

Amplitudes for channel 0 of third detector

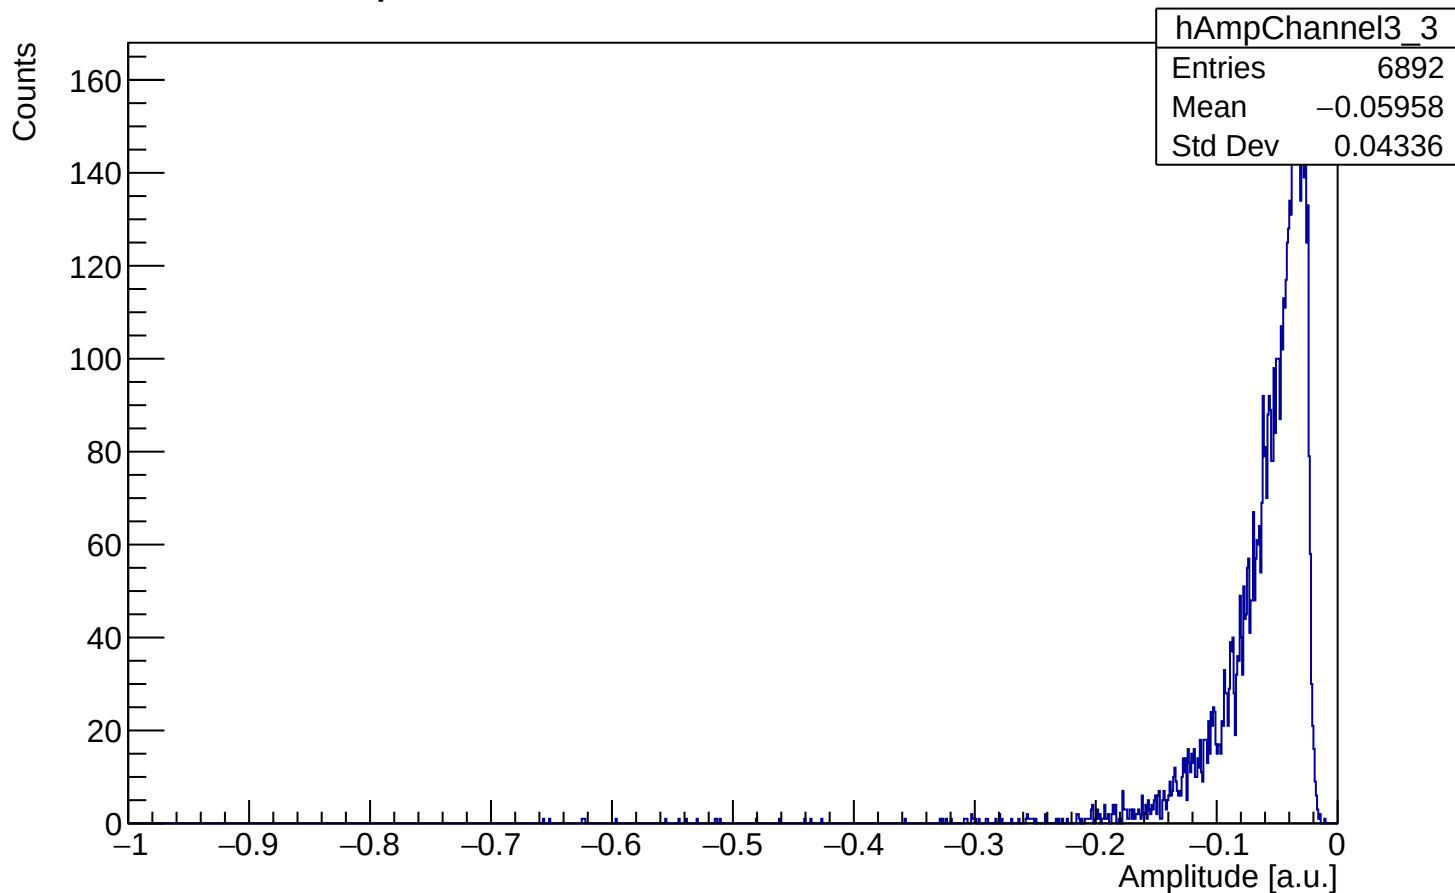

Amplitudes for channel 1 of third detector

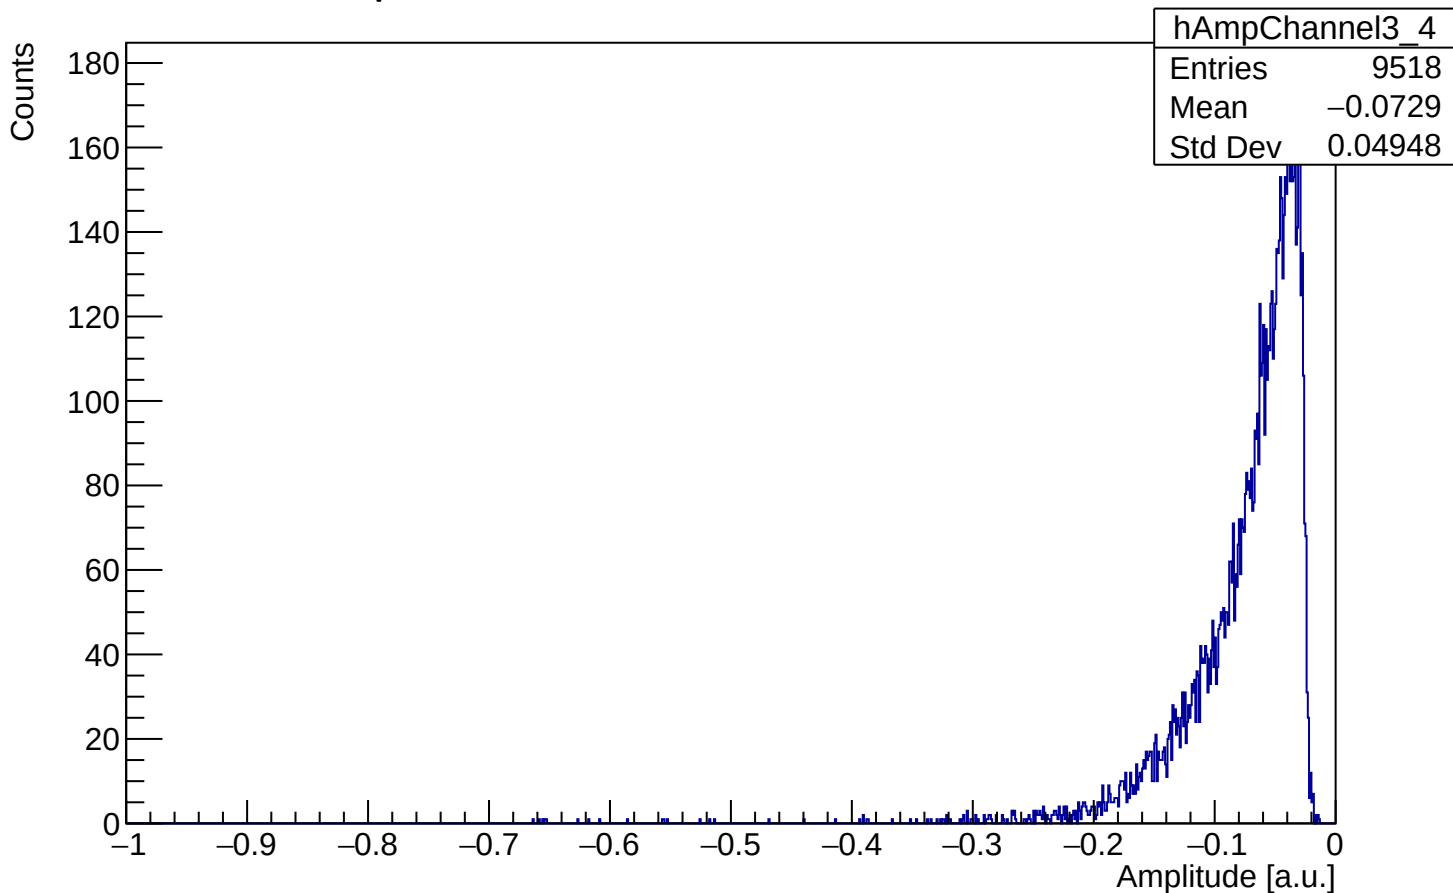

Amplitudes for channel 2 of third detector

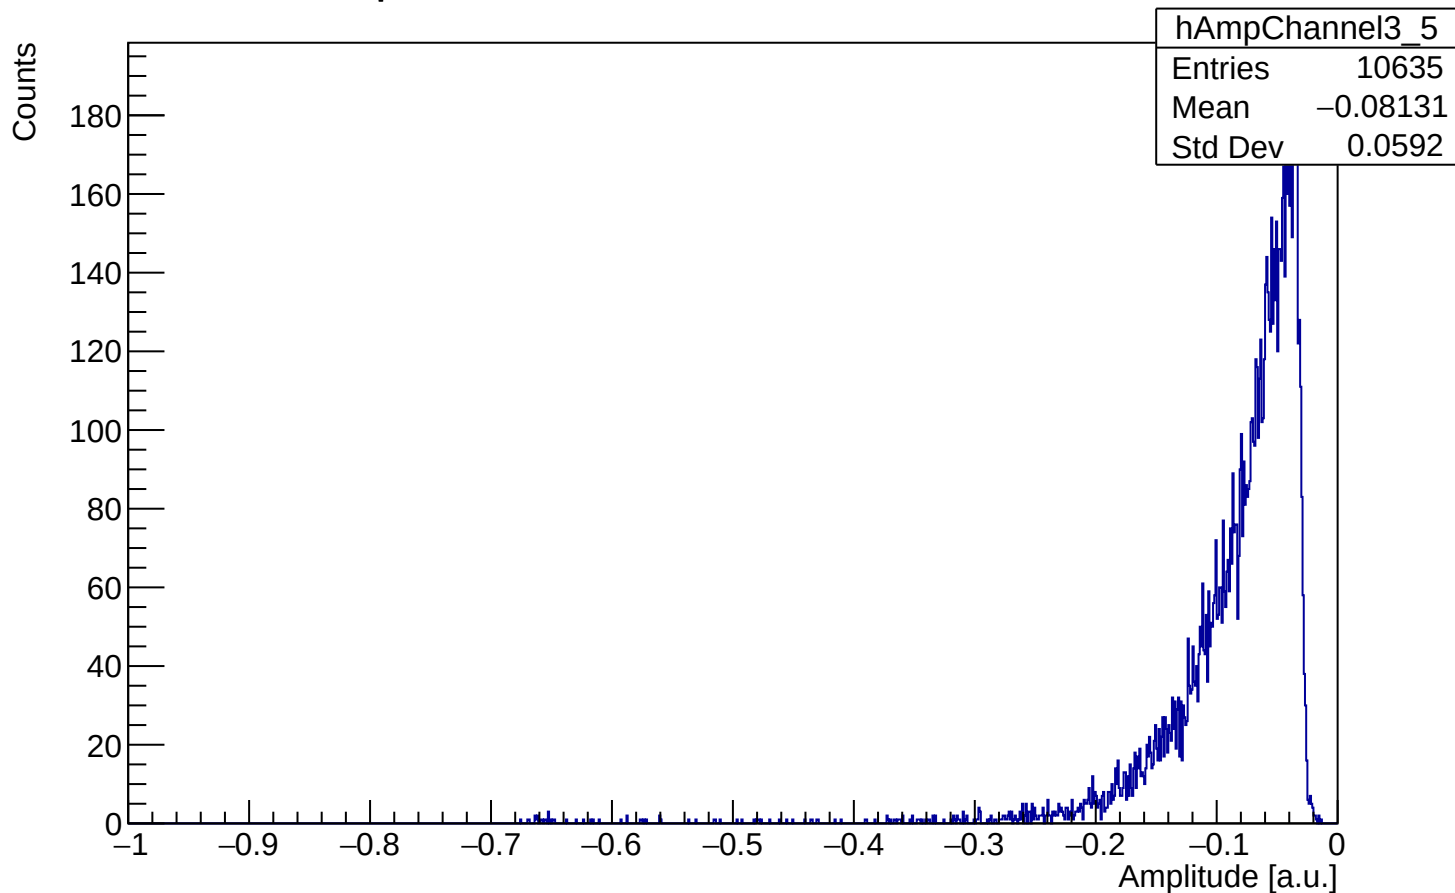

Amplitudes for channel 3 of third detector

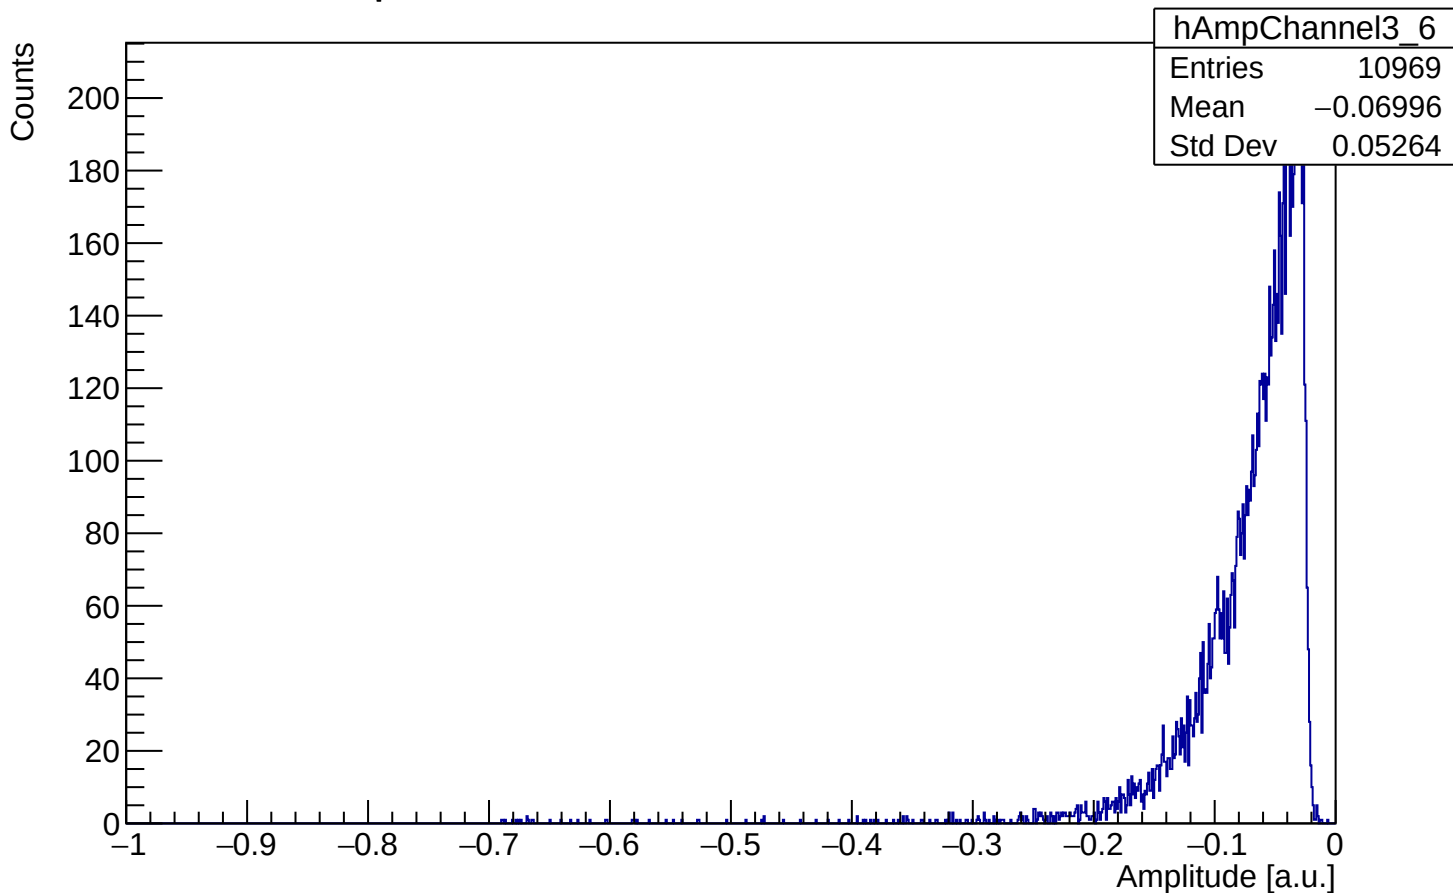

Amplitudes for channel 4 of third detector

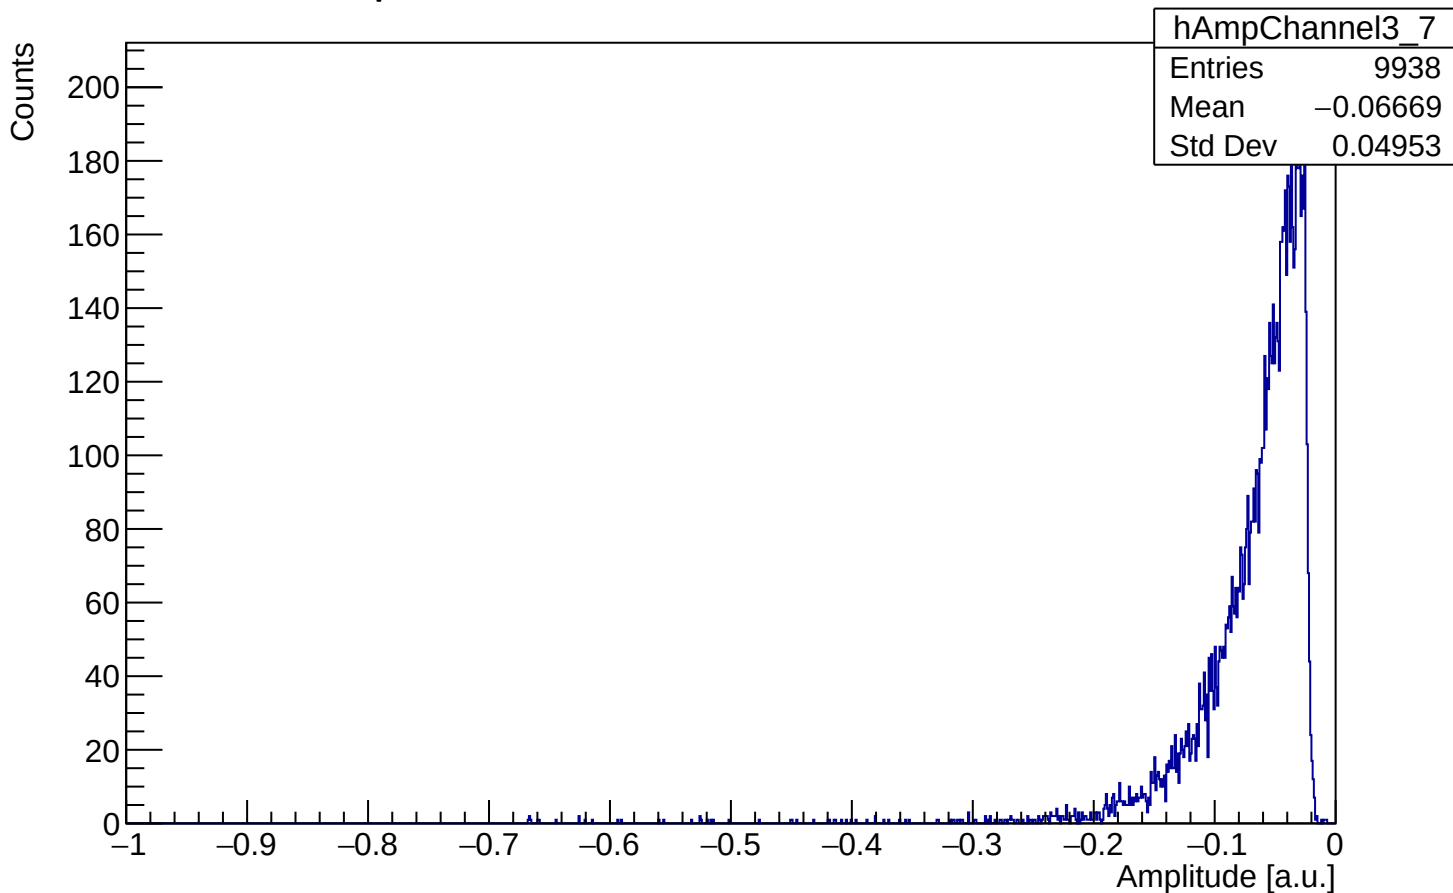

Amplitudes for channel 5 of third detector

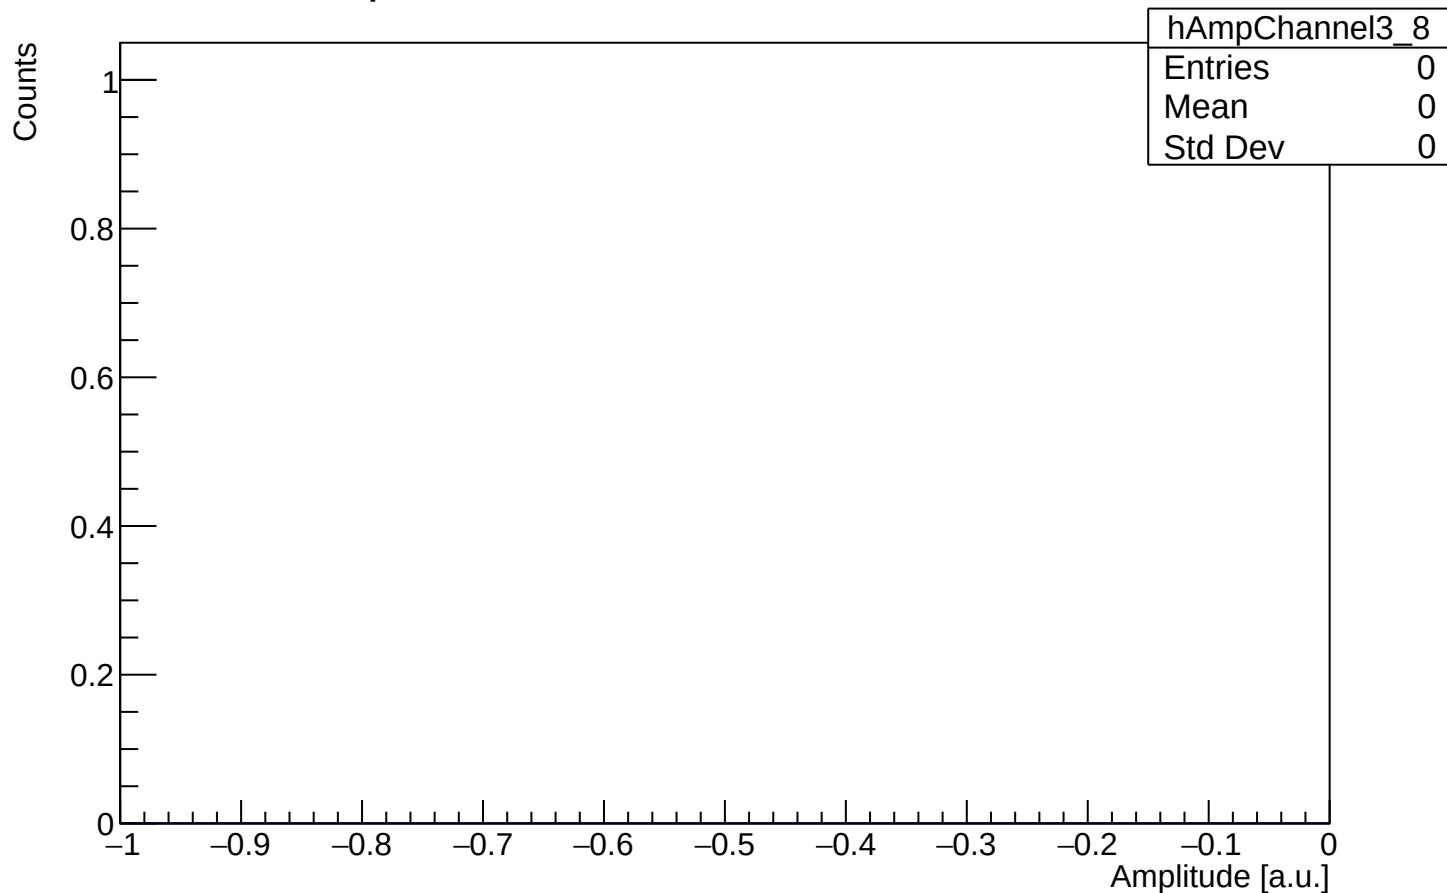

Amplitudes for channel 6 of third detector

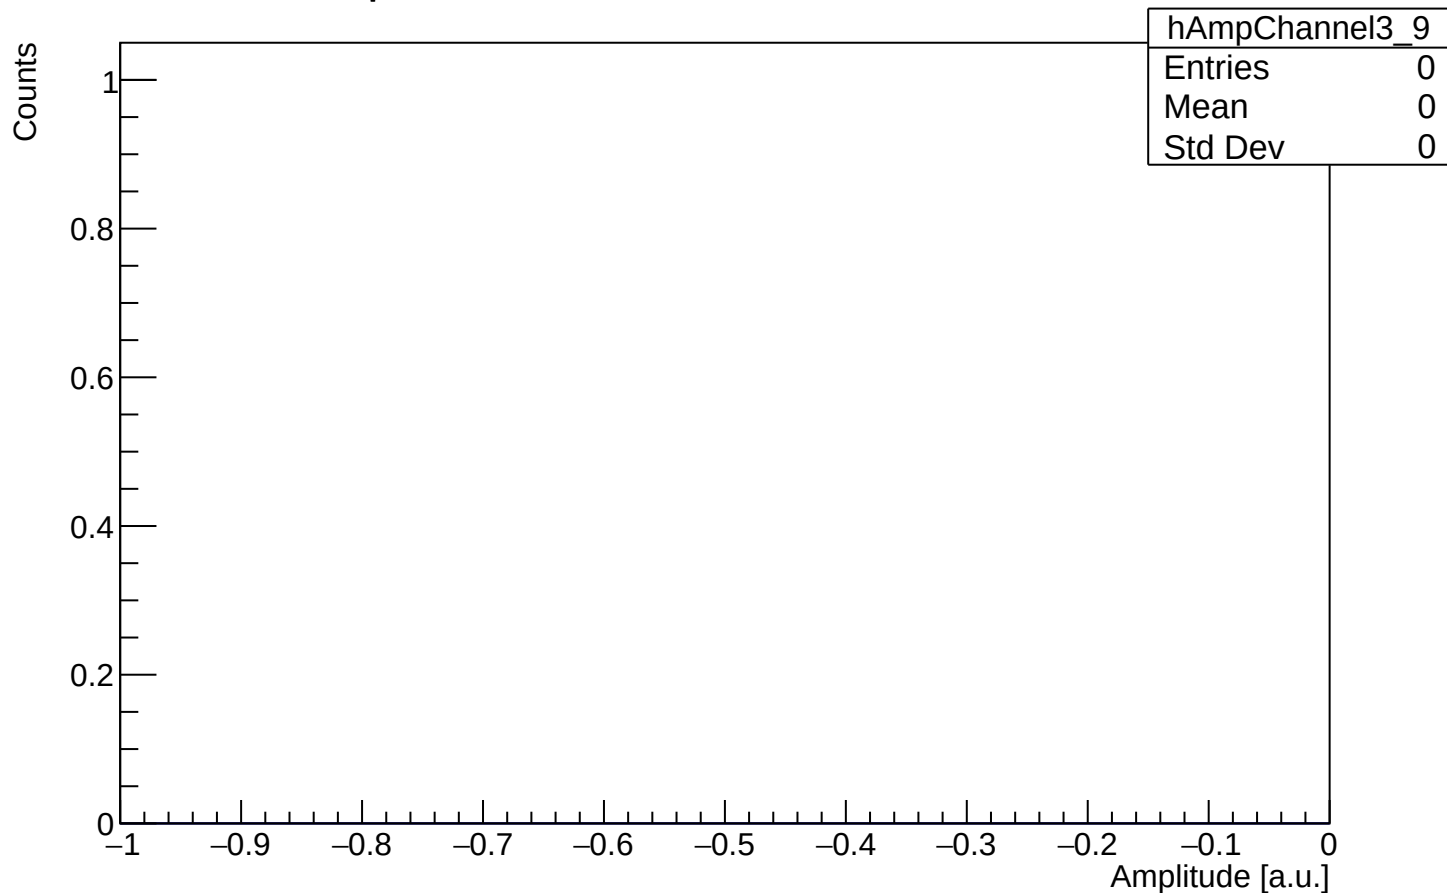

Amplitudes for channel 7 of third detector

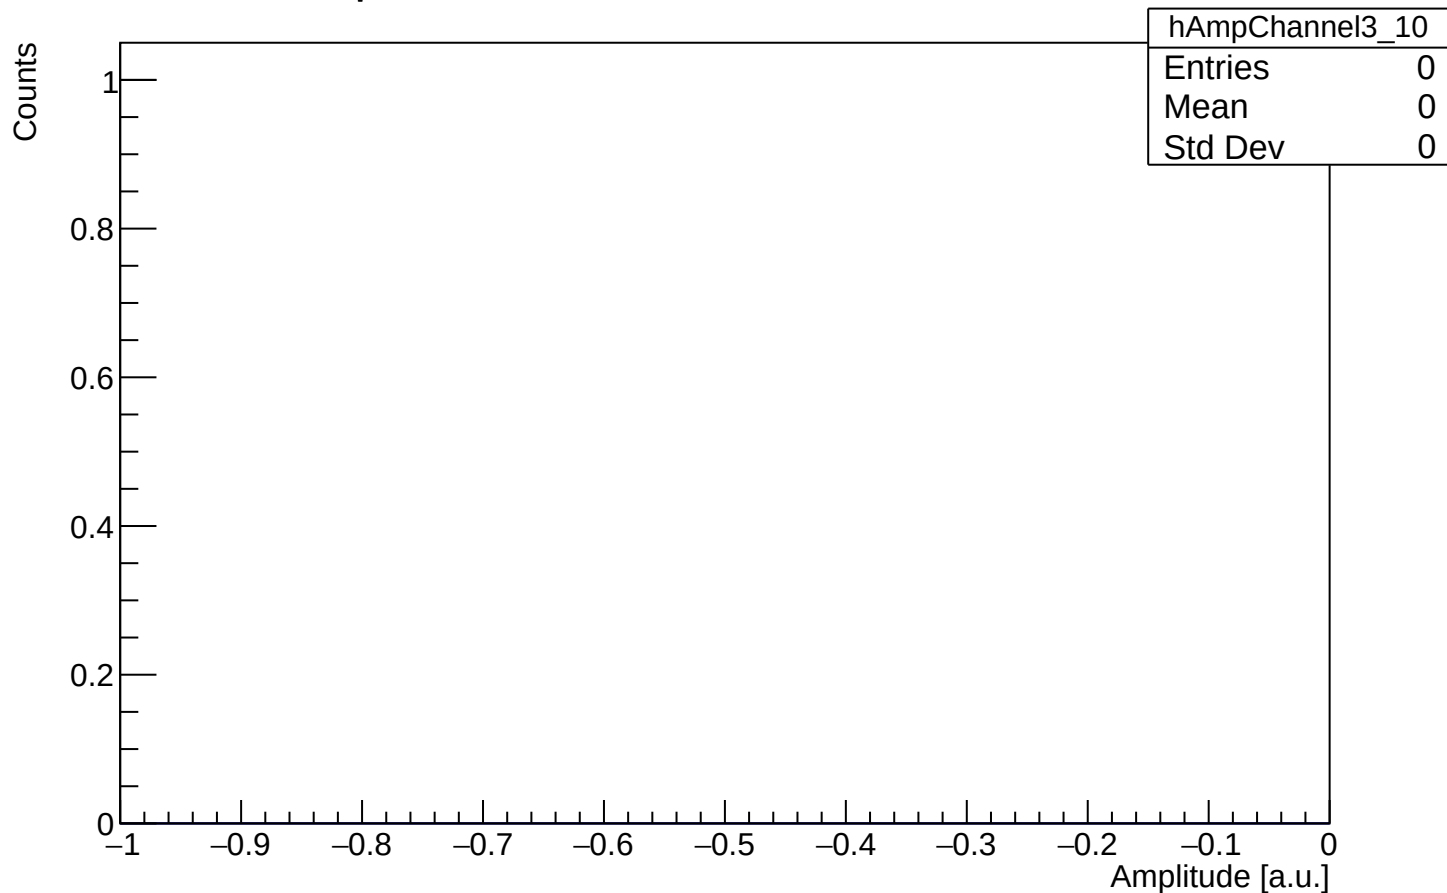

