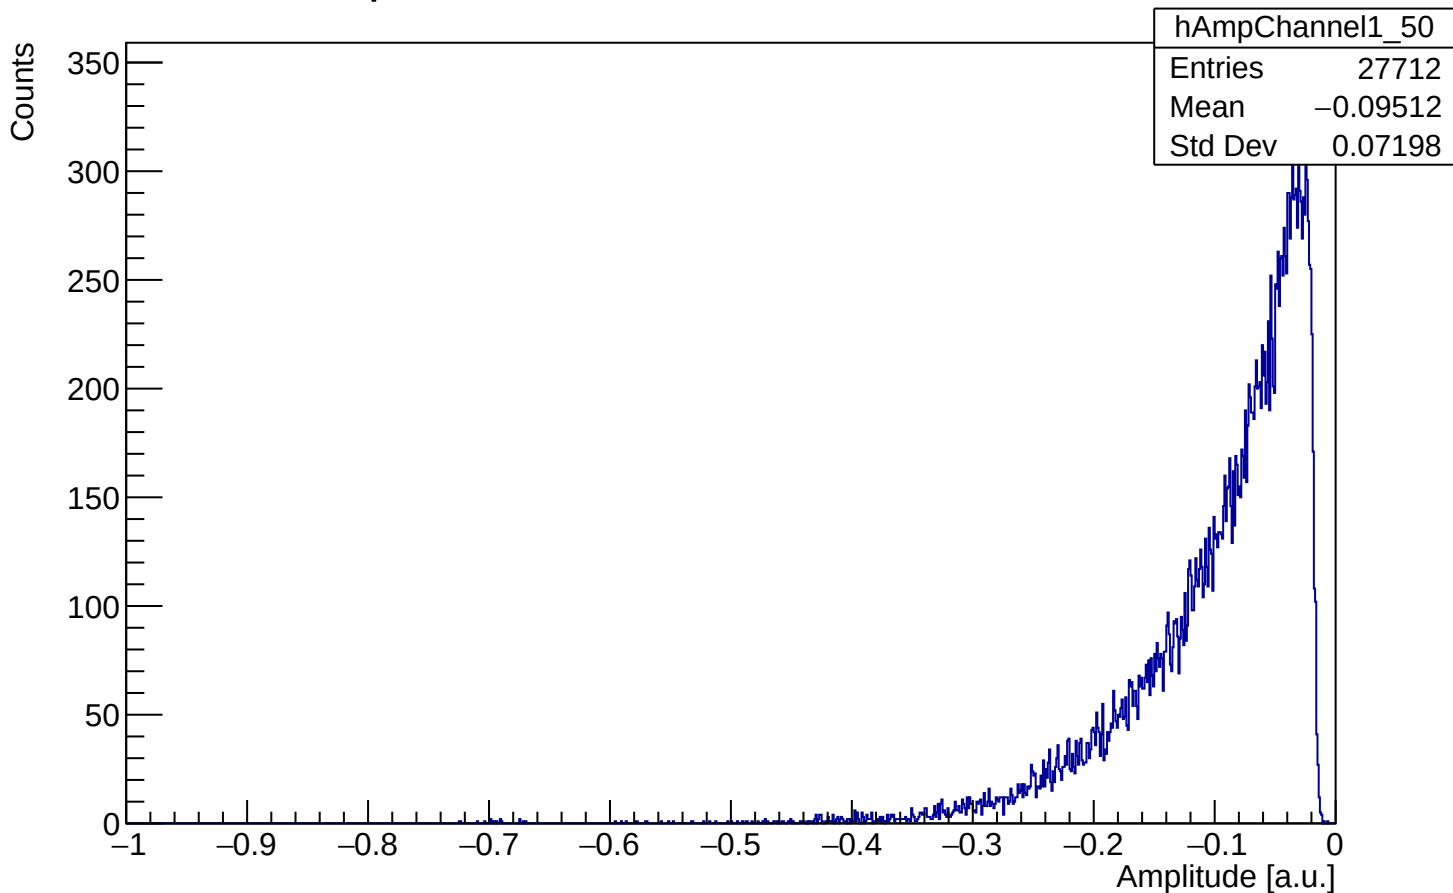

Amplitudes for channel 48 of first detector

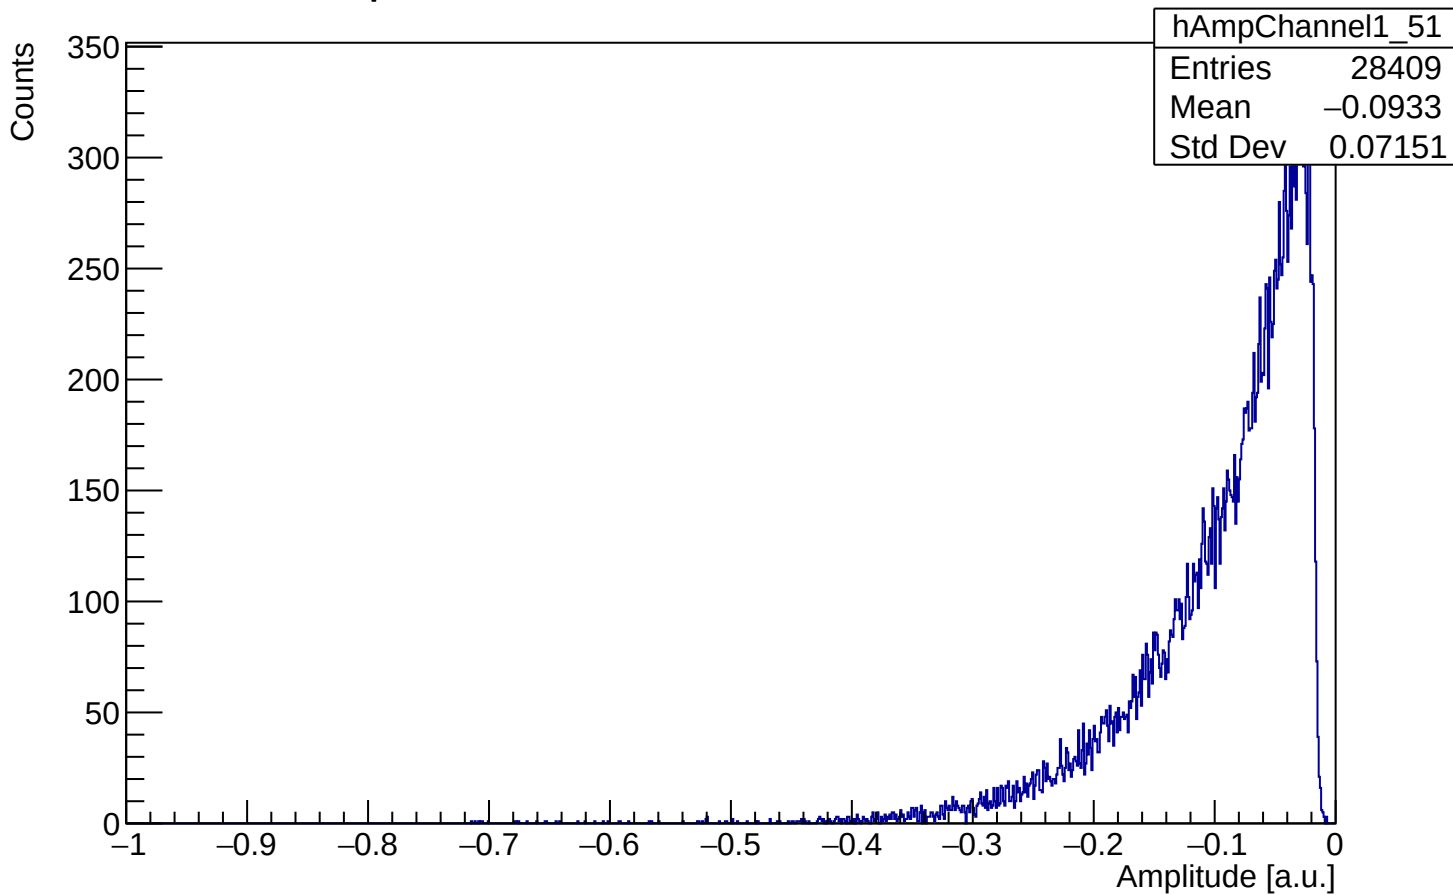

Amplitudes for channel 49 of first detector