Amplitudes for channel 8 of third detector

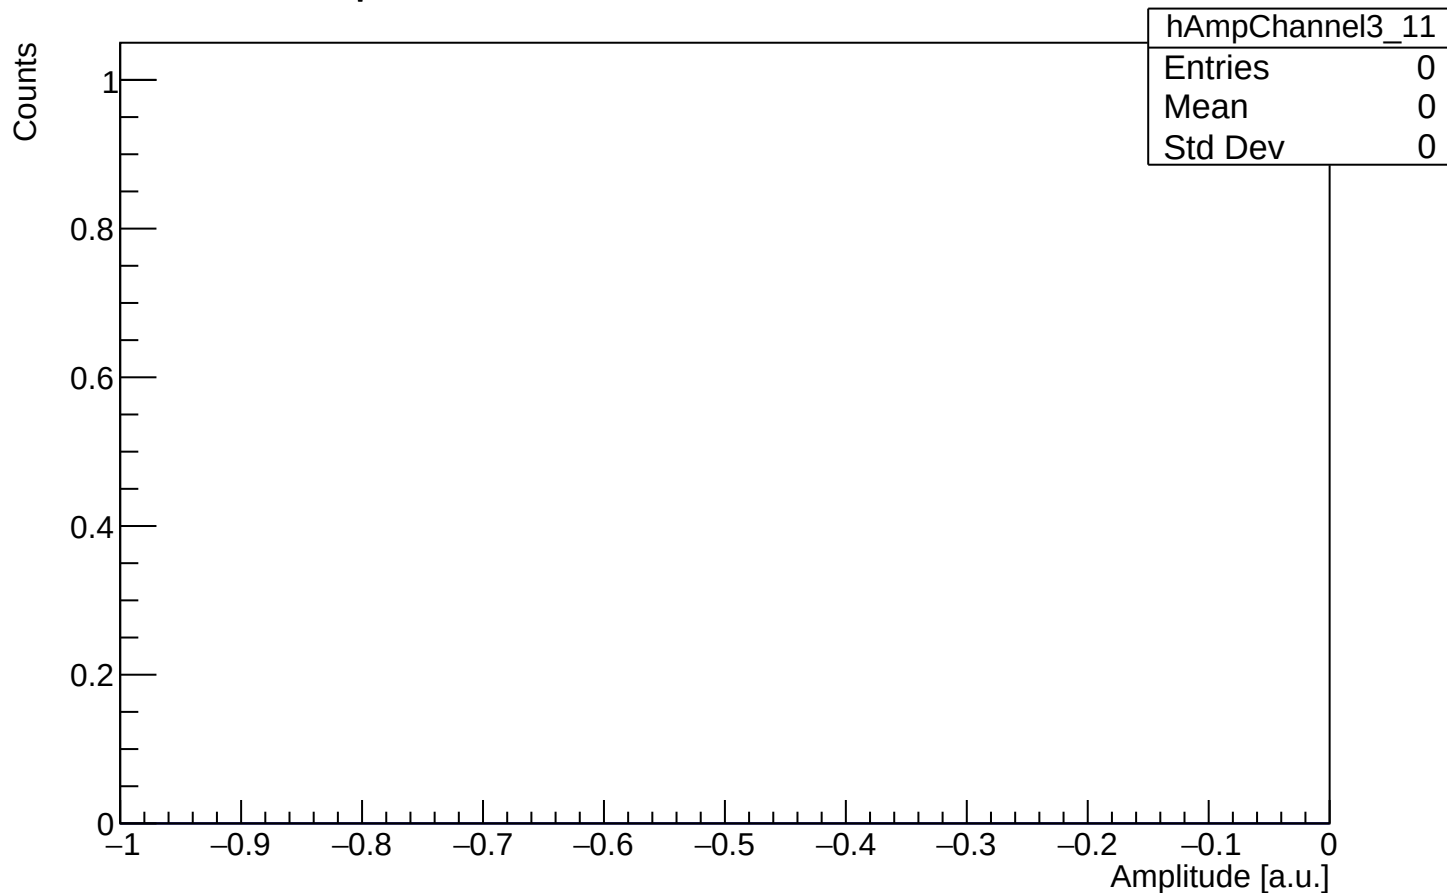

Amplitudes for channel 9 of third detector

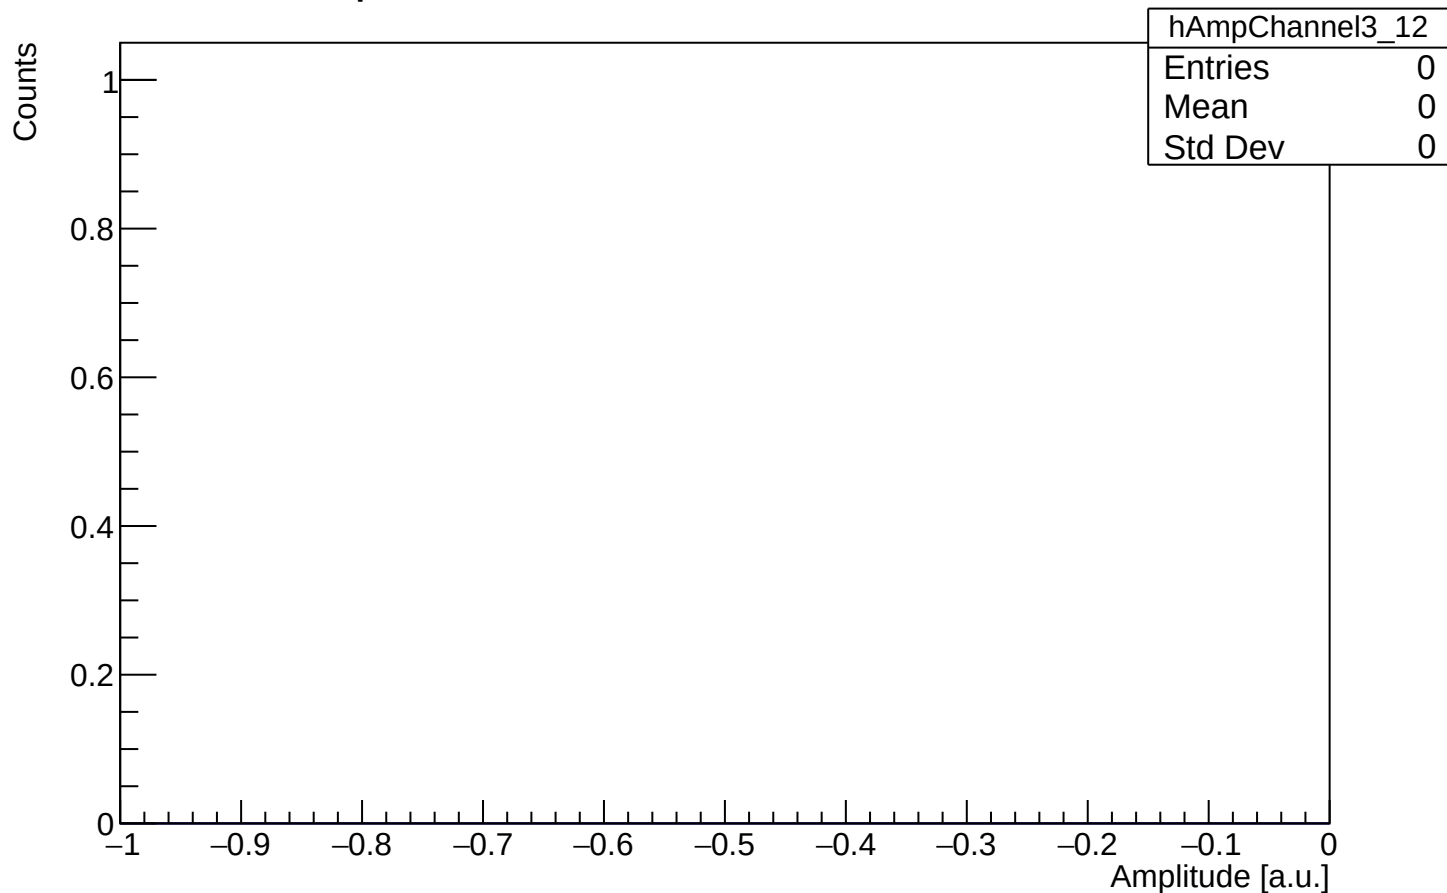

Amplitudes for channel 10 of third detector

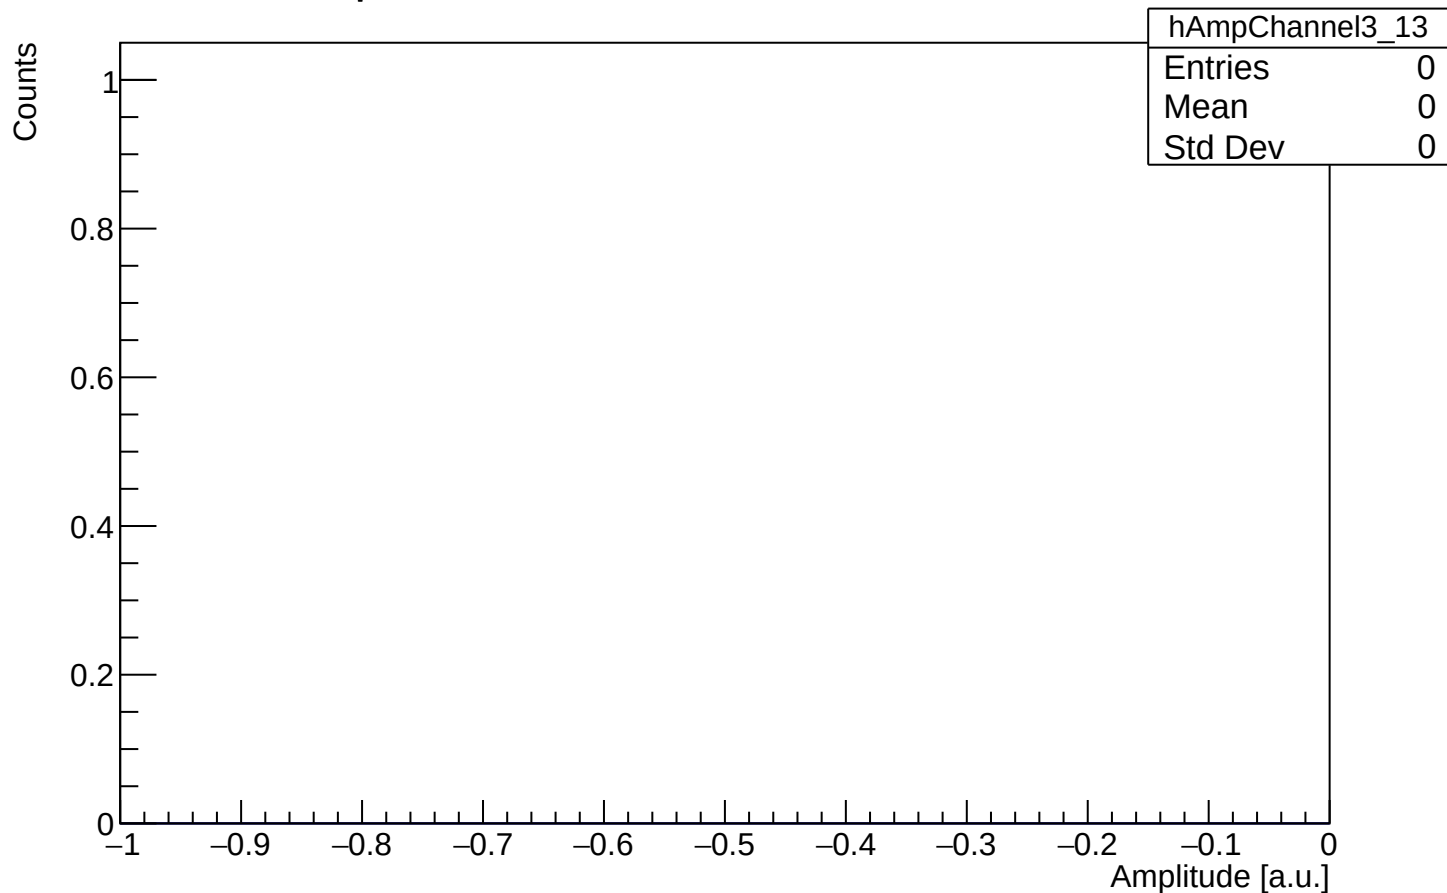

Amplitudes for channel 11 of third detector

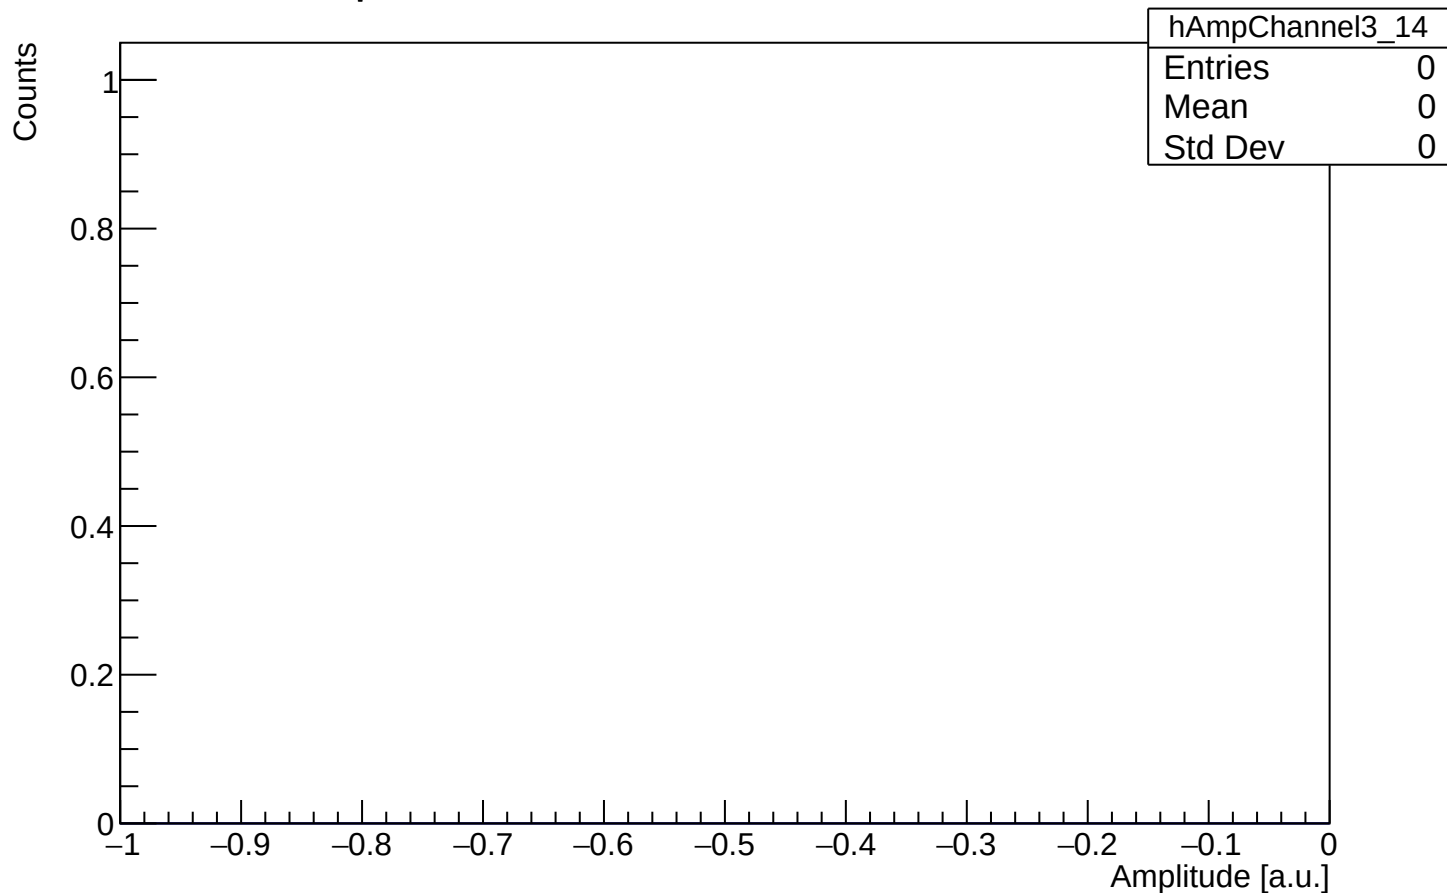

Amplitudes for channel 12 of third detector

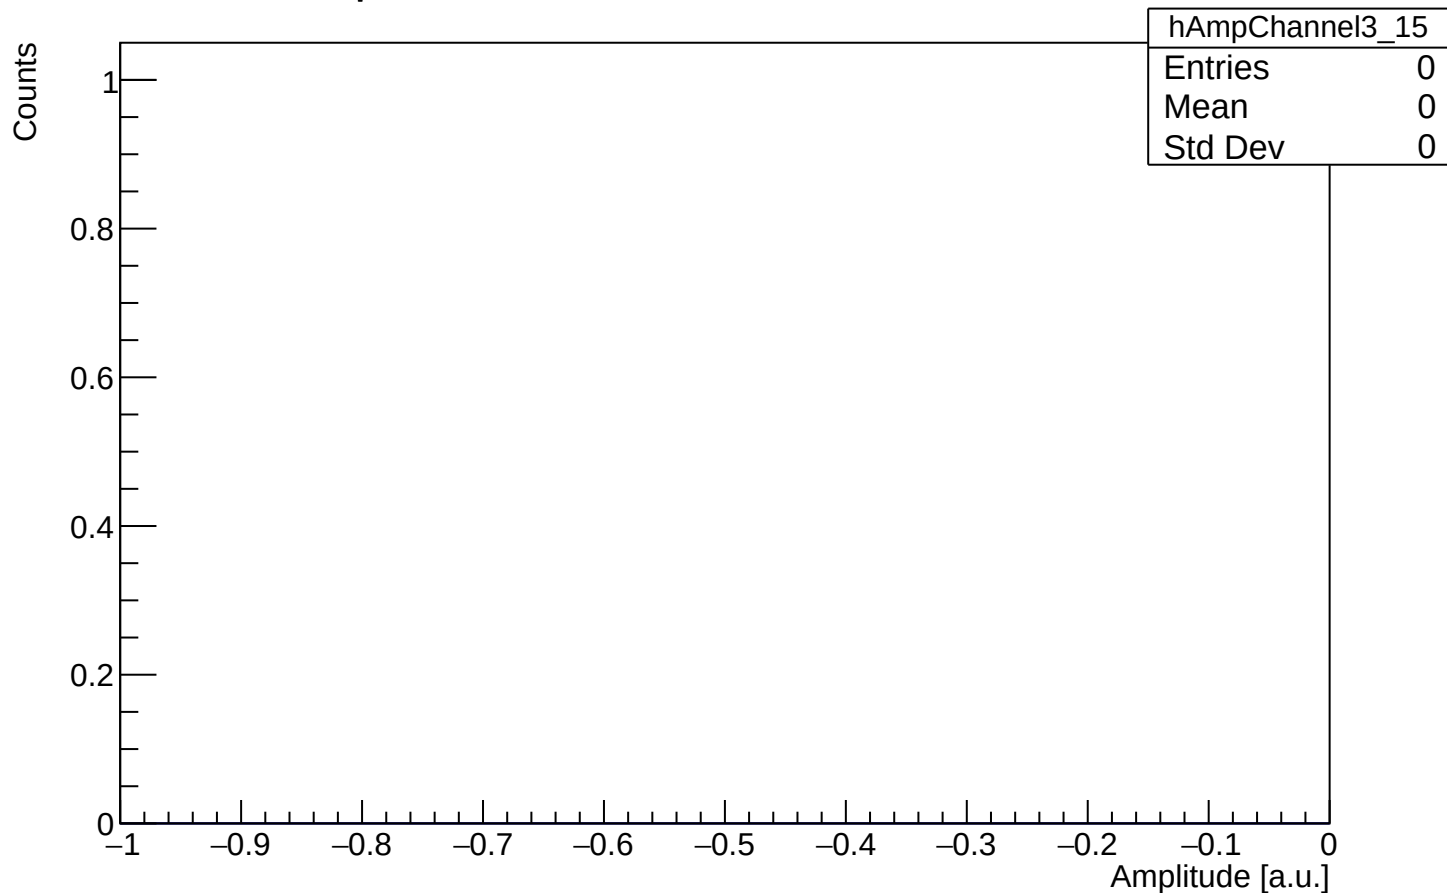

Amplitudes for channel 13 of third detector

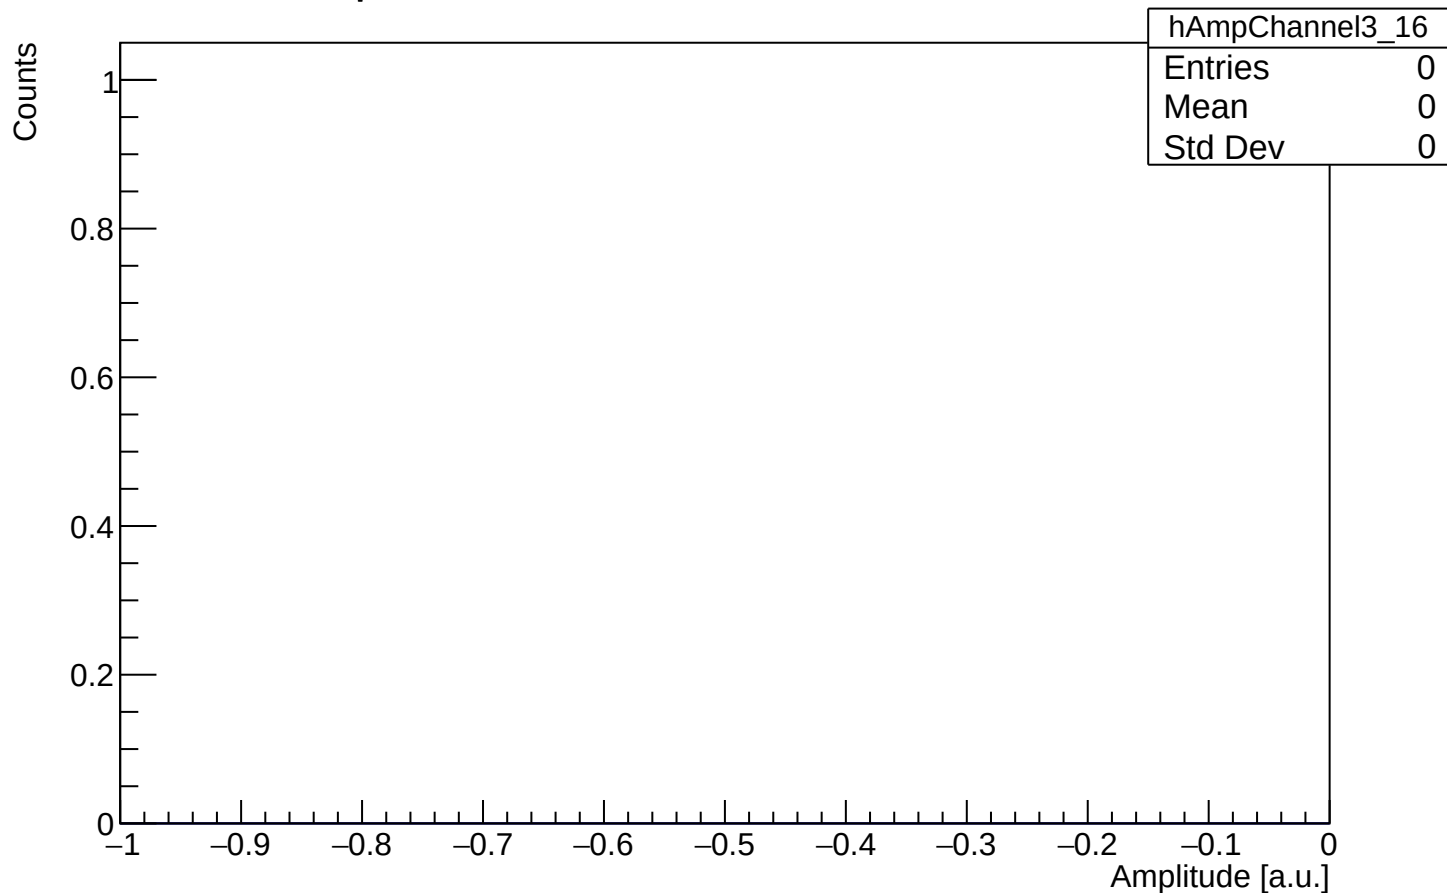

Amplitudes for channel 14 of third detector

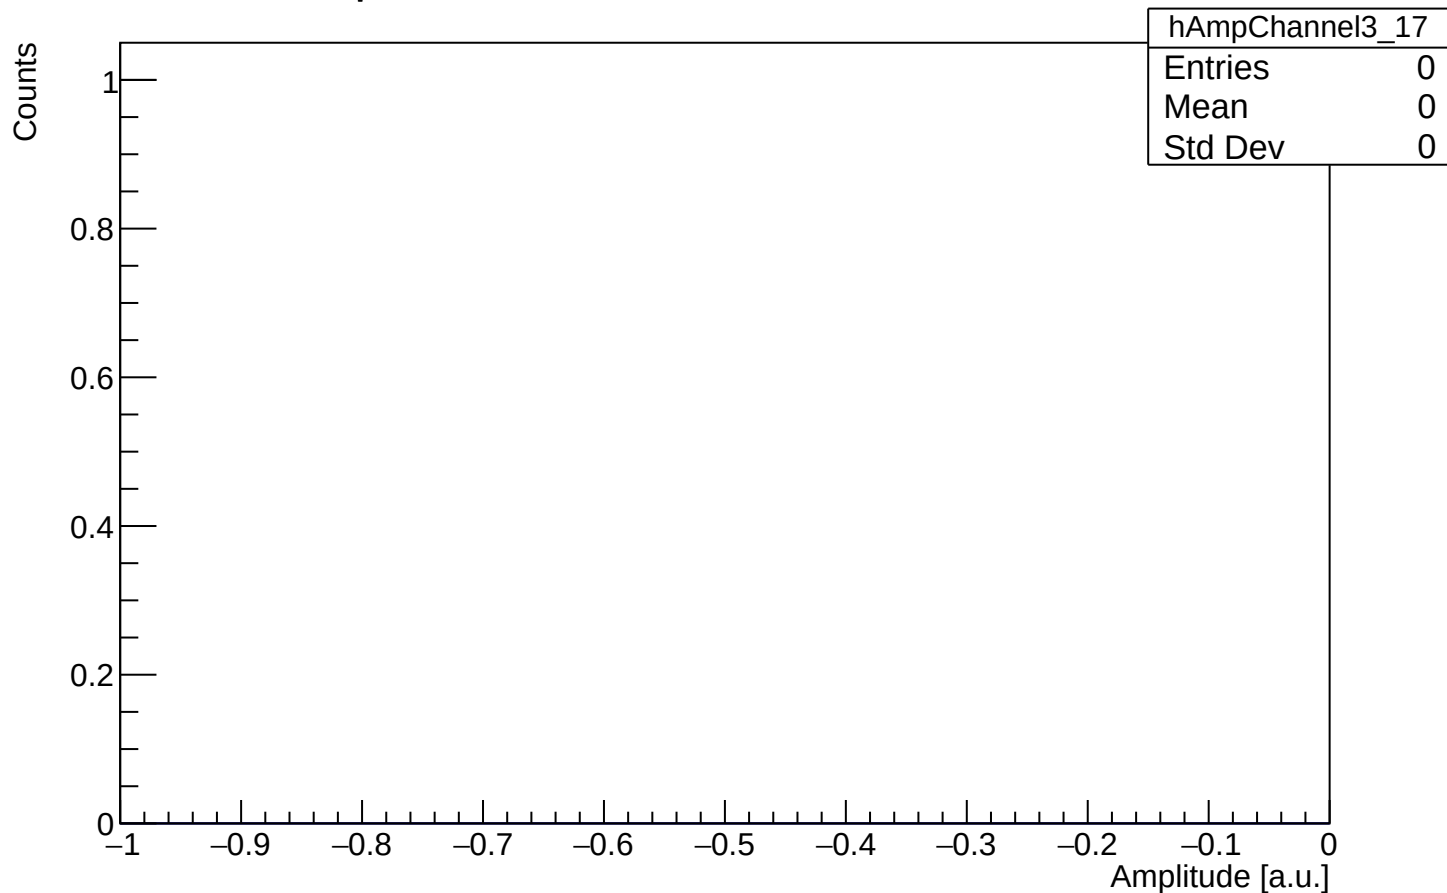

Amplitudes for channel 15 of third detector

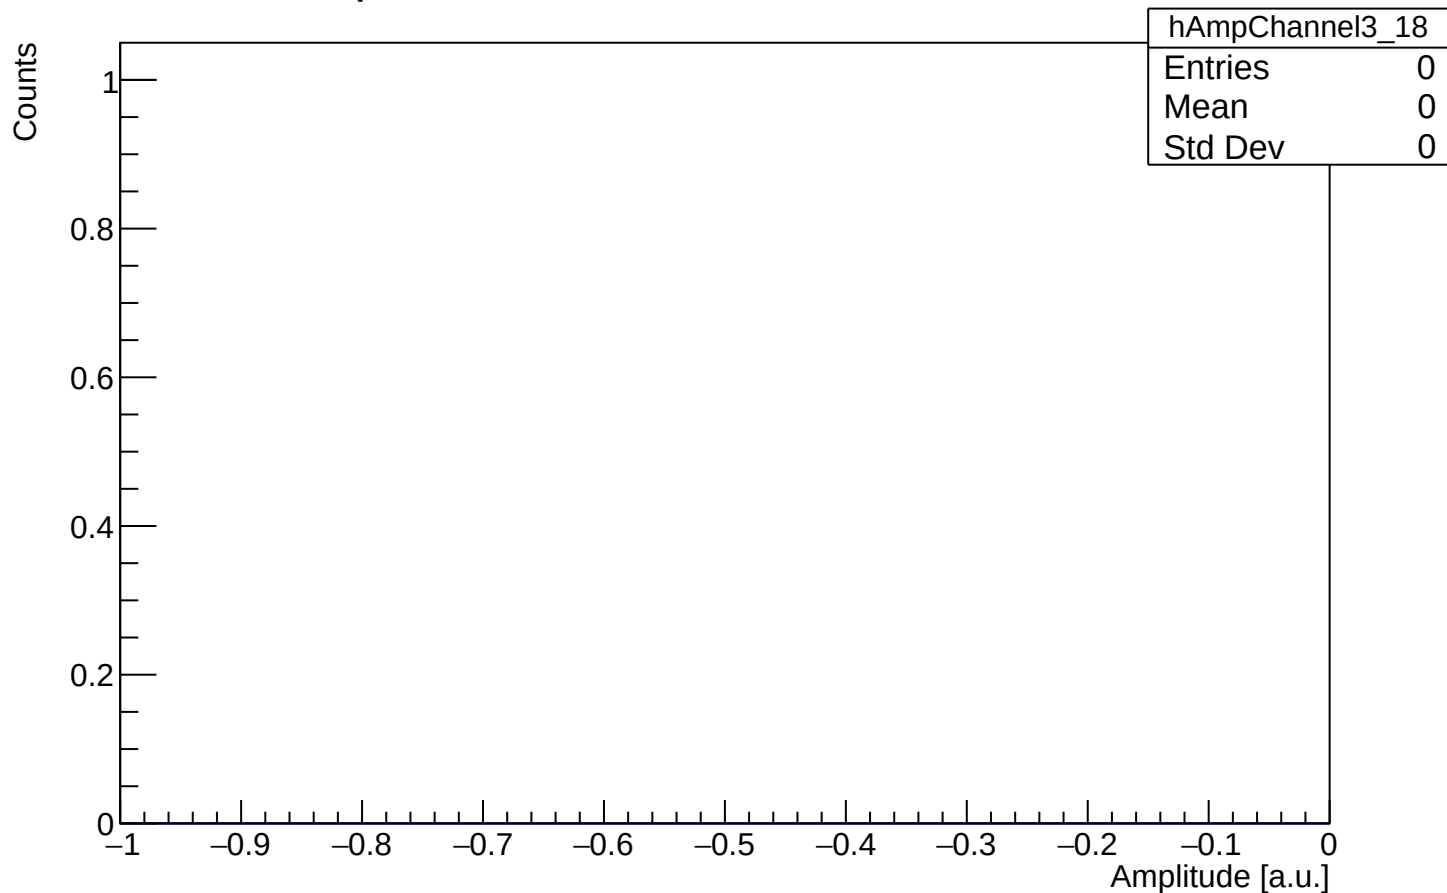

Amplitudes for channel 16 of third detector

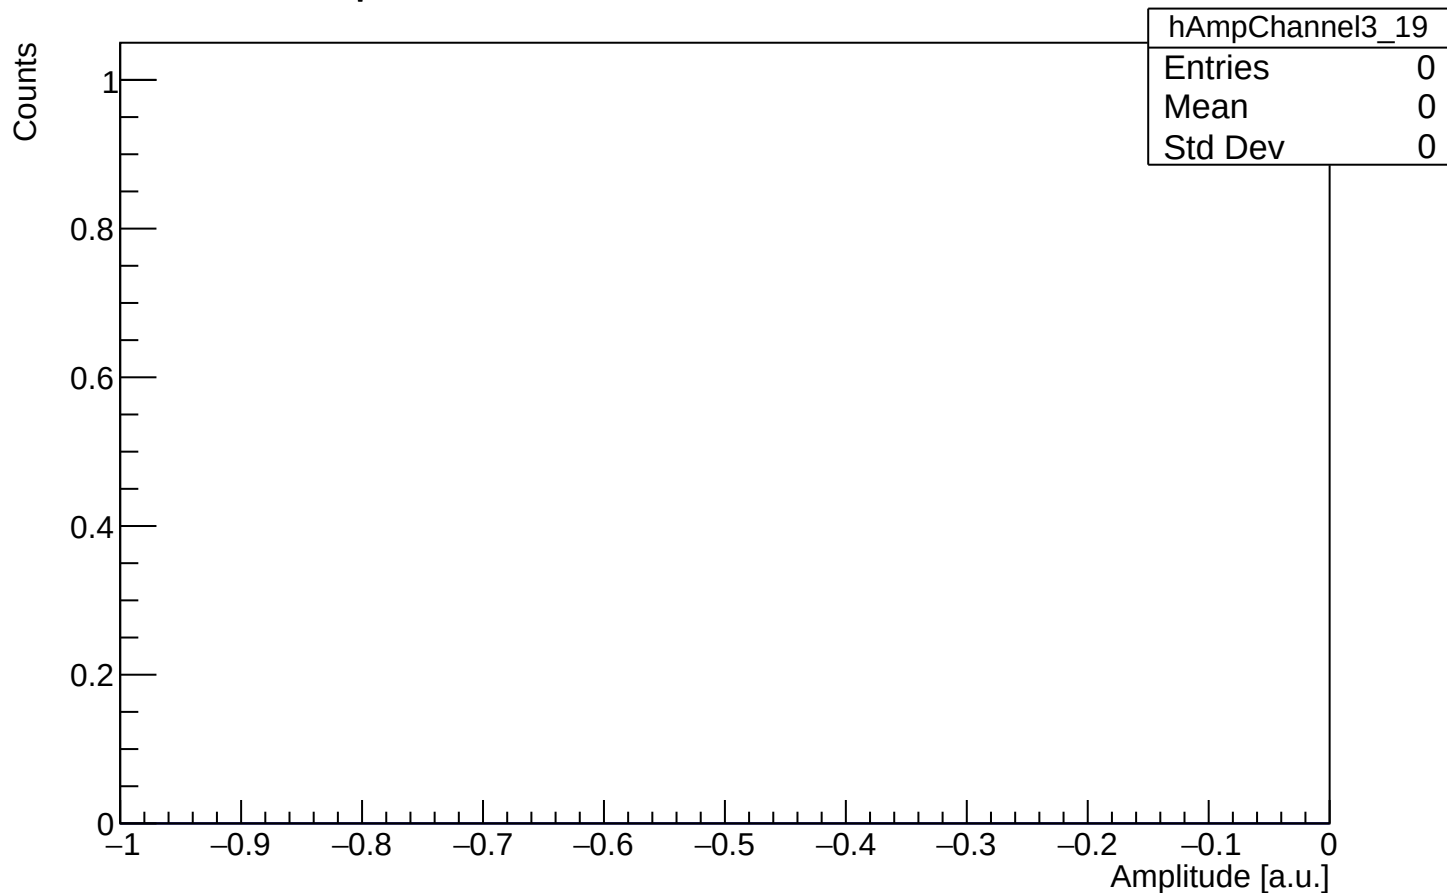

Amplitudes for channel 17 of third detector

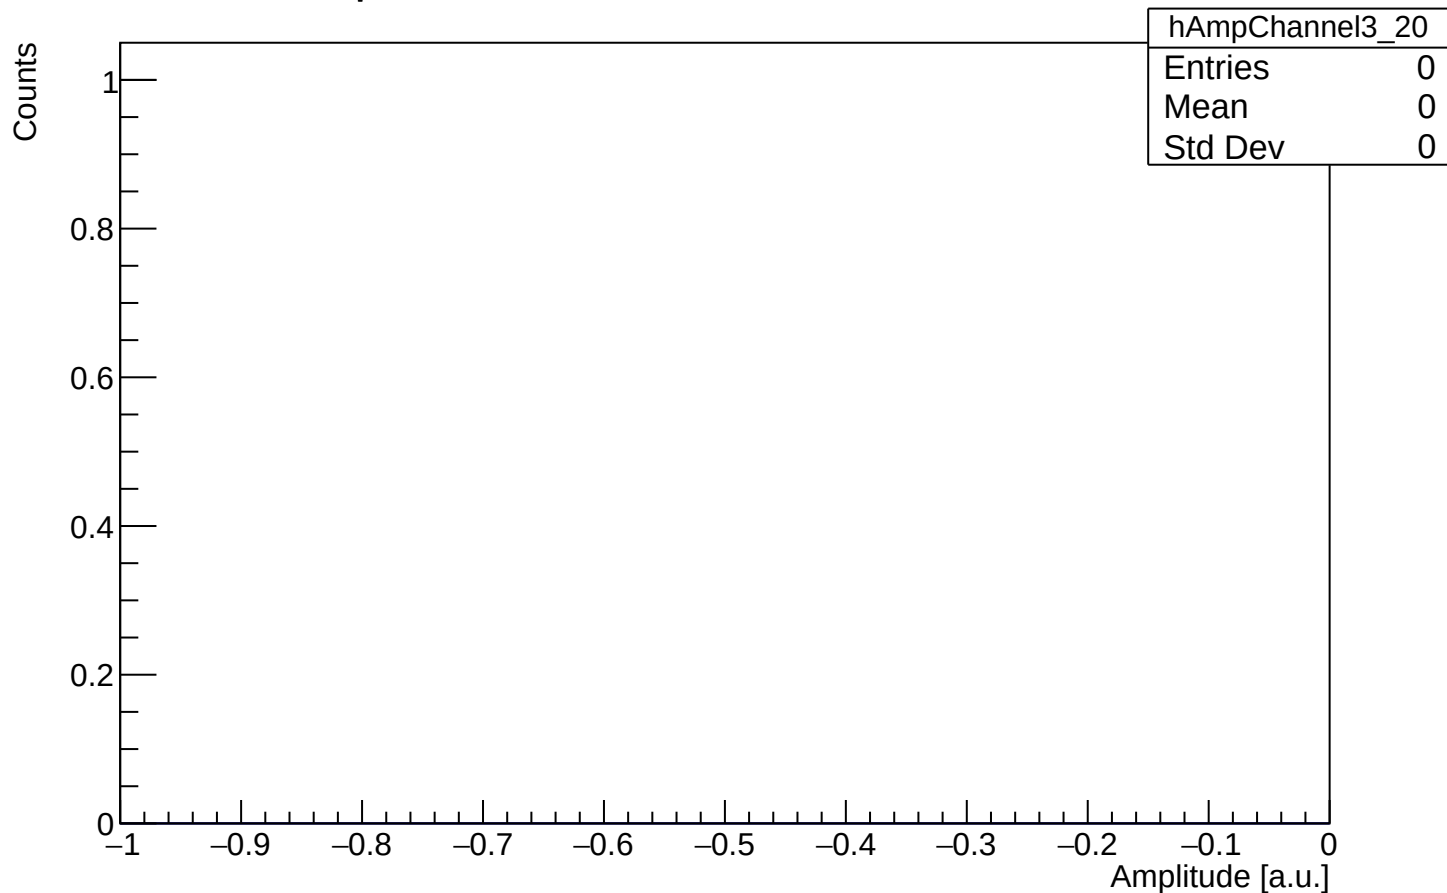

Amplitudes for channel 18 of third detector

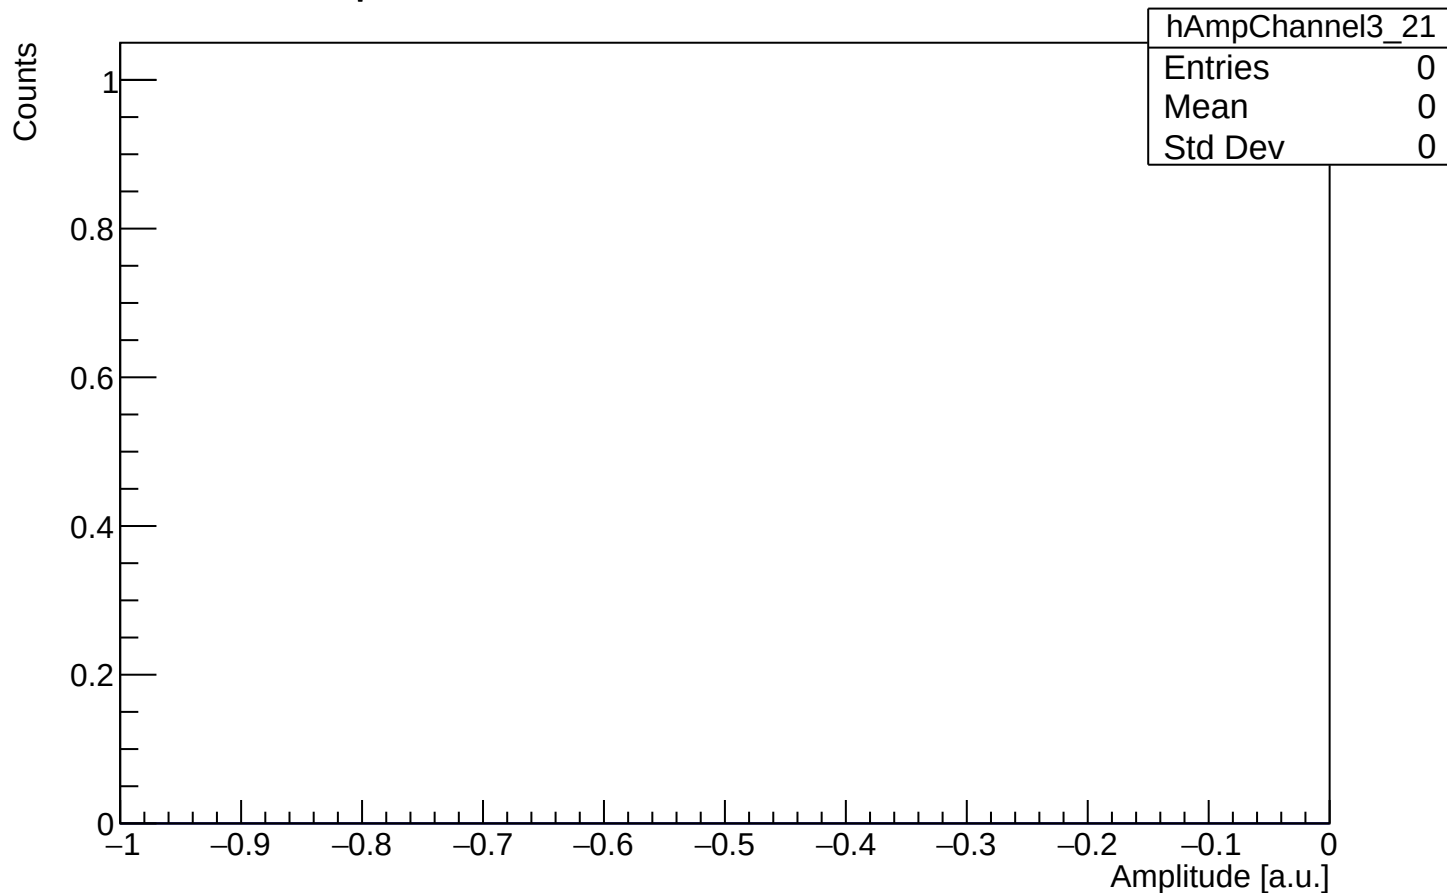

Amplitudes for channel 19 of third detector

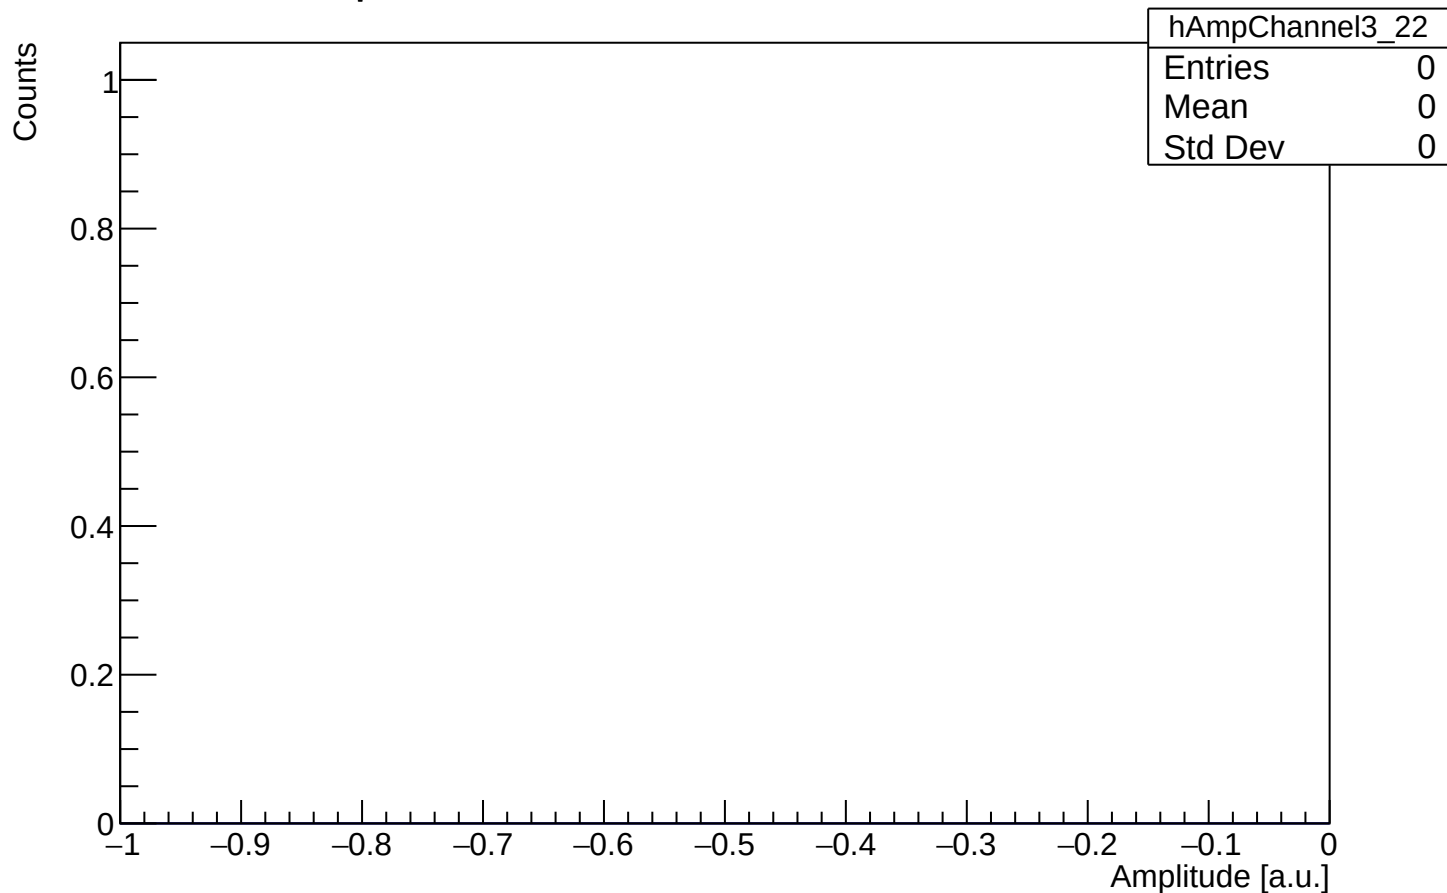

Amplitudes for channel 20 of third detector

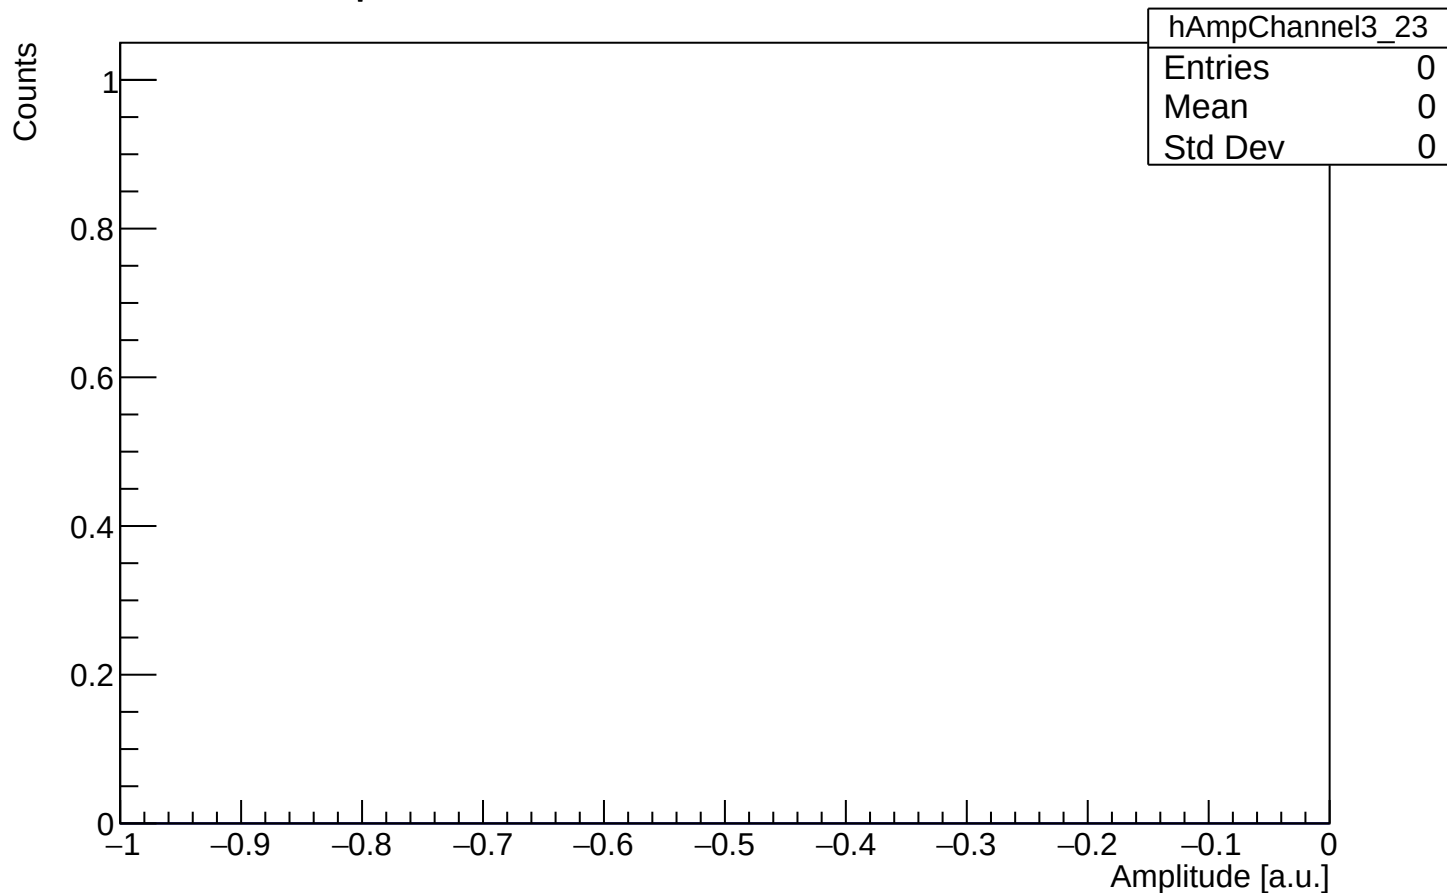

Amplitudes for channel 21 of third detector

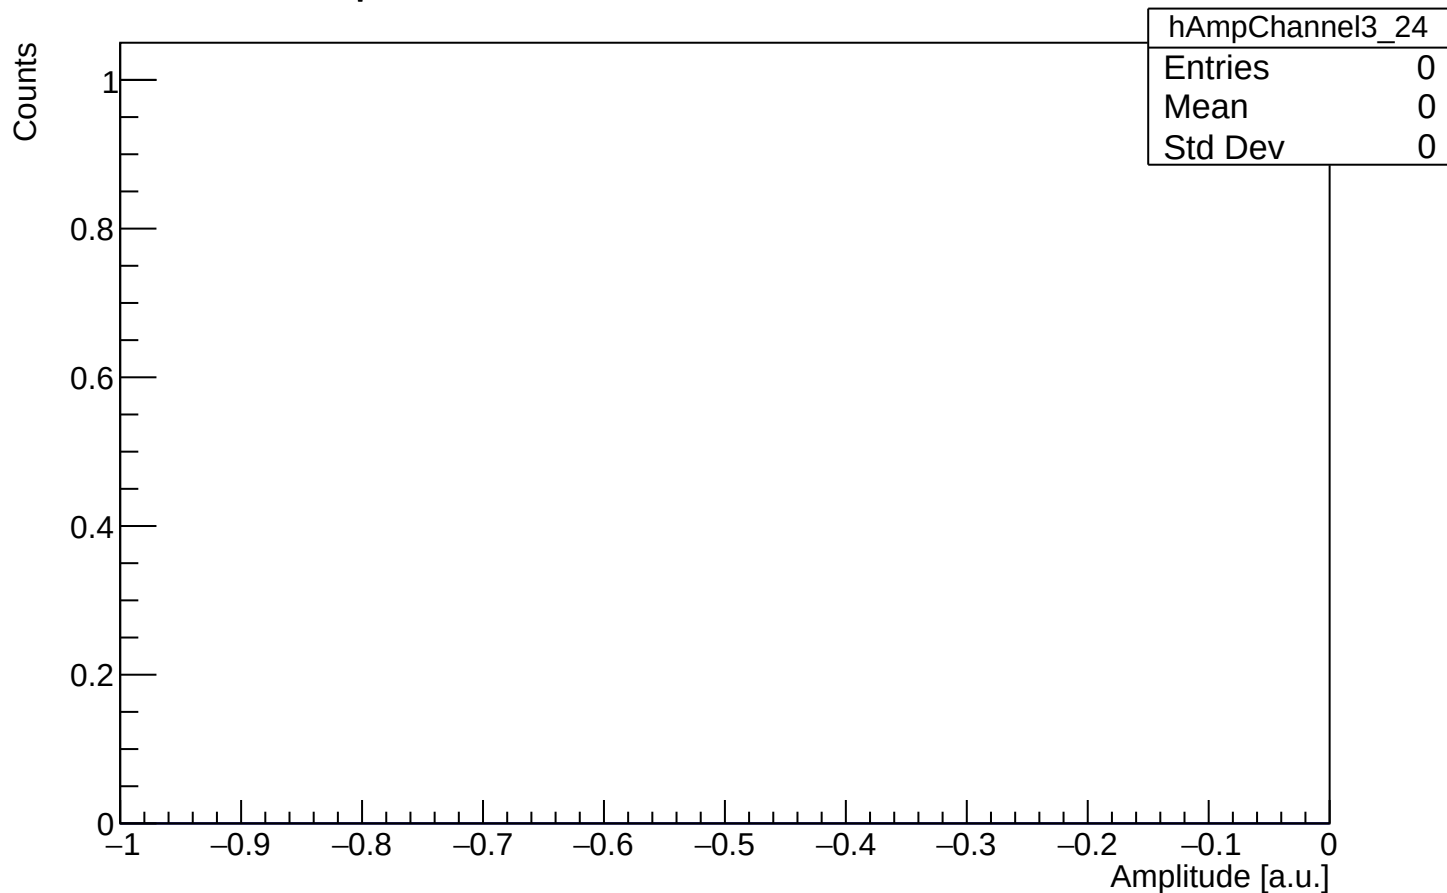

Amplitudes for channel 22 of third detector

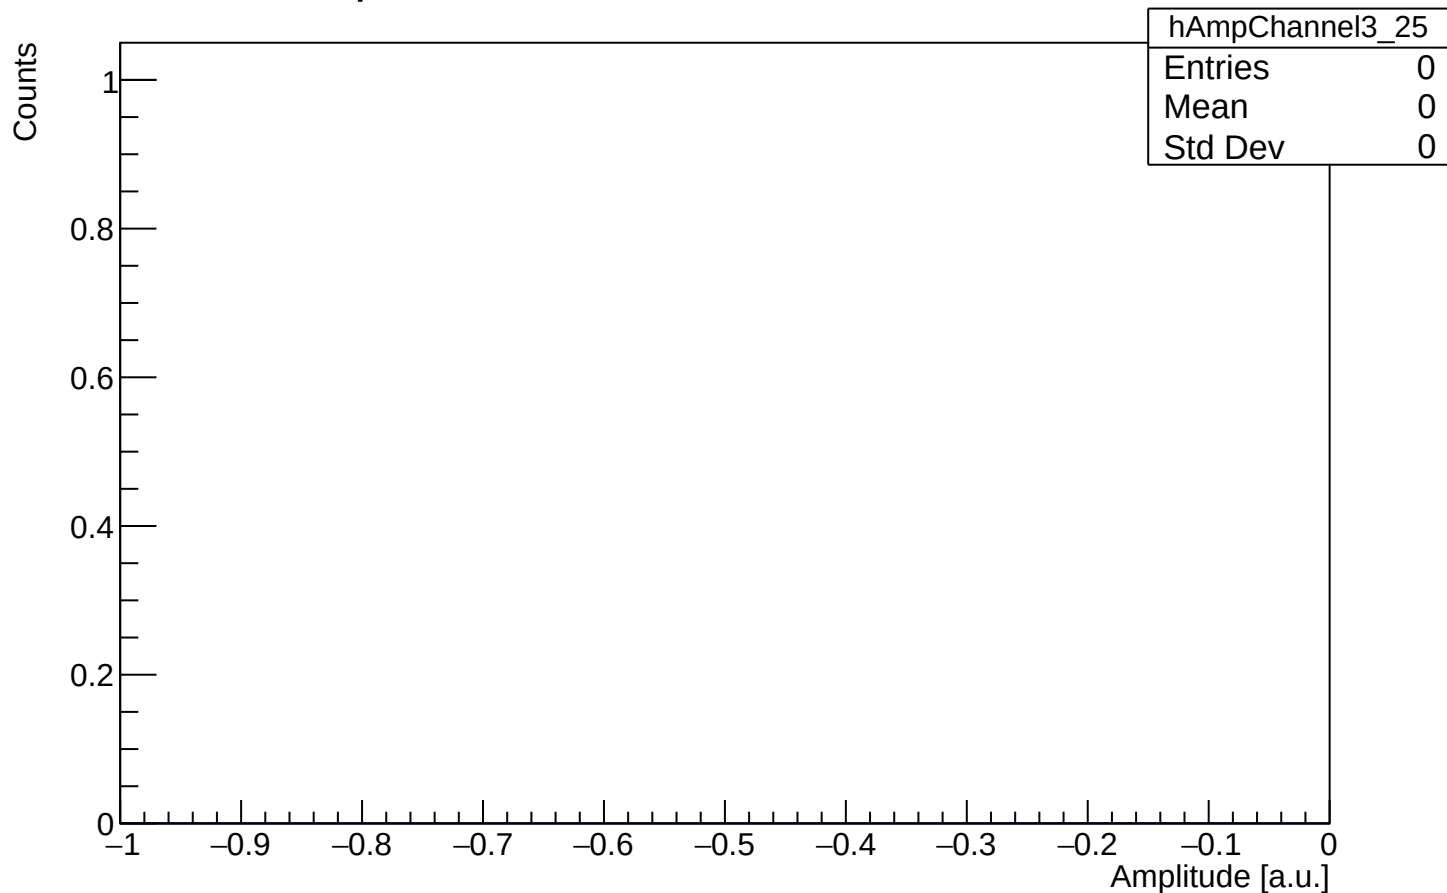

Amplitudes for channel 23 of third detector