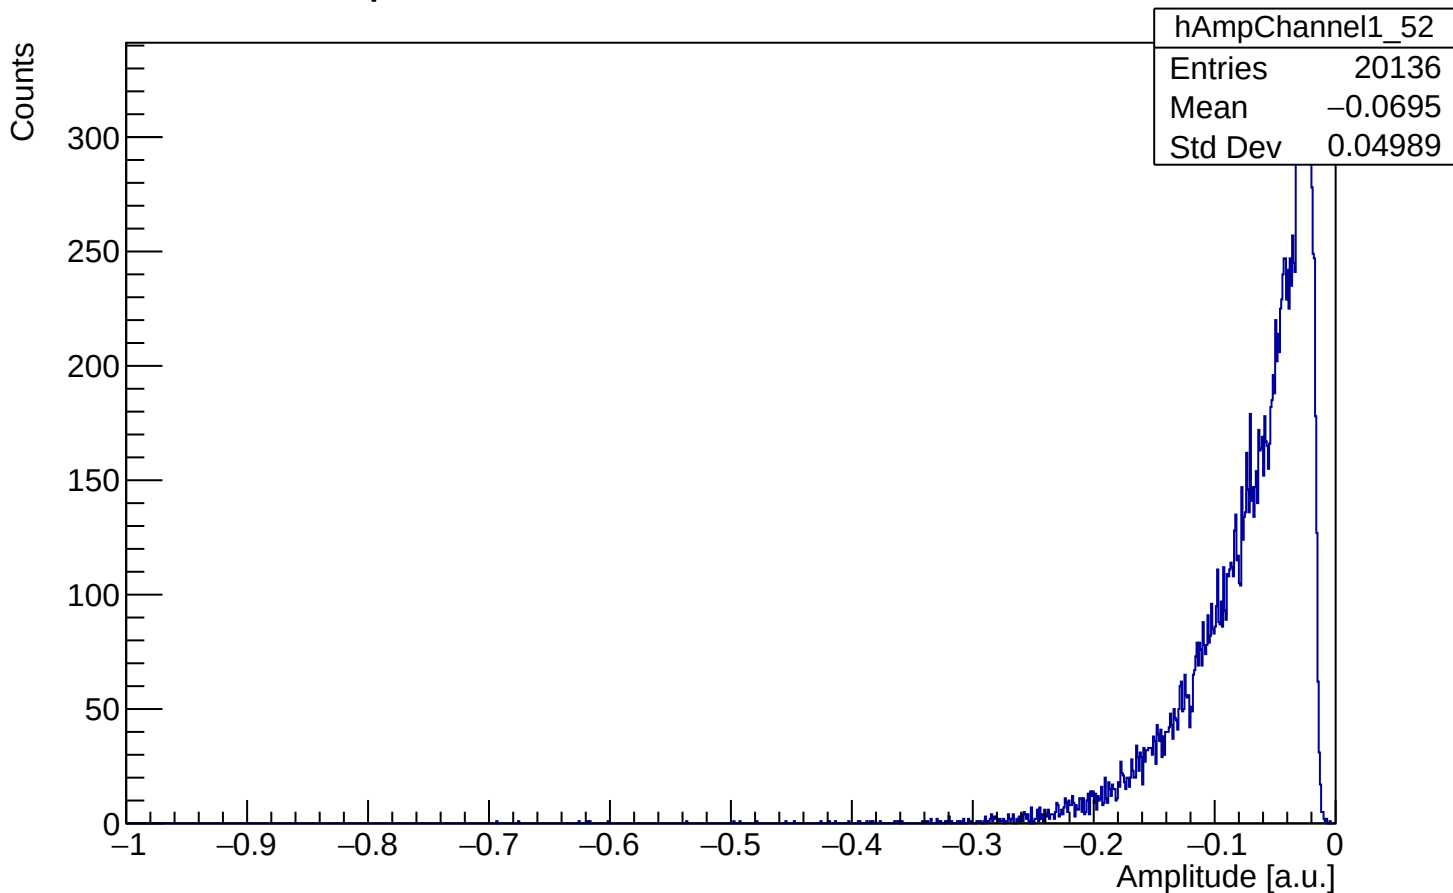

Amplitudes for channel 50 of first detector

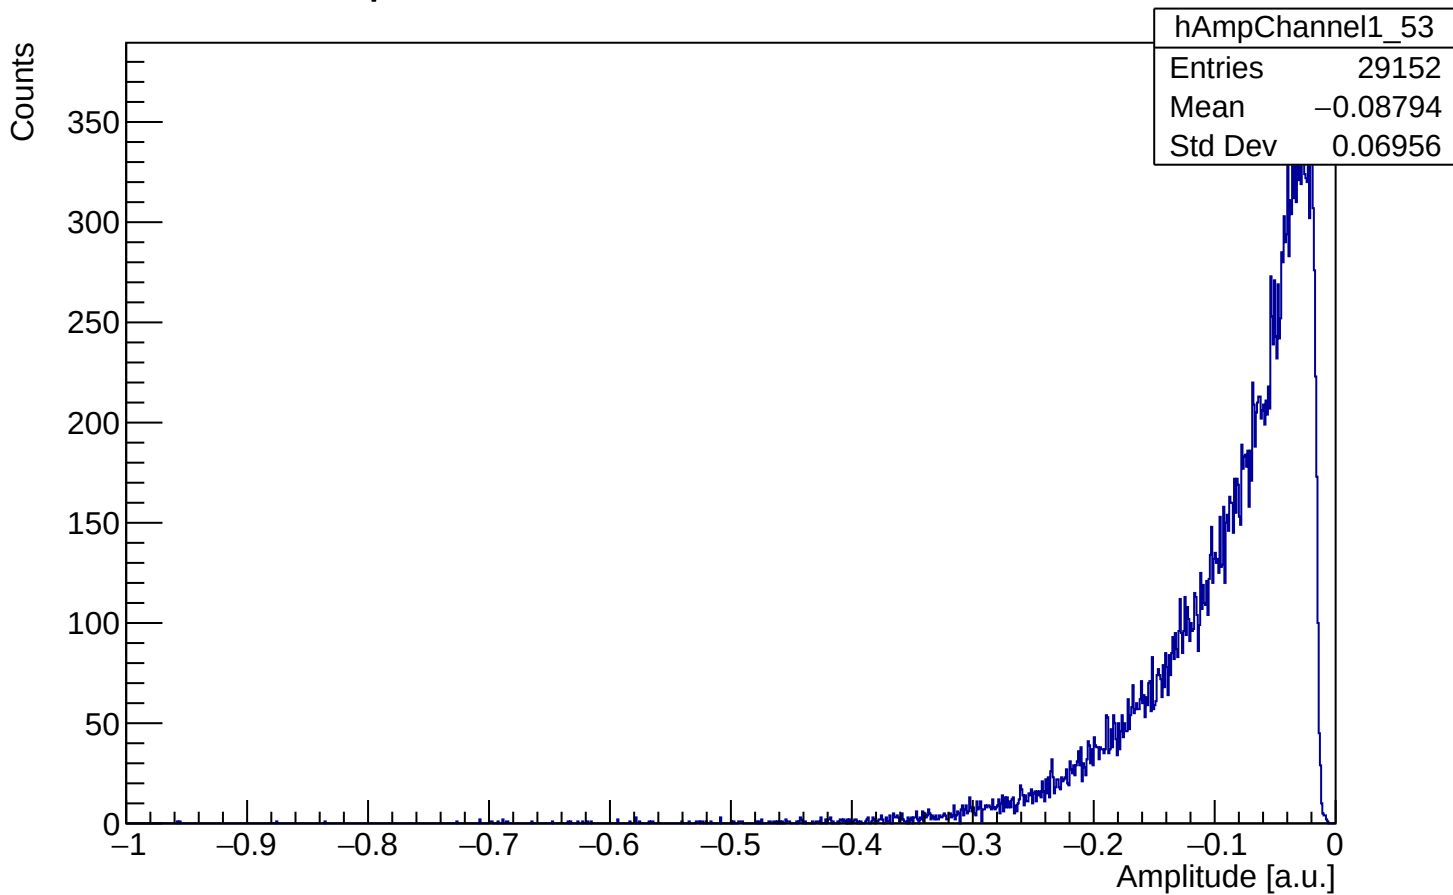