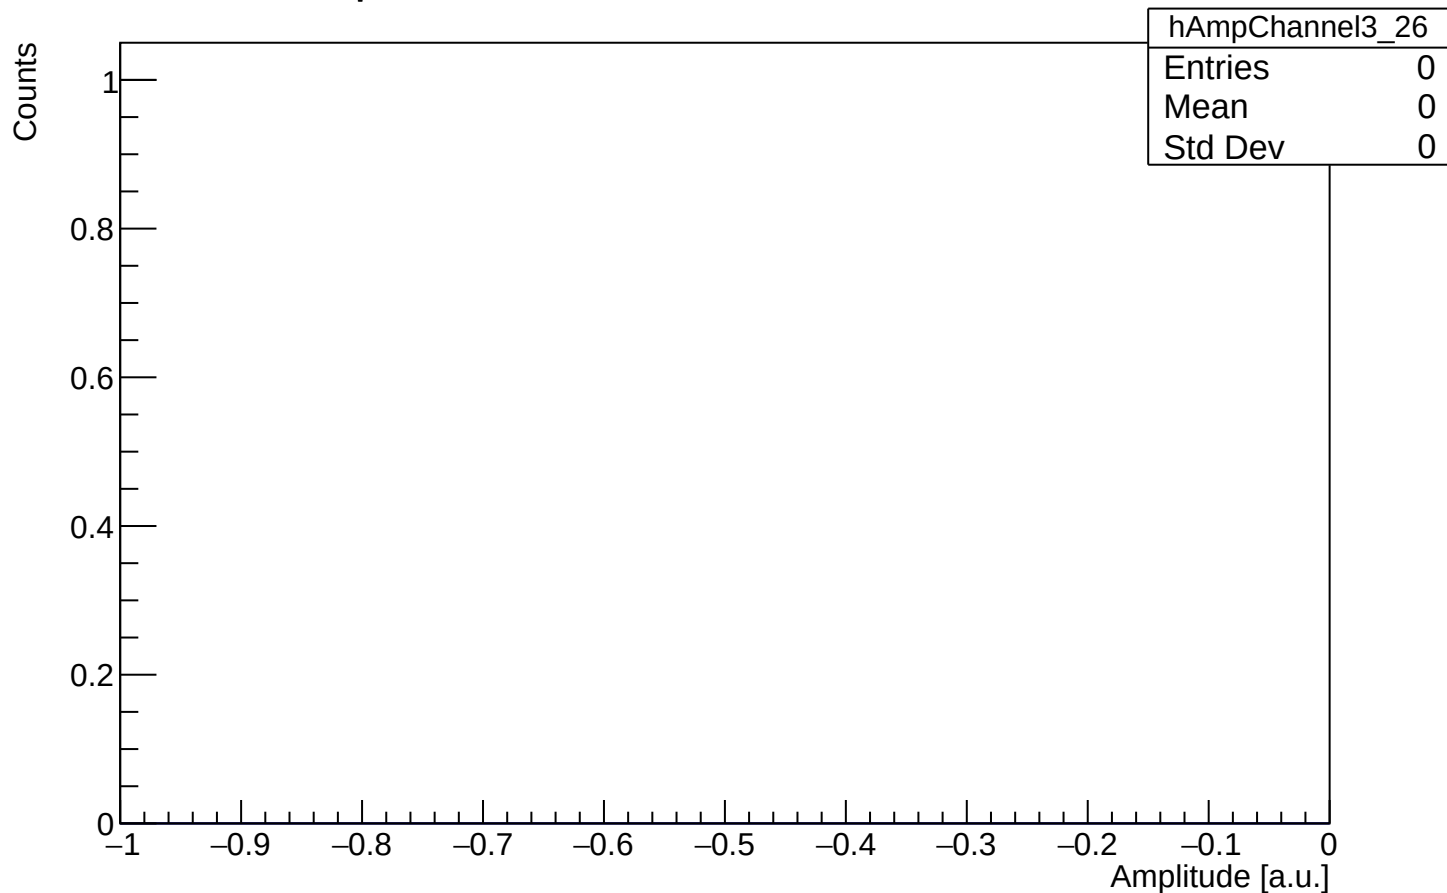

Amplitudes for channel 24 of third detector

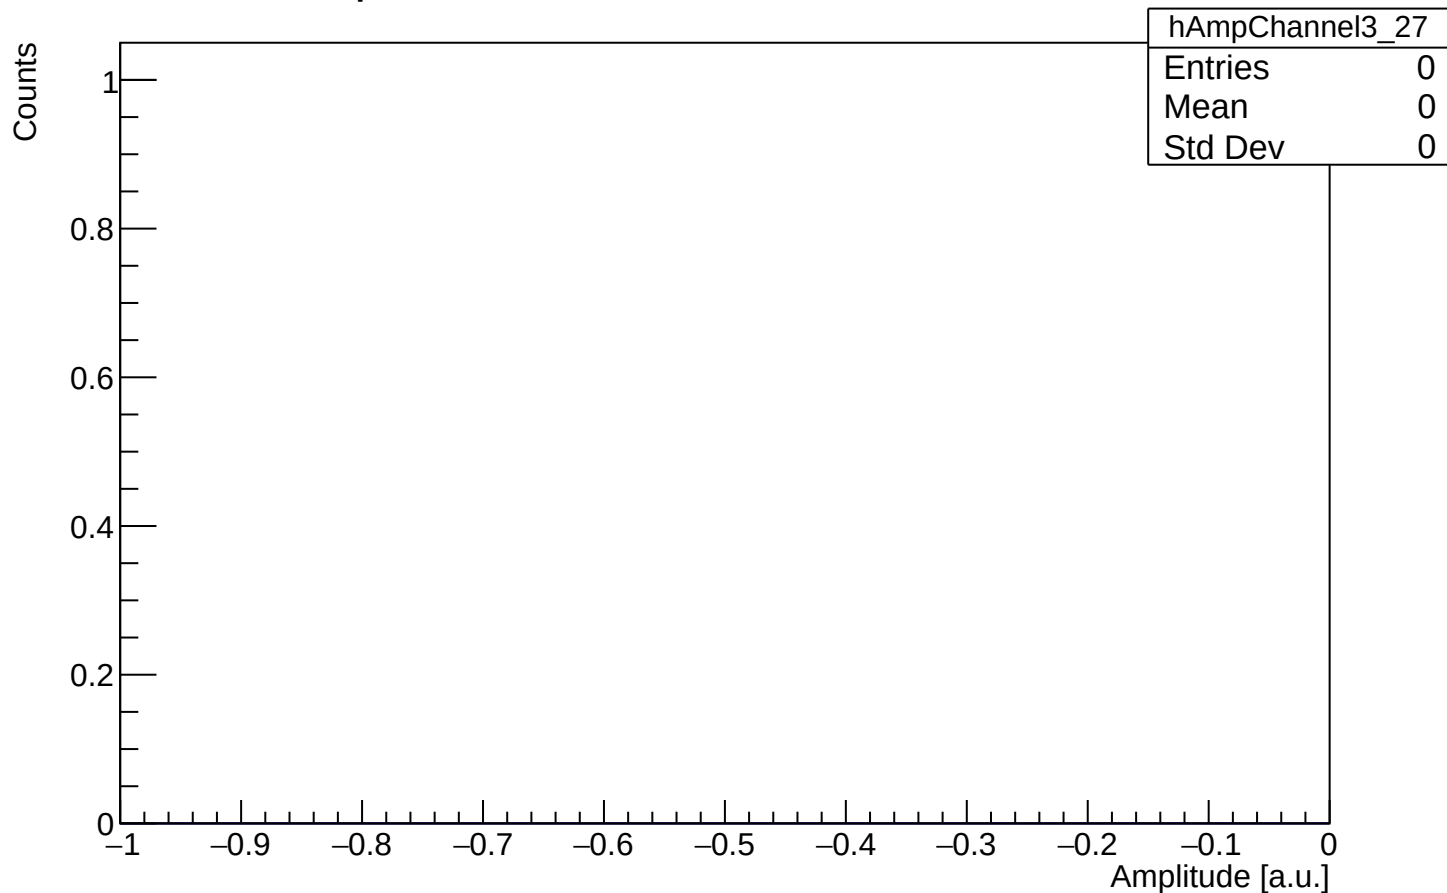

Amplitudes for channel 25 of third detector

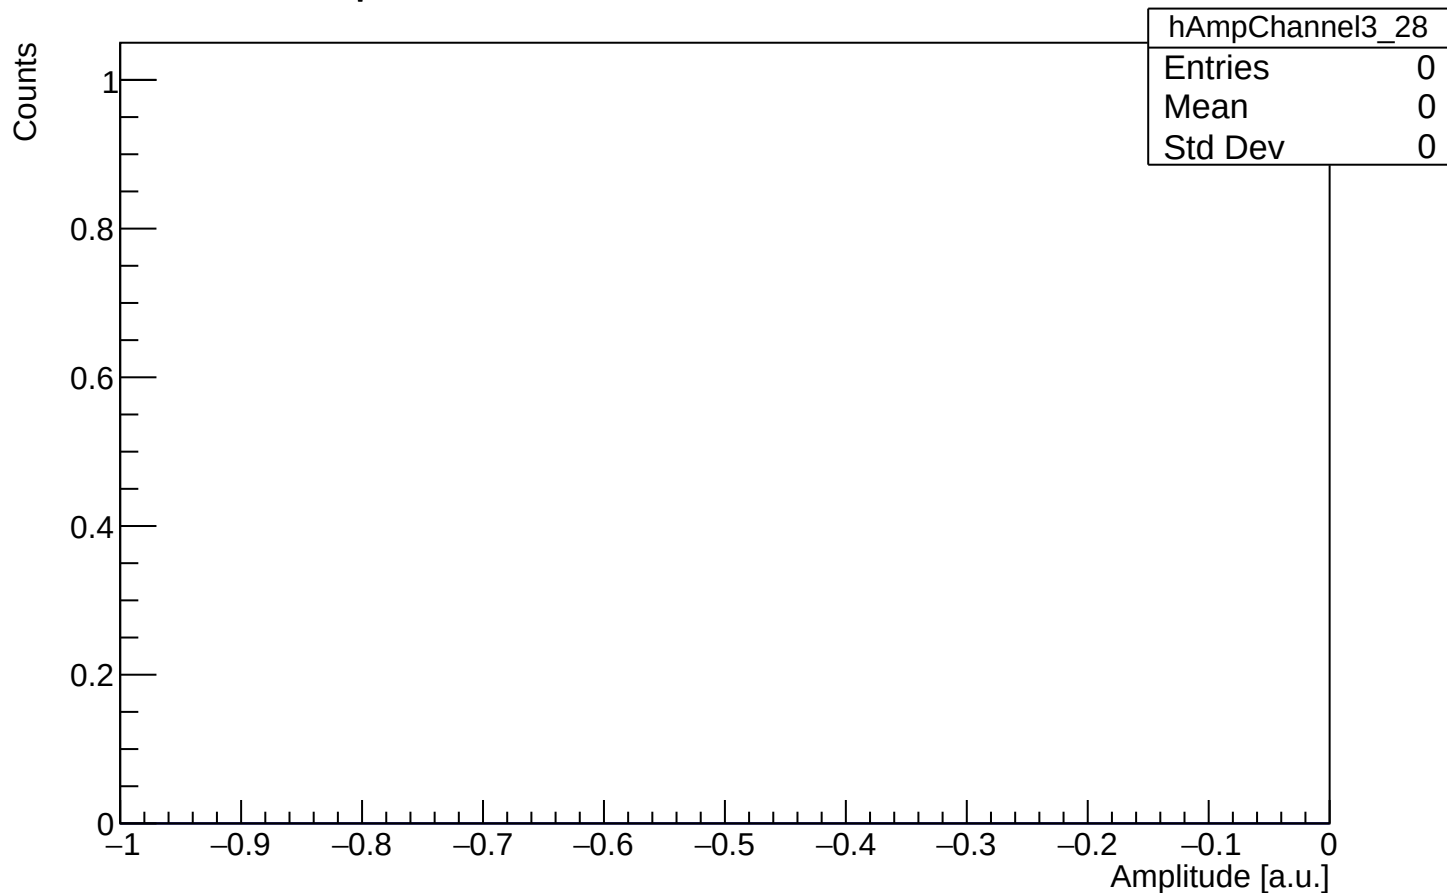

Amplitudes for channel 26 of third detector

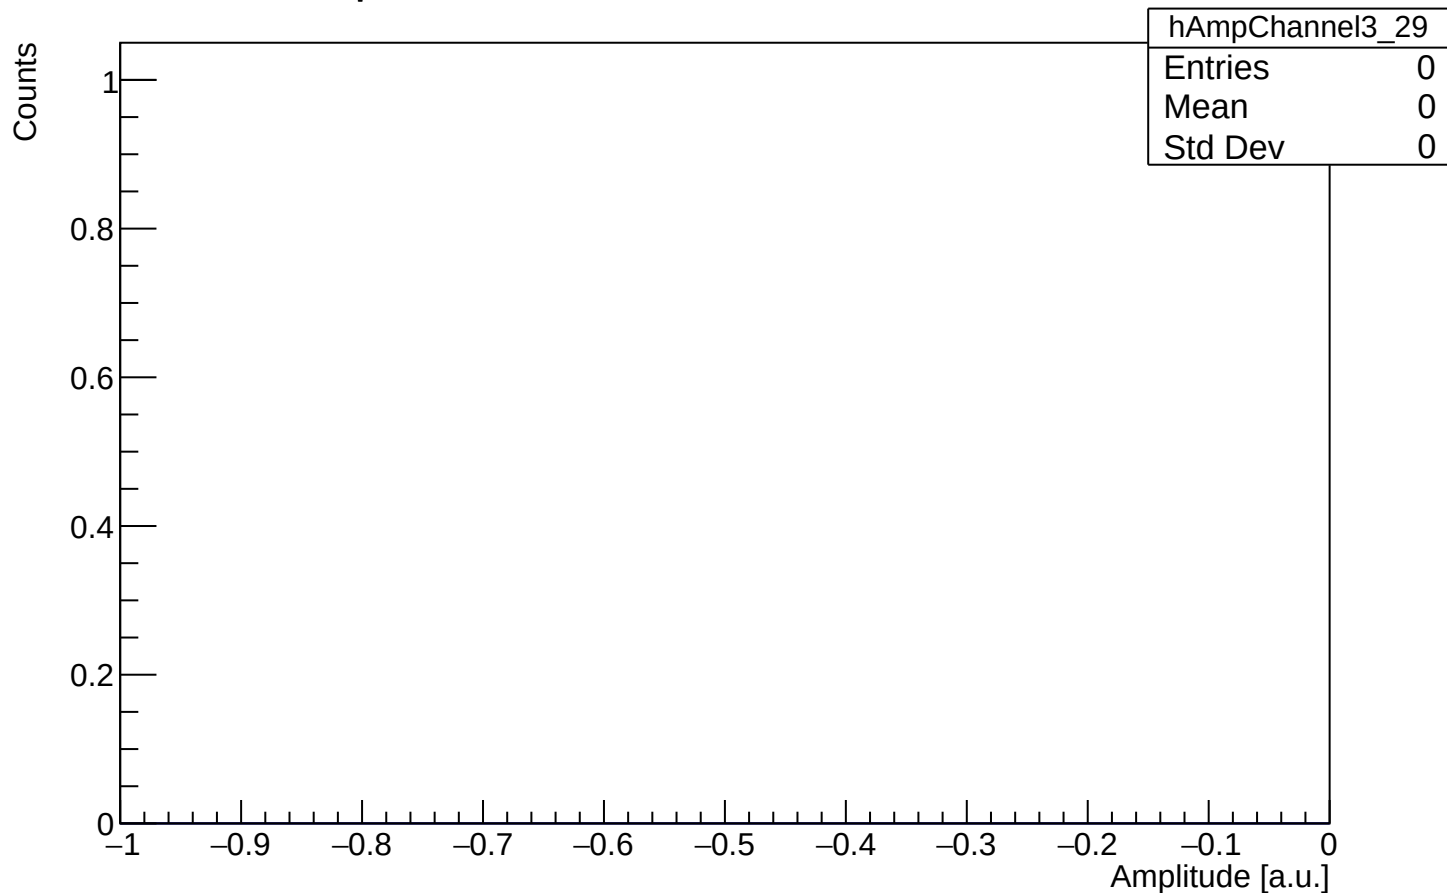

Amplitudes for channel 27 of third detector

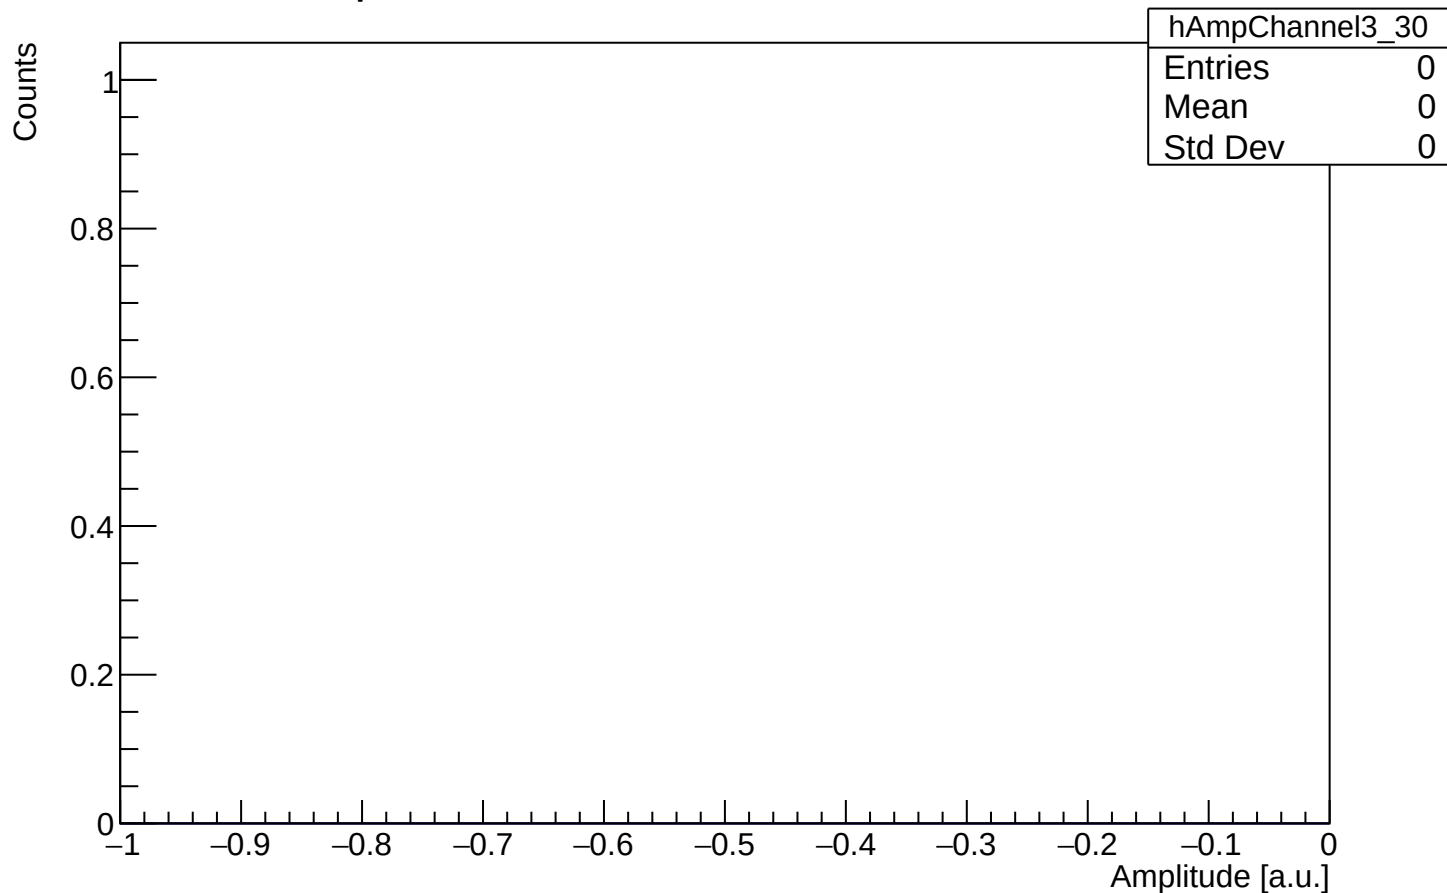

Amplitudes for channel 28 of third detector

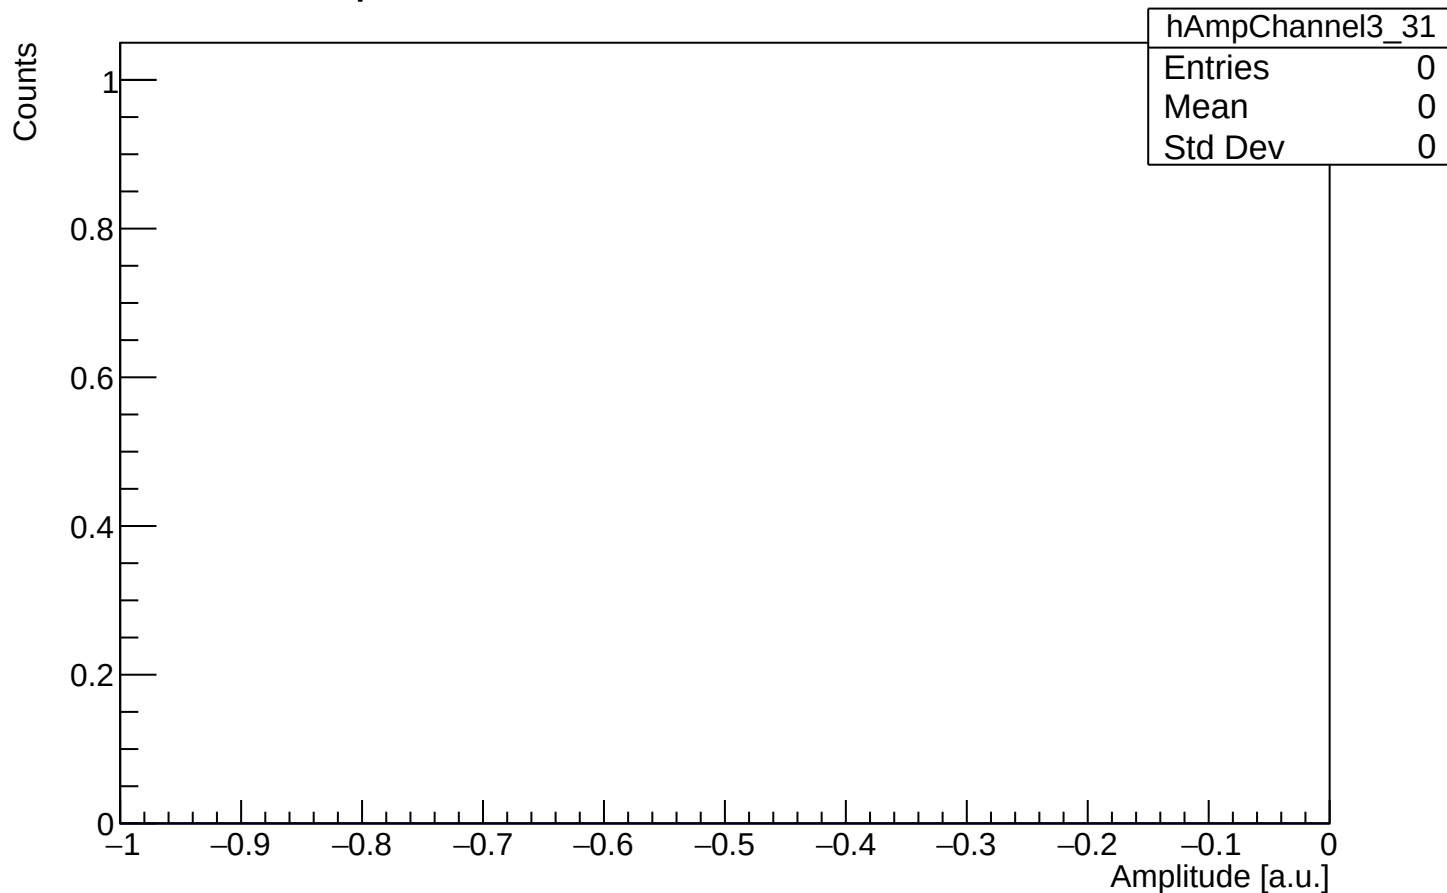

Amplitudes for channel 29 of third detector

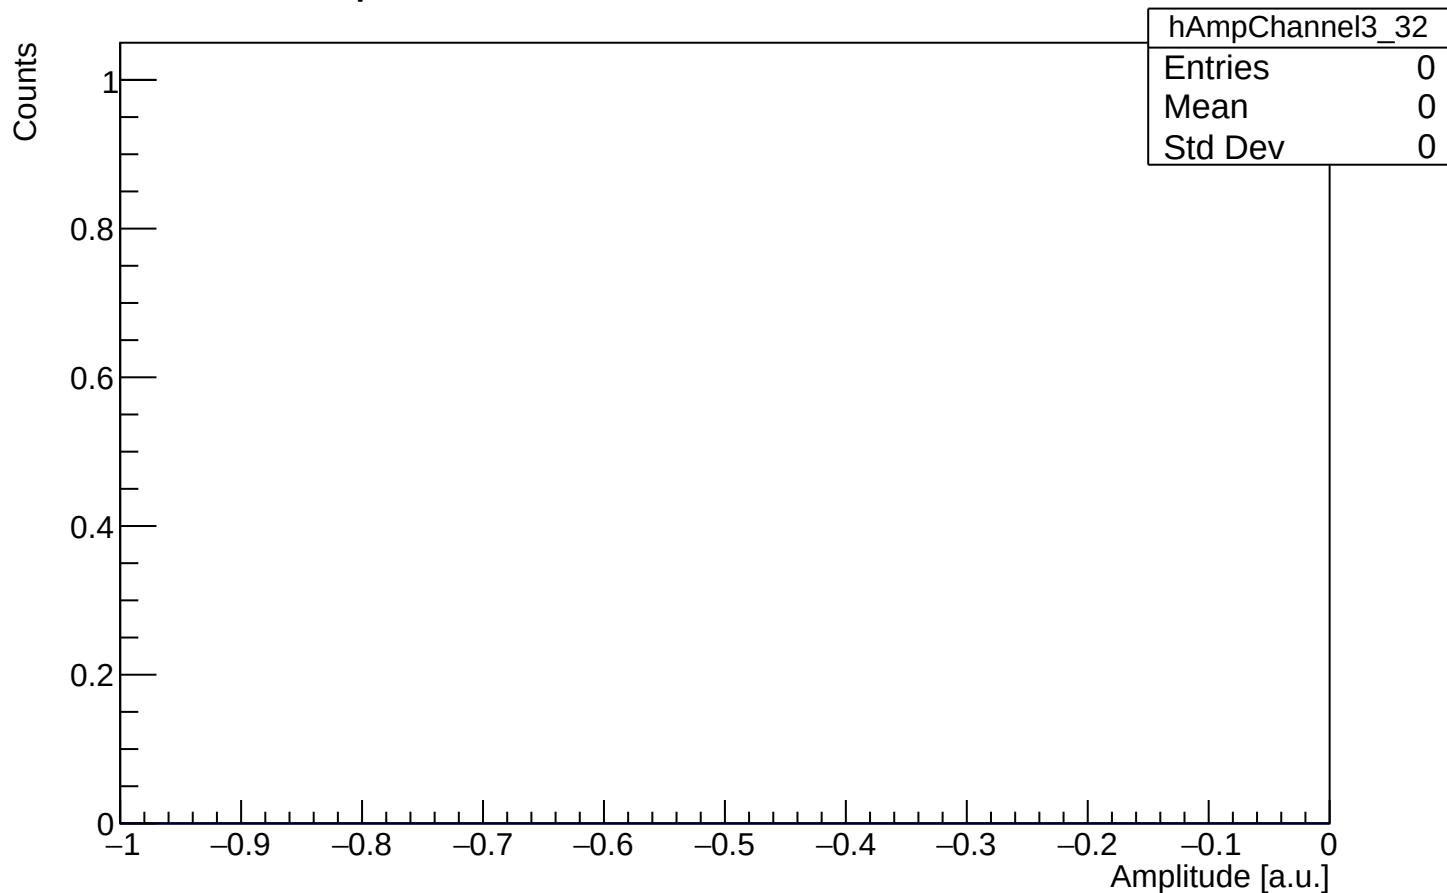

Amplitudes for channel 30 of third detector

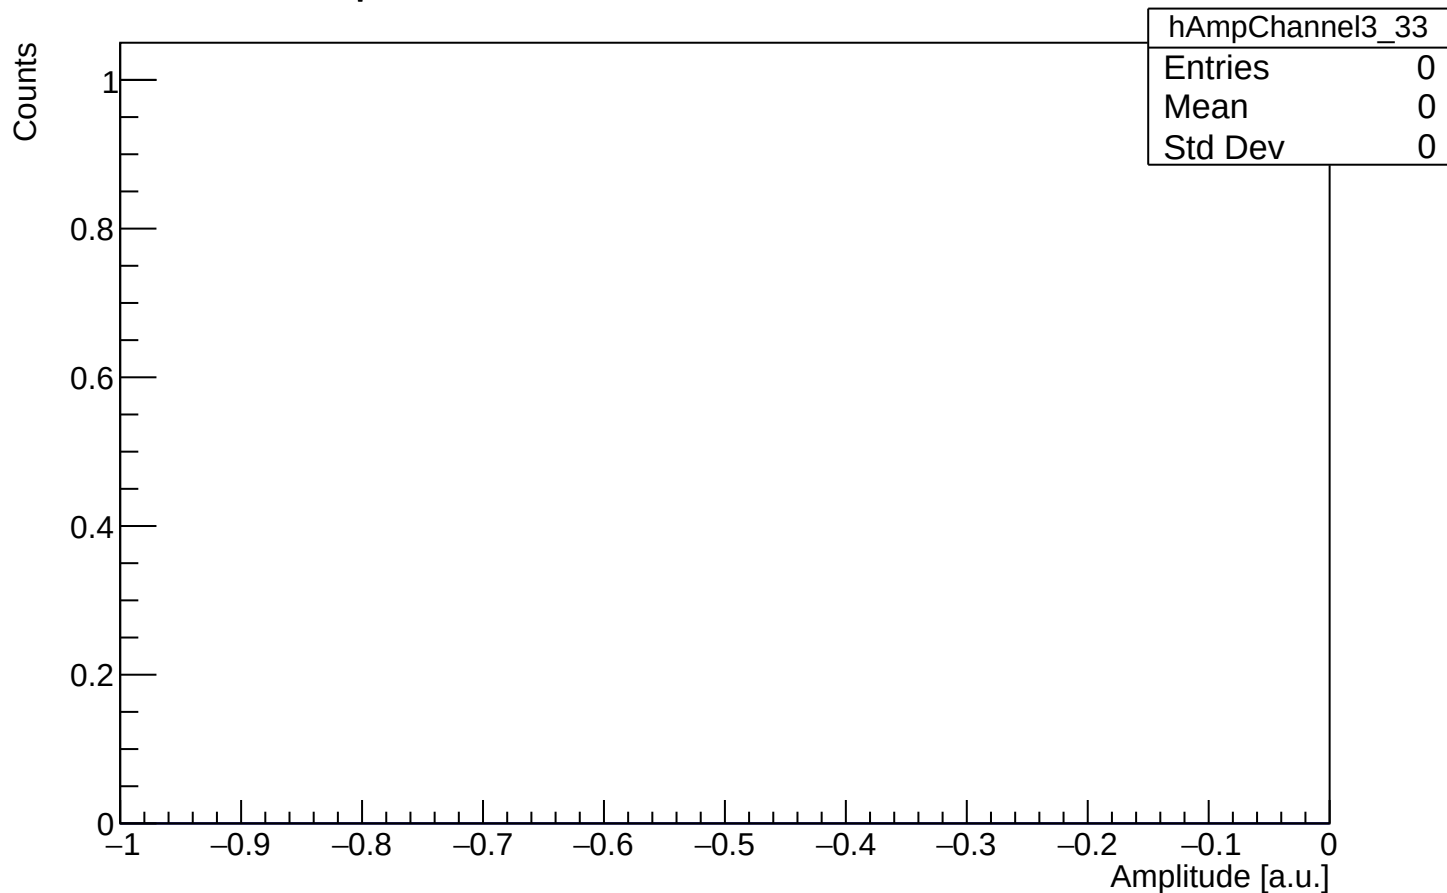

Amplitudes for channel 31 of third detector

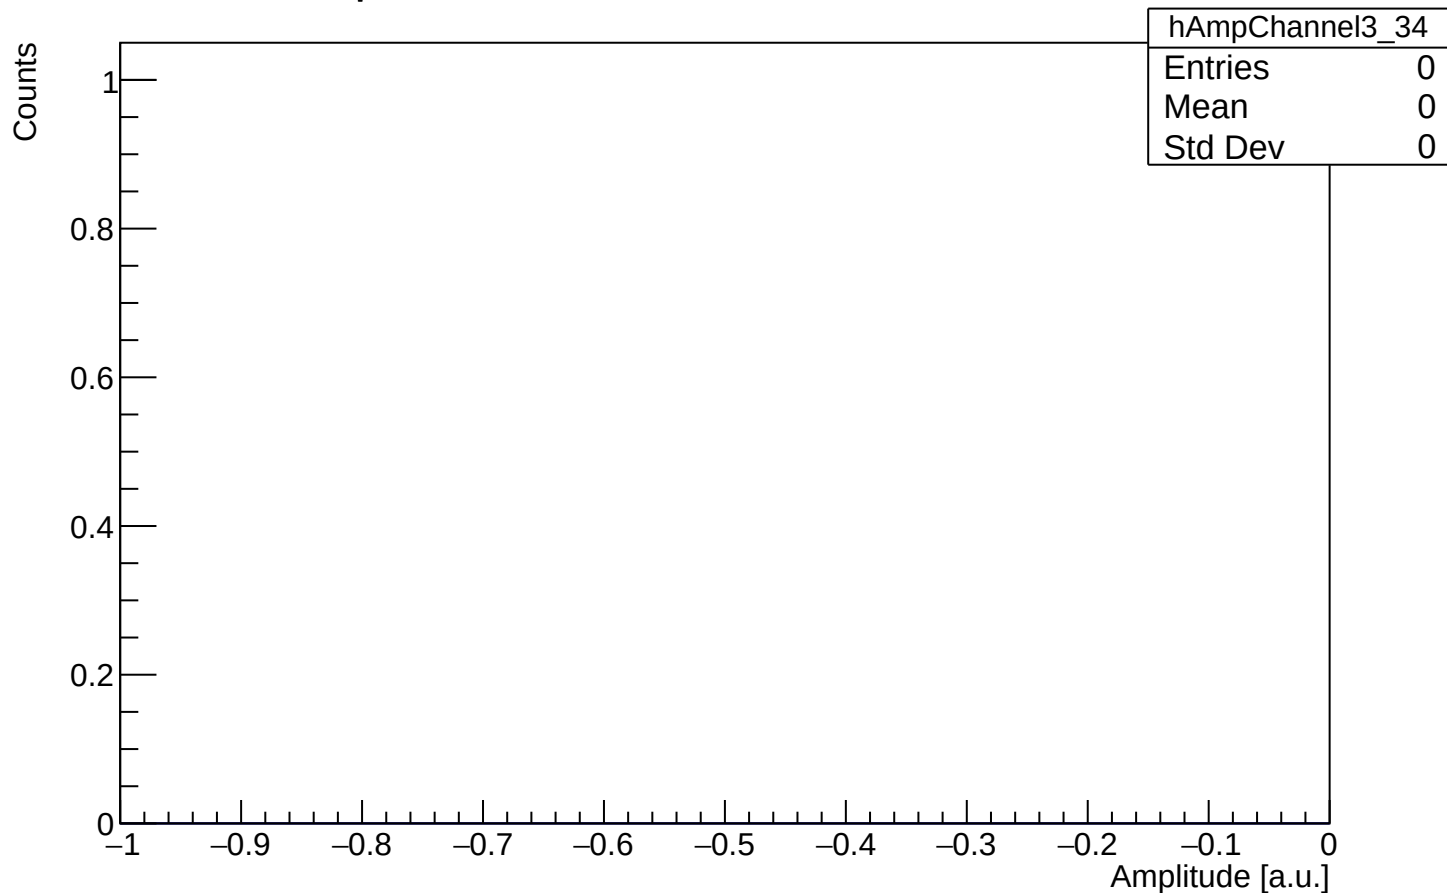

Amplitudes for channel 32 of third detector

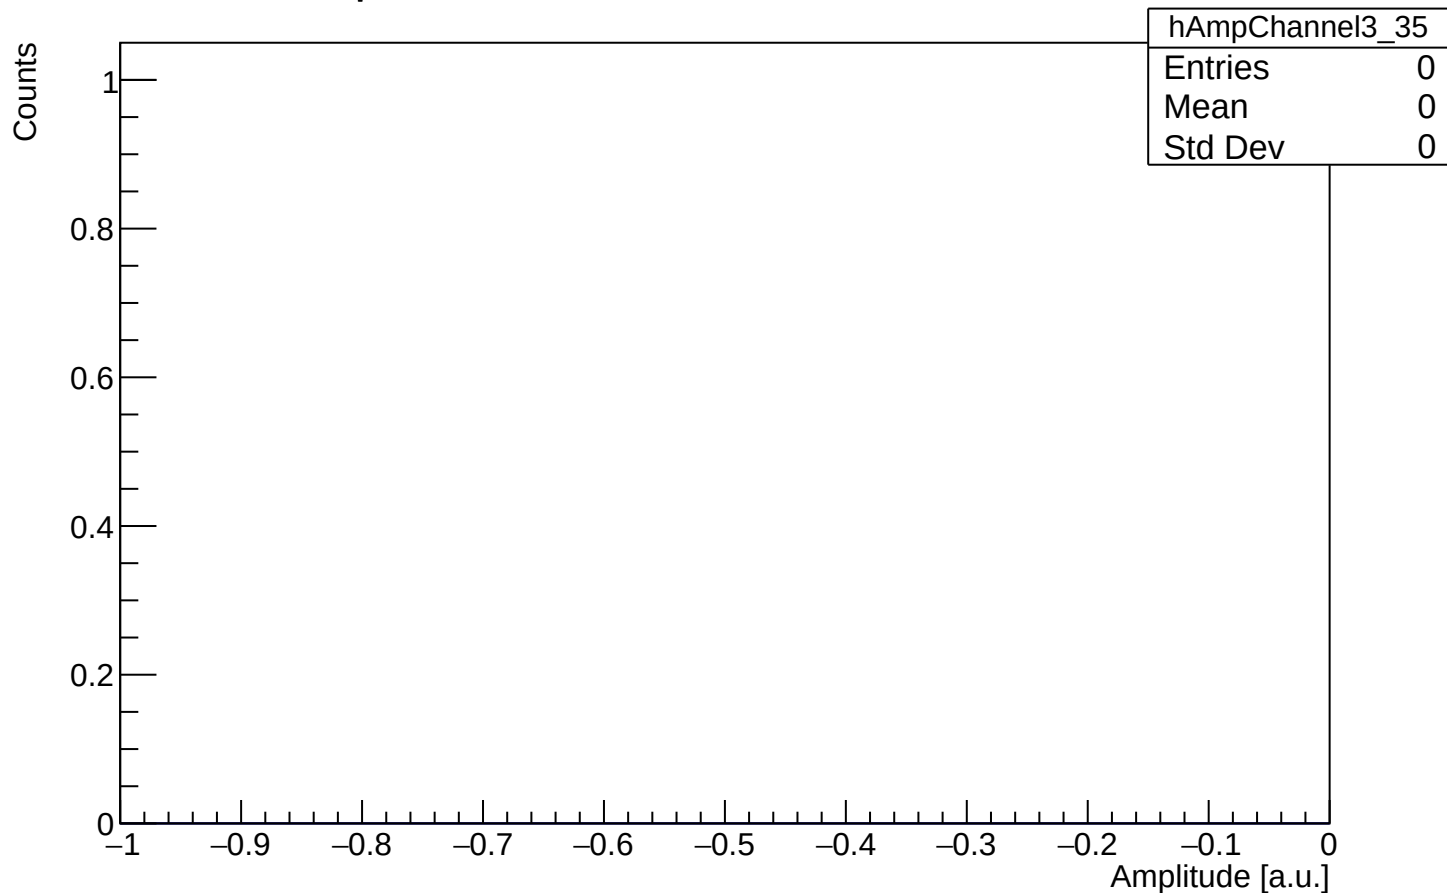

Amplitudes for channel 33 of third detector

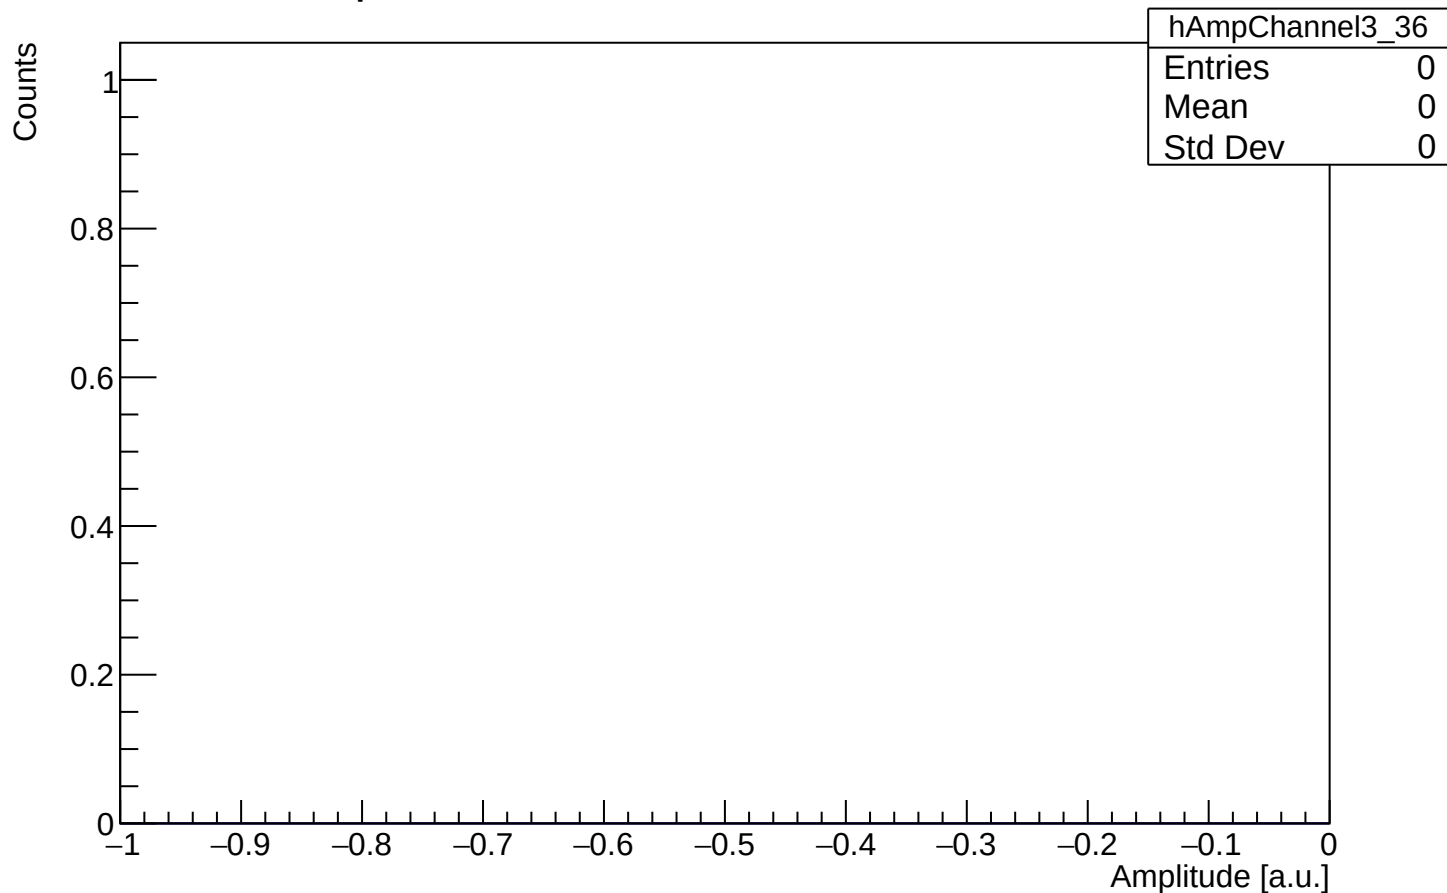

Amplitudes for channel 34 of third detector

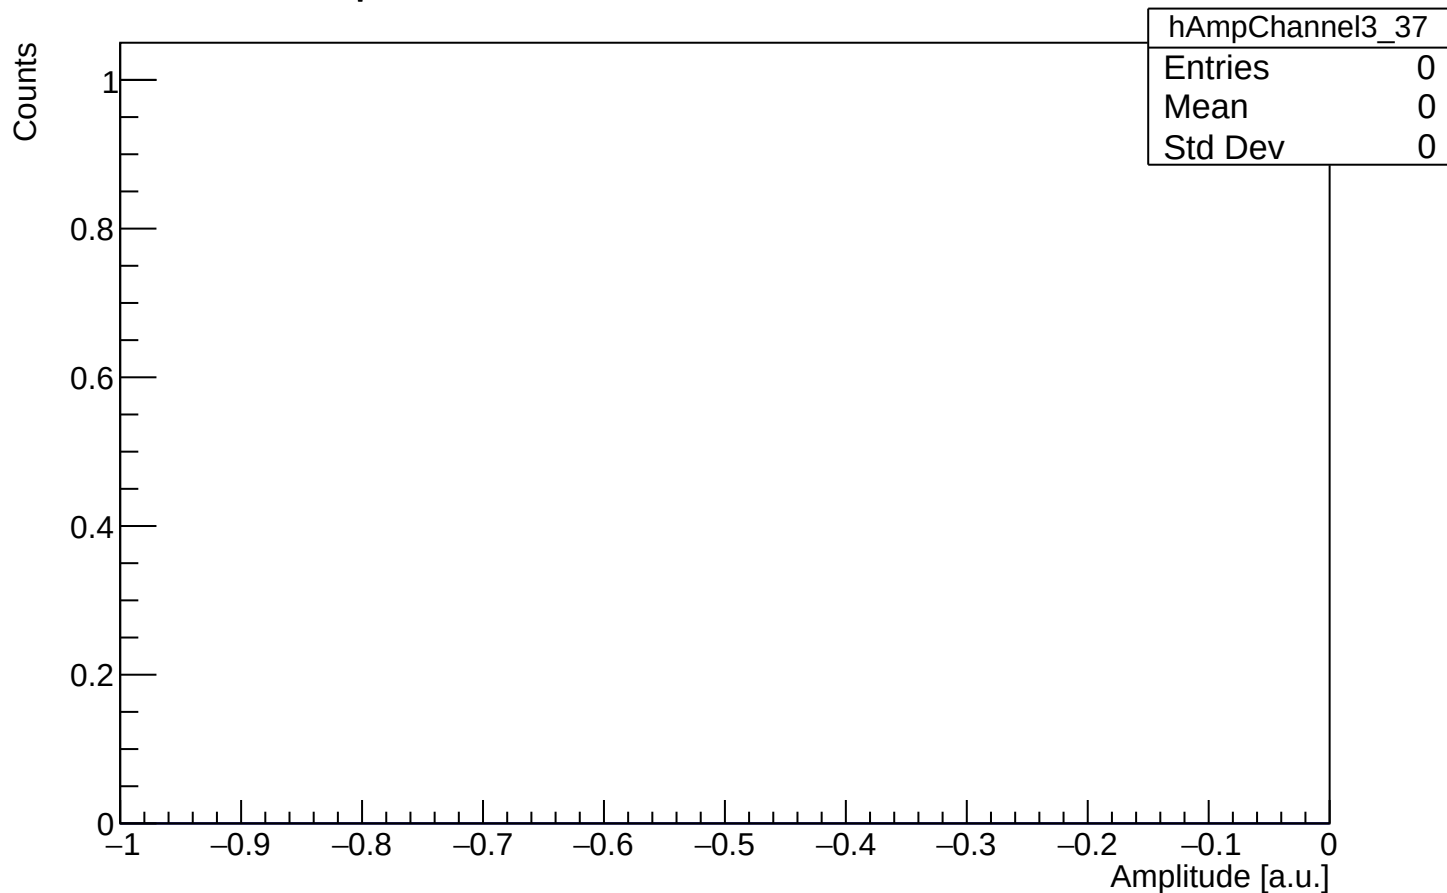

Amplitudes for channel 35 of third detector

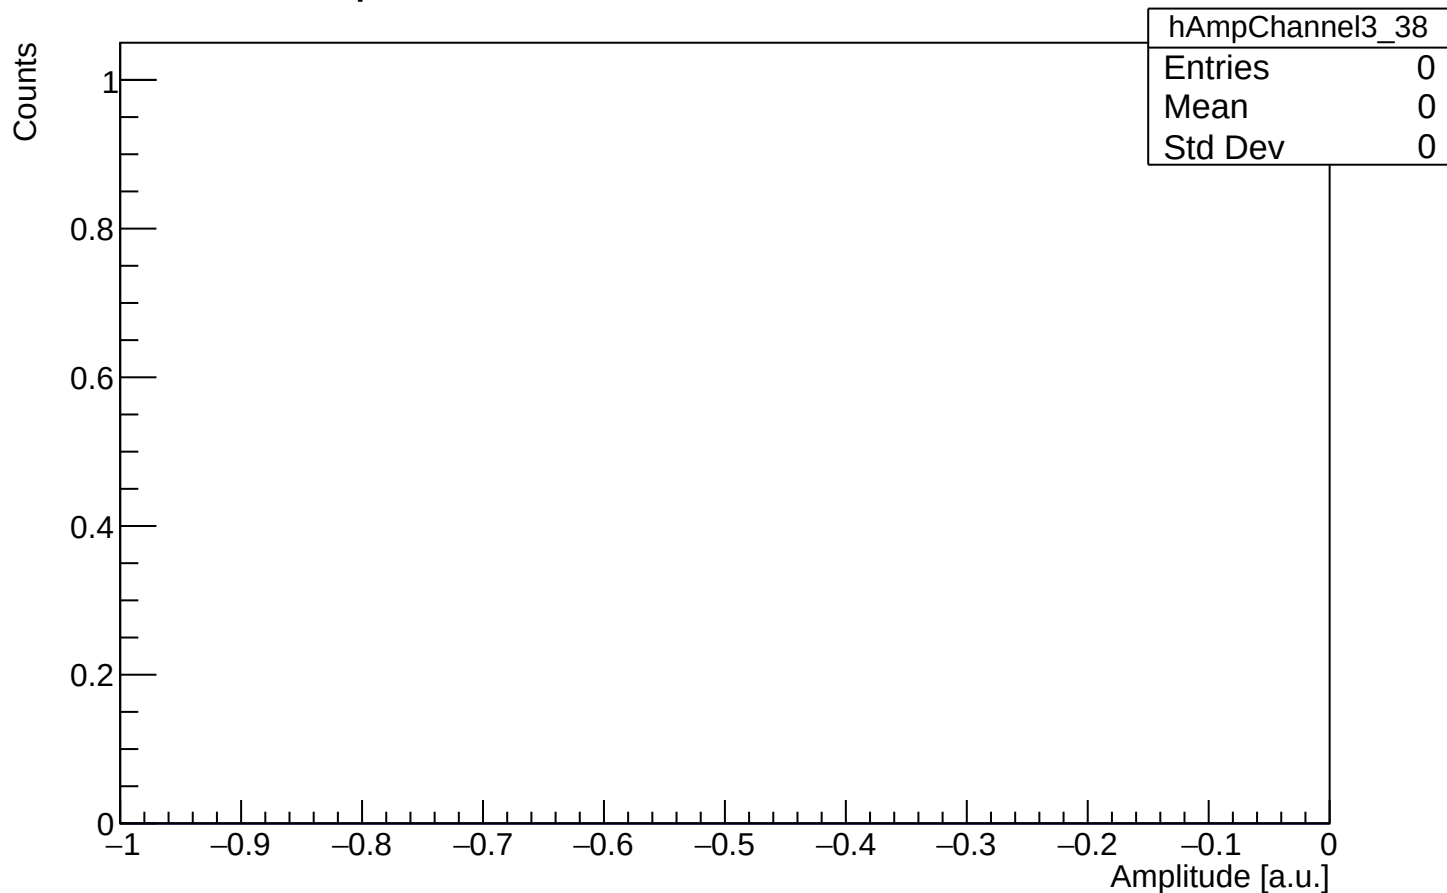

Amplitudes for channel 36 of third detector

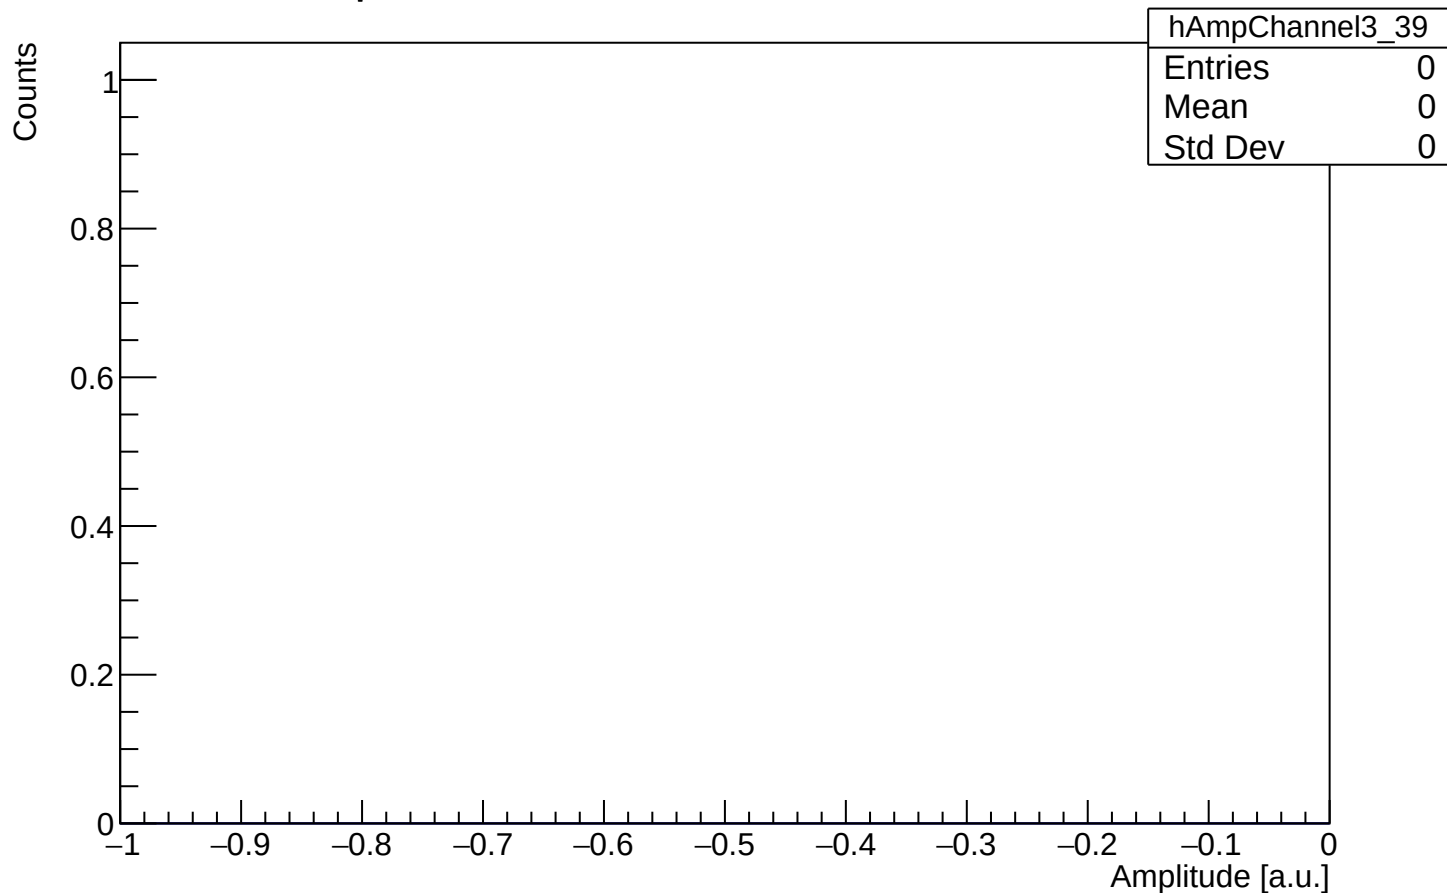

Amplitudes for channel 37 of third detector

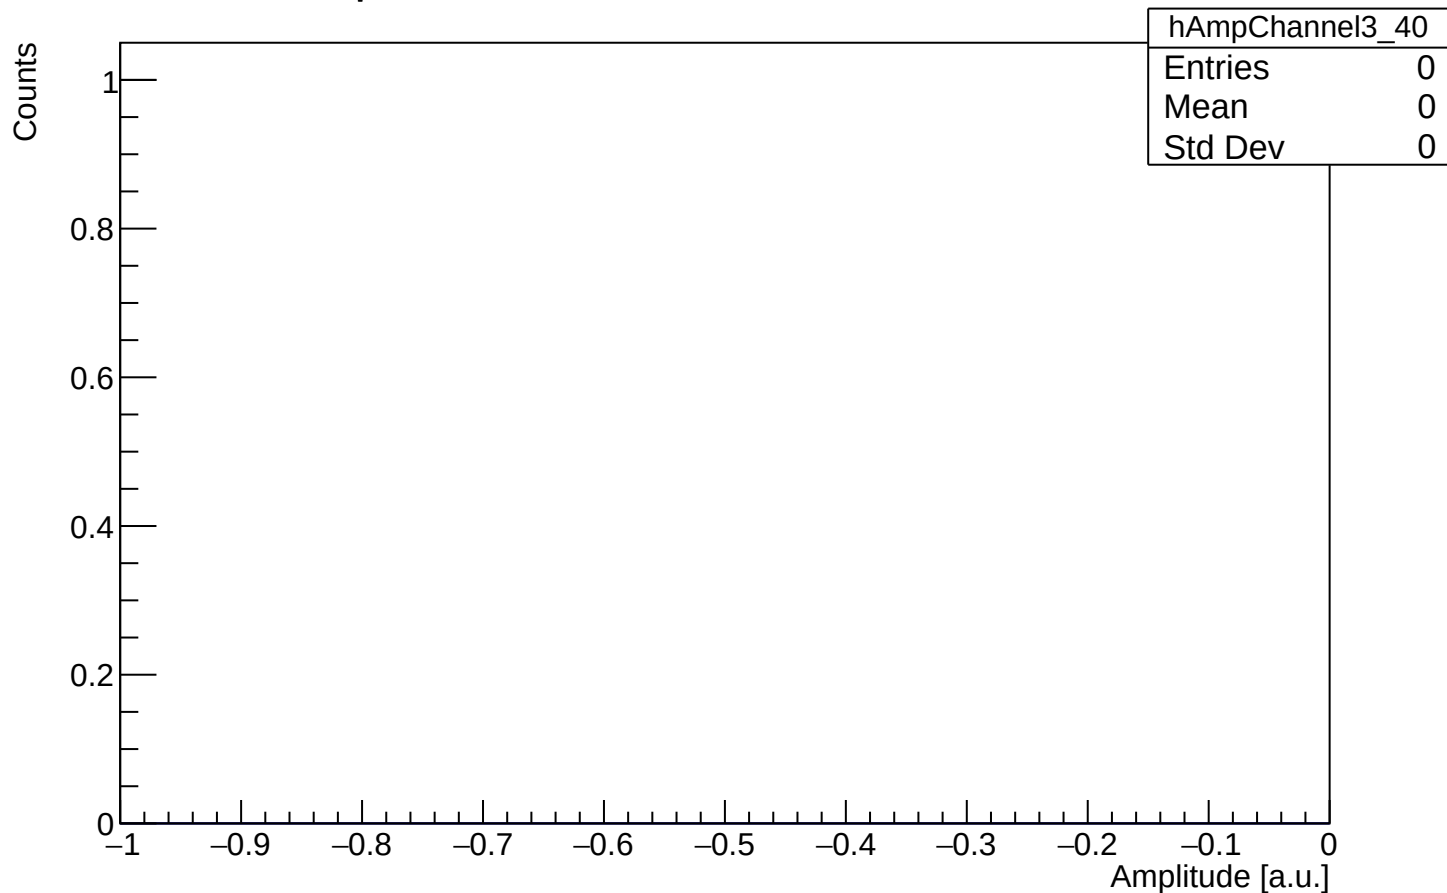

Amplitudes for channel 38 of third detector

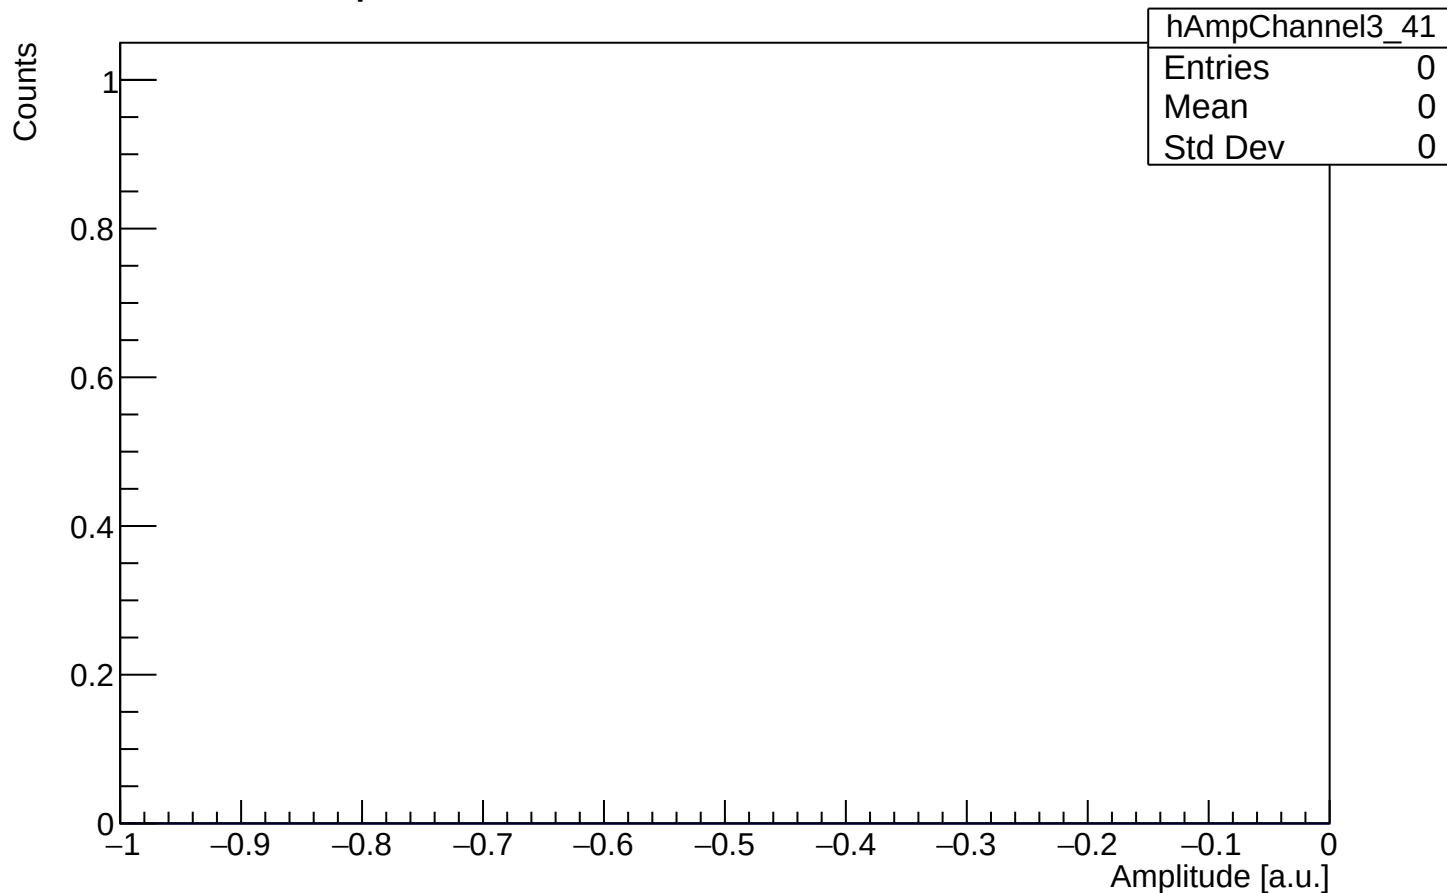