Amplitudes for channel 51 of first detector

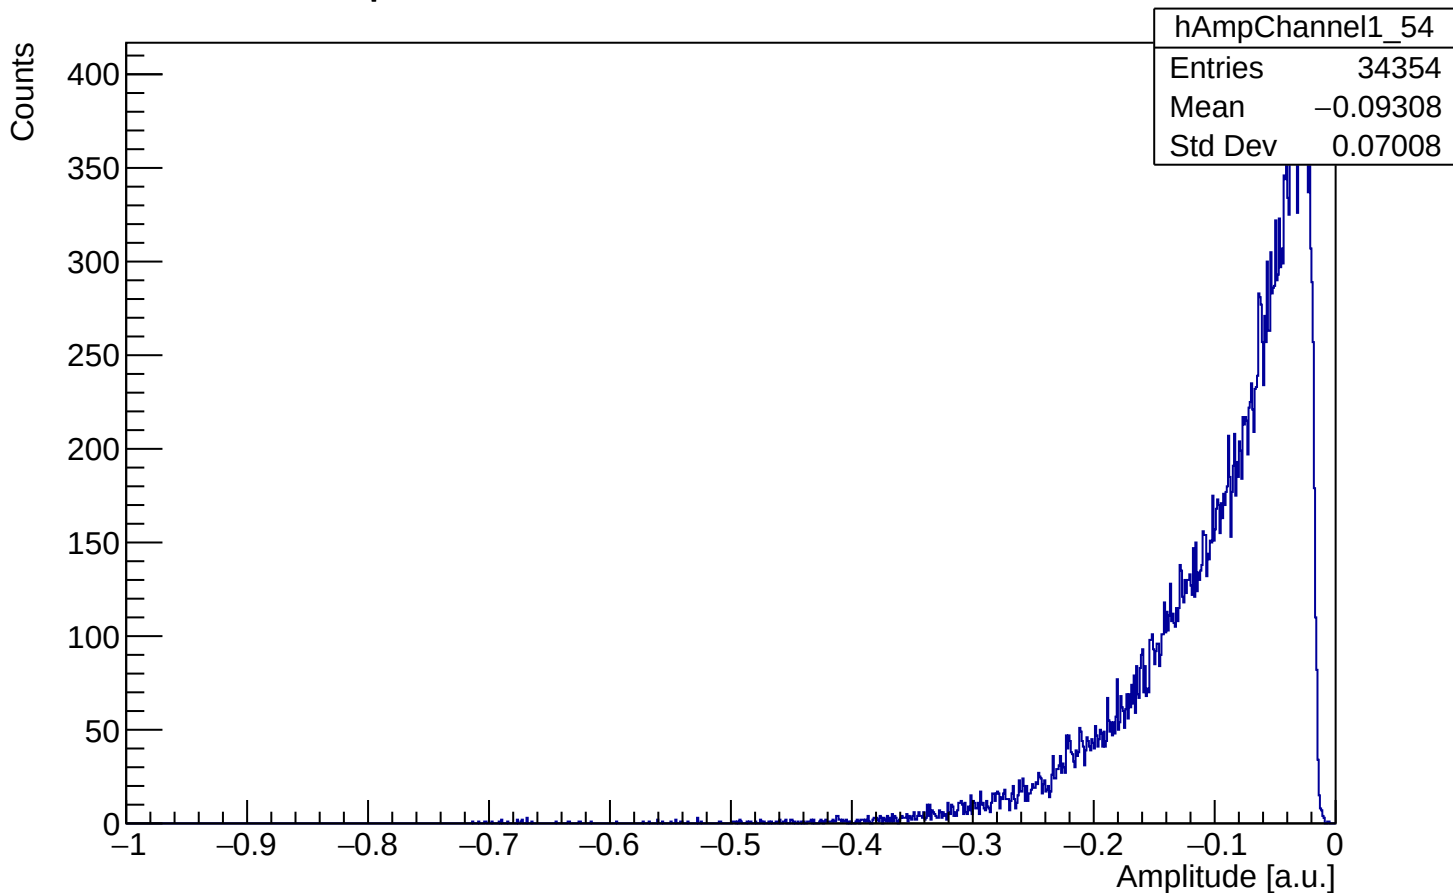

Amplitudes for channel 52 of first detector

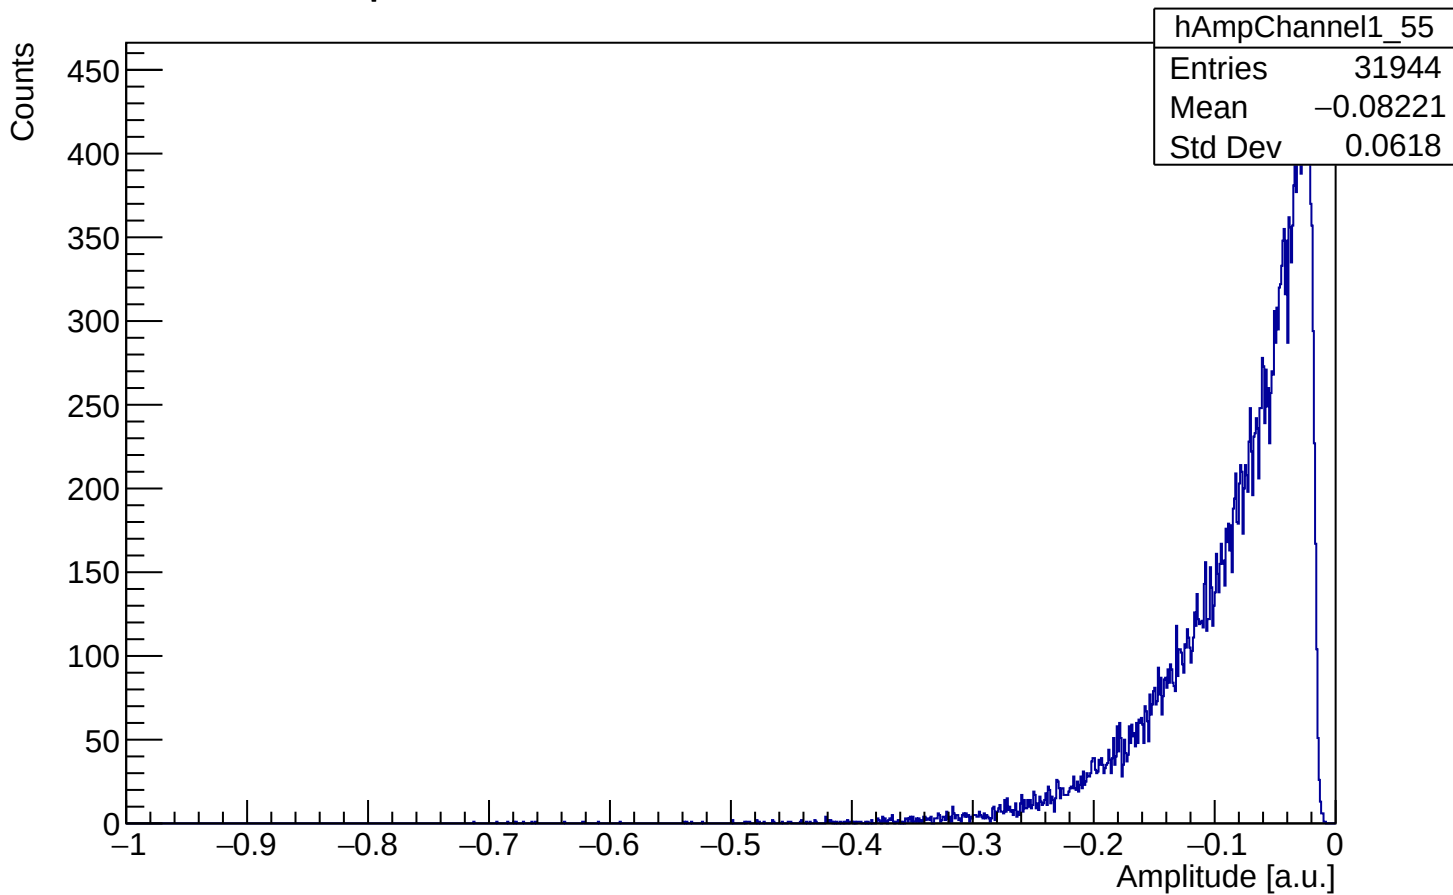