Amplitudes for channel 39 of third detector

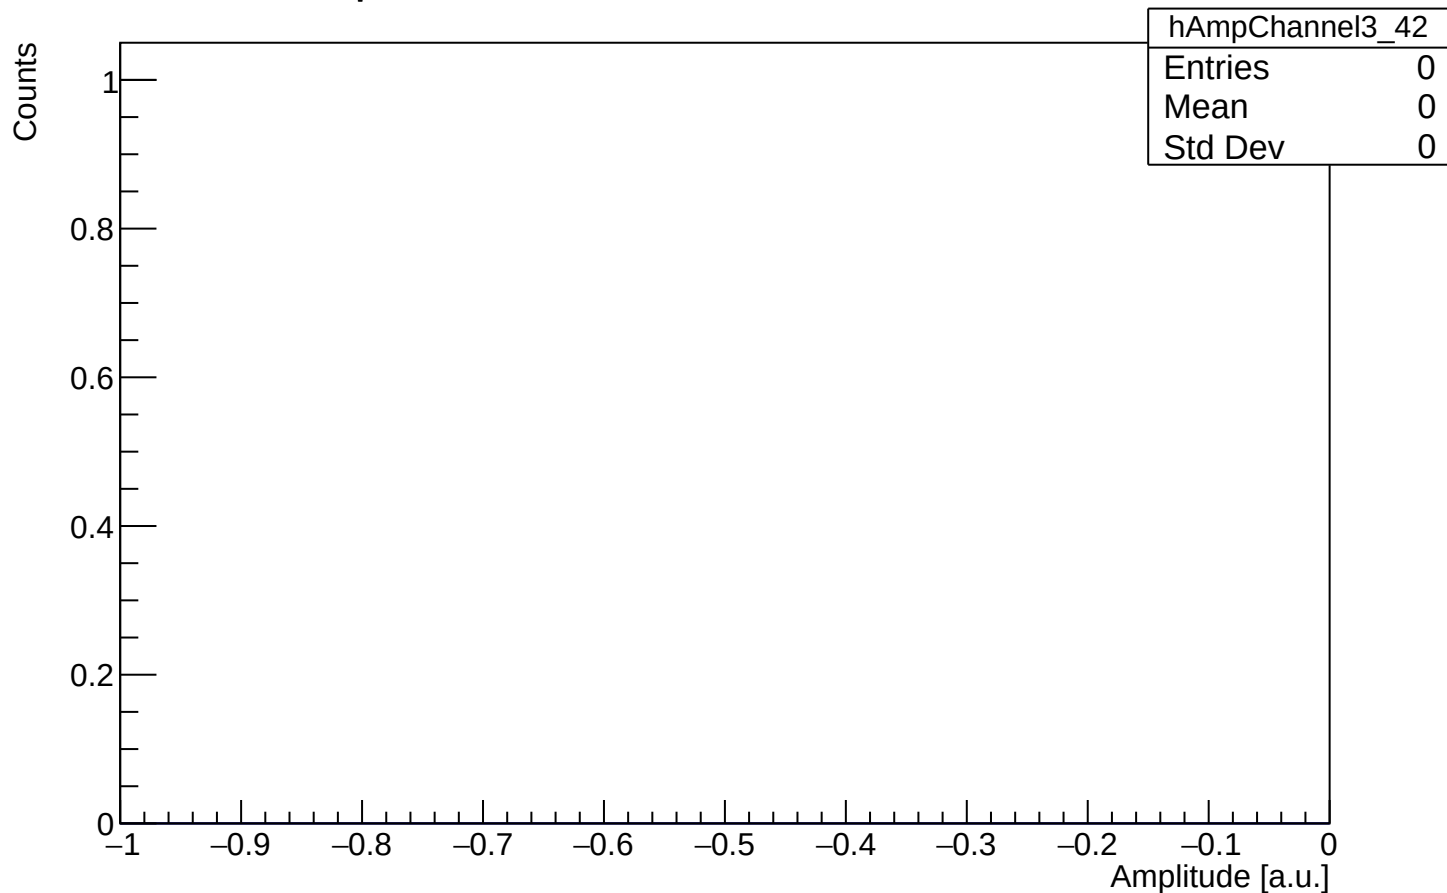

Amplitudes for channel 40 of third detector

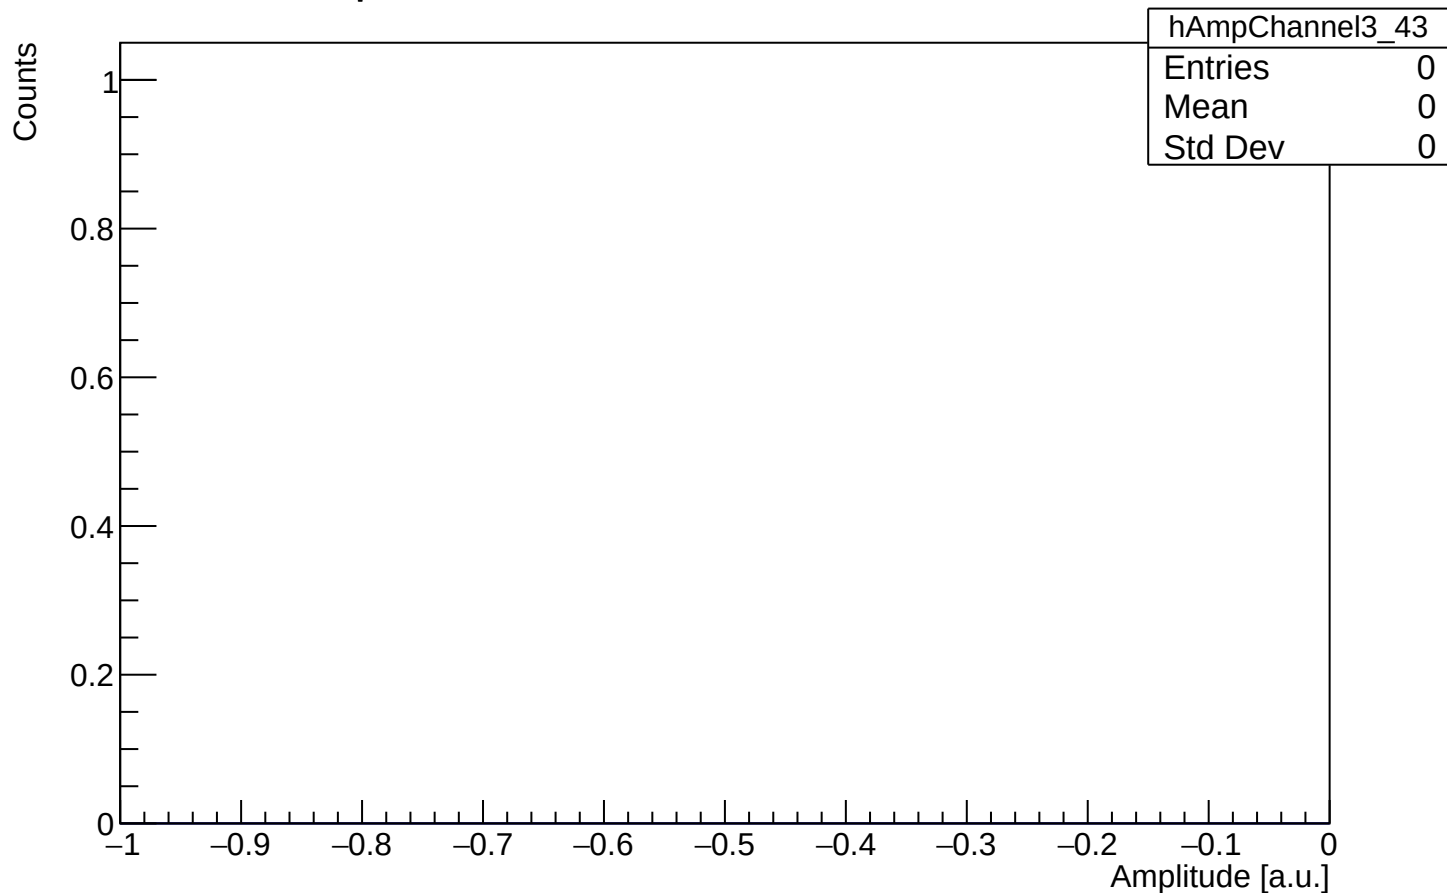

Amplitudes for channel 41 of third detector

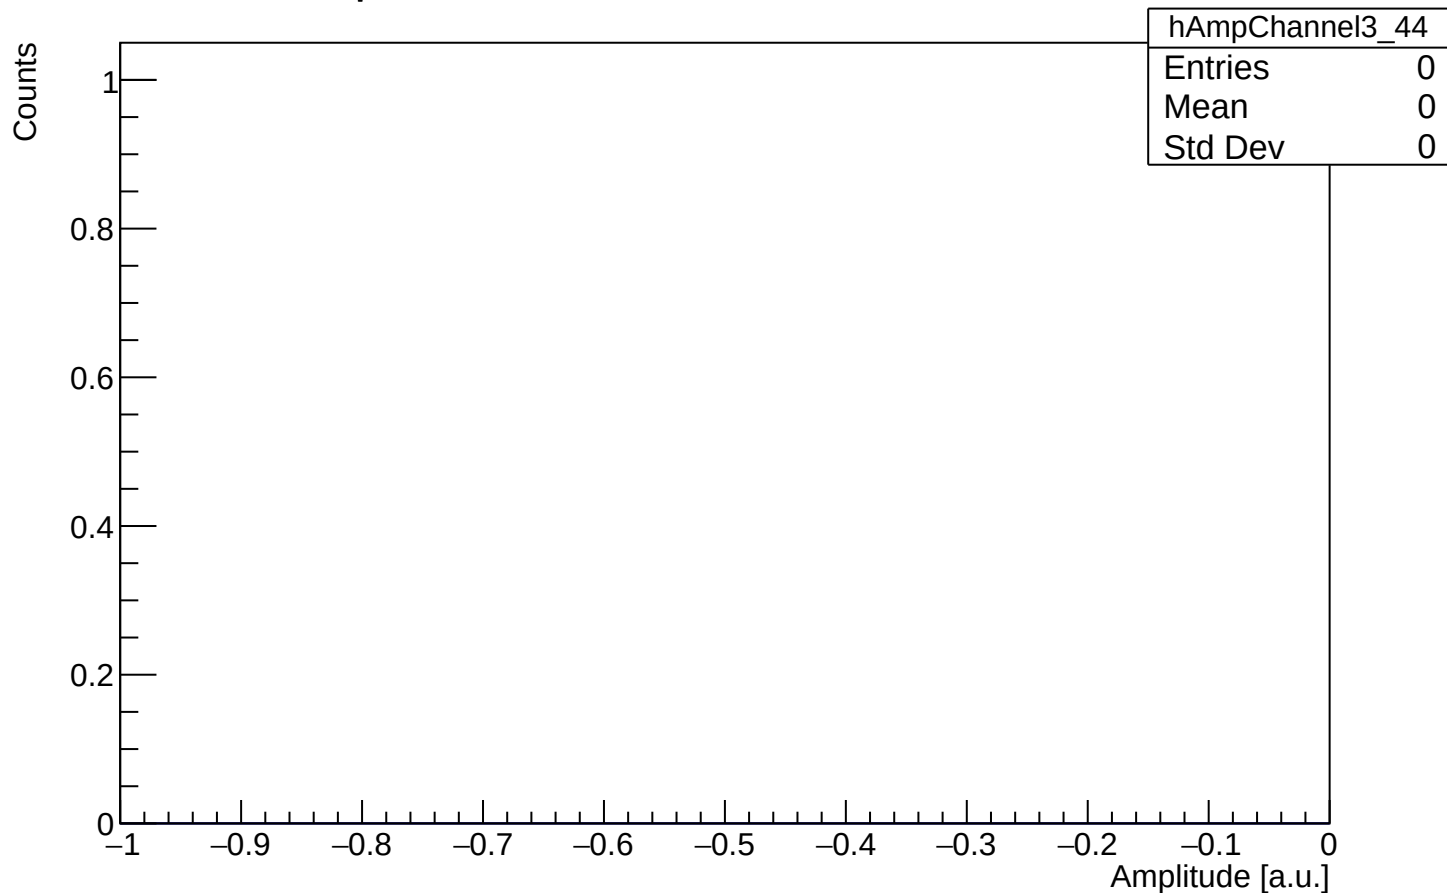

Amplitudes for channel 42 of third detector

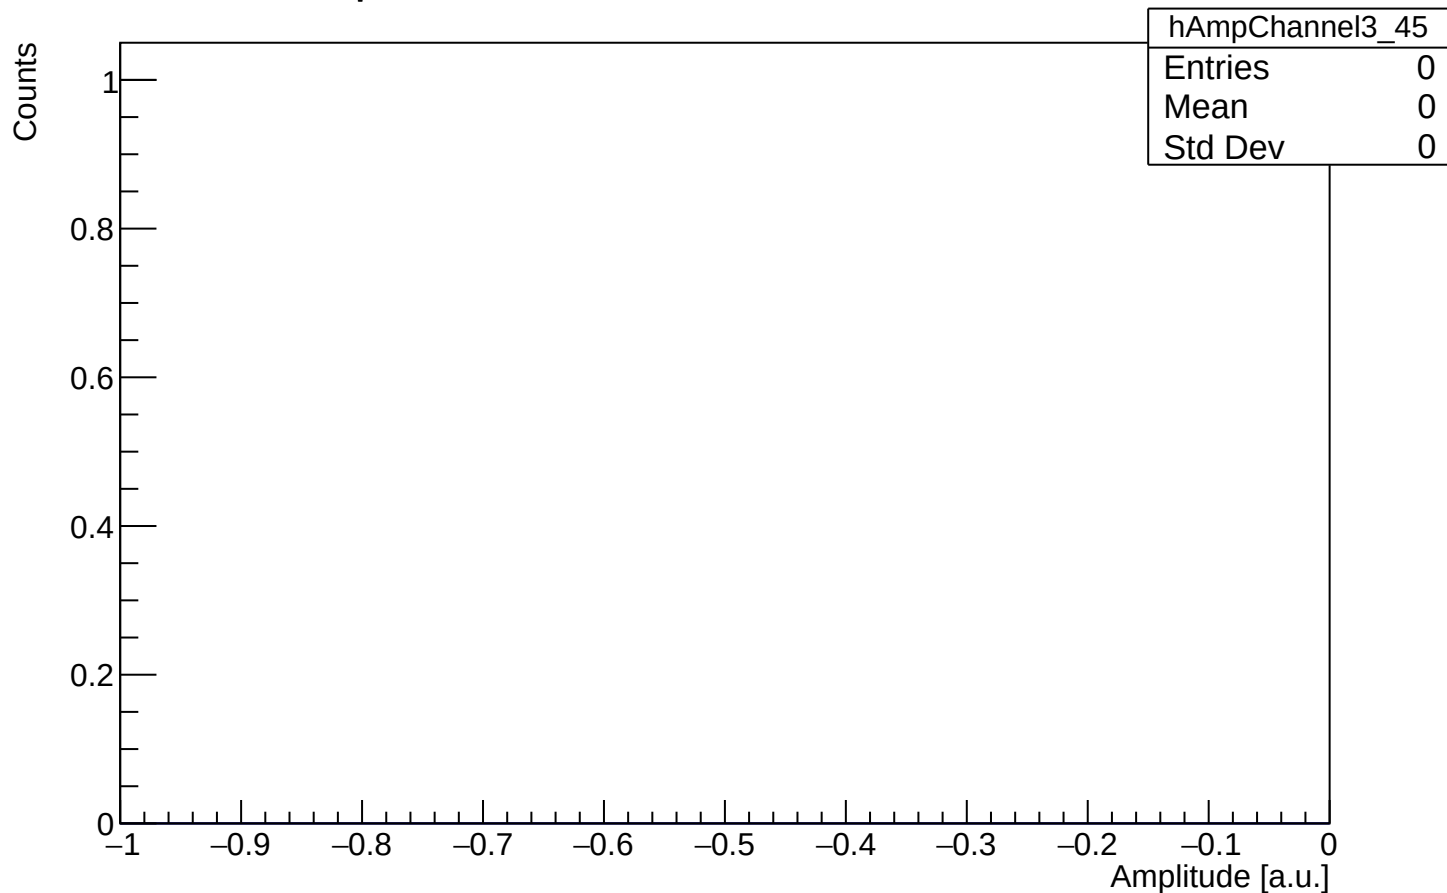

Amplitudes for channel 43 of third detector

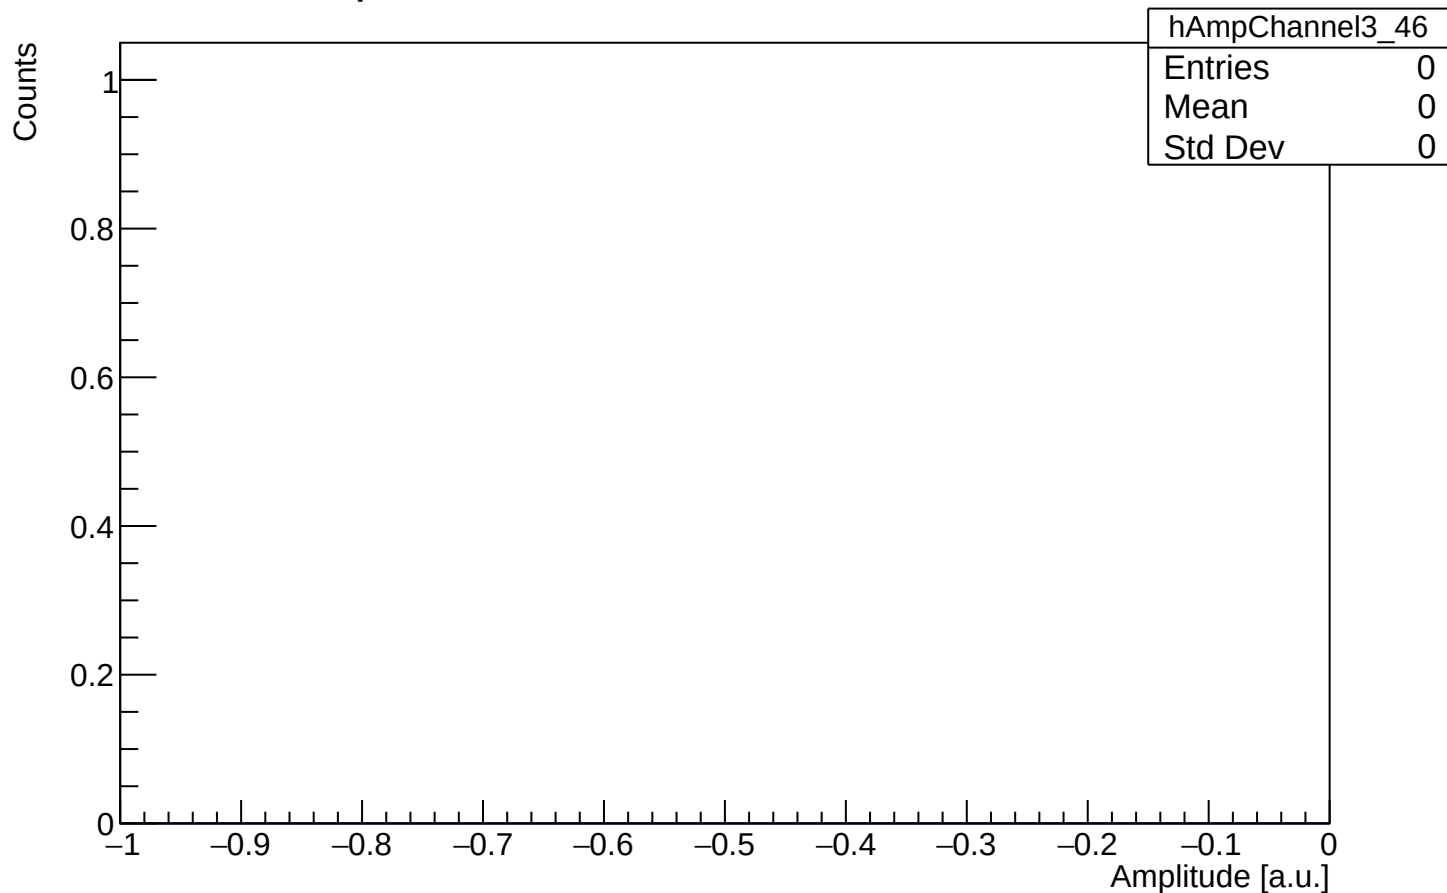

Amplitudes for channel 44 of third detector

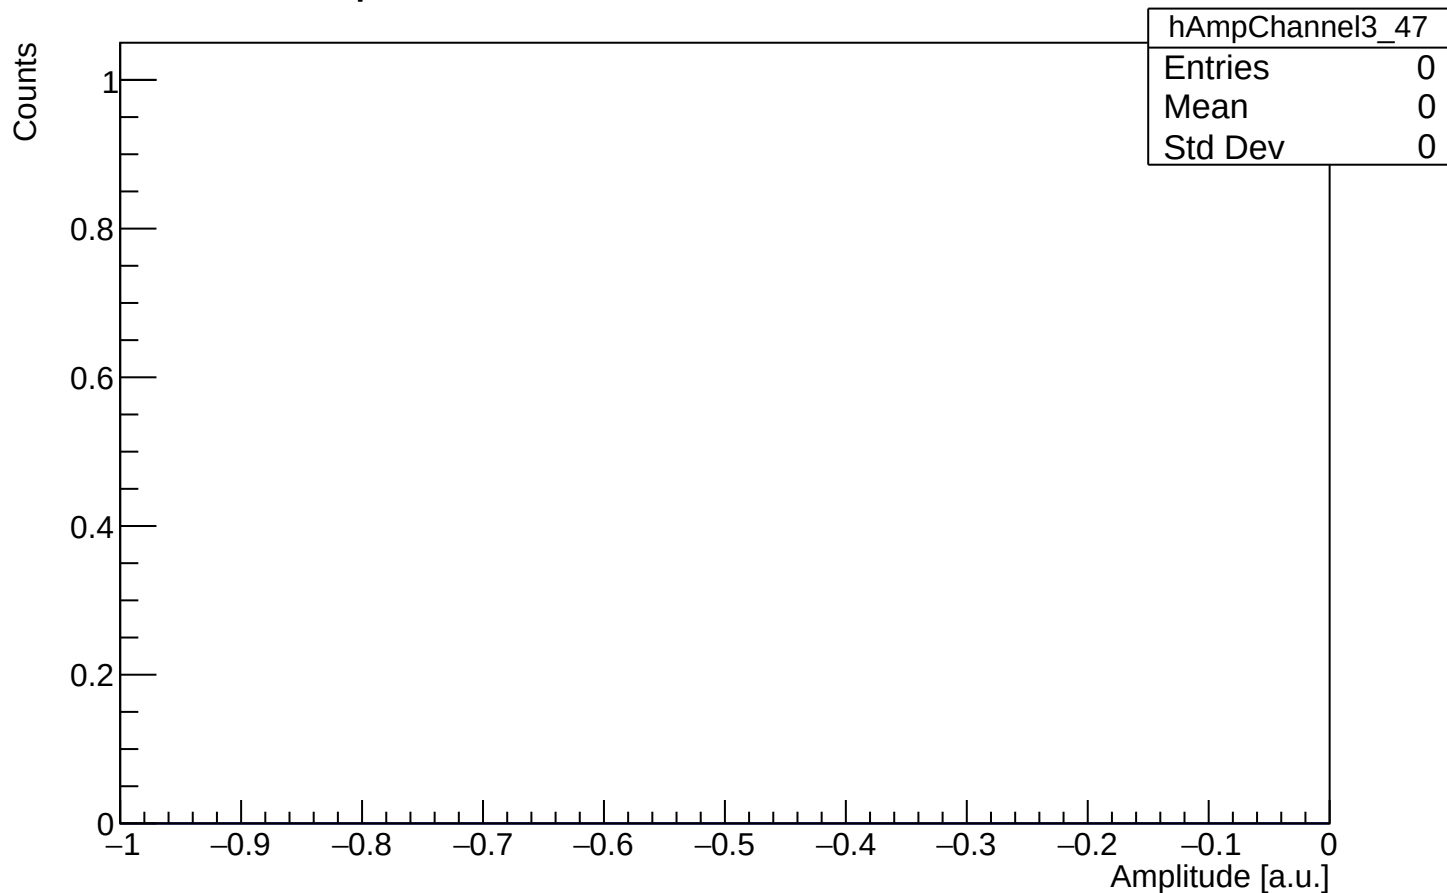

Amplitudes for channel 45 of third detector

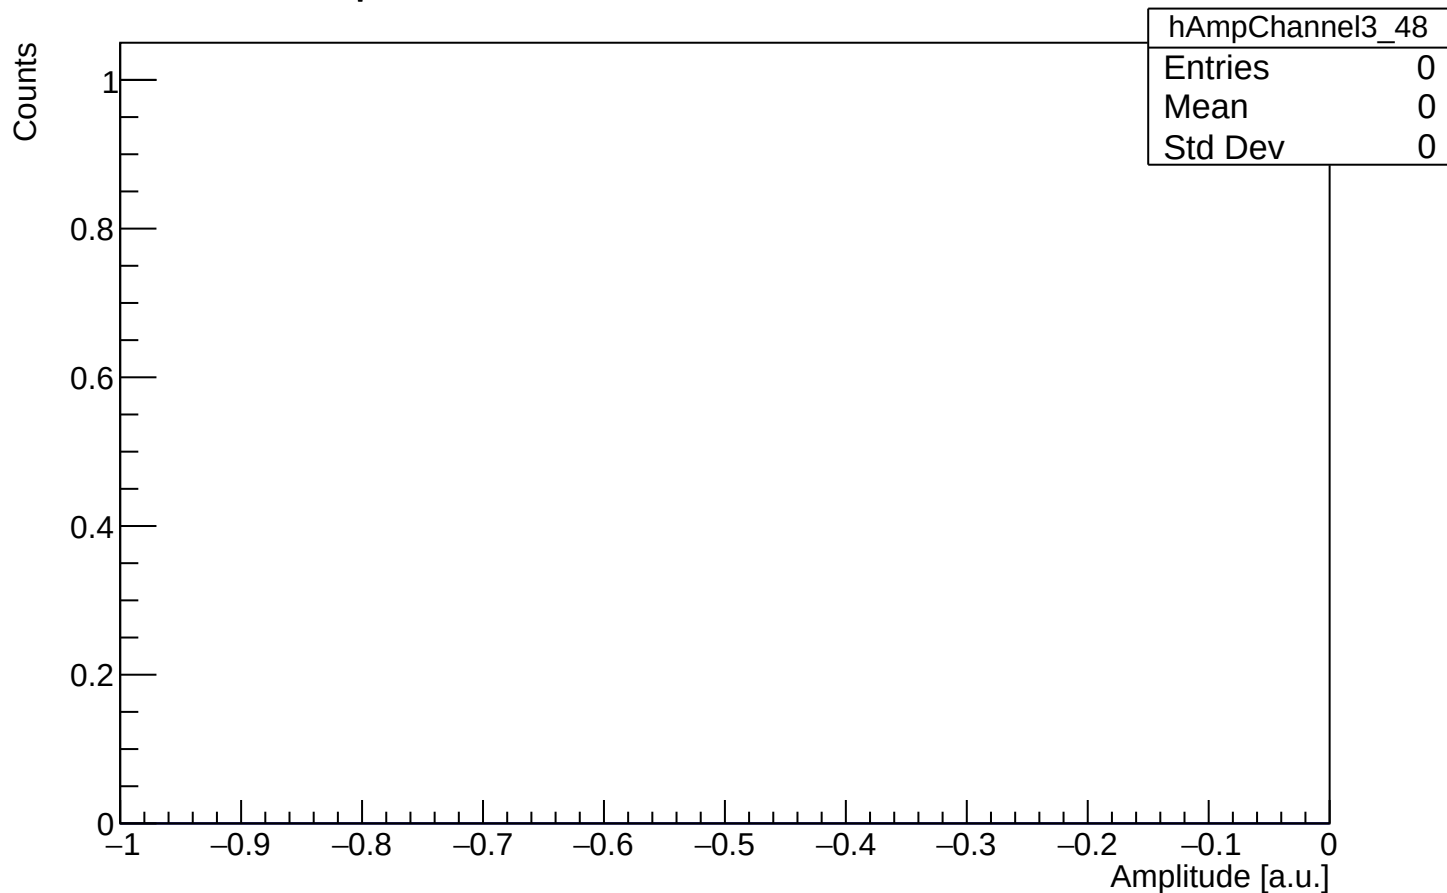

Amplitudes for channel 46 of third detector

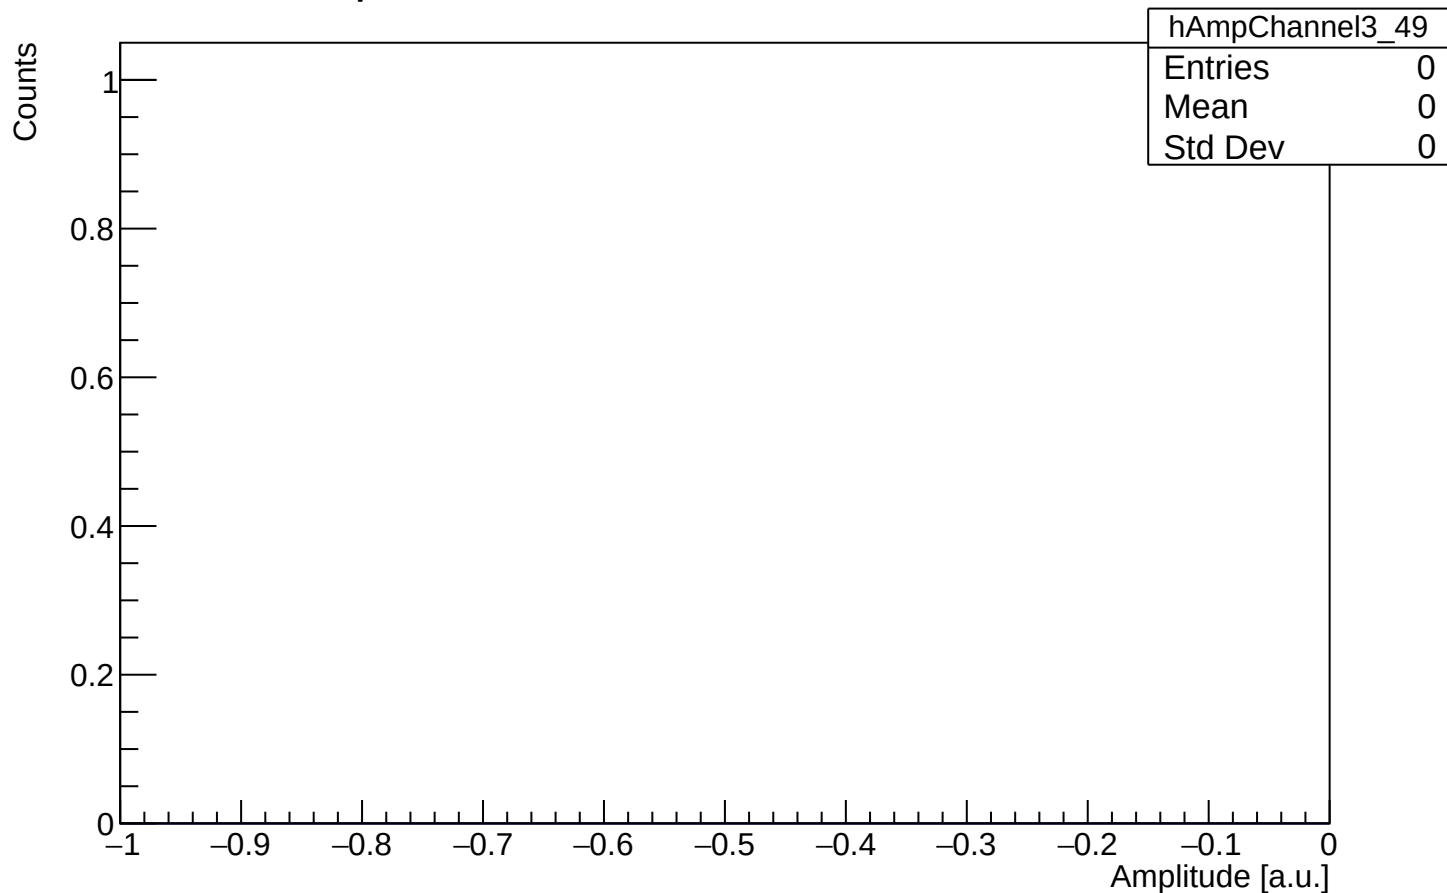

Amplitudes for channel 47 of third detector

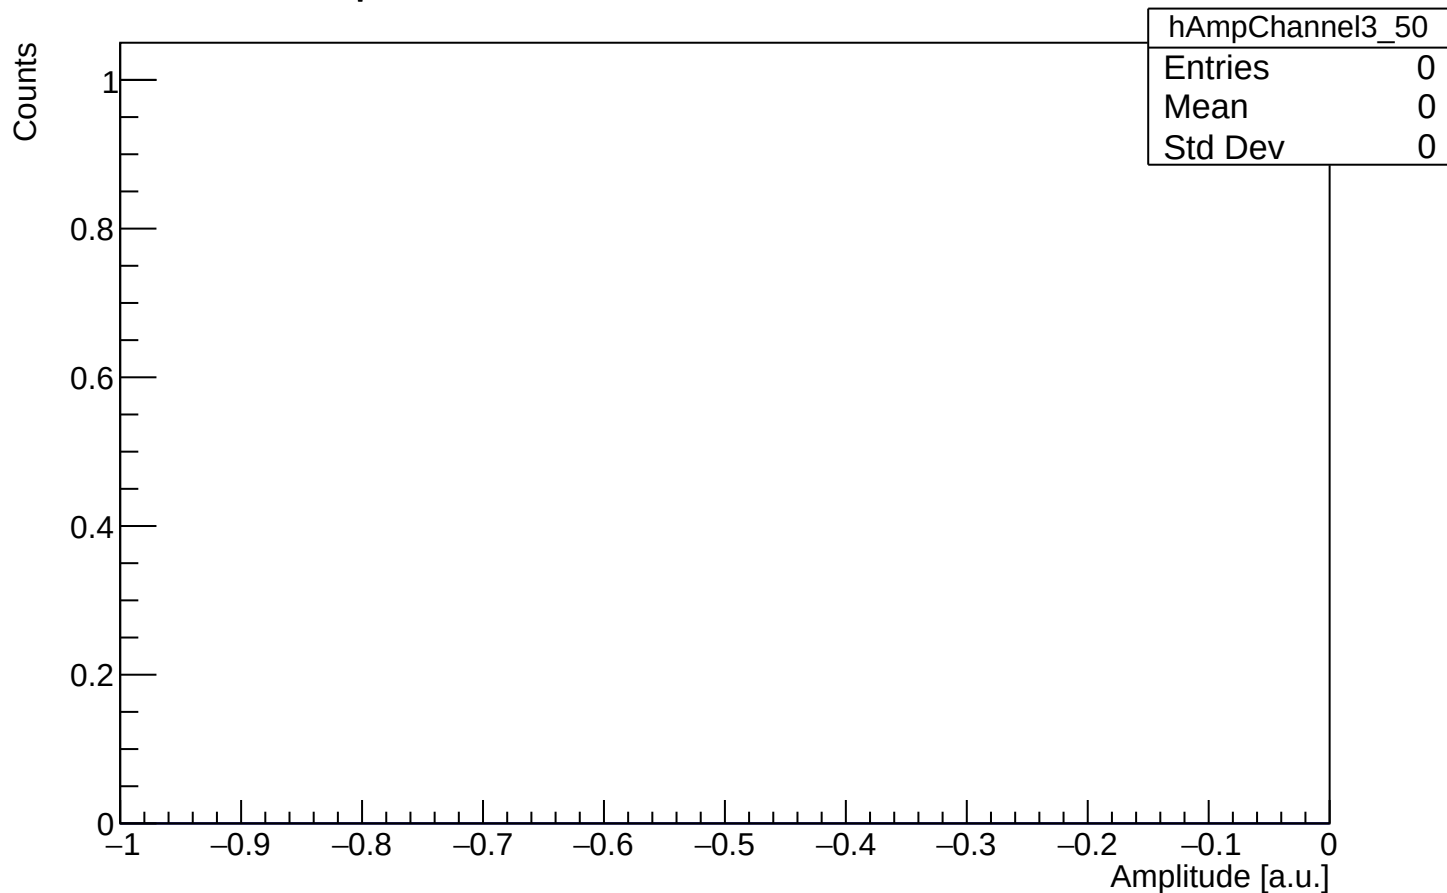

Amplitudes for channel 48 of third detector

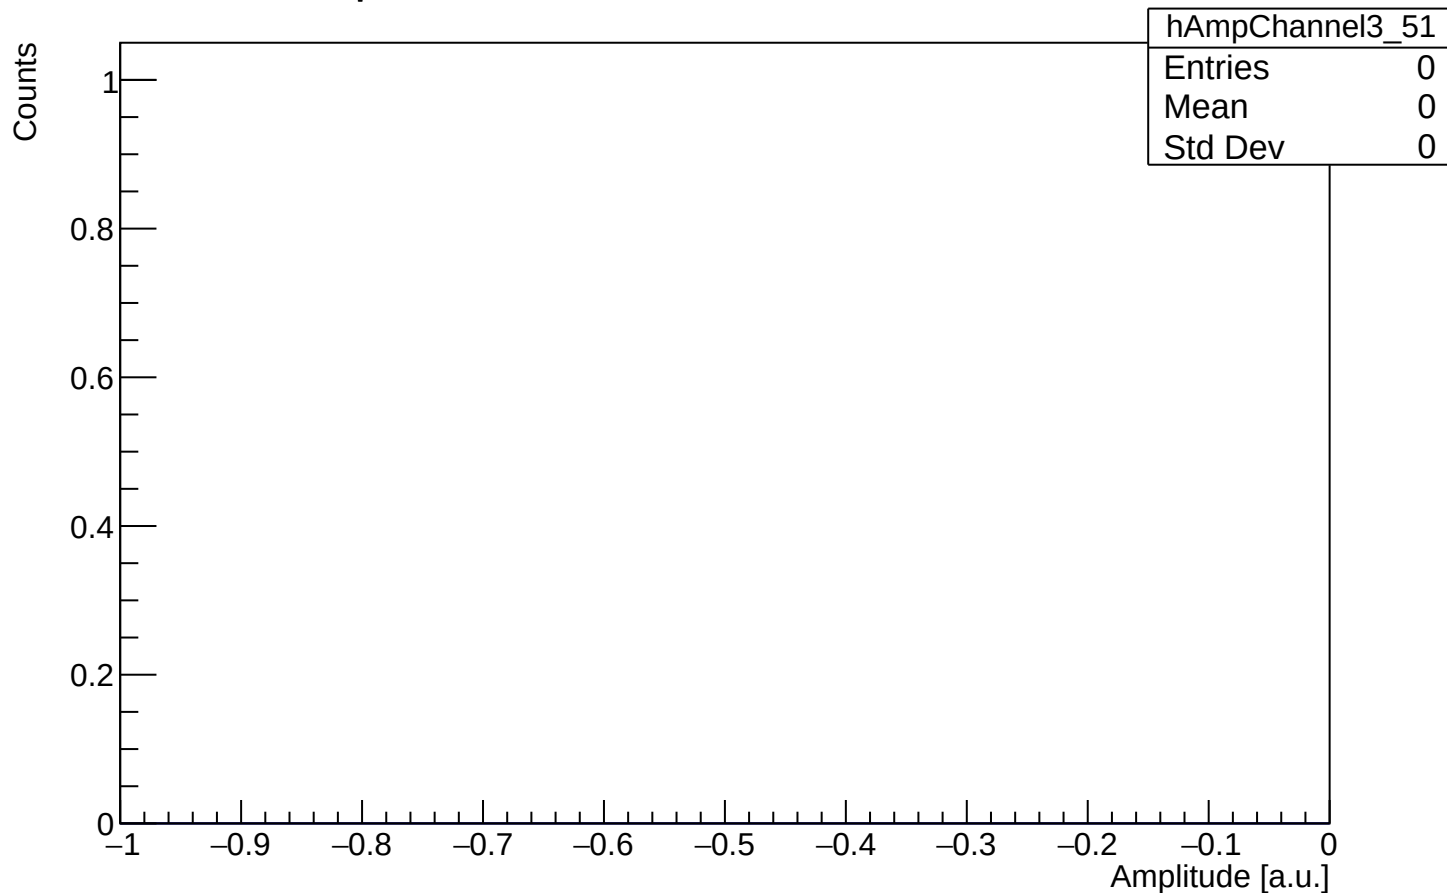

Amplitudes for channel 49 of third detector

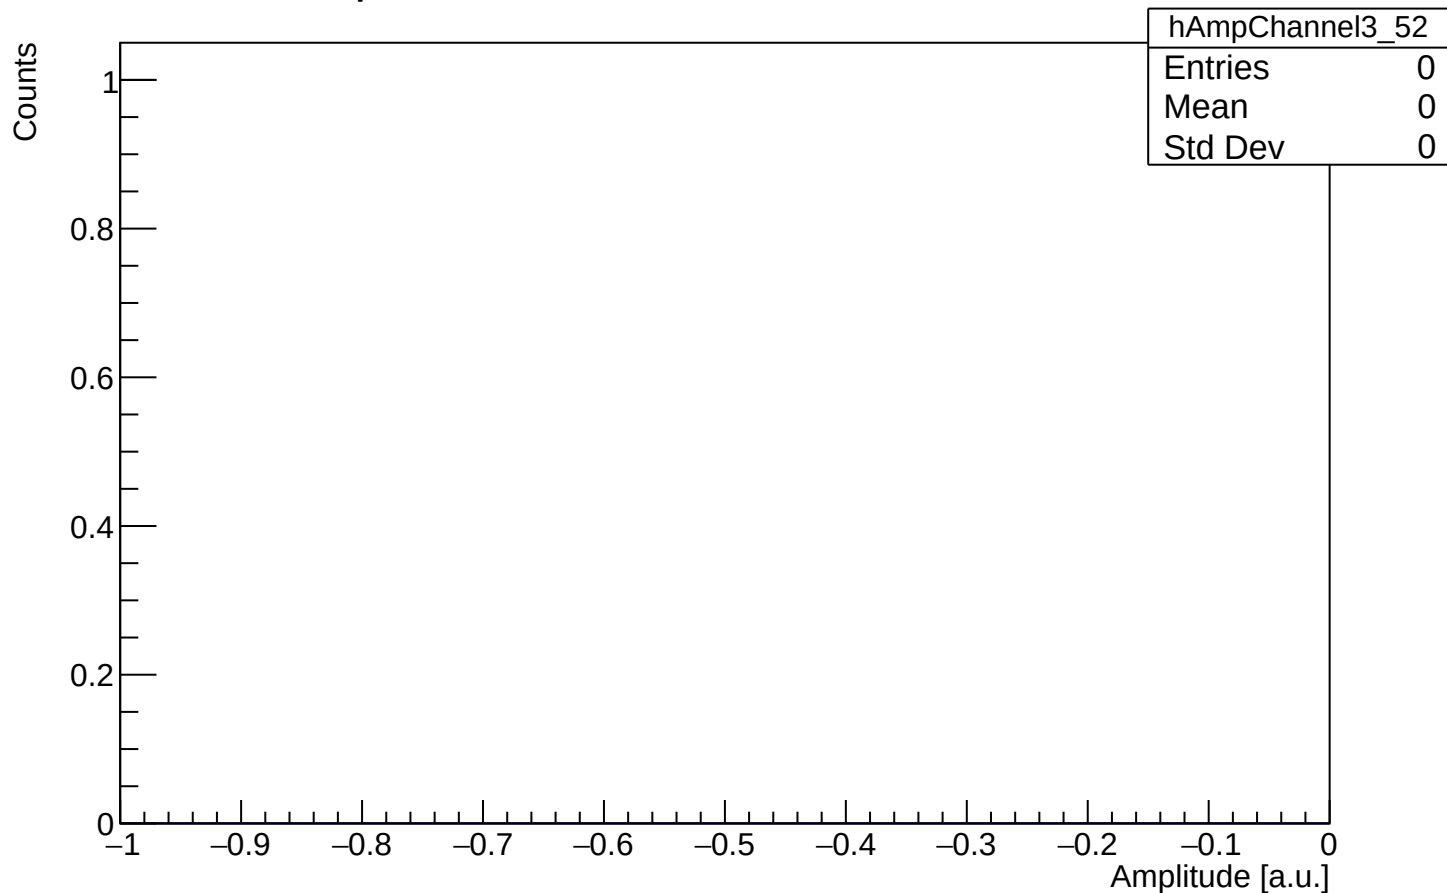

Amplitudes for channel 50 of third detector

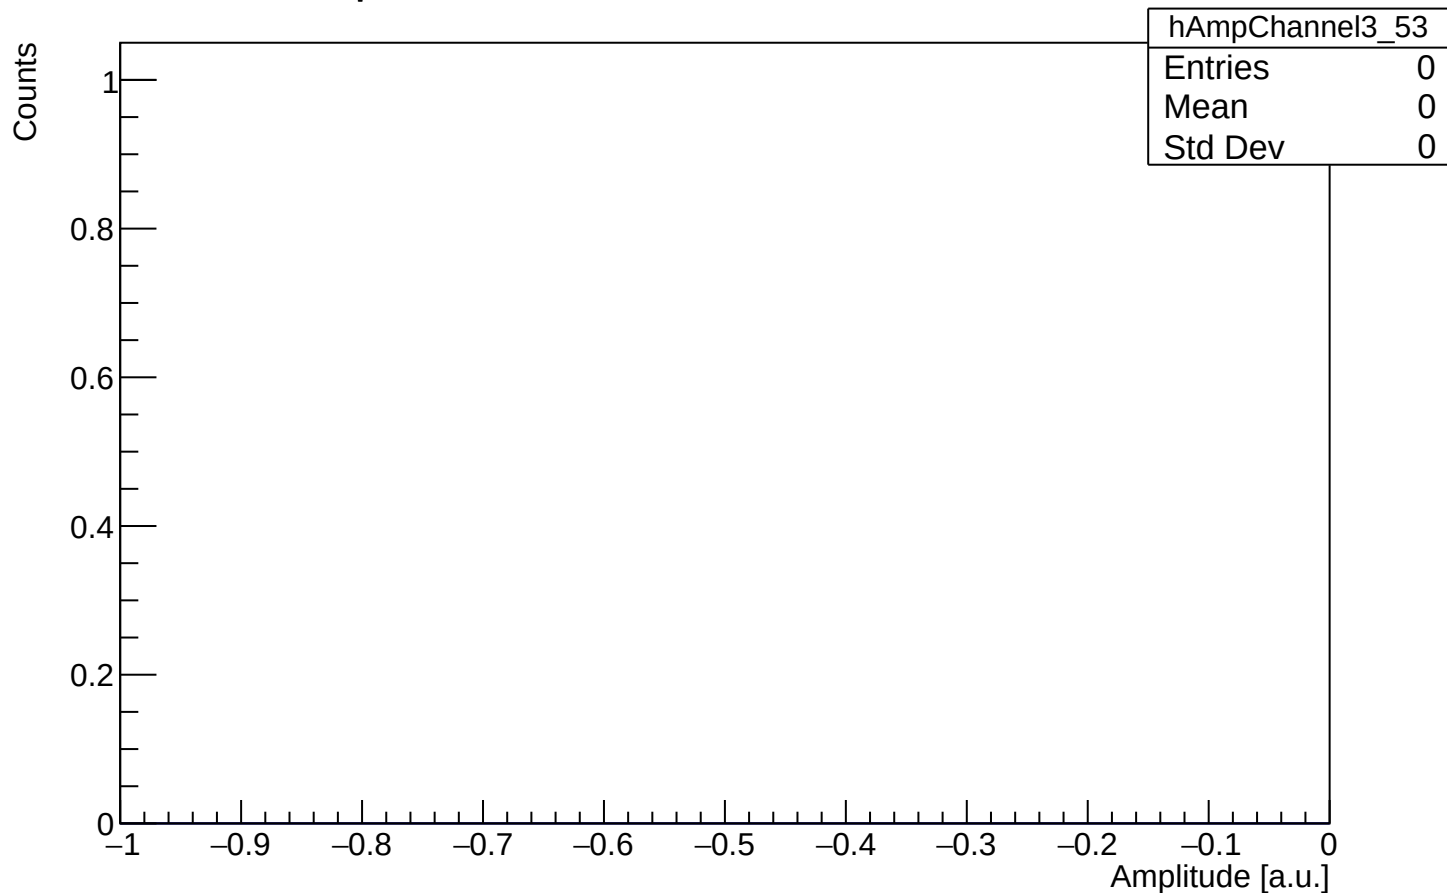

Amplitudes for channel 51 of third detector

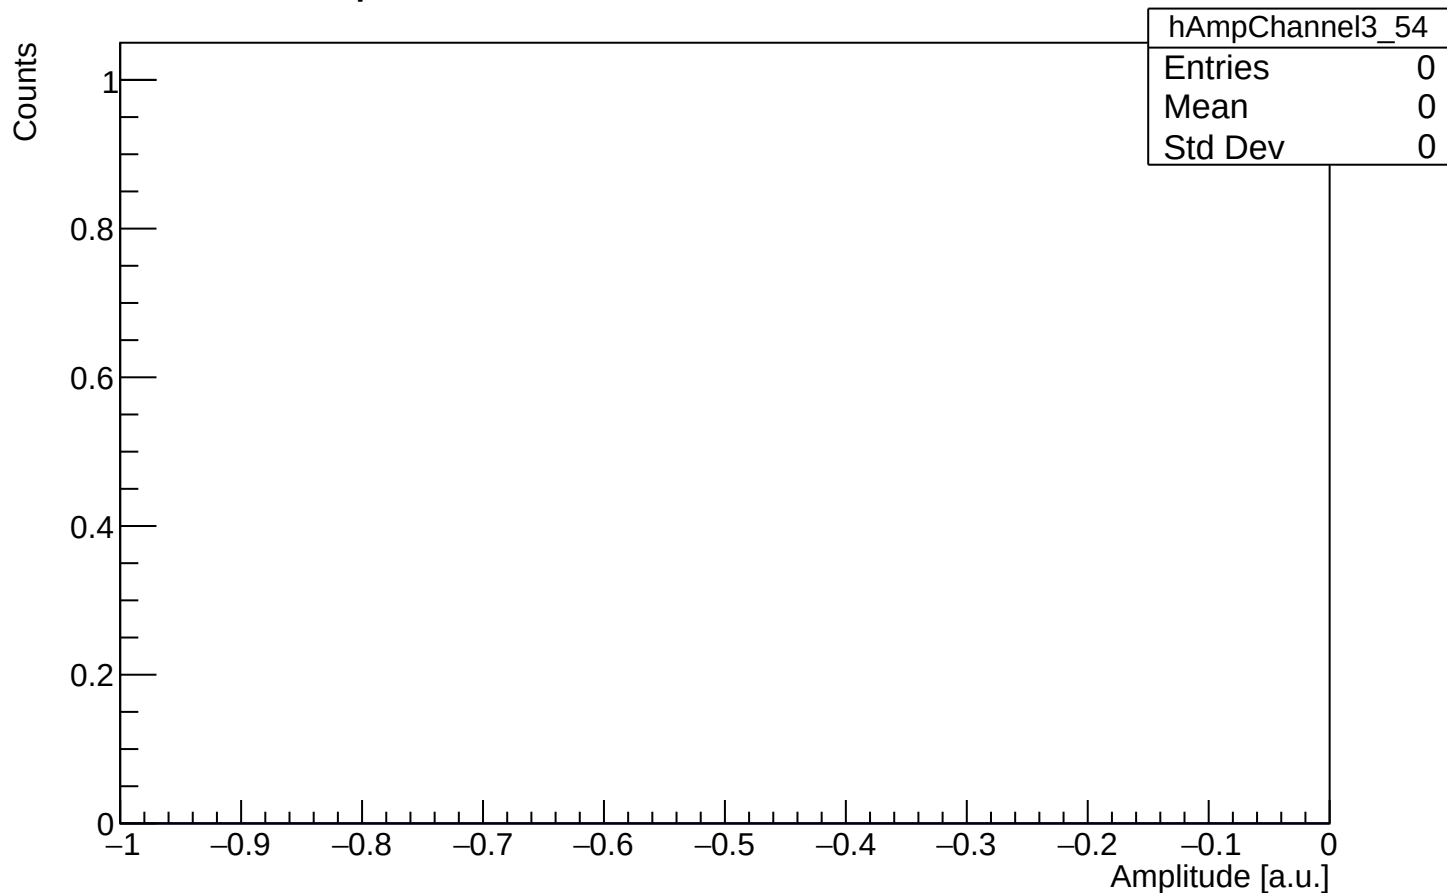

Amplitudes for channel 52 of third detector

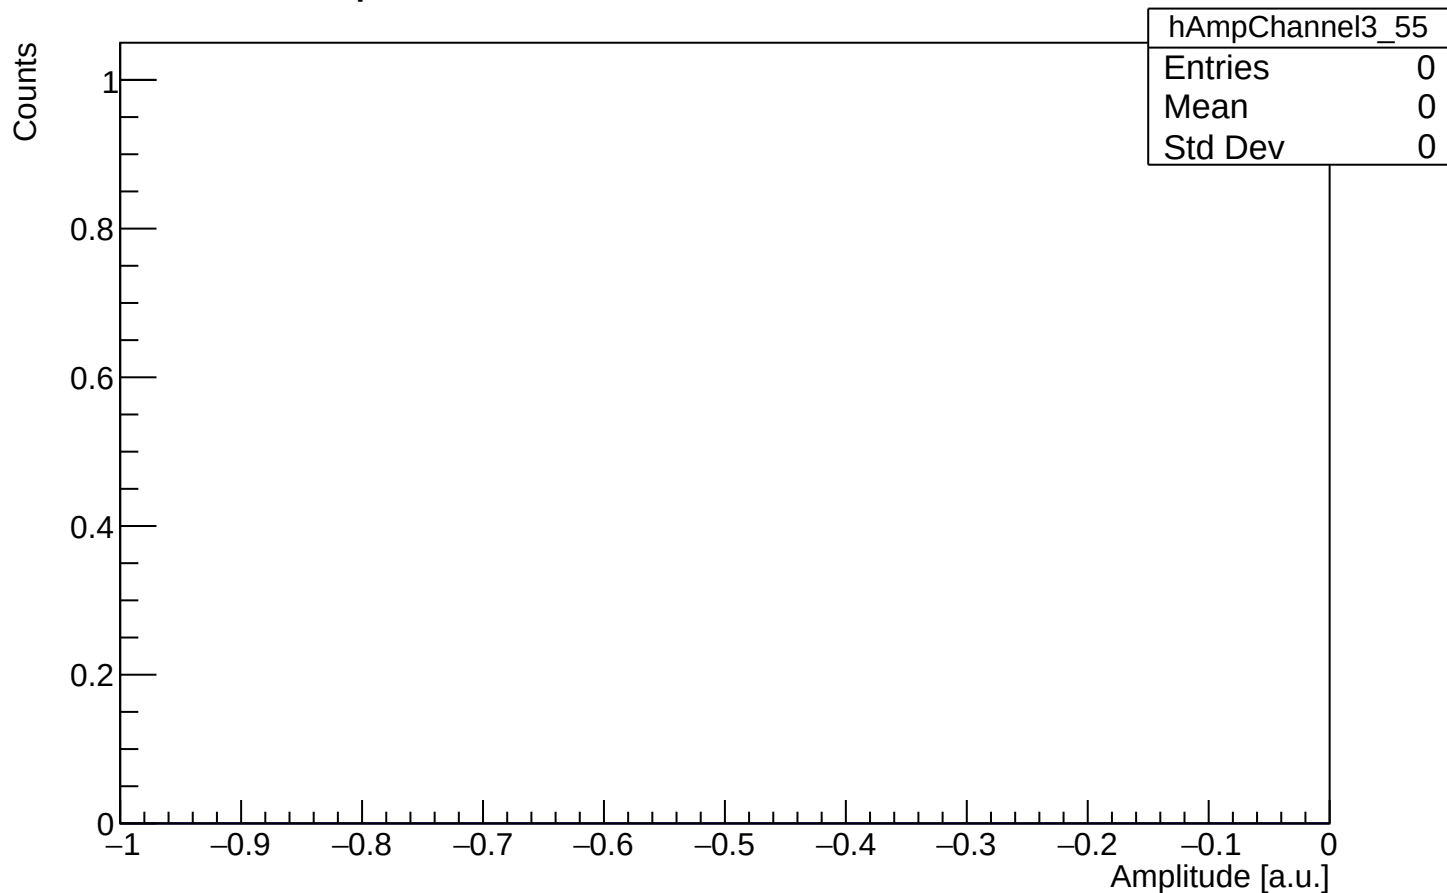

Amplitudes for channel 53 of third detector

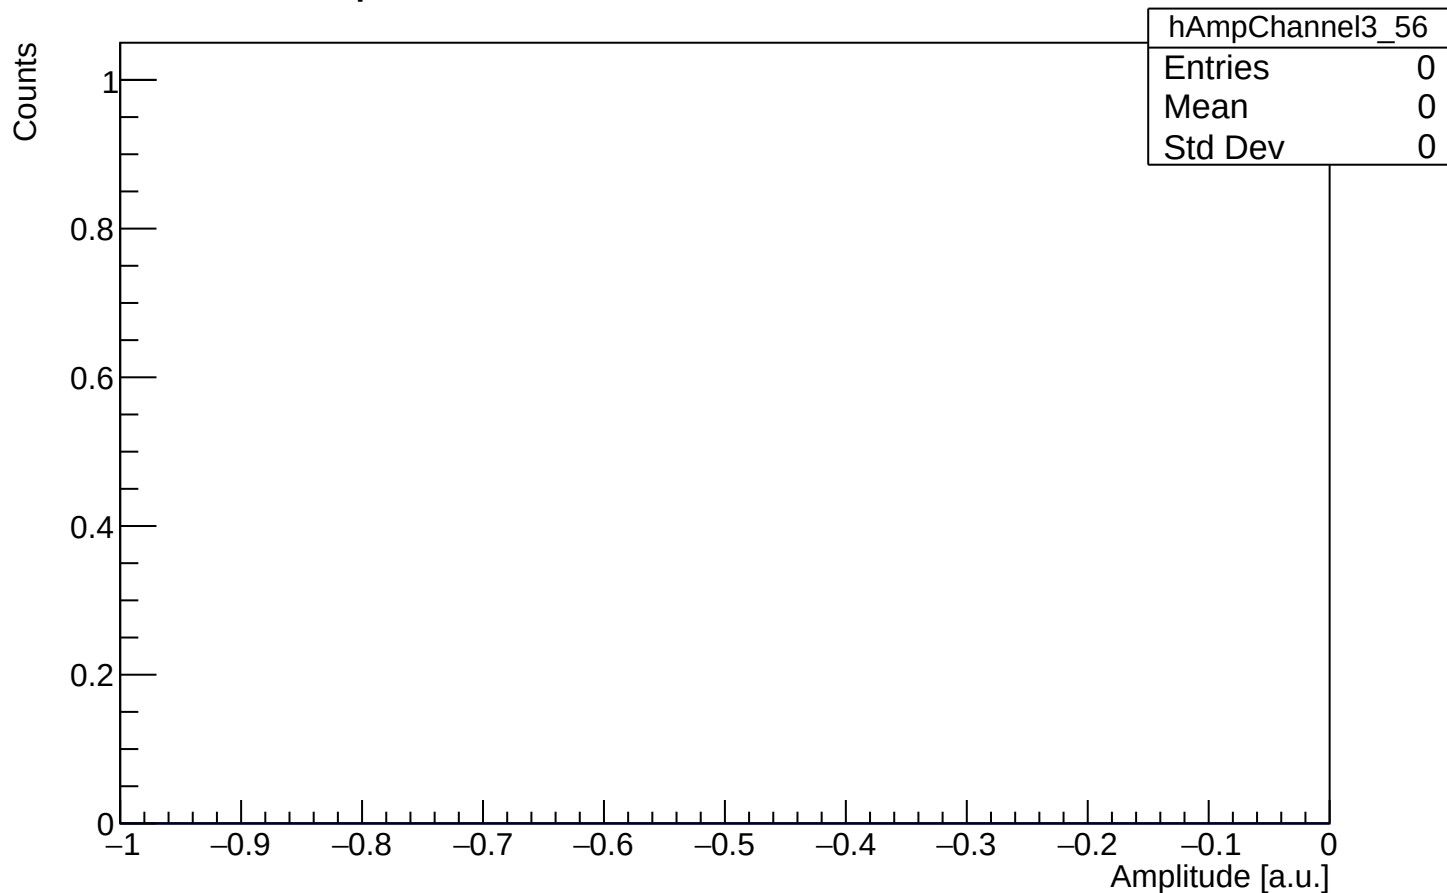

Amplitudes for channel 54 of third detector