Amplitudes for channel 53 of first detector

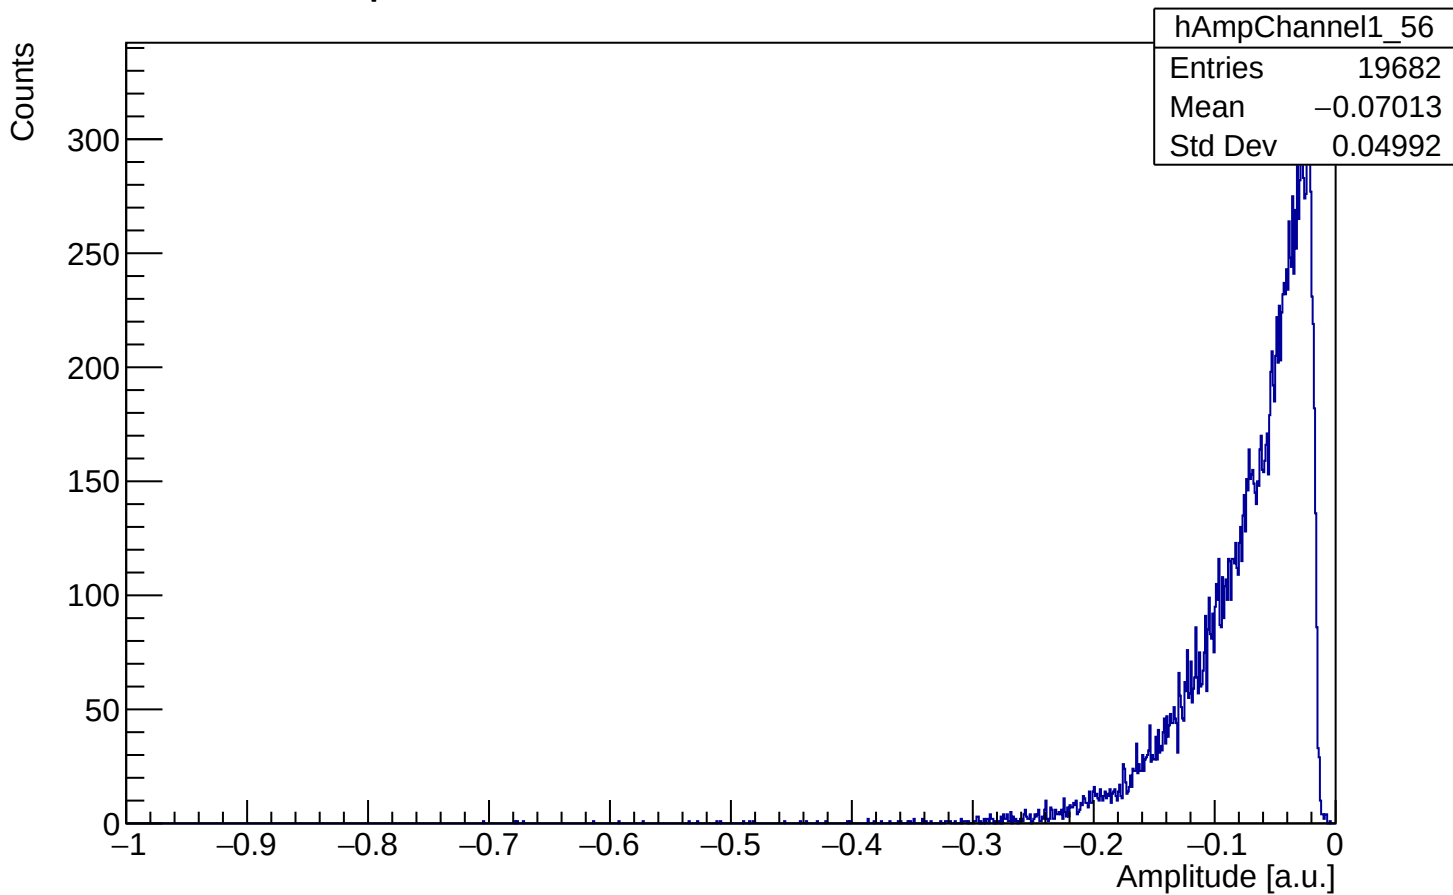

Amplitudes for channel 54 of first detector

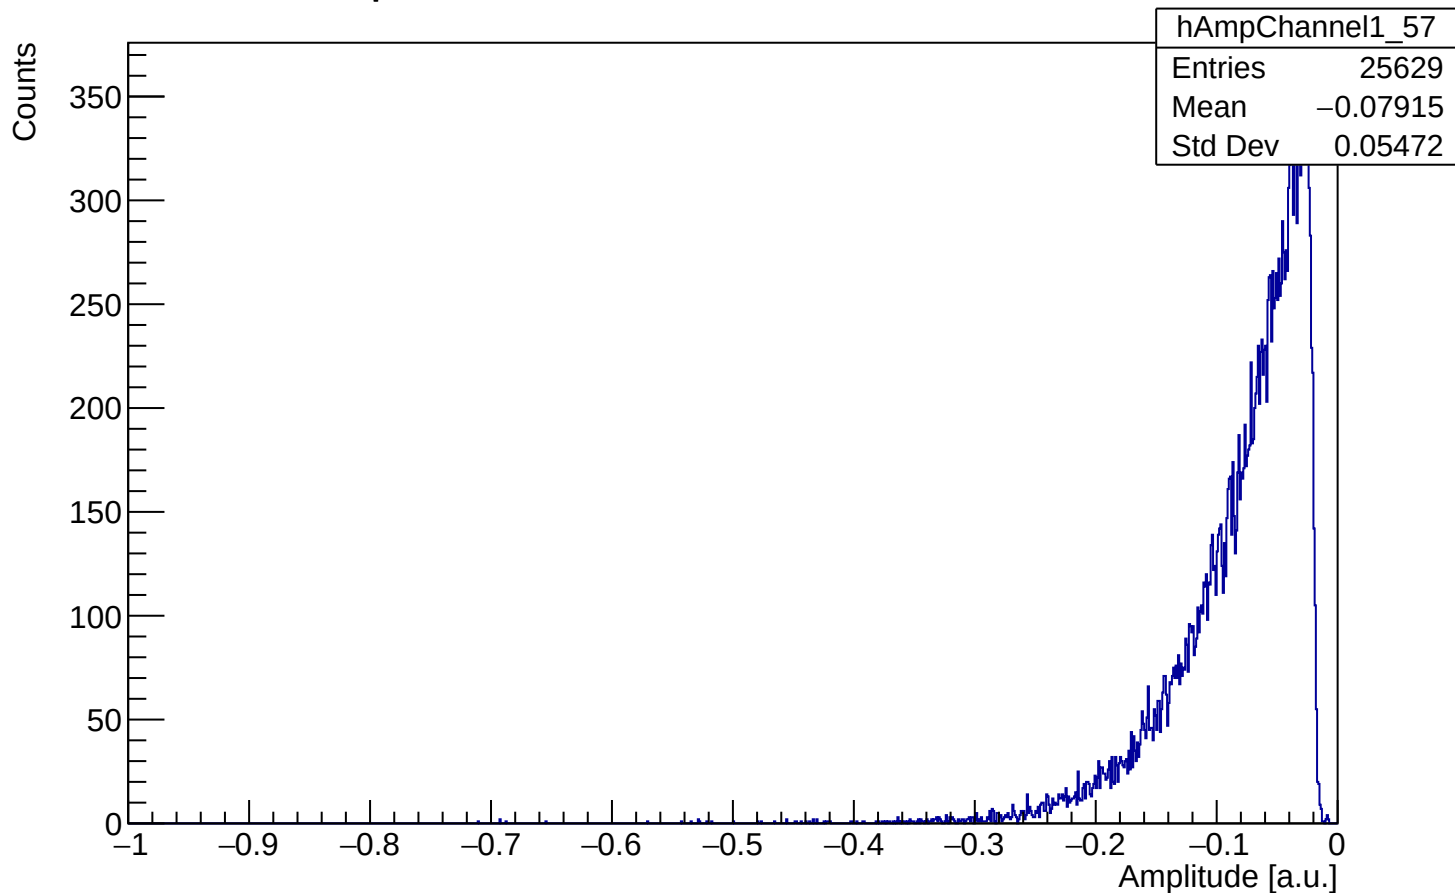