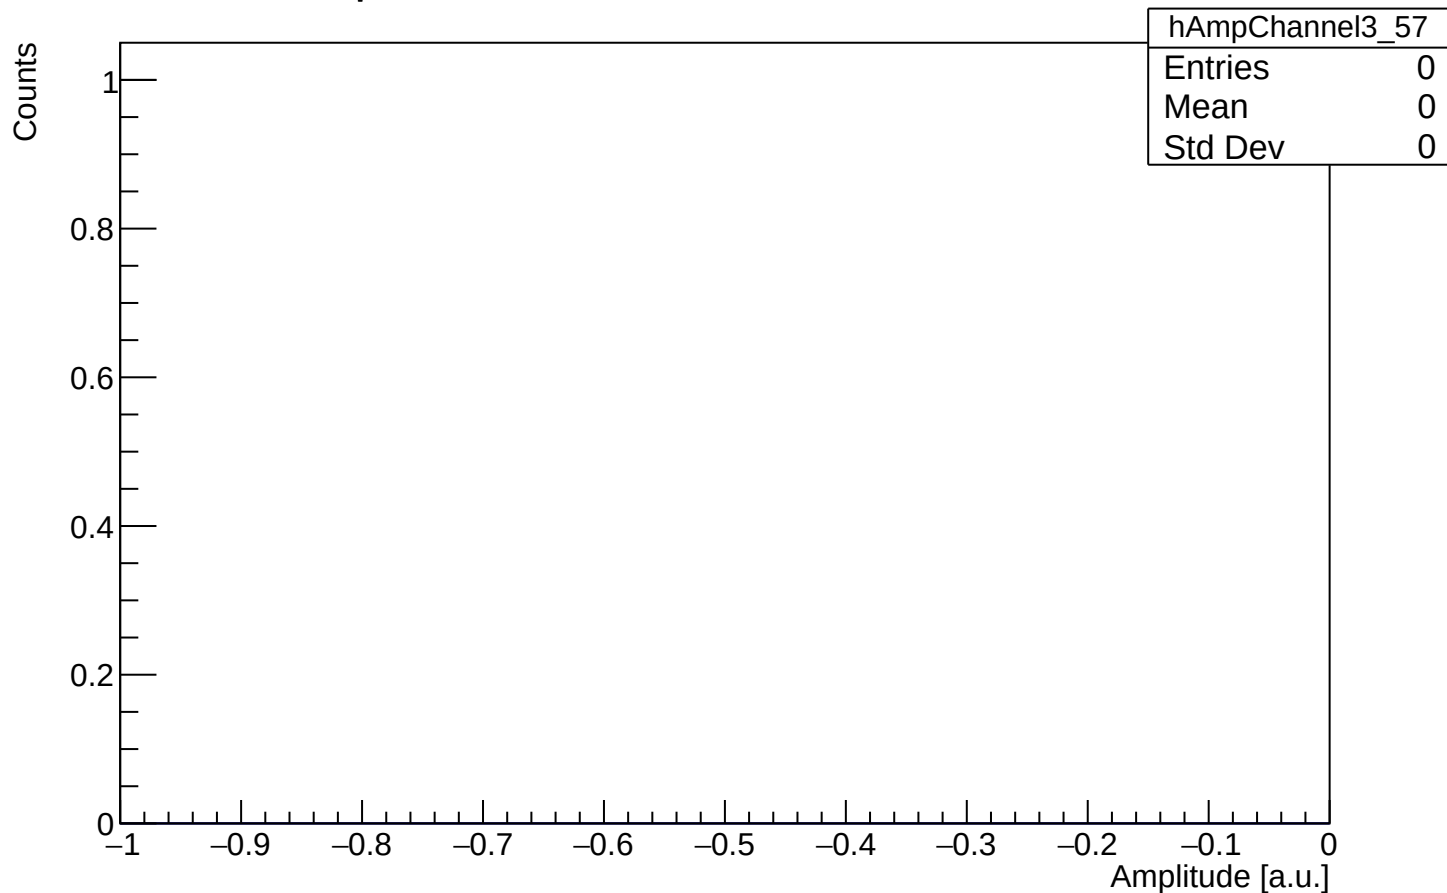

Amplitudes for channel 55 of third detector

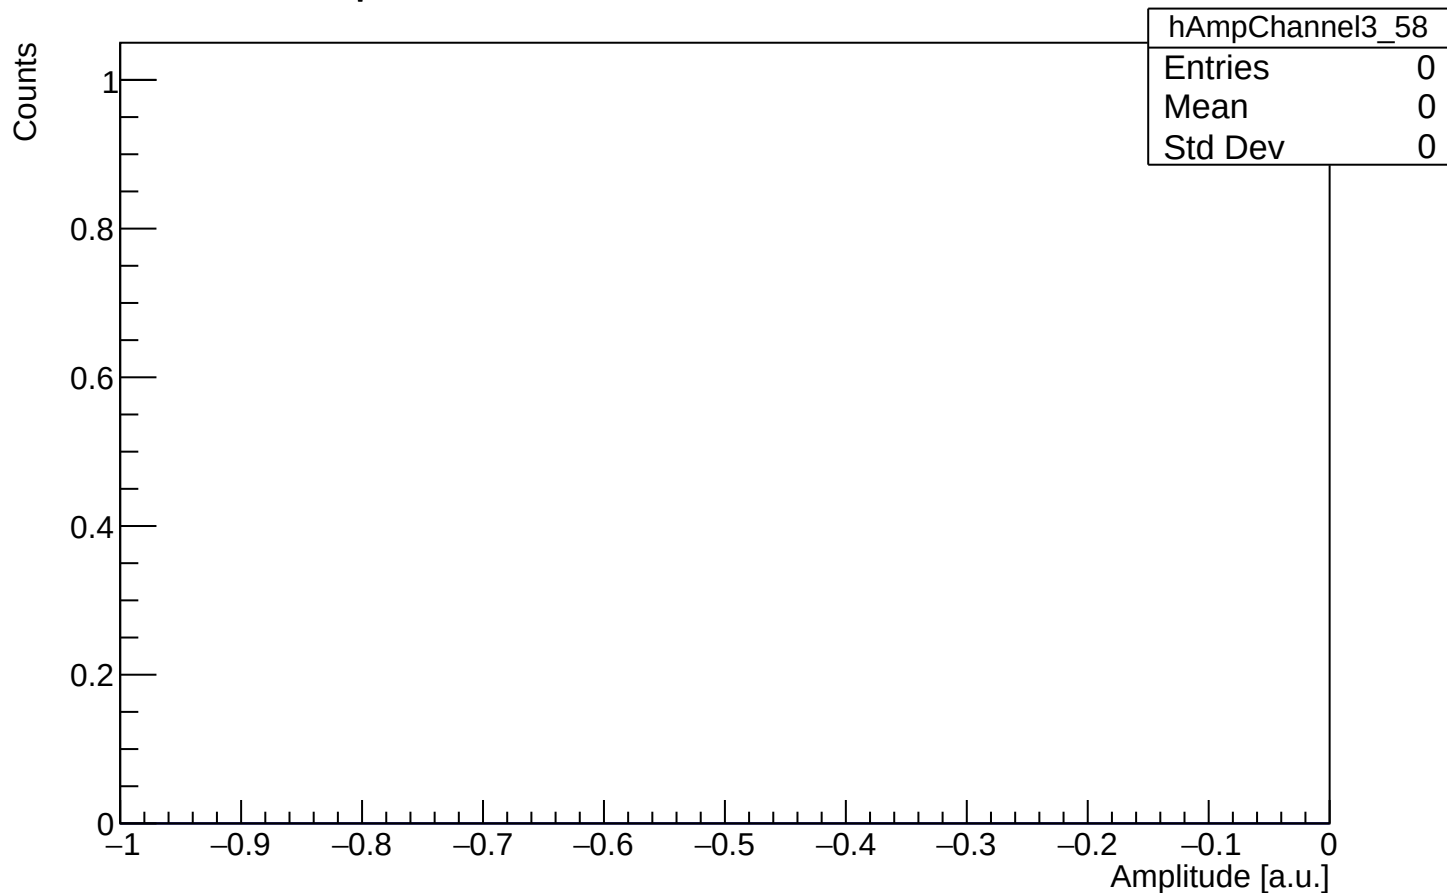

Amplitudes for channel 56 of third detector

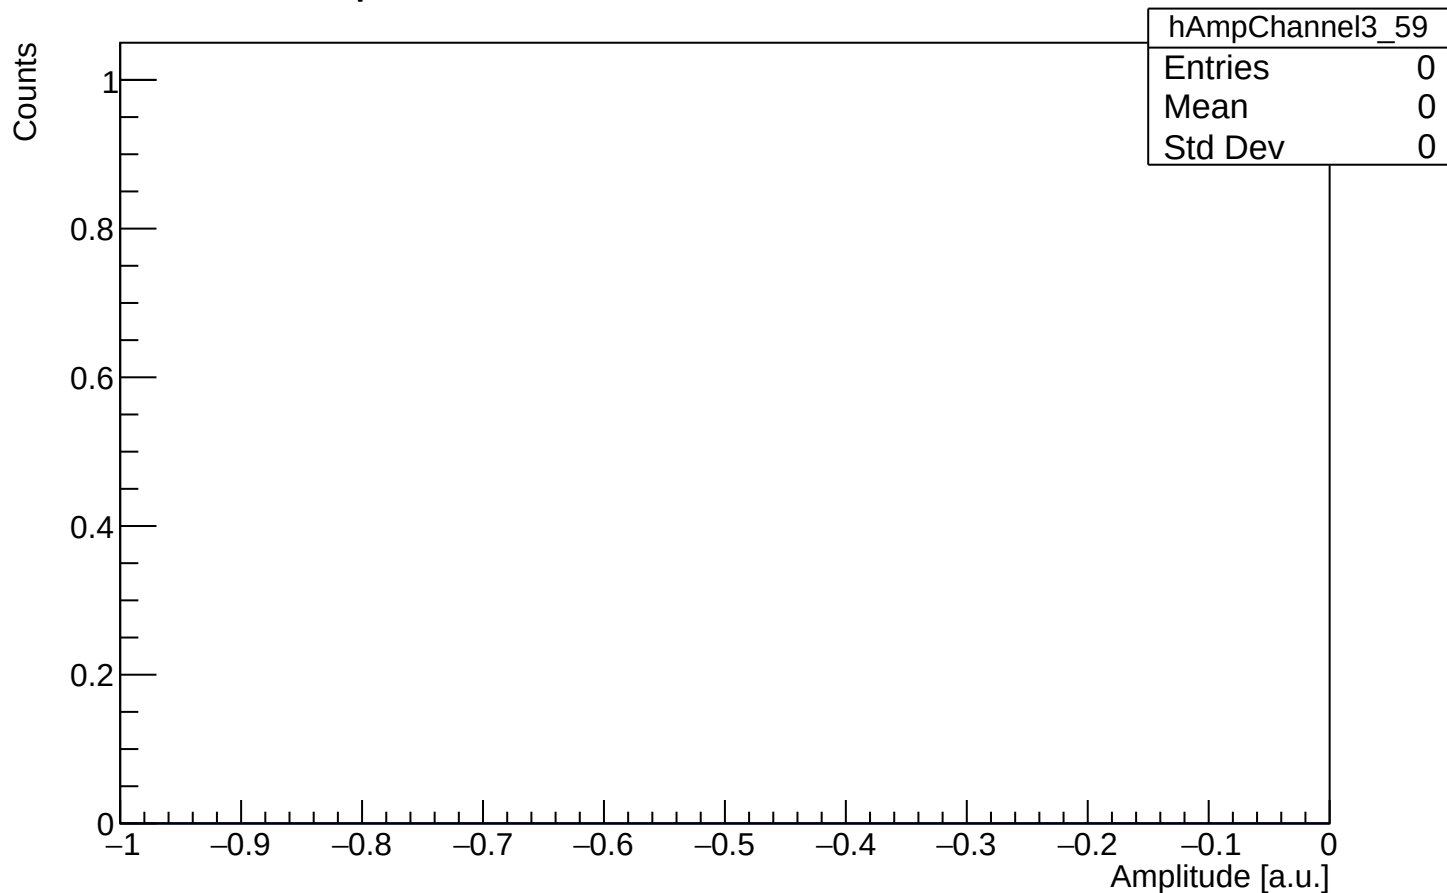

Amplitudes for channel 57 of third detector

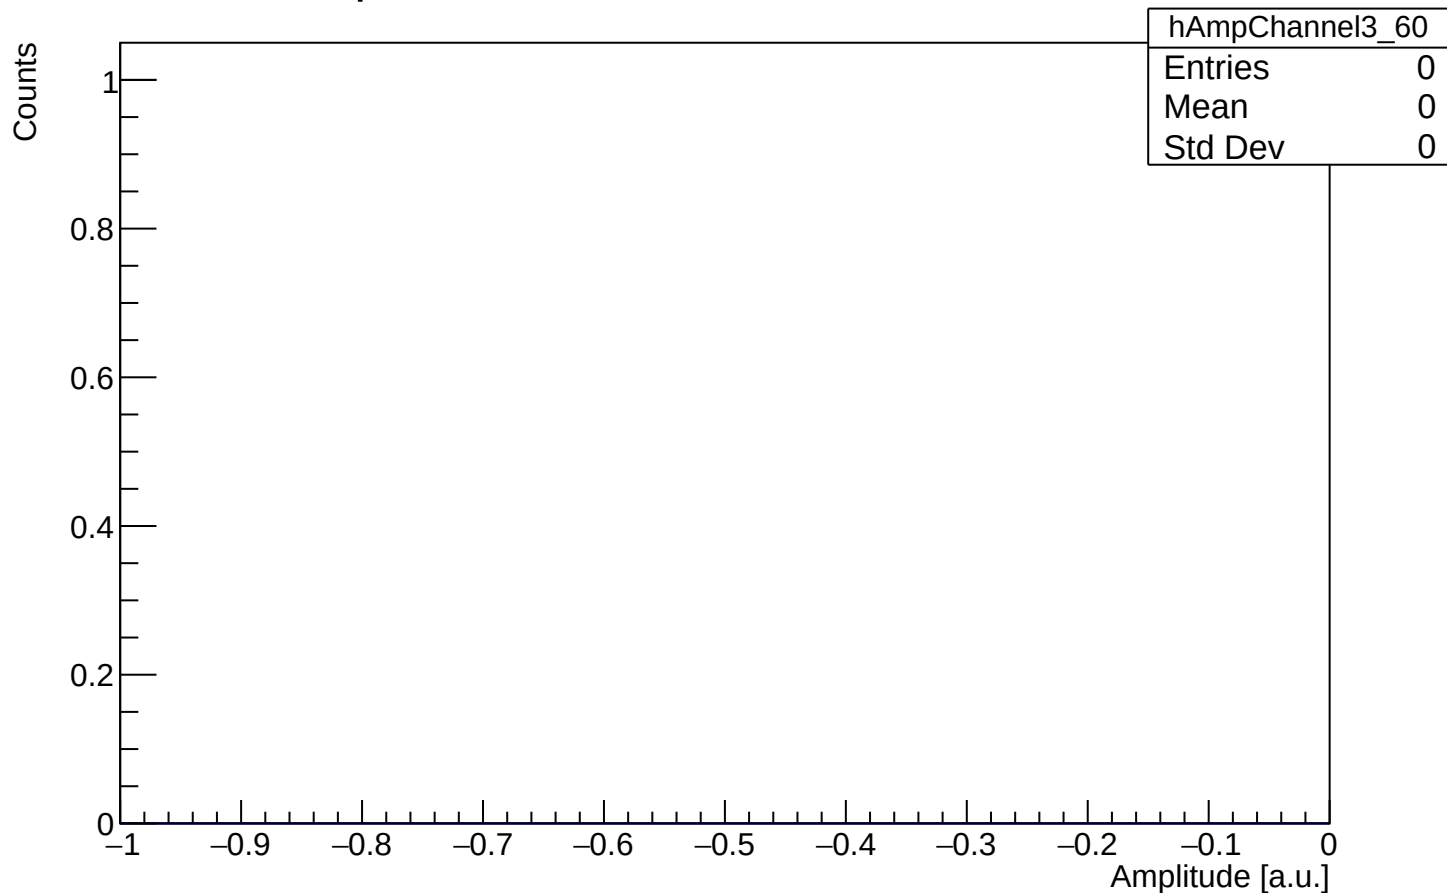

Amplitudes for channel 58 of third detector

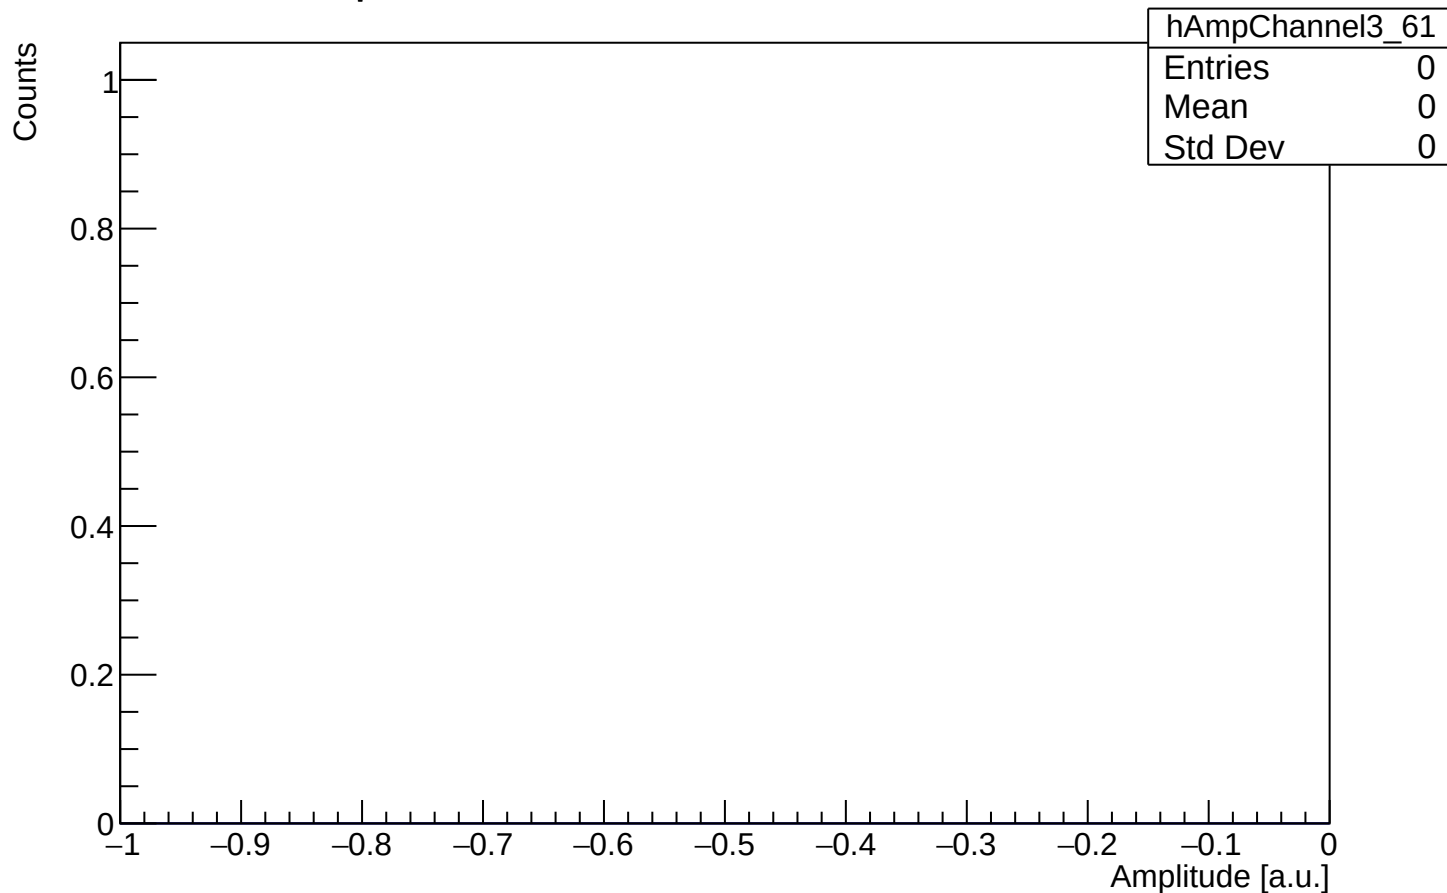

Amplitudes for channel 59 of third detector

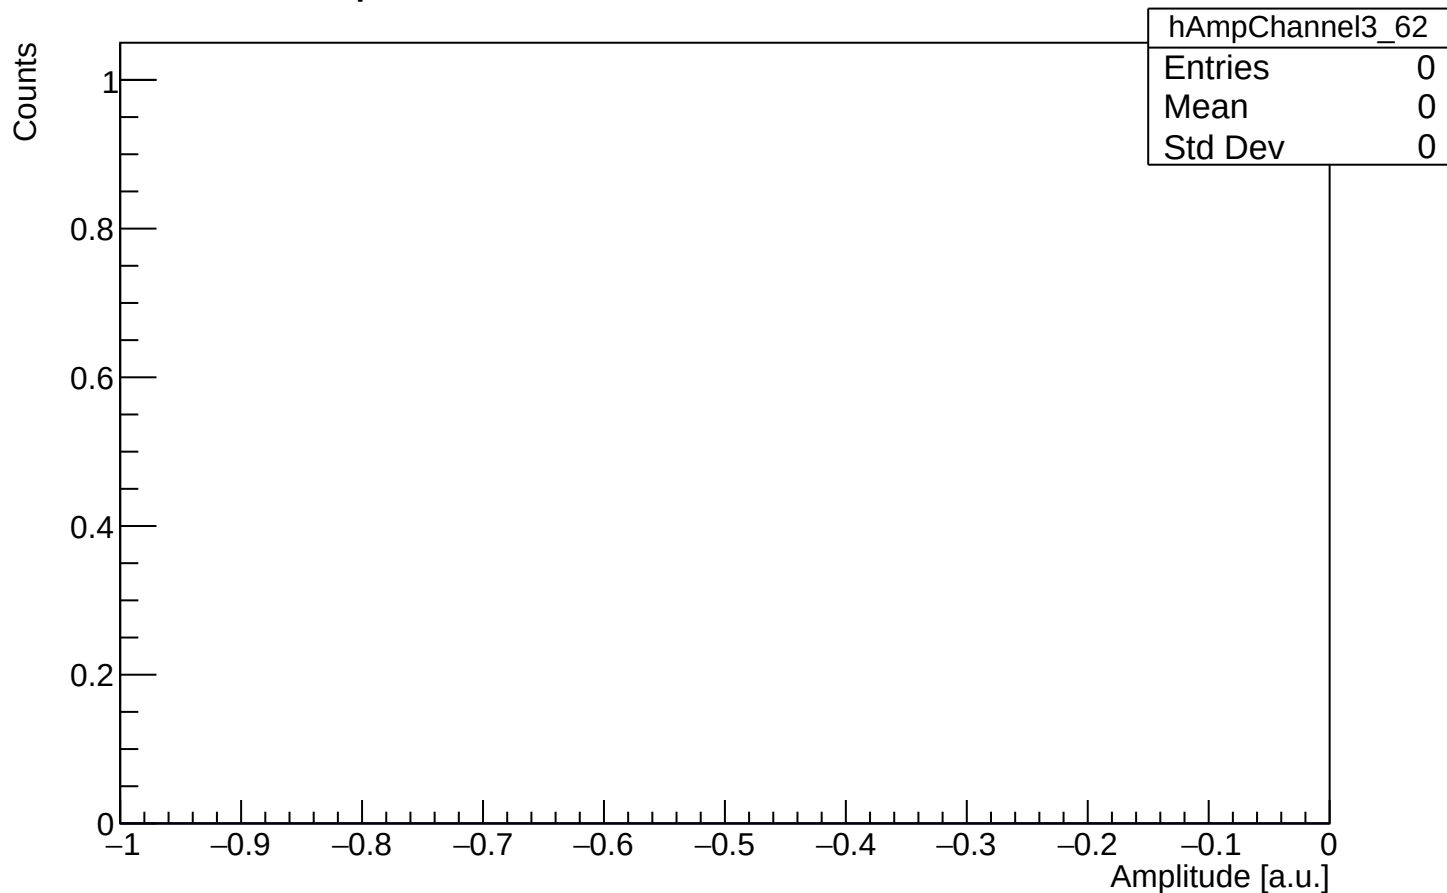

Amplitudes for channel 60 of third detector

Amplitudes for channel 61 of third detector

Amplitudes for channel 62 of third detector

Amplitudes for channel 63 of third detector