Amplitudes for channel 55 of first detector

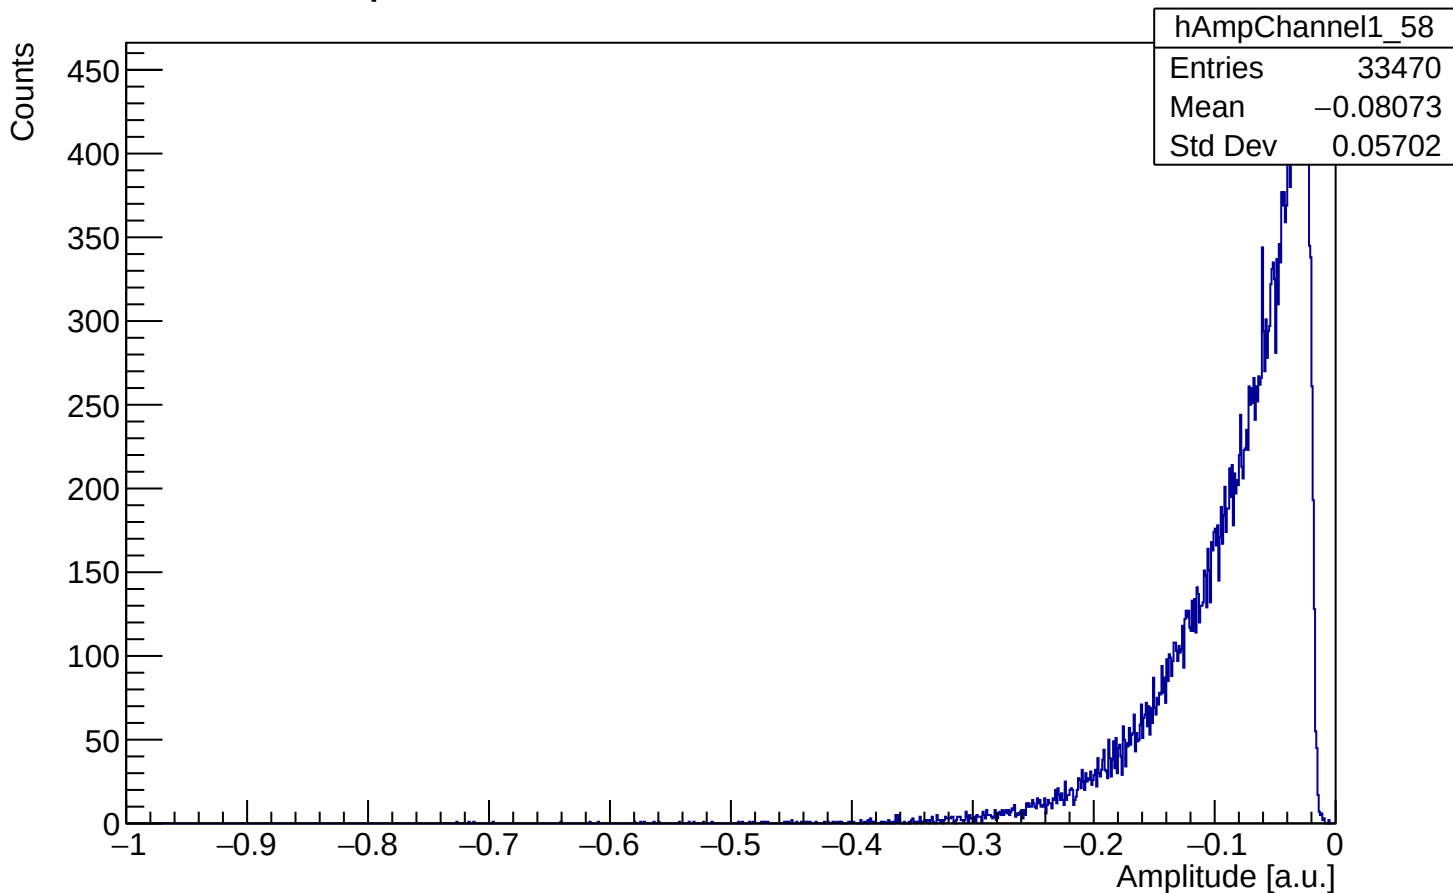

Amplitudes for channel 56 of first detector

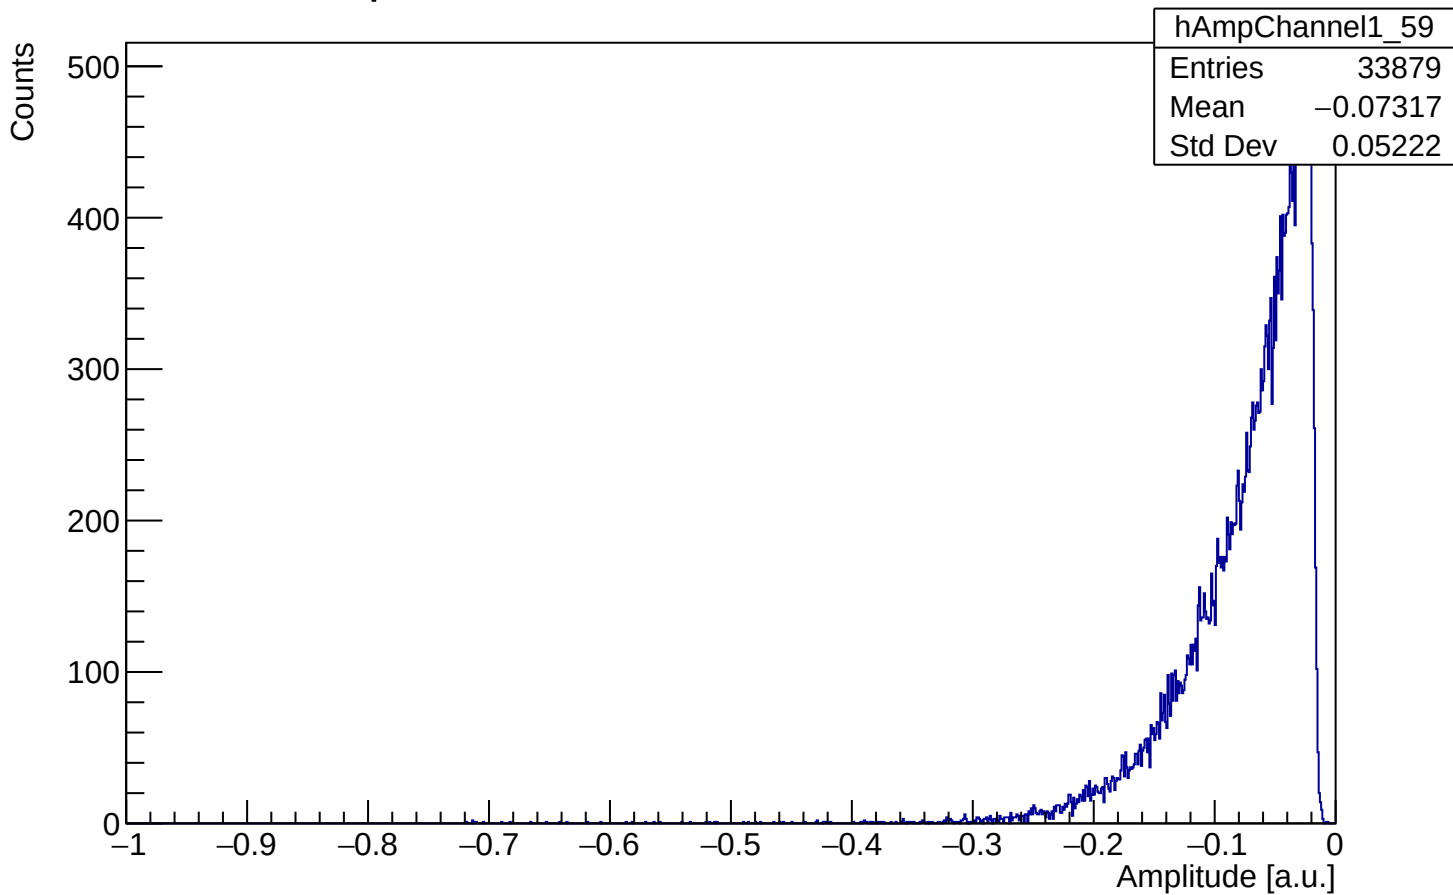

Amplitudes for channel 57 of first detector

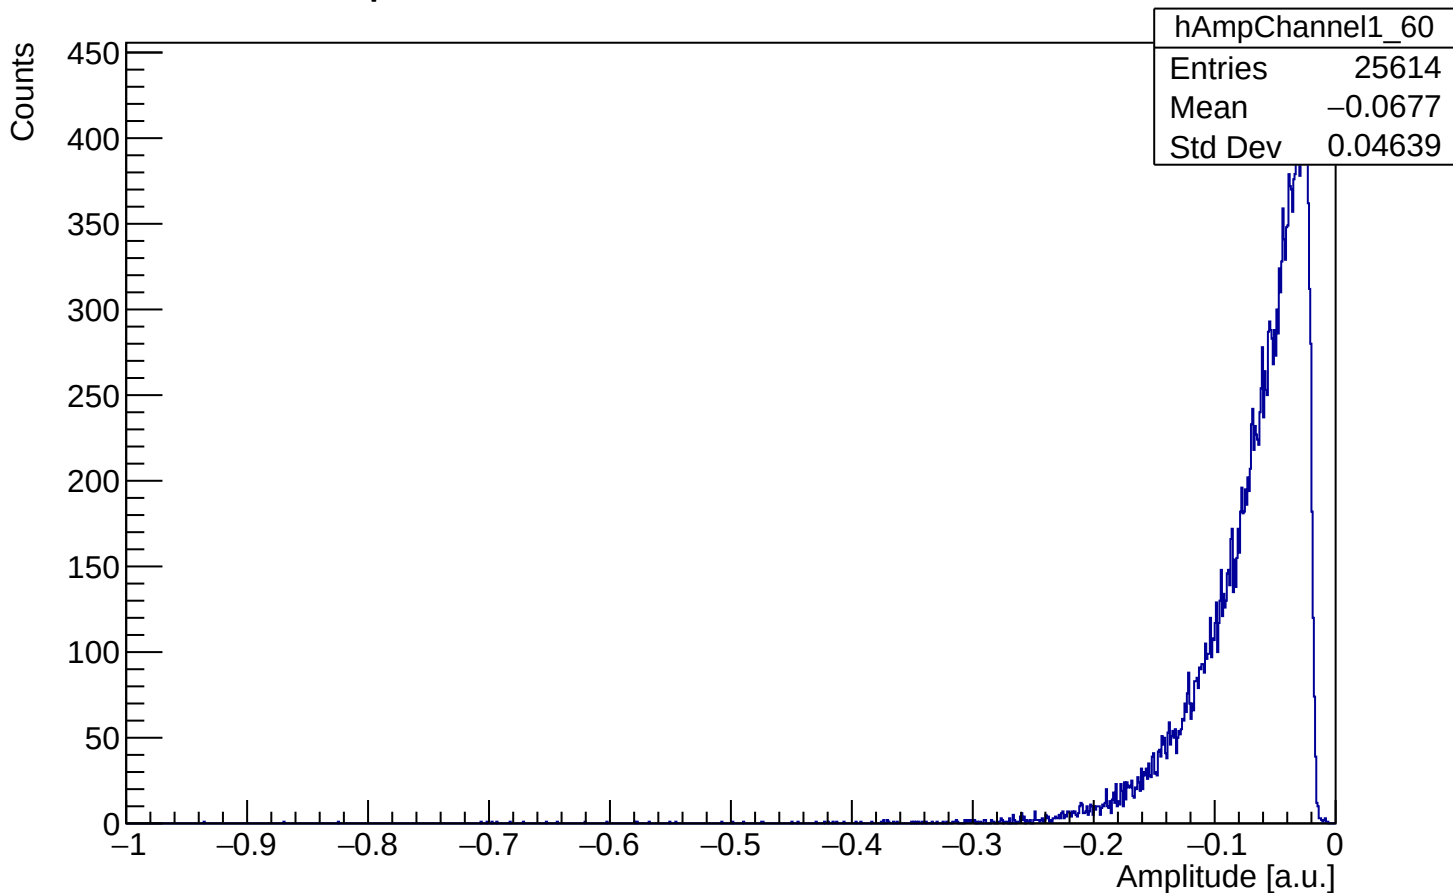

Amplitudes for channel 58 of first detector

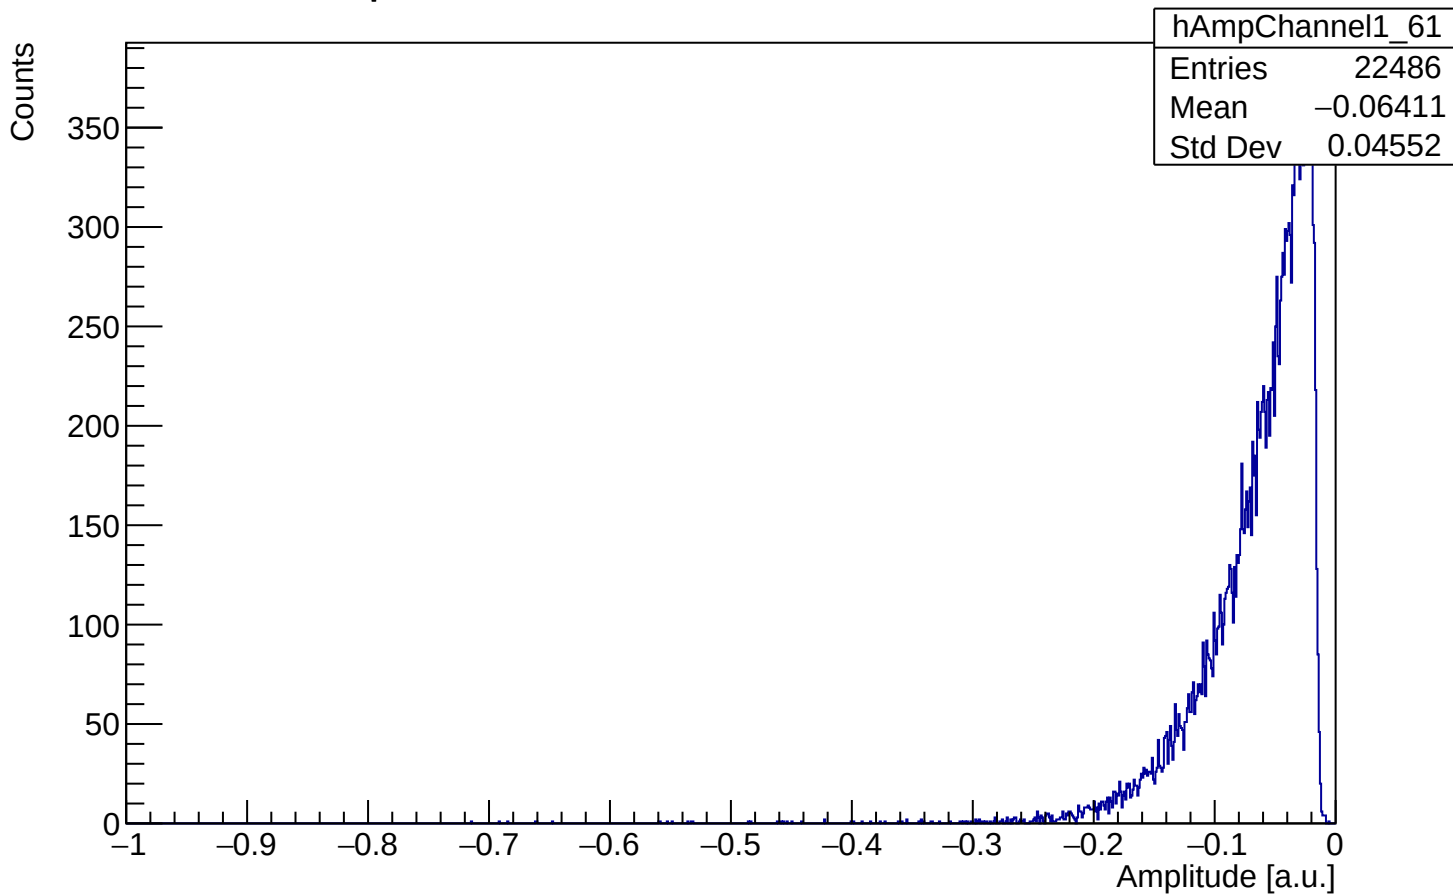

Amplitudes for channel 59 of first detector

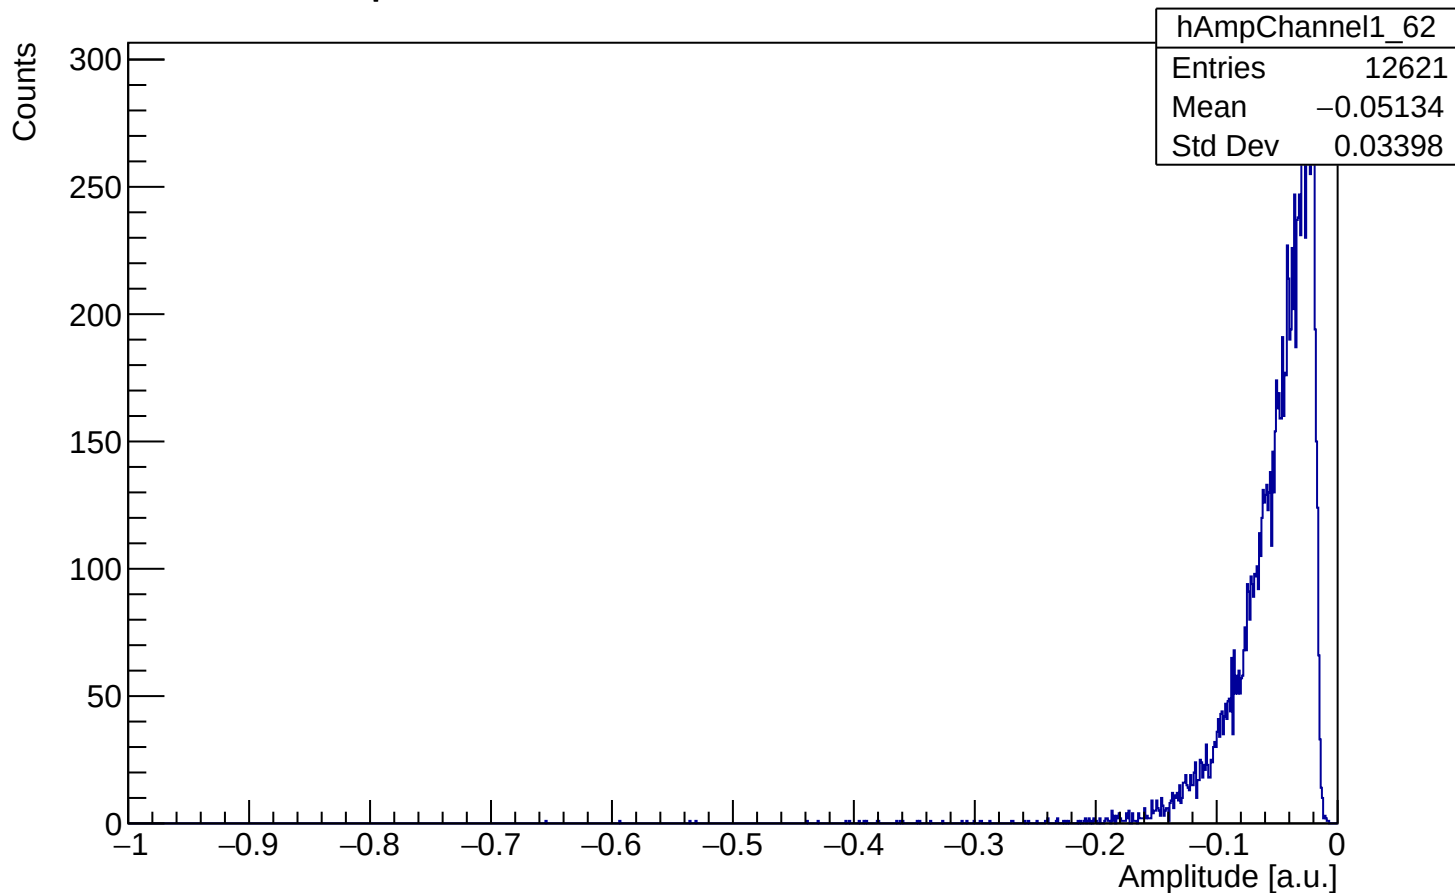

Amplitudes for channel 60 of first detector

Amplitudes for channel 61 of first detector

Amplitudes for channel 62 of first detector

Amplitudes for channel 63 of first detector
